18 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

19 **SECTION 1.** Section 69-2-13, Mississippi Code of 1972, is
20 amended as follows:

21 69-2-13. (1) There is hereby established in the State
22 Treasury a fund to be known as the "Emerging Crops Fund," which
23 shall be used to pay the interest on loans made to farmers for
24 nonland capital costs of establishing production of emerging crops
25 on land in Mississippi, and to make loans and grants which are
26 authorized under this section to be made from the fund. The fund
27 shall be administered by the Mississippi Development Authority. A
28 board comprised of the directors of the authority, the Mississippi
29 Cooperative Extension Service, the Mississippi Small Farm
30 Development Center and the Mississippi Agricultural and Forestry
31 Experiment Station, or their designees, shall develop definitions,
32 guidelines and procedures for the implementation of this chapter.
33 Funds for the Emerging Crops Fund shall be provided from the

34 issuance of bonds or notes under Sections 69-2-19 through 69-2-37
35 and from repayment of interest loans made from the fund.

36 (2) (a) The Mississippi Development Authority shall develop
37 a program which gives fair consideration to making loans for the
38 processing and manufacturing of goods and services by
39 agribusiness, greenhouse production horticulture, and small
40 business concerns. It is the policy of the State of Mississippi
41 that the Mississippi Development Authority shall give due
42 recognition to and shall aid, counsel, assist and protect, insofar
43 as is possible, the interests of agribusiness, greenhouse
44 production horticulture, and small business concerns. To ensure
45 that the purposes of this subsection are carried out, the
46 Mississippi Development Authority shall loan not more than One
47 Million Dollars (\$1,000,000.00) to finance any single
48 agribusiness, greenhouse production horticulture, or small
49 business concern. Loans made pursuant to this subsection shall be
50 made in accordance with the criteria established in Section
51 57-71-11.

52 (b) The Mississippi Development Authority may, out of
53 the total amount of bonds authorized to be issued under this
54 chapter, make available funds to any planning and development
55 district in accordance with the criteria established in Section
56 57-71-11. Planning and development districts which receive monies
57 pursuant to this provision shall use such monies to make loans to
58 private companies for purposes consistent with this subsection.

59 (c) The Mississippi Development Authority is hereby
60 authorized to engage legal services, financial advisors,
61 appraisers and consultants if needed to review and close loans
62 made hereunder and to establish and assess reasonable fees,
63 including, but not limited to, liquidation expenses.

64 (3) (a) The Mississippi Development Authority shall, in
65 addition to the other programs described in this section, provide
66 for a program of loans to be made to agribusiness or greenhouse

67 production horticulture enterprises for the purpose of encouraging
68 thereby the extension of conventional financing and the issuance
69 of letters of credit to such agribusiness or greenhouse production
70 horticulture enterprises by private institutions. Monies to make
71 such loans by the Mississippi Development Authority shall be drawn
72 from the Emerging Crops Fund. The amount of a loan to any single
73 agribusiness or greenhouse production horticulture enterprise
74 under this paragraph (a) shall not exceed twenty percent (20%) of
75 the total cost of the project for which financing is sought or Two
76 Hundred Thousand Dollars (\$200,000.00), whichever is less. No
77 interest shall be charged on such loans, and only the amount
78 actually loaned shall be required to be repaid. Repayments shall
79 be deposited into the Emerging Crops Fund.

80 (b) The Mississippi Development Authority shall, in
81 addition to the other programs described in this section, provide
82 for a program of loans or loan guaranties, or both, to be made to
83 or on behalf of any agribusiness enterprise engaged in beef
84 processing for the purpose of encouraging thereby the extension of
85 conventional financing and the issuance of letters of credit to
86 such agribusiness enterprises by private institutions. Monies to
87 make such loans or loan guaranties, or both, by the Mississippi
88 Development Authority shall be drawn from the Emerging Crops Fund
89 and shall not exceed Thirty-five Million Dollars (\$35,000,000.00)
90 in the aggregate. The amount of a loan to any single agribusiness
91 enterprise or loan guaranty on behalf of such agribusiness
92 enterprise, or both, under this paragraph (b) shall not exceed the
93 total cost of the project for which financing is sought or
94 Thirty-five Million Dollars (\$35,000,000.00), whichever is less.
95 The interest charged on a loan made under this paragraph (b) shall
96 be at a rate determined by the Mississippi Development Authority.
97 All repayments of any loan made under this paragraph (b) shall be
98 deposited into the Emerging Crops Fund. Assistance received by an
99 agribusiness enterprise under this paragraph (b) shall not

