

**Adopted  
COMMITTEE AMENDMENT NO 1 PROPOSED TO**

**House Bill No. 972**

**BY: Committee**

**Amend by striking all after the enacting clause and inserting  
in lieu thereof the following:**

7        SECTION 1. (1) Any faith-based community pharmacy or any  
8 licensed pharmacist who voluntarily provides charitable services  
9 in a community pharmacy, or any other person who serves as a  
10 volunteer in a community pharmacy, shall be immune from liability  
11 for any civil action arising out of supplying pharmaceutical  
12 products in the course of providing such charitable or gratuitous  
13 pharmaceutical products. This section shall not extend immunity  
14 to acts of gross negligence or willful or wanton misconduct or to  
15 the manufacturer or designer of products provided.

16        (2) Any community pharmacy seeking immunity under this  
17 section shall post a notice, in a conspicuous place adjacent to  
18 the area where prescriptions are picked up by consumers, reading  
19 substantially as follows: "NOTICE: If you are harmed by  
20 medication that you receive here, you do not have the same legal  
21 recourse as you have against other pharmacies." Failure to post  
22 the notice negates the immunity from liability provided under this  
23 section. The notice shall be no less than eleven (11) by fourteen  
24 (14) inches in size, and the type used shall be no smaller than

25 thirty-six (36) point and surrounded by a one-inch solid black  
26 border.

27 (3) For purposes of this section, "community pharmacy" means  
28 a pharmacy solely for charitable purposes and whose only function  
29 is to supply gratuitous pharmaceutical products, which is operated  
30 by a nonprofit organization qualified or eligible for  
31 qualification as a tax-exempt organization under 26 USCS 501.

32 **SECTION 2.** This act shall take effect and be in force from  
33 and after July 1, 2005.

**Further, amend by striking the title in its entirety and  
inserting in lieu thereof the following:**

1 AN ACT TO PROVIDE THAT A COMMUNITY PHARMACY, AND THE LICENSED  
2 PHARMACISTS AND OTHER VOLUNTEERS WHO WORK IN THE PHARMACY, SHALL  
3 BE IMMUNE FROM LIABILITY FOR ANY CIVIL ACTION ARISING OUT OF  
4 PROVIDING CHARITABLE OR GRATUITOUS PHARMACEUTICAL PRODUCTS; AND  
5 FOR RELATED PURPOSES.
