135 (b) **Standard License - Nontraditional Teaching Route.**

136 Beginning January 1, 2004, an individual who has a passing score
137 on the Praxis I Basic Skills and Praxis II Specialty Area Test in
138 the requested area of endorsement may apply for the Teach
139 Mississippi Institute (TMI) program to teach students in Grades 7
140 through 12 if the individual meets the requirements of this
141 paragraph (b). The State Board of Education shall adopt rules
142 requiring that teacher preparation institutions which provide the
143 Teach Mississippi Institute (TMI) program for the preparation of
144 nontraditional teachers shall meet the standards and comply with
145 the provisions of this paragraph.

146 (i) The Teach Mississippi Institute (TMI) shall
147 include an intensive eight-week, nine-semester-hour summer program
148 or a curriculum of study in which the student matriculates in the
149 fall or spring semester, which shall include, but not be limited
150 to, instruction in education, effective teaching strategies,
151 classroom management, state curriculum requirements, planning and
152 instruction, instructional methods and pedagogy, using test
153 results to improve instruction, and a one (1) semester three-hour
154 supervised internship to be completed while the teacher is
155 employed as a full-time teacher intern in a local school district.
156 The TMI shall be implemented on a pilot program basis, with
157 courses to be offered at up to four (4) locations in the state,
158 with one (1) TMI site to be located in each of the three (3)
159 Mississippi Supreme Court districts.

160 (ii) The school sponsoring the teacher intern
161 shall enter into a written agreement with the institution

162 providing the Teach Mississippi Institute (TMI) program, under
163 terms and conditions as agreed upon by the contracting parties,
164 providing that the school district shall provide teacher interns
165 seeking a nontraditional provisional teaching license with a
166 one-year classroom teaching experience. The teacher intern shall
167 successfully complete the one (1) semester three-hour intensive
168 internship in the school district during the semester immediately
169 following successful completion of the TMI and prior to the end of
170 the one-year classroom teaching experience.

171 (iii) Upon completion of the nine-semester-hour
172 TMI or the fall or spring semester option, the individual shall
173 submit his transcript to the commission for provisional licensure
174 of the intern teacher, and the intern teacher shall be issued a
175 provisional teaching license by the commission, which will allow
176 the individual to legally serve as a teacher while the person
177 completes a nontraditional teacher preparation internship program.

178 (iv) During the semester of internship in the
179 school district, the teacher preparation institution shall monitor
180 the performance of the intern teacher. The school district that
181 employs the provisional teacher shall supervise the provisional
182 teacher during the teacher's intern year of employment under a
183 nontraditional provisional license, and shall, in consultation
184 with the teacher intern's mentor at the school district of
185 employment, submit to the commission a comprehensive evaluation of
186 the teacher's performance sixty (60) days prior to the expiration
187 of the nontraditional provisional license. If the comprehensive
188 evaluation establishes that the provisional teacher intern's
189 performance fails to meet the standards of the approved
190 nontraditional teacher preparation internship program, the
191 individual shall not be approved for a standard license.

192 (v) An individual issued a provisional teaching
193 license under this nontraditional route shall successfully
194 complete, at a minimum, a one-year beginning teacher mentoring and

195 induction program administered by the employing school district
196 with the assistance of the State Department of Education.

197 (vi) Upon successful completion of the TMI and the
198 internship provisional license period, applicants for a Standard
199 License-Nontraditional Route shall submit to the commission a
200 transcript of successful completion of the twelve (12) semester
201 hours required in the internship program, and the employing school
202 district shall submit to the commission a recommendation for
203 standard licensure of the intern. If the school district
204 recommends licensure, the applicant shall be issued a Standard
205 License-Nontraditional Route which shall be valid for a five-year
206 period and be renewable.

207 (vii) At the discretion of the teacher preparation
208 institution, the individual shall be allowed to credit the twelve
209 (12) semester hours earned in the nontraditional teacher
210 internship program toward the graduate hours required for a Master
211 of Arts in Teacher (MAT) Degree.

212 (viii) The local school district in which the
213 nontraditional teacher intern or provisional licensee is employed
214 shall compensate such teacher interns at Step 1 of the required
215 salary level during the period of time such individual is
216 completing teacher internship requirements and shall compensate
217 such Standard License-Nontraditional Route teachers at Step 3 of
218 the required salary level when they complete license requirements.

219 Implementation of the TMI program provided for under this
220 paragraph (b) shall be contingent upon the availability of funds
221 appropriated specifically for such purpose by the Legislature.
222 Such implementation of the TMI program may not be deemed to
223 prohibit the State Board of Education from developing and
224 implementing additional alternative route teacher licensure
225 programs, as deemed appropriate by the board. The emergency
226 certification program in effect prior to July 1, 2002, shall
227 remain in effect.

228 The State Department of Education shall compile and report,
229 in consultation with the commission, information relating to
230 nontraditional teacher preparation internship programs, including
231 the number of programs available and geographic areas in which
232 they are available, the number of individuals who apply for and
233 possess a nontraditional conditional license, the subject areas in
234 which individuals who possess nontraditional conditional licenses
235 are teaching and where they are teaching, and shall submit its
236 findings and recommendations to the legislative committees on
237 education by December 1, 2004.

