FOR
SENATE BILL NO. 2917

1 AN ACT TO AMEND SECTION 21-17-5, MISSISSIPPI CODE OF 1972, TO
2 AUTHORIZE MUNICIPALITIES TO ENACT LEAVE POLICIES TO ENSURE THAT
3 PUBLIC SAFETY EMPLOYEES RECEIVE THE SAME HOLIDAY BENEFITS AS OTHER
4 MUNICIPAL EMPLOYEES WHEN THE PUBLIC SAFETY EMPLOYEE'S REGULAR DAY
5 OFF OCCURS ON A LEGAL HOLIDAY; AND FOR RELATED PURPOSES.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

7 **SECTION 1.** Section 21-17-5, Mississippi Code of 1972, is
8 amended as follows:

9 21-17-5. (1) The governing authorities of every
10 municipality of this state shall have the care, management and
11 control of the municipal affairs and its property and finances.
12 In addition to those powers granted by specific provisions of
13 general law, the governing authorities of municipalities shall
14 have the power to adopt any orders, resolutions or ordinances with
15 respect to such municipal affairs, property and finances which are
16 not inconsistent with the Mississippi Constitution of 1890, the
17 Mississippi Code of 1972, or any other statute or law of the State
18 of Mississippi, and shall likewise have the power to alter, modify
19 and repeal such orders, resolutions or ordinances. Except as
20 otherwise provided in subsection (2) of this section, the powers
21 granted to governing authorities of municipalities in this section
22 are complete without the existence of or reference to any specific
23 authority granted in any other statute or law of the State of
24 Mississippi. Unless otherwise provided by law, before entering
25 upon the duties of their respective offices, the aldermen or
26 councilmen of every municipality of this state shall give bond,
27 with sufficient surety, to be payable, conditioned and approved as
28 provided by law, in a penalty equal to five percent (5%) of the

29 sum of all the municipal taxes shown by the assessment rolls and
30 the levies to have been collectible in the municipality for the
31 year immediately preceding the commencement of the term of office
32 of said alderman or councilman; however, such bond shall not
33 exceed the amount of One Hundred Thousand Dollars (\$100,000.00).
34 Any taxpayer of the municipality may sue on such bond for the use
35 of the municipality, and such taxpayer shall be liable for all
36 costs in case his suit shall fail. No member of the city council
37 or board of aldermen shall be surety for any other such member.

38 (2) Unless such actions are specifically authorized by
39 another statute or law of the State of Mississippi, this section
40 shall not authorize the governing authorities of municipalities to
41 (a) levy taxes of any kind or increase the levy of any authorized
42 tax, (b) issue bonds of any kind, (c) change the requirements,
43 practices or procedures for municipal elections or establish any
44 new elective office, (d) change the procedure for annexation of
45 additional territory into the municipal boundaries, (e) change the
46 structure or form of the municipal government, (f) permit the
47 sale, manufacture, distribution, possession or transportation of
48 alcoholic beverages, (g) grant any donation, or (h) without prior
49 legislative approval, regulate, directly or indirectly, the amount
50 of rent charged for leasing private residential property in which
51 the municipality does not have a property interest.

52 (3) Nothing in this or any other section shall be construed
53 so as to prevent any municipal governing authority from paying any
54 municipal employee not to exceed double his ordinary rate of pay
55 or awarding any municipal employee not to exceed double his
56 ordinary rate of compensatory time for work performed in his
57 capacity as a municipal employee on legal holidays. The governing
58 authority of any municipality, in its discretion, may enact leave
59 policies to ensure that public safety employees receive the same
60 holiday benefits as other municipal employees when the public
61 safety employee's regular day off occurs on a legal holiday.

62 (4) The governing authority of any municipality, in its
63 discretion, may expend funds to provide for training and education
64 of newly elected or appointed municipal officials before the
65 beginning of the term of office or employment of such officials.
66 Any expenses incurred for such purposes may be allowed only upon
67 prior approval of the governing authority. Any payments or
68 reimbursements made under the provisions of this subsection may be
69 paid only after presentation to and approval by the governing
70 authority of the municipality.

71 **SECTION 2.** This act shall take effect and be in force from
72 and after its passage.
