HOUSE BILL NO. 207

1 AN ACT TO AMEND SECTION 71-5-503, MISSISSIPPI CODE OF 1972,  
2 TO INCREASE UNEMPLOYMENT COMPENSATION BENEFITS; AND FOR RELATED  
3 PURPOSES.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

5 **SECTION 1.** Section 71-5-503, Mississippi Code of 1972, is  
6 amended as follows:

7 71-5-503. An individual's weekly benefit amount for a  
8 benefit year shall be one-twenty-sixth (1/26) of his total wages  
9 for insured work paid during that quarter of his base period in  
10 which such total wages were highest, computed to the next lower  
11 multiple of One Dollar (\$1.00), if not a multiple of One Dollar  
12 (\$1.00).

13 On or before June 15 of each year, the total wages reported  
14 on contribution reports for the preceding calendar year shall be  
15 divided by the average monthly number of insured workers  
16 (determined by dividing the total insured workers reported on  
17 contribution reports pursuant to the regulations of the commission  
18 for the preceding year by twelve (12)). The average annual wage  
19 thus obtained shall be divided by fifty-two (52) and the average  
20 weekly wage thus determined rounded to the nearest cent. Sixty  
21 percent (60%) of this amount, rounded to the nearest dollar, shall  
22 constitute the maximum "weekly benefit amount" paid to any  
23 individual whose benefit year commences on or after July 1 of such  
24 year and prior to July 1 of the next following year; provided,  
25 however, that the maximum weekly benefit amount for the individual  
26 shall not exceed: (a) Two Hundred Thirty Dollars (\$230.00) for  
27 the benefit year that begins on \* \* \* July 1, 2006; and (b) Two

28 Hundred Fifty Dollars (\$250.00) for any benefit year that begins  
29 on or after July 1, 2007. The minimum weekly benefit amount for  
30 the individual shall be Thirty Dollars (\$30.00). If an  
31 individual's weekly benefit amount would compute to less than the  
32 said minimum, then such individual would be entitled to no  
33 benefits.

34 An individual's weekly benefit amount, as determined at the  
35 beginning of his benefit year, shall constitute his weekly benefit  
36 amount throughout such benefit year.

37 **SECTION 2.** This act shall take effect and be in force from  
38 and after July 1, 2006.
