32 With the funds herein appropriated, it is the intention of
33 the Legislature that it shall be the agency's responsibility to
34 make certain that funds required to be appropriated for "Personal
35 Services" for Fiscal Year 2007 do not exceed Fiscal Year 2006
36 funds appropriated for that purpose, unless programs or positions
37 are added to the agency's Fiscal Year 2007 budget by the
38 Mississippi Legislature. Based on data provided by the
39 Legislative Budget Office, the State Personnel Board shall
40 determine and publish the projected annual cost to fully fund all
41 appropriated positions in compliance with the provisions of this
42 act. It shall be the responsibility of the agency head to insure
43 that no single personnel action increases this projected annual
44 cost and/or the Fiscal Year 2006 appropriation for "Personal
45 Services" when annualized, with the exception of escalated funds.
46 If, at the time the agency takes any action to change "Personal
47 Services," the State Personnel Board determines that the agency
48 has taken an action which would cause the agency to exceed this
49 projected annual cost or the Fiscal Year 2006 "Personal Services"
50 appropriated level, when annualized, then only those actions which
51 reduce the projected annual cost and/or the appropriation
52 requirement will be processed by the State Personnel Board until
53 such time as the requirements of this provision are met.

54 Any transfers or escalations shall be made in accordance with
55 the terms, conditions and procedures established by law or
56 allowable under the terms set forth within this act. The State
57 Personnel Board shall not escalate positions without written
58 approval from the Department of Finance and Administration. The
59 Department of Finance and Administration shall not provide written
60 approval to escalate any funds for salaries and/or positions

61 without proof of availability of new or additional funds above the
62 appropriated level.

63 No general funds authorized to be expended herein shall be
64 used to replace federal funds and/or other special funds which are
65 being used for salaries authorized under the provisions of this
66 act and which are withdrawn and no longer available.

67 The agency shall not take any action to promote or otherwise
68 award salary increases through reallocation, reclassification,
69 realignment, education benchmark, career ladder, or any other
70 means to increase salaries of employees or positions unless
71 specifically exempted by the following conditions: the award of
72 teacher pay increases, the advancement of a trainee/cadet to the
73 next level of a bona fide career ladder, the award of an
74 educational benchmark for the attainment of Certified Public
75 Accountant License or higher level professional certification as
76 determined by the State Personnel Board, the immediate replacement
77 of a departing employee with an individual from within state
78 service or a new hire at a salary level equivalent to that of the
79 departing employee, and the emergency appointment of nurses,
80 pharmacists or other health care professionals at a salary to be
81 determined by the State Personnel Board, unless otherwise
82 authorized in this act.

83 **SECTION 3.** It is the intention of the Legislature that the
84 Pearl River Basin Development District shall maintain complete
85 accounting and personnel records related to the expenditure of all
86 funds appropriated under this act and that such records shall be
87 in the same format and level of detail as maintained for Fiscal
88 Year 2005. It is further the intention of the Legislature that
89 the agency's budget request for Fiscal Year 2007 shall be
90 submitted to the Joint Legislative Budget Committee in a format
91 and level of detail comparable to the format and level of detail
92 provided during the Fiscal Year 2006 budget request process.

93 **SECTION 4.** It is the intention of the Legislature that the
94 Director of the Pearl River Basin Development District shall be
95 authorized to escalate, budget and expend funds from any source,
96 not to exceed Five Hundred Thousand Dollars (\$500,000.00), for the
97 purpose of maintaining the Lower Pearl Restoration Project in
98 accordance with the Project Cooperation Agreement with the United
99 States Army Corps of Engineers and to maintain the South Jackson
100 Clearing Project in an area along the Pearl River in Hinds County
101 and Rankin County, in accordance with rules and regulations of the
102 Department of Finance and Administration in a manner consistent
103 with the escalation of federal funds.

104 **SECTION 5.** The funds herein approved for expenditure, except
105 and less an amount approved by the State Fiscal Officer which
106 shall be sufficient to cover disbursements for current operations,
107 shall be deposited at interest with any official depository of the
108 state at a rate of interest numerically not less than one percent
109 (1%) below the bank discount rate on United States Treasury bills
110 of comparable maturity as determined by the State Treasurer.

111 **SECTION 6.** The money herein approved for expenditure shall
112 be disbursed upon bank checks signed by the proper person, officer
113 or officers, in the manner provided by law or in accordance with
114 the provisions of a valid trust indenture.

115 **SECTION 7.** This act shall take effect and be in force from
116 and after July 1, 2005.
