364 Funds are provided herein to adjust the Variable Compensation
365 Plan to ensure that all full-time employees receive a pay increase
366 equal to the realignment component of the Variable Compensation
367 Plan or Twelve Hundred Dollars (\$1,200.00), whichever is greater,
368 beginning on July 1, 2006.

369 Pursuant to policies established by the State Personnel
370 Board, agency heads may, on a case by case basis and within funds
371 available, recommend equity salary adjustments to Fiscal Year 2006
372 agency appropriation acts where application of limitations result
373 in awarding one employee a salary increase greater than another
374 employee within the same agency, with the same job classification
375 series and greater longevity.

376 With the funds herein appropriated, it is the intention of
377 the Legislature that it shall be the agency's responsibility to
378 make certain that funds required to be appropriated for "Personal
379 Services" for Fiscal Year 2008 do not exceed Fiscal Year 2007
380 funds appropriated for that purpose, unless programs or positions
381 are added to the agency's Fiscal Year 2008 budget by the
382 Mississippi Legislature. Based on data provided by the
383 Legislative Budget Office, the State Personnel Board shall
384 determine and publish the projected annual cost to fully fund all
385 appropriated positions in compliance with the provisions of this
386 act. It shall be the responsibility of the agency head to insure
387 that no single personnel action increases this projected annual
388 cost and/or the Fiscal Year 2007 appropriation for "Personal

389 Services" when annualized, with the exception of escalated funds.
 390 If, at the time the agency takes any action to change "Personal
 391 Services," the State Personnel Board determines that the agency
 392 has taken an action which would cause the agency to exceed this
 393 projected annual cost or the Fiscal Year 2007 "Personal Services"
 394 appropriated level, when annualized, then only those actions which
 395 reduce the projected annual cost and/or the appropriation
 396 requirement will be processed by the State Personnel Board until
 397 such time as the requirements of this provision are met.

398 Any transfers or escalations shall be made in accordance with
 399 the terms, conditions and procedures established by law or
 400 allowable under the terms set forth within this act. The State
 401 Personnel Board shall not escalate positions without written
 402 approval from the Department of Finance and Administration. The
 403 Department of Finance and Administration shall not provide written
 404 approval to escalate any funds for salaries and/or positions
 405 without proof of availability of new or additional funds above the
 406 appropriated level.

407 No general funds authorized to be expended herein shall be
 408 used to replace federal funds and/or other special funds which are
 409 being used for salaries authorized under the provisions of this
 410 act and which are withdrawn and no longer available.

411 **SECTION 5.** In compliance with the "Mississippi Performance
 412 Budget and Strategic Planning Act of 1994," it is the intent of
 413 the Legislature that the funds provided herein shall be utilized
 414 in the most efficient and effective manner possible to achieve the
 415 intended mission of this agency. Based on the funding authorized,
 416 this agency shall make every effort to attain the targeted

489 that such commitment is made, a bed is not available for admission
490 to East Mississippi State Hospital or Mississippi State Hospital.
491 East Mississippi State Hospital and Mississippi State Hospital
492 shall have the authority to contract with local hospitals located
493 in counties with a population of less than fifty thousand (50,000)
494 for inpatient emergency care for a period not to exceed seven (7)

506 **SECTION 8.** It is the intention of the Legislature that the
507 Executive Director of the Department of Mental Health shall have
508 authority to transfer cash from one special fund treasury fund to
509 another special fund treasury fund under the control of the
510 Department of Mental Health. The purpose of this authority is to
511 more efficiently use available cash reserves. It is further the
512 intention of the Legislature that the Executive Director of the
513 Department of Mental Health shall submit written justification for
514 the transfer to the Legislative Budget Office and the Department
515 of Finance and Administration on or before the fifteenth (15th) of
516 the month prior to the effective date of the transfer.

517 **SECTION 9.** The Executive Director of the Department of
518 Mental Health and the directors of each separate facility operated
519 by the Department of Mental Health are hereby authorized to
520 transfer spending authority from any major objects to any other

521 major objects, excluding the Salaries, Wages and Fringe Benefits
522 category, in any amounts deemed necessary for the efficient
523 management and operation of their budgets, provided that the total
524 spending authority remains unchanged after such transfers and the

553 included for the support of community mental health services for
554 Fiscal Year 2007.

555 Provided, however, that none of the funds appropriated for
556 the support of community mental health services shall be made
557 available to any Regional Mental Health/Retardation Center which

611 their twenty-first birthday (age 21), suffered a severe brain
612 injury and whose condition as a result of that brain injury would
613 have resulted in their classification as developmentally disabled
614 if such injury had occurred prior to their twenty-first birthday.

615 **SECTION 18.** The following sum, or so much thereof as may be
616 necessary, is hereby reappropriated out of any money in the

621 \$ 10,000,000.00

622 Notwithstanding the amount reappropriated under the
623 provisions of this section, in no event shall the amount expended
624 exceed the unexpended balance as of June 30, 2006, or change the

689 the State of Mississippi is reduced or increased, the percentage
690 of the grant allocated to the Department of Mental Health shall be
691 the same as was allocated for the federal year ending
692 September 30, 2006.

693 **SECTION 24.** The Executive Director of the Department of