100 disqualify the agribusiness enterprise from obtaining any other
101 assistance under this chapter.

102 (4) (a) Through June 30, 2006, the Mississippi Development
103 Authority may loan or grant to qualified planning and development
104 districts, and to small business investment corporations,
105 bank-based community development corporations, the Recruitment and
106 Training Program, Inc., the City of Jackson Business Development
107 Loan Fund, the Lorman Southwest Mississippi Development
108 Corporation, the West Jackson Community Development Corporation,
109 the East Mississippi Development Corporation, and other entities
110 meeting the criteria established by the Mississippi Development
111 Authority (all referred to hereinafter as "qualified entities"),
112 funds for the purpose of establishing loan revolving funds to
113 assist in providing financing for minority economic development.
114 The monies loaned or granted by the Mississippi Development
115 Authority shall be drawn from the Emerging Crops Fund and shall
116 not exceed Twenty-six Million Dollars (\$26,000,000.00) in the
117 aggregate. Planning and development districts or qualified
118 entities which receive monies pursuant to this provision shall use
119 such monies to make loans to minority business enterprises
120 consistent with criteria established by the Mississippi
121 Development Authority. Such criteria shall include, at a minimum,
122 the following:

123 (i) The business enterprise must be a private,
124 for-profit enterprise.

125 (ii) If the business enterprise is a
126 proprietorship, the borrower must be a resident citizen of the
127 State of Mississippi; if the business enterprise is a corporation
128 or partnership, at least fifty percent (50%) of the owners must be
129 resident citizens of the State of Mississippi.

130 (iii) The borrower must have at least five percent
131 (5%) equity interest in the business enterprise.

132 (iv) The borrower must demonstrate ability to
133 repay the loan.

134 (v) The borrower must not be in default of any
135 previous loan from the state or federal government.

136 (vi) Loan proceeds may be used for financing all
137 project costs associated with development or expansion of a new
138 small business, including fixed assets, working capital, start-up
139 costs, rental payments, interest expense during construction and
140 professional fees related to the project.

141 (vii) Loan proceeds shall not be used to pay off
142 existing debt for loan consolidation purposes; to finance the
143 acquisition, construction, improvement or operation of real
144 property which is to be held primarily for sale or investment; to
145 provide for, or free funds, for speculation in any kind of
146 property; or as a loan to owners, partners or stockholders of the
147 applicant which do not change ownership interest by the applicant.
148 However, this does not apply to ordinary compensation for services
149 rendered in the course of business.

150 (viii) The maximum amount that may be loaned to
151 any one (1) borrower shall be Two Hundred Fifty Thousand Dollars
152 (\$250,000.00).

153 (ix) The Mississippi Development Authority shall
154 review each loan before it is made, and no loan shall be made to
155 any borrower until the loan has been reviewed and approved by the
156 Mississippi Development Authority.

157 (b) For the purpose of this subsection, the term
158 "minority business enterprise" means a socially and economically
159 disadvantaged small business concern, organized for profit,
160 performing a commercially useful function which is owned and
161 controlled by one or more minorities or minority business
162 enterprises certified by the Mississippi Development Authority, at
163 least fifty percent (50%) of whom are resident citizens of the
164 State of Mississippi. For purposes of this subsection, the term

165 "socially and economically disadvantaged small business concern"
166 shall have the meaning ascribed to such term under the Small
167 Business Act (15 USCS, Section 637(a)), or women, and the term
168 "owned and controlled" means a business in which one or more
169 minorities or minority business enterprises certified by the
170 Mississippi Development Authority own sixty percent (60%) or, in
171 the case of a corporation, sixty percent (60%) of the voting
172 stock, and control sixty percent (60%) of the management and daily
173 business operations of the business.

