1 AN ACT TO AMEND SECTION 21-45-9, MISSISSIPPI CODE OF 1972, TO
2 AUTHORIZE A MUNICIPALITY TO IMPOSE A SPECIAL ASSESSMENT ON A
3 REDEVELOPMENT PROJECT FOR WHICH TAX INCREMENT FINANCING BONDS HAVE
4 BEEN ISSUED IF THE ADDED INCREMENTS OF AD VALOREM TAX REVENUES OR
5 ANY PORTION OF THE SALES TAXES TO RESULT FROM ANY REDEVELOPMENT
6 PROJECT BECOME INSUFFICIENT TO PAY THE DEBT SERVICE ON THE BONDS;
7 AND FOR RELATED PURPOSES.

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

9 **SECTION 1.** Section 21-45-9, Mississippi Code of 1972, is
10 amended as follows:

11 21-45-9. (1) Any governing body may issue tax increment
12 bonds, the final maturity of which shall not extend beyond thirty
13 (30) years, for the purpose of financing all or a portion of the
14 cost of a redevelopment project within the boundaries of the
15 municipality, funding any reserve which the governing body may
16 deem advisable in connection with the retirement of the proposed
17 indebtedness and funding any other incidental expenses involved in
18 incurring such indebtedness.

19 (2) The debt service of indebtedness incurred pursuant to
20 this section shall be provided from the added increments of
21 municipal and county ad valorem tax revenues or any portion of the
22 sales taxes, or both, to result from any such redevelopment
23 project and shall never constitute an indebtedness of the
24 municipality within the meaning of any state constitutional
25 provision or statutory limitation and shall never constitute nor
26 give rise to a pecuniary liability of the municipality or a charge
27 against its general credit or taxing powers.

28 (3) In the event that the added increments of ad valorem tax
29 revenues or any portion of the sales taxes to result from any

30 redevelopment project become insufficient to pay the debt service
31 of indebtedness incurred pursuant to this section, the municipal
32 governing authorities are vested with full power to raise the levy
33 on the redevelopment project, both personal and real, by special
34 assessment to pay the insufficiency. The governing authorities
35 shall have all power to enforce and collect the taxes as provided
36 by statutes empowering municipalities to collect special
37 assessments, and it shall be done in the same general way and may
38 be assessed at any time and cover such length of time as the
39 governing authorities may deem proper.

40 (4) The bonds may be authorized by resolution or resolutions
41 of the governing body, and may be issued in one or more series,
42 may bear such date or dates, mature at such time or times, bear
43 interest at such rate or rates, payable at such times, be in such
44 denominations, be in such form, be registered, be executed in such
45 manner, be payable in such medium of payment, at such place or
46 places, be subject to such terms of redemption, with or without
47 premium, carry such conversion or registration privileges and be
48 declared or become due before the maturity date thereof, as such
49 resolution or resolutions may provide; however, the bonds shall
50 not bear a greater interest rate to maturity than that allowed
51 under Section 75-17-101. The bonds shall be sold for not less
52 than par value plus accrued interest at public sale in the manner
53 provided by Section 31-19-25 or at private sale, in the discretion
54 of the governing body. The lowest interest rate specified for any
55 bonds issued shall not be less than seventy percent (70%) of the
56 highest interest rate specified for the same bond issue. The
57 bonds may be repurchased by the municipality out of any available
58 funds at a price not to exceed the principal amount thereof and
59 accrued interest, and all bonds so repurchased shall be cancelled.
60 In connection with the issuance of the bonds, the municipality
61 shall have the power to enter into contracts for rating of the
62 bonds by national rating agencies; obtaining bond insurance or

63 guarantees for the bonds and complying with the terms and
64 conditions of such insurance or guarantees; make provision for
65 payment in advance of maturity at the option of the owner or
66 holder of the bonds; covenant for the security and better
67 marketability of the bonds, including without limitation the
68 establishment of a debt service reserve fund and sinking funds to
69 secure or pay such bonds; and make any other provisions deemed
70 desirable by the municipality in connection with the issuance of
71 the bonds.

72 (5) If a governing body desires to issue tax increment
73 financing bonds under the Regional Economic Development Act, the
74 governing body also shall comply with any requirements provided
75 therein.

76 (6) In connection with the issuance of the bonds, the
77 municipality may arrange for lines of credit with any bank, firm
78 or person for the purpose of providing an additional source of
79 repayment for such bonds and amounts drawn on such lines of credit
80 may be evidenced by bonds, notes or other evidences of
81 indebtedness containing such terms and conditions as the
82 municipality may determine; * * * however, the bonds, notes or
83 evidences of indebtedness shall be secured by and payable from the
84 same sources as are pledged to the payment of the bonds which are
85 additionally secured by the line of credit, and that the bonds,
86 notes or other evidences of indebtedness shall be deemed to be
87 bonds for all purposes of this chapter. Pending the preparation
88 or execution of definitive bonds, interim receipts or
89 certificates, or temporary bonds may be delivered to the purchaser
90 or purchasers of the bonds. Any provision of law to the contrary
91 notwithstanding, any bonds, if any, issued pursuant to this
92 chapter shall possess all of the qualities of negotiable
93 instruments.

94 (7) The municipality may also issue refunding bonds for the
95 purpose of paying any of its bonds at or prior to maturity or upon

96 acceleration or redemption. Refunding bonds may be issued at such
97 time prior to the maturity or redemption of the refunded bonds as
98 the municipality may determine. The refunding bonds may be issued
99 in sufficient amounts to pay or provide the principal of the bonds
100 being refunded, together with any redemption premium thereon, any
101 interest accrued or to accrue to the date of payment of the bonds,
102 the expenses of issuing the refunding bonds, the expenses of
103 redeeming the bonds being refunded, and such reserves for debt
104 service or other capital or current expenses from the proceeds of
105 such refunding bonds as may be required by any of the
106 municipality's resolutions, trust indenture or other security
107 instruments. The issuance of refunding bonds, the maturities and
108 other details thereof, the security therefor, the rights of the
109 holders and the rights, duties and obligations of the municipality
110 in respect of the same shall be governed by the provisions of this
111 chapter relating to the issuance of bonds other than refunding
112 bonds, insofar as they may be applicable.

113 (8) Before incurring any debt pertaining to a redevelopment
114 project incorporating a tax increment financing plan the governing
115 body may, but shall not be required to, secure an agreement from
116 one or more developers obligating such developer or developers:

117 (a) To effect the completion of all or any portion of
118 the buildings or other facilities or improvements, as described in
119 the redevelopment project, at no cost to the municipality;

120 (b) To pay all or any portion of the real property
121 taxes due or special assessments on the project in a timely
122 manner; and

123 (c) To maintain and operate all or any portion of the
124 buildings or other facilities or improvements of the project in
125 such a manner as to preserve property values.

126 No breach of any such agreement shall impose any pecuniary
127 liability upon a municipality or any charge upon its general
128 credit or against its taxing powers.

129 Additionally, the municipality may enter into an agreement
130 with the developer under which the developer may construct all or
131 any part of the redevelopment project with private funds in
132 advance of issuance of the bonds and may be reimbursed by the
133 municipality for actual costs incurred by the developer upon
134 issuance and delivery of the bonds and receipt of the proceeds,
135 conditioned upon dedication of redevelopment project by the
136 developer to the municipality to assure public use and access.

137 **SECTION 2.** This act shall take effect and be in force from
138 and after July 1, 2006.
