44 the Legislature that it shall be the agency's responsibility to
45 make certain that funds required to be appropriated for "Personal
46 Services" for Fiscal Year 2007 do not exceed Fiscal Year 2006
47 funds appropriated for that purpose, unless programs or positions
48 are added to the agency's Fiscal Year 2007 budget by the
49 Mississippi Legislature. Based on data provided by the
50 Legislative Budget Office, the State Personnel Board shall
51 determine and publish the projected annual cost to fully fund all
52 appropriated positions in compliance with the provisions of this
53 act. It shall be the responsibility of the agency head to insure
54 that no single personnel action increases this projected annual

56 Services" when annualized, with the exception of escalated funds.
57 If, at the time the agency takes any action to change "Personal
58 Services," the State Personnel Board determines that the agency
59 has taken an action which would cause the agency to exceed this
60 projected annual cost or the Fiscal Year 2006 "Personal Services"
61 appropriated level, when annualized, then only those actions which
62 reduce the projected annual cost and/or the appropriation
63 requirement will be processed by the State Personnel Board until
64 such time as the requirements of this provision are met.

65 Any transfers or escalations shall be made in accordance with
66 the terms, conditions and procedures established by law or
67 allowable under the terms set forth within this act. The State
68 Personnel Board shall not escalate positions without written
69 approval from the Department of Finance and Administration. The
70 Department of Finance and Administration shall not provide written
71 approval to escalate any funds for salaries and/or positions
72 without proof of availability of new or additional funds above the
73 appropriated level.

74 No general funds authorized to be expended herein shall be
75 used to replace federal funds and/or other special funds which are
76 being used for salaries authorized under the provisions of this
77 act and which are withdrawn and no longer available.

78 **SECTION 4.** It is the intention of the Legislature that the
79 Department of Archives and History shall maintain complete
80 accounting and personnel records related to the expenditure of all
81 funds appropriated under this act and that such records shall be
82 in the same format and level of detail as maintained for Fiscal
83 Year 2005. It is further the intention of the Legislature that
84 the agency's budget request for Fiscal Year 2007 shall be
85 submitted to the Joint Legislative Budget Committee in a format
86 and level of detail comparable to the format and level of detail
87 provided during the Fiscal Year 2006 budget request process.

88 **SECTION 5.** The Mississippi Department of Archives and
89 History is hereby authorized to accept and expend any grant,
90 donation or contribution from any individual, public or private
91 organization, or government entity for purposes of defraying the
92 operational costs of the department. Such grants, donations or
93 contributions shall be received and expended under the rules and
94 regulations of the Department of Finance and Administration in a
95 manner consistent with the escalation of federal funds.

96 **SECTION 6.** It is the intent of the Legislature that the
97 Mississippi Department of Archives and History shall charge the
98 maximum amount allowable for services rendered, consistent with
99 the cost of providing such services. The funds derived from these
100 charges shall be deposited into a special fund account in the
101 State Treasury to the credit of the Mississippi Department of
102 Archives and History.

103 **SECTION 7.** It is the intent of the Legislature that no part
104 of the funds herein appropriated shall be required to be used for
105 the payment of rent for the museum and public space in the State
106 Historical Museum, Old Capitol Restoration.

107 **SECTION 8.** In addition to all other sums herein
108 appropriated, the following sum, or so much thereof as may be
109 necessary, is hereby appropriated out of any funds from the Local

111 of such program for the fiscal year beginning July 1, 2005, and
112 ending June 30, 2006..... \$ 76,918.00.

137 funds appropriated for that purpose, unless programs or positions
138 are added to the agency's Fiscal Year 2007 budget by the
139 Mississippi Legislature. Based on data provided by the
140 Legislative Budget Office, the State Personnel Board shall
141 determine and publish the projected annual cost to fully fund all