174 From and after July 1, 2006, monies not loaned or granted by
175 the Mississippi Development Authority to planning and development
176 districts or qualified entities under this subsection, and monies
177 not loaned by planning and development districts or qualified
178 entities, shall be deposited to the credit of the sinking fund
179 created and maintained in the State Treasury for the retirement of
180 bonds issued under Section 69-2-19.

181 (c) Notwithstanding any other provision of this
182 subsection to the contrary, if federal funds are not available for
183 commitments made by a planning and development district to provide
184 assistance under any federal loan program administered by the
185 planning and development district in coordination with the
186 Appalachian Regional Commission or Economic Development
187 Administration, or both, a planning and development district may
188 use funds in its loan revolving fund, which have not been
189 committed otherwise to provide assistance, for the purpose of
190 providing temporary funding for such commitments. If a planning
191 and development district uses uncommitted funds in its loan
192 revolving fund to provide such temporary funding, the district
193 shall use funds repaid to the district under the temporarily
194 funded federal loan program to replenish the funds used to provide
195 the temporary funding. Funds used by a planning and development
196 district to provide temporary funding under this paragraph (c)
197 must be repaid to the district's loan revolving fund no later than

198 twelve (12) months after the date the district provides the
199 temporary funding. A planning and development district may not
200 use uncommitted funds in its loan revolving fund to provide
201 temporary funding under this paragraph (c) on more than two (2)
202 occasions during a calendar year. A planning and development
203 district may provide temporary funding for multiple commitments on
204 each such occasion. The maximum aggregate amount of uncommitted
205 funds in a loan revolving fund that may be used for such purposes
206 during a calendar year shall not exceed seventy percent (70%) of
207 the uncommitted funds in the loan revolving fund on the date the
208 district first provides temporary funding during the calendar
209 year.

210 (d) If the Mississippi Development Authority determines
211 that a planning and development district or qualified entity has
212 provided loans to minority businesses in a manner inconsistent
213 with the provisions of this subsection, then the amount of such
214 loans so provided shall be withheld by the Mississippi Development
215 Authority from any additional grant funds to which the planning
216 and development district or qualified entity becomes entitled
217 under this subsection. If the Mississippi Development Authority
218 determines, after notifying such planning and development district
219 or qualified entity twice in writing and providing such planning
220 and development district or qualified entity a reasonable
221 opportunity to comply, that a planning and development district or
222 qualified entity has consistently failed to comply with this
223 subsection, the Mississippi Development Authority may declare such
224 planning and development district or qualified entity in default
225 under this subsection and, upon receipt of notice thereof from the
226 Mississippi Development Authority, such planning and development
227 district or qualified entity shall immediately cease providing
228 loans under this subsection, shall refund to the Mississippi
229 Development Authority for distribution to other planning and
230 development districts or qualified entities all funds held in its

231 revolving loan fund and, if required by the Mississippi
232 Development Authority, shall convey to the Mississippi Development
233 Authority all administrative and management control of loans
234 provided by it under this subsection.

235 (e) If the Mississippi Development Authority
236 determines, after notifying a planning and development district or
237 qualified entity twice in writing and providing copies of such
238 notification to each member of the Legislature in whose district
239 or in a part of whose district such planning and development
240 district or qualified entity is located and providing such
241 planning and development district or qualified entity a reasonable
242 opportunity to take corrective action, that a planning and
243 development district or qualified entity administering a revolving
244 loan fund under the provisions of this subsection is not actively
245 engaged in lending as defined by the rules and regulations of the
246 Mississippi Development Authority, the Mississippi Development
247 Authority may declare such planning and development district or
248 qualified entity in default under this subsection and, upon
249 receipt of notice thereof from the Mississippi Development
250 Authority, such planning and development district or qualified
251 entity shall immediately cease providing loans under this
252 subsection, shall refund to the Mississippi Development Authority
253 for distribution to other planning and development districts or
254 qualified entities all funds held in its revolving loan fund and,
255 if required by the Mississippi Development Authority, shall convey
256 to the Mississippi Development Authority all administrative and
257 management control of loans provided by it under this subsection.

