

**Lost
AMENDMENT NO 1 TO COMMITTEE AMENDMENT NO 1 PROPOSED
TO**

Senate Bill No. 2700

BY: Representative Parker

1 **AMEND** by deleting lines 8 through 31 in their entirety and
2 inserting in lieu thereof the following:

3 **SECTION 1.** The State Department of Health shall provide
4 information on its internet website about various diseases that
5 may affect school-age children, including the causes, symptoms and
6 means by which those diseases are spread, and any vaccinations
7 that are available to immunize children against those diseases.
8 Local school boards may provide a link on the school district's
9 internet website to that information on the State Department of
10 Health' website."

11 **AMEND FURTHER** the title to conform.
