The state shall not share in the cost of coverage for 158 159 retired employees.

If the 169 board determines actuarially that the premium paid by the 170 participating retirees adversely affects the overall cost of the 171 plan to the state, then the board may impose a premium surcharge, not to exceed fifteen percent (15%), upon such participating 172 retired employees who are under the age for Medicare eligibility 173 and who were initially employed before January 1, 2006. For 174 175 participating retired employees who are under the age for Medicare 176 eligibility and who were initially employed on or after January 1, 177 2006, the board may impose a premium surcharge in an amount the 178 board determines actuarially to cover the full cost of insurance.
