43 With the funds herein appropriated, it is the intention of
44 the Legislature that it shall be the agency's responsibility to
45 make certain that funds required to be appropriated for "Personal
46 Services" for Fiscal Year 2007 do not exceed Fiscal Year 2006
47 funds appropriated for that purpose, unless programs or positions
48 are added to the agency's Fiscal Year 2007 budget by the
49 Mississippi Legislature. Based on data provided by the
50 Legislative Budget Office, the State Personnel Board shall
51 determine and publish the projected annual cost to fully fund all
52 appropriated positions in compliance with the provisions of this
53 act. It shall be the responsibility of the agency head to insure
54 that no single personnel action increases this projected annual
55 cost and/or the Fiscal Year 2006 appropriation for "Personal
56 Services" when annualized, with the exception of escalated funds.
57 If, at the time the agency takes any action to change "Personal
58 Services," the State Personnel Board determines that the agency
59 has taken an action which would cause the agency to exceed this
60 projected annual cost or the Fiscal Year 2006 "Personal Services"

61 appropriated level, when annualized, then only those actions which
62 reduce the projected annual cost and/or the appropriation
63 requirement will be processed by the State Personnel Board until
64 such time as the requirements of this provision are met.

65 Any transfers or escalations shall be made in accordance with
66 the terms, conditions and procedures established by law or
67 allowable under the terms set forth within this act. The State
68 Personnel Board shall not escalate positions without written
69 approval from the Department of Finance and Administration. The
70 Department of Finance and Administration shall not provide written
71 approval to escalate any funds for salaries and/or positions
72 without proof of availability of new or additional funds above the
73 appropriated level.

74 No general funds authorized to be expended herein shall be
75 used to replace federal funds and/or other special funds which are
76 being used for salaries authorized under the provisions of this
77 act and which are withdrawn and no longer available.

78 The agency shall not take any action to promote or otherwise
79 award salary increases through reallocation, reclassification,
80 realignment, education benchmark, career ladder, or any other
81 means to increase salaries of employees or positions unless
82 specifically exempted by the following conditions: the award of
83 teacher pay increases, the advancement of a trainee/cadet to the
84 next level of a bona fide career ladder, the award of an
85 educational benchmark for the attainment of Certified Public
86 Accountant License or higher level professional certification as
87 determined by the State Personnel Board, the immediate replacement
88 of a departing employee with an individual from within state
89 service or a new hire at a salary level equivalent to that of the
90 departing employee, and the emergency appointment of nurses,
91 pharmacists or other health care professionals at a salary to be
92 determined by the State Personnel Board, unless otherwise
93 authorized in this act.

94 **SECTION 4.** It is the intention of the Legislature that the
95 Grand Gulf Military Monument Commission shall maintain complete
96 accounting and personnel records related to the expenditure of all
97 funds appropriated under this act and that such records shall be
98 in the same format and level of detail as maintained for Fiscal
99 Year 2005. It is further the intention of the Legislature that
100 the agency's budget request for Fiscal Year 2007 shall be
101 submitted to the Joint Legislative Budget Committee in a format
102 and level of detail comparable to the format and level of detail
103 provided during the Fiscal Year 2006 budget request process.

104 **SECTION 5.** It shall be unlawful for any officer, employee or
105 other person whatsoever to use or permit or authorize the use of
106 any automobile or any other motor vehicle owned by the State of
107 Mississippi or any department, agency or institution thereof for
108 any purpose other than upon the official business of the State of
109 Mississippi or any agency, department or institution thereof.

110 It is the intent of the Legislature that motor vehicles
111 authorized to be owned and operated by this agency shall comply
112 with Sections 25-1-77 through 25-1-93, Mississippi Code of 1972.

113 **SECTION 6.** The money herein appropriated shall be paid by
114 the State Treasurer out of any money in the State Treasury to the
115 credit of the proper fund or funds as set forth in this act, upon
116 warrants issued by the State Fiscal Officer; and the State Fiscal
117 Officer shall issue his warrants upon requisitions signed by the
118 proper person, officer or officers, in the manner provided by law.

119 **SECTION 7.** This act shall take effect and be in force from
120 and after July 1, 2005.
