32 With the funds herein appropriated, it is the intention of  
33 the Legislature that it shall be the agency's responsibility to  
34 make certain that funds required to be appropriated for "Personal  
35 Services" for Fiscal Year 2007 do not exceed Fiscal Year 2006  
36 funds appropriated for that purpose, unless programs or positions  
37 are added to the agency's Fiscal Year 2007 budget by the  
38 Mississippi Legislature. Based on data provided by the  
39 Legislative Budget Office, the State Personnel Board shall  
40 determine and publish the projected annual cost to fully fund all  
41 appropriated positions in compliance with the provisions of this  
42 act. It shall be the responsibility of the agency head to insure  
43 that no single personnel action increases this projected annual  
44 cost and/or the Fiscal Year 2006 appropriation for "Personal  
45 Services" when annualized, with the exception of escalated funds.  
46 If, at the time the agency takes any action to change "Personal  
47 Services," the State Personnel Board determines that the agency  
48 has taken an action which would cause the agency to exceed this  
49 projected annual cost or the Fiscal Year 2006 "Personal Services"  
50 appropriated level, when annualized, then only those actions which  
51 reduce the projected annual cost and/or the appropriation  
52 requirement will be processed by the State Personnel Board until  
53 such time as the requirements of this provision are met.

54 Any transfers or escalations shall be made in accordance with  
55 the terms, conditions and procedures established by law or  
56 allowable under the terms set forth within this act. The State  
57 Personnel Board shall not escalate positions without written  
58 approval from the Department of Finance and Administration. The  
59 Department of Finance and Administration shall not provide written  
60 approval to escalate any funds for salaries and/or positions

61 without proof of availability of new or additional funds above the  
62 appropriated level.

63 No general funds authorized to be expended herein shall be  
64 used to replace federal funds and/or other special funds which are  
65 being used for salaries authorized under the provisions of this  
66 act and which are withdrawn and no longer available.

67 The agency shall not take any action to promote or otherwise  
68 award salary increases through reallocation, reclassification,  
69 realignment, education benchmark, career ladder, or any other  
70 means to increase salaries of employees or positions unless  
71 specifically exempted by the following conditions: the award of  
72 teacher pay increases, the advancement of a trainee/cadet to the  
73 next level of a bona fide career ladder, the award of an  
74 educational benchmark for the attainment of Certified Public  
75 Accountant License or higher level professional certification as  
76 determined by the State Personnel Board, the immediate replacement  
77 of a departing employee with an individual from within state  
78 service or a new hire at a salary level equivalent to that of the  
79 departing employee, and the emergency appointment of nurses,  
80 pharmacists or other health care professionals at a salary to be  
81 determined by the State Personnel Board, unless otherwise  
82 authorized in this act.

83 **SECTION 3.** It is the intention of the Legislature that the  
84 Pat Harrison Waterway District shall maintain complete accounting  
85 and personnel records related to the expenditure of all funds  
86 appropriated under this act and that such records shall be in the  
87 same format and level of detail as maintained for Fiscal Year  
88 2005. It is further the intention of the Legislature that the  
89 agency's budget request for Fiscal Year 2007 shall be submitted to  
90 the Joint Legislative Budget Committee in a format and level of  
91 detail comparable to the format and level of detail provided  
92 during the Fiscal Year 2006 budget request process.

93           **SECTION 4.** The funds herein approved for expenditure, except  
94 and less an amount approved by the State Fiscal Officer which  
95 shall be sufficient to cover disbursements for current operations,  
96 shall be deposited at interest with any official depository of the  
97 state at a rate of interest numerically not less than one percent  
98 (1%) below the bank discount rate on United States Treasury bills  
99 of comparable maturity as determined by the State Treasurer.

100           **SECTION 5.** None of the monies appropriated under this act  
101 shall be expended for payment of that amount of the salary of any  
102 person holding the position of division director, department  
103 director or head, bureau director, deputy or assistant director or  
104 similar position on May 15, 2005, which would exceed the amount  
105 actually paid for the same position on June 30, 2003, regardless  
106 of the title or position held or duties performed by the person  
107 holding the position on June 30, 2003.

108           **SECTION 6.** The money herein approved for expenditure shall  
109 be disbursed upon bank checks signed by the proper person, officer  
110 or officers, in the manner provided by law.

111           **SECTION 7.** This act shall take effect and be in force from  
112 and after July 1, 2005.
