7 amended as follows:

8 57-73-25. (1) A fifty percent (50%) income tax credit shall

19 provided through such community/junior college or training
20 approved by such community/junior college. The credits allowed
21 under this section shall only be used by the actual employer
22 qualifying for the credits. The credit shall not exceed fifty
23 percent (50%) of the income tax liability in a tax year and may be
24 carried forward for the five (5) successive years if the amount
25 allowable as credit exceeds the income tax liability in a tax

28 refundable or carried forward to any other taxable year. The

29 credit authorized under this section shall not exceed Two Thousand
30 Five Hundred Dollars (\$2,500.00) per employee during any one (1)

32 as to prevent the continuing operation of state-supported
33 university programs.

34 (2) Employer-sponsored training shall include an evaluation
35 by the local community or junior college that serves the employer
36 to ensure that the training provided is job related and conforms
37 to the definition of "skills training" as hereinafter defined.

38 (3) Employers shall be certified as eligible for the tax
39 credit by the local community or junior college that serves the
40 employer and the State Tax Commission.

41 (4) For the purposes of this section:

42 (a) "Skills training" means any employer-sponsored
43 training by an appropriate community/junior college or training
44 approved by such community/junior college that enhances skills
45 that improve job performance. If the employer provides
46 pre-employment training, the portion of the pre-employment

62 make a report to the Legislature by January 30 of each year
63 summarizing the number of participants, the junior or community
64 college through which the training was offered and the type
65 training offered.

66 (8) This section shall stand repealed from and after July 1,