258 (5) The Mississippi Development Authority shall develop a
259 program which will assist minority business enterprises by
260 guaranteeing bid, performance and payment bonds which such
261 minority businesses are required to obtain in order to contract
262 with federal agencies, state agencies or political subdivisions of
263 the state. Monies for such program shall be drawn from the monies

264 allocated under subsection (4) of this section to assist the
265 financing of minority economic development and shall not exceed
266 Three Million Dollars (\$3,000,000.00) in the aggregate. The
267 Mississippi Development Authority may promulgate rules and
268 regulations for the operation of the program established pursuant
269 to this subsection. For the purpose of this subsection (5) the
270 term "minority business enterprise" has the meaning assigned such
271 term in subsection (4) of this section.

272 (6) The Mississippi Development Authority may loan or grant
273 to public entities and to nonprofit corporations funds to defray
274 the expense of financing (or to match any funds available from
275 other public or private sources for the expense of financing)
276 projects in this state which are devoted to the study, teaching
277 and/or promotion of regional crafts and which are deemed by the
278 authority to be significant tourist attractions. The monies
279 loaned or granted shall be drawn from the Emerging Crops Fund and
280 shall not exceed Two Hundred Fifty Thousand Dollars (\$250,000.00)
281 in the aggregate.

282 (7) Through June 30, 2006, the Mississippi Development
283 Authority shall make available to the Mississippi Department of
284 Agriculture and Commerce funds for the purpose of establishing
285 loan revolving funds and other methods of financing for
286 agribusiness programs administered under the Mississippi
287 Agribusiness Council Act of 1993. The monies made available by
288 the Mississippi Development Authority shall be drawn from the
289 Emerging Crops Fund and shall not exceed One Million Two Hundred
290 Thousand Dollars (\$1,200,000.00) in the aggregate. The
291 Mississippi Department of Agriculture and Commerce shall establish
292 control and auditing procedures for use of these funds. These
293 funds will be used primarily for quick payment to farmers for
294 vegetable and fruit crops processed and sold through vegetable
295 processing plants associated with the Department of Agriculture
296 and Commerce and the Mississippi State Extension Service.

297 (8) From and after July 1, 1996, the Mississippi Development
298 Authority shall make available to the Mississippi Small Farm
299 Development Center One Million Dollars (\$1,000,000.00) to be used
300 by the center to assist small entrepreneurs as provided in Section
301 37-101-25, Mississippi Code of 1972. The monies made available by
302 the Mississippi Development Authority shall be drawn from the
303 Emerging Crops Fund.

304 (9) The Mississippi Development Authority shall make
305 available to the Agribusiness and Natural Resource Development
306 Center through Alcorn State University an amount not to exceed Two
307 Hundred Fifty Thousand Dollars (\$250,000.00) in fiscal year 2001
308 and Two Hundred Fifty Thousand Dollars (\$250,000.00) in fiscal
309 year 2002 from the cash balance of the Emerging Crops Fund to
310 support the development of a cooperative program for agribusiness
311 development, marketing and natural resources development. This
312 subsection (9) shall stand repealed on June 30, 2006.

313 (10) The Mississippi Development Authority shall make
314 available to the Small Farm Development Center at Alcorn State
315 University funds in an aggregate amount not to exceed Three
316 Hundred Thousand Dollars (\$300,000.00), to be drawn from the cash
317 balance of the Emerging Crops Fund. The Small Farm Development
318 Center at Alcorn State University shall use such funds to make
319 loans to producers of sweet potatoes and cooperatives anywhere in
320 the State of Mississippi owned by sweet potato producers to assist
321 in the planting of sweet potatoes and the purchase of sweet potato
322 production and harvesting equipment. A report of the loans made
323 under this subsection shall be furnished by January 15 of each
324 year to the Chairman of the Senate Agriculture Committee and the
325 Chairman of the House Agriculture Committee.

