

**Adopted  
COMMITTEE AMENDMENT NO 1 PROPOSED TO**

**Senate Bill No. 2700**

**BY: Committee**

**Amend by striking all after the enacting clause and inserting  
in lieu thereof the following:**

8        **SECTION 1.** (1) Local school boards shall ensure that all  
9 public schools and agricultural high schools provide parents and  
10 guardians with information about meningococcal disease and the  
11 effectiveness of vaccination against meningococcal disease. Such  
12 information may be provided through the school district Web site,  
13 student handbook or other appropriate means of dissemination of  
14 information. Such information shall be updated annually if new  
15 information on such disease is available. This information shall  
16 include the causes, symptoms and means by which meningococcal  
17 disease is spread and the places where parents and guardians may  
18 obtain additional information and vaccinations for their children.  
19 Nothing in this section shall be construed to require a local  
20 school board or school to provide or purchase vaccine against  
21 meningococcal disease.

22        (2) The State Board of Health shall develop and make  
23 available educational materials appropriate for distribution so  
24 that the information required by this section can be provided to  
25 parents and guardians. The Department of Health may provide this  
26 information, at its discretion, electronically, on its Web site.

27 Nothing in this section shall be construed to require the  
28 Department of Health to provide or purchase vaccine against  
29 meningococcal disease.

30 This section shall stand repealed from and after July 1,  
31 2007.

32 **SECTION 2.** This act shall take effect and be in force from  
33 and after July 1, 2006.

**Further, amend by striking the title in its entirety and  
inserting in lieu thereof the following:**

1 AN ACT TO DIRECT LOCAL SCHOOL DISTRICTS AND AGRICULTURAL  
2 SCHOOLS TO PROVIDE PARENTS WITH APPROPRIATE INFORMATION ABOUT  
3 MENINGOCOCCAL DISEASE; TO DIRECT THE STATE BOARD OF HEALTH TO  
4 DEVELOP APPROPRIATE INFORMATION ABOUT THIS DISEASE TO BE  
5 DISTRIBUTED BY THE STATE DEPARTMENT OF EDUCATION; AND FOR RELATED  
6 PURPOSES.
