39 **SECTION 1.** Section 37-7-203, Mississippi Code of 1972, is  
 40 amended as follows:

41 37-7-203. (1) The boards of trustees of all municipal  
 42 separate school districts created under the provisions of Article  
 43 1 of this chapter, either with or without added territory, shall  
 44 consist of five (5) members. On the first Tuesday after the first

45 Monday in June 2009, and every four (4) years thereafter, an  
46 election shall be held in each municipal separate school district  
47 in this state, in the same manner and at the same time as the  
48 regular municipal elections are held, for the purpose of electing  
49 the members of the boards of trustees established under the  
50 provisions of this article. All members of the boards of trustees  
51 as constituted in this section shall take office on the first  
52 Monday of July following the date of their election and shall  
53 serve for a term of four (4) years. The five (5) members of the  
54 board of trustees shall be elected from trustee election districts  
55 by the qualified electors of the district, as provided in this  
56 section. The governing authorities of the municipality shall  
57 apportion the municipal separate school district, including added  
58 territory, into five (5) trustee election districts as nearly  
59 equal as possible according to population, incumbency and other  
60 factors pronounced by the courts before the effective date of  
61 House Bill No. \_\_\_\_\_, 2006 Regular Session. The municipal  
62 governing authorities shall place upon their minutes the  
63 boundaries determined for the five (5) new trustee election  
64 districts. The municipal governing authorities shall thereafter  
65 publish the same in a newspaper having general circulation within  
66 the school district for at least three (3) consecutive weeks; and  
67 after having given notice of publication and recording the same  
68 upon the minutes of the municipal governing authorities, the new  
69 district lines shall be effective thereafter. The term of each  
70 incumbent trustee serving on the date that House Bill No. \_\_\_\_\_,  
71 2006 Regular Session, becomes effective that otherwise would  
72 expire after the first Monday of July 2009, shall expire on the  
73 first Monday of July 2009. Each incumbent trustee whose term  
74 expires after the effective date of House Bill No. \_\_\_\_\_, 2006  
75 Regular Session, but before the first Monday of July 2009 shall  
76 continue to serve for the remainder of the unexpired term, at

77 which time the vacancy shall be filled in the manner provided by  
78 subsection (2) of this section.

79       (2) Vacancies in the membership of the board of trustees of  
80 any municipal separate school district shall be filled by  
81 appointment, within sixty (60) days after the vacancy occurs, by  
82 the governing authorities of the municipality. The appointee  
83 shall be selected from the qualified electors of the district in  
84 which the vacancy occurs. The president of the municipal  
85 governing authorities shall certify to the Secretary of State the  
86 fact of the appointment, and the Governor shall commission the  
87 person appointed. If the unexpired term is longer than six (6)  
88 months, the appointee shall serve until a successor is elected as  
89 provided in this section, unless the vacancy occurs ninety (90) or  
90 fewer days before the general election in a year in which an  
91 election would normally be held for that office as provided by  
92 law, in which case the person appointed shall serve the unexpired  
93 portion of the term. The vacancies shall be filled for the  
94 unexpired term by the qualified electors at the next regular  
95 special election day occurring more than ninety (90) days after  
96 the occurrence of the vacancy. The president of the municipal  
97 governing authorities, within ten (10) days after the occurrence  
98 of the vacancy, shall make an order, in writing, directed to the  
99 commissioners of election, directing an election to be held on the  
100 next regular special election day to fill the vacancy. The  
101 election commissioners shall require each candidate to qualify at  
102 least sixty (60) days before the date of the election, and shall  
103 give a certificate of election to the person elected, and shall  
104 return to the Secretary of State a copy of the order of holding  
105 the election and the results of the election, certified by the  
106 president of the municipal governing authorities. The Governor  
107 shall commission the person elected. The election shall be held  
108 in the same manner provided for other municipal office vacancies.

109 However, where only one (1) person has qualified with the  
110 commissioners of election to be a candidate within the time  
111 provided by law, the commissioners of election shall certify to  
112 the municipal governing authorities that there is only one (1)  
113 candidate. The municipal governing authorities shall dispense  
114 with the election and shall appoint the certified candidate to  
115 fill the unexpired term. The president of the municipal governing  
116 authorities shall certify to the Secretary of State the candidate  
117 so appointed to serve in the office and the Governor shall  
118 commission the candidate. If no person has qualified at least  
119 sixty (60) days before the date of the election, the commissioners  
120 of election shall certify that fact to the municipal governing  
121 authorities, which shall dispense with the election and fill the  
122 vacancy by appointment. The president of the municipal governing  
123 authorities shall certify to the Secretary of State the fact of  
124 the appointment, and the Governor shall commission the appointed  
125 person.