326 (11) The Mississippi Development Authority shall make
327 available to the Mississippi Department of Agriculture and
328 Commerce "Make Mine Mississippi" program an amount not to exceed

329 One Hundred Fifty Thousand Dollars (\$150,000.00) to be drawn from
330 the cash balance of the Emerging Crops Fund.

331 (12) The Mississippi Development Authority shall make
332 available to the Mississippi Department of Agriculture and
333 Commerce an amount not to exceed One Hundred Fifty Thousand
334 Dollars (\$150,000.00) to be drawn from the cash balance of the
335 Emerging Crops Fund to be used for the rehabilitation and
336 maintenance of the Mississippi Farmers Central Market in Jackson,
337 Mississippi.

338 (13) The Mississippi Development Authority shall make
339 available to the Mississippi Department of Agriculture and
340 Commerce an amount not to exceed Twenty-five Thousand Dollars
341 (\$25,000.00) to be drawn from the cash balance of the Emerging
342 Crops Fund to be used for advertising purposes related to the
343 Mississippi Farmers Central Market in Jackson, Mississippi.

344 (14) (a) The Mississippi Development Authority shall, in
345 addition to the other programs described in this section, provide
346 for a program of loan guaranties to be made on behalf of any
347 nonprofit entity qualified under Section 501(c)(3) of the Internal
348 Revenue Code and certified by the United States Department of the
349 Treasury as a community development financial institution for the
350 purpose of encouraging the extension of financing to such an
351 entity which financing the entity will use to make funds available
352 to other entities for the purpose of making loans available in
353 low-income communities in Mississippi. Monies to make such loan
354 guaranties by the Mississippi Development Authority shall be drawn
355 from the Emerging Crops Fund and shall not exceed Two Million
356 Dollars (\$2,000,000.00) in the aggregate. The amount of a loan
357 guaranty on behalf of such an entity under this subsection (14)
358 shall not exceed Two Million Dollars (\$2,000,000.00). Assistance
359 received by an entity under this subsection (14) shall not
360 disqualify the entity from obtaining any other assistance under
361 this chapter.

362 (b) An entity desiring assistance under this subsection
363 (14) must submit an application to the Mississippi Development
364 Authority. The application must include any information required
365 by the Mississippi Development Authority.

366 (c) The Mississippi Development Authority shall have
367 all powers necessary to implement and administer the program
368 established under this subsection (14), and the Mississippi
369 Development Authority shall promulgate rules and regulations, in
370 accordance with the Mississippi Administrative Procedures Law,
371 necessary for the implementation of this subsection (14).

372 (15) (a) The Mississippi Development Authority, in addition
373 to the other programs described in this section, shall provide for
374 a program of loans to agribusinesses that sustained damage to the
375 property of the agribusiness as a result of a natural disaster
376 that occurred in calendar year 2005 and for which a portion of the
377 damage was not reimbursed by insurance. In administering this
378 program, the Mississippi Development Authority shall follow the
379 Agribusiness Enterprise Loan Program guidelines to the extent that
380 the guidelines are not inconsistent with the provisions of this
381 subsection (15).

382 (b) In order to be eligible to receive a loan under
383 this program, an agribusiness must:

384 (i) Be located in an area of the state for which a
385 disaster declaration was issued by the Governor, or for which a
386 major disaster declaration was issued by the President of the
387 United States, as a result of a natural disaster that occurred in
388 calendar year 2005;

389 (ii) Have had insurance on the property of the
390 agribusiness at the time that the natural disaster occurred;

391 (iii) Have sustained damage to the property of the
392 agribusiness as a result of the natural disaster in an amount
393 equal to at least twenty-five percent (25%) of the value of the

394 property, as determined and documented by the insurer of the
395 property; and

396 (iv) Have a portion of the damage to the property
397 of the agribusiness as a result of the natural disaster that was
398 not reimbursed by insurance.