238 A Standard License - Approved Program Route shall be issued
239 for a five-year period, and may be renewed. Recognizing teaching
240 as a profession, a hiring preference shall be granted to persons
241 holding a Standard License - Approved Program Route or Standard
242 License - Nontraditional Teaching Route over persons holding any
243 other license.

244 (c) **Special License - Expert Citizen. * * *** The State
245 Department of Education, in accordance with rules and regulations
246 established by the State Board of Education, shall grant an * * *
247 expert citizen-teacher license to (i) local business or other

249 graduate degree from an accredited university plus at least ten
250 (10) years' experience working in the subject area of his or her
251 degree, to teach in a public school or nonpublic school accredited

253 employment by the local school board and licensure by the
254 Mississippi Department of Education, and shall be authorized to
255 teach any course in Grades 9-12 at any time during the school day
256 without restriction. The board shall adopt rules and regulations
257 to administer the expert citizen-teacher license. A special
258 license - expert citizen may be renewed in accordance with the
259 established rules and regulations of the State Department of
260 Education.

261 (d) **Special License - Nonrenewable.** The State Board of
262 Education is authorized to establish rules and regulations to
263 allow those educators not meeting requirements in subsection
264 (6)(a), (b) or (c) to be licensed for a period of not more than
265 three (3) years, except by special approval of the State Board of
266 Education.

267 (e) **Nonlicensed Teaching Personnel.** A nonlicensed
268 person may teach for a maximum of three (3) periods per teaching
269 day in a public school or a nonpublic school accredited/approved
270 by the state. Such person shall submit to the department a
271 transcript or record of his education and experience which
272 substantiates his preparation for the subject to be taught and
273 shall meet other qualifications specified by the commission and
274 approved by the State Board of Education. In no case shall any
275 local school board hire nonlicensed personnel as authorized under
276 this paragraph in excess of five percent (5%) of the total number
277 of licensed personnel in any single school.

278 (f) **Special License - Transitional Bilingual Education.**

282 Teachers of transitional bilingual education shall be compensated
283 by local school boards at not less than one (1) step on the

296 possess legal authorization for employment. A teacher of
297 transitional bilingual education serving under a special license
298 shall be under an exemption from standard licensure if he achieves
299 the requisite qualifications therefor. Two (2) years of service
300 by a teacher of transitional bilingual education under such an
301 exemption shall be credited to the teacher in acquiring a Standard
302 Educator License. Nothing in this paragraph shall be deemed to
303 prohibit a local school board from employing a teacher licensed in
304 an appropriate field as approved by the State Department of
305 Education to teach in a program in transitional bilingual
306 education.

307 (g) In the event any school district meets Level 4 or 5
308 accreditation standards, the State Board of Education, in its

339 of the requirements of alternate route licensure for

381 (9) **Renewal and Reinstatement of Licenses.** The State Board
382 of Education is authorized to establish rules and regulations for

384 licenses. Effective May 15, 1997, the valid standard license held
385 by an educator shall be extended five (5) years beyond the
386 expiration date of the license in order to afford the educator
387 adequate time to fulfill new renewal requirements established
388 pursuant to this subsection. An educator completing a master of
389 education, educational specialist or doctor of education degree in
390 May 1997 for the purpose of upgrading the educator's license to a
391 higher class shall be given this extension of five (5) years plus

393 (10) All controversies involving the issuance, revocation,
394 suspension or any change whatsoever in the licensure of an
395 educator required to hold a license shall be initially heard in a

405 the decision of the committee or its subcommittee. An appeal to
406 the State Board of Education shall be on the record previously
407 made before the commission or its subcommittee unless otherwise
408 provided by rules and regulations adopted by the board. The State
409 Board of Education in its authority may reverse, or remand with
410 instructions, the decision of the committee or its subcommittee.
411 The decision of the State Board of Education shall be final.

412 (11) The State Board of Education, acting through the
413 commission, may deny an application for any teacher or
414 administrator license for one or more of the following:

415 (a) Lack of qualifications which are prescribed by law
416 or regulations adopted by the State Board of Education;

417 (b) The applicant has a physical, emotional or mental
418 disability that renders the applicant unfit to perform the duties
419 authorized by the license, as certified by a licensed psychologist
420 or psychiatrist;

421 (c) The applicant is actively addicted to or actively
422 dependent on alcohol or other habit-forming drugs or is a habitual

425 a license;

426 (d) Revocation of an applicant's certificate or license
427 by another state;

428 (e) Fraud or deceit committed by the applicant in
429 securing or attempting to secure such certification and license;

430 (f) Failing or refusing to furnish reasonable evidence
431 of identification;

432 (g) The applicant has been convicted, has pled guilty
433 or entered a plea of nolo contendere to a felony, as defined by
434 federal or state law; or

436 or entered a plea of nolo contendere to a sex offense as defined
437 by federal or state law.