399 (b) Subject to the provisions of paragraph (c), the
400 maximum amount of a loan that may be made to an agribusiness under
401 this program shall be as follows:

402 (i) If the damage to the property of the
403 agribusiness as a result of the natural disaster was at least
404 twenty-five percent (25%) but less than fifty percent (50%) of the
405 value of the property, as determined and documented by the insurer
406 of the property, the maximum amount of the loan shall be thirty
407 percent (30%) of the amount of the damage that was not reimbursed
408 by insurance or Fifty Thousand Dollars (\$50,000.00), whichever is
409 less.

410 (ii) If the damage to the property of the
411 agribusiness from the natural disaster was at least fifty percent
412 (50%) of the value of the property, as determined and documented
413 by the insurer of the property, the maximum amount of the loan
414 shall be forty percent (40%) of the amount of the damage that was
415 not reimbursed by insurance or One Hundred Thousand Dollars
416 (\$100,000.00), whichever is less.

417 (c) The maximum amount of a loan for which an
418 agribusiness is eligible under this program shall be reduced by
419 the amount of any federal assistance that the agribusiness
420 received for damage to the property of the agribusiness as a
421 result of a natural disaster that occurred in calendar year 2005.

422 (d) The proceeds of a loan under this program may be
423 used to: pay for construction, repairs to or replacement of
424 structures; pay for purchases, repairs to or replacement of
425 equipment; and/or pay off existing debt that was incurred for any

426 of those purposes, because of damage to the property of the
427 agribusiness as a result of the natural disaster.

428 (e) Monies to make the loans under this program shall
429 be drawn from the Emerging Crops Fund and shall not exceed Ten
430 Million Dollars (\$10,000,000.00) in the aggregate. No interest
431 shall be charged on loans made under this program, and only the
432 amount actually loaned shall be required to be repaid. All
433 repayments of loans shall be deposited into the bond sinking fund
434 created in paragraph (f) of this subsection.

435 (f) There is created in the State Treasury a sinking
436 fund for repayment of the principal of and interest on the Ten
437 Million Dollars (\$10,000,000.00) of bonds issued to fund this
438 program. All monies paid into the sinking fund that are not
439 appropriated to pay accruing bonds and interest shall be invested
440 by the State Treasurer in such securities as are provided by law
441 for the investment of the sinking funds of the state.

442 (g) To the extent allowed under federal law and
443 regulations, any federal funds received by the State of
444 Mississippi on or after the effective date of House Bill No. _____,
445 2006 Regular Session, that may be used to provide assistance to
446 agribusinesses that sustained damage as a result of a natural
447 disaster that occurred in calendar year 2005 shall be deposited
448 into the Emerging Crops Fund and used for funding the program
449 established under this subsection (15).

450 (h) The receipt of assistance by an agribusiness under
451 any other program described in this section shall not disqualify
452 the agribusiness from obtaining a loan under the program
453 established in this subsection (15) if the agribusiness is
454 otherwise eligible under this program. In addition, the receipt
455 of a loan by an agribusiness under the program established under
456 this subsection (15) shall not disqualify the agribusiness from
457 obtaining assistance under any other program described in this
458 section.

459 **SECTION 2.** Section 69-2-19, Mississippi Code of 1972, is
460 amended as follows:

461 69-2-19. (1) The Mississippi Development Authority is
462 authorized, at one time, or from time to time, to declare by
463 resolution the necessity for issuance of negotiable general
464 obligation bonds of the State of Mississippi to provide funds for
465 the Emerging Crops Fund established in Section 69-2-13. Upon the
466 adoption of a resolution by the board, declaring the necessity for
467 the issuance of any part or all of the general obligation bonds
468 authorized by Sections 69-2-19 through 69-2-39, the authority