438 (12) The State Board of Education, acting on the
439 recommendation of the commission, may revoke or suspend any
440 teacher or administrator license for specified periods of time for
441 one or more of the following:

442 (a) Breach of contract or abandonment of employment may
443 result in the suspension of the license for one (1) school year as
444 provided in Section 37-9-57;

445 (b) Obtaining a license by fraudulent means shall
446 result in immediate suspension and continued suspension for one
447 (1) year after correction is made;

448 (c) Suspension or revocation of a certificate or
449 license by another state shall result in immediate suspension or
450 revocation and shall continue until records in the prior state

461 (13) (a) Dismissal or suspension of a licensed employee by
462 a local school board pursuant to Section 37-9-59 may result in the
463 suspension or revocation of a license for a length of time which
464 shall be determined by the commission and based upon the severity
465 of the offense.

466 (b) Any offense committed or attempted in any other
467 state shall result in the same penalty as if committed or
468 attempted in this state.

469 (c) A person may voluntarily surrender a license. The
470 surrender of such license may result in the commission
471 recommending any of the above penalties without the necessity of a
472 hearing. However, any such license which has voluntarily been
473 surrendered by a licensed employee may only be reinstated by a
474 majority vote of all members of the commission present at the
475 meeting called for such purpose.

476 (14) A person whose license has been suspended on any
477 grounds except criminal grounds may petition for reinstatement of
478 the license after one (1) year from the date of suspension, or
479 after one-half (1/2) of the suspended time has lapsed, whichever

481 grounds may be reinstated upon petition to the commission filed
482 after expiration of the sentence and parole or probationary period
483 imposed upon conviction. A revoked, suspended or surrendered

485 rehabilitation. The commission shall require all who petition for
486 reinstatement to furnish evidence satisfactory to the commission
487 of good character, good mental, emotional and physical health and
488 such other evidence as the commission may deem necessary to
489 establish the petitioner's rehabilitation and fitness to perform
490 the duties authorized by the license.

491 (15) Reporting procedures and hearing procedures for dealing
492 with infractions under this section shall be promulgated by the
493 commission, subject to the approval of the State Board of
494 Education. The revocation or suspension of a license shall be
495 effected at the time indicated on the notice of suspension or
496 revocation. The commission shall immediately notify the
497 superintendent of the school district or school board where the
498 teacher or administrator is employed of any disciplinary action
499 and also notify the teacher or administrator of such revocation or
500 suspension and shall maintain records of action taken. The State
501 Board of Education may reverse or remand with instructions any
502 decision of the commission regarding a petition for reinstatement
503 of a license, and any such decision of the State Board of
504 Education shall be final.

505 (16) An appeal from the action of the State Board of
506 Education in denying an application, revoking or suspending a
507 license or otherwise disciplining any person under the provisions
508 of this section shall be filed in the Chancery Court of the First
509 Judicial District of Hinds County on the record made, including a
510 verbatim transcript of the testimony at the hearing. The appeal
511 shall be filed within thirty (30) days after notification of the
512 action of the board is mailed or served and the proceedings in
513 chancery court shall be conducted as other matters coming before
514 the court. The appeal shall be perfected upon filing notice of
515 the appeal and by the prepayment of all costs, including the cost
516 of preparation of the record of the proceedings by the State Board
517 of Education, and the filing of a bond in the sum of Two Hundred
518 Dollars (\$200.00) conditioned that if the action of the board be
519 affirmed by the chancery court, the applicant or license holder
520 shall pay the costs of the appeal and the action of the chancery
521 court.

522 (17) All such programs, rules, regulations, standards and
523 criteria recommended or authorized by the commission shall become

524 effective upon approval by the State Board of Education as
525 designated by appropriate orders entered upon the minutes thereof.

526 (18) The granting of a license shall not be deemed a
527 property right nor a guarantee of employment in any public school
528 district. A license is a privilege indicating minimal eligibility
529 for teaching in the public schools of Mississippi. This section
530 shall in no way alter or abridge the authority of local school
531 districts to require greater qualifications or standards of
532 performance as a prerequisite of initial or continued employment
533 in such districts.

534 (19) In addition to the reasons specified in subsections
535 (12) and (13) of this section, the board shall be authorized to
536 suspend the license of any licensee for being out of compliance
537 with an order for support, as defined in Section 93-11-153. The
538 procedure for suspension of a license for being out of compliance
539 with an order for support, and the procedure for the reissuance or
540 reinstatement of a license suspended for that purpose, and the
541 payment of any fees for the reissuance or reinstatement of a
542 license suspended for that purpose, shall be governed by Section
543 93-11-157 or 93-11-163, as the case may be. Actions taken by the
544 board in suspending a license when required by Section 93-11-157
545 or 93-11-163 are not actions from which an appeal may be taken
546 under this section. Any appeal of a license suspension that is
547 required by Section 93-11-157 or 93-11-163 shall be taken in
548 accordance with the appeal procedure specified in Section
549 93-11-157 or 93-11-163, as the case may be, rather than the
550 procedure specified in this section. If there is any conflict
551 between any provision of Section 93-11-157 or 93-11-163 and any
552 provision of this chapter, the provisions of Section 93-11-157 or
553 93-11-163, as the case may be, shall control.

554 **SECTION 2.** This act shall take effect and be in force from
555 and after July 1, 2006.
