Certification in Orthotics and Prosthetics or the Board for
Orthotist/Prosthetist Certification. However, nothing in this

certified, as long as he does not represent himself as an
orthotist or prosthetist, and nothing in this act shall be
construed to prevent any physician licensed in this state from
performing any activities included within the definition of
orthotics or prosthetics in the normal course of his practice as a

orthotist or prosthetist. In addition, nothing in this chapter
shall be construed to prevent the practice of orthotics or

(3) Whenever any person employs or utilizes the services of an orthotist or prosthetist in connection with the person's business, the measuring, fitting, adjusting and approval of any orthotic or prosthetic device furnished to a patient shall be performed only under the direct supervision of a board certified orthotist, in the case of orthotic patients, or under the direct supervision of a board certified prosthetist, in the case of prosthetic patients. "Direct supervision" means involvement by the certified practitioner in each and every case.

In addition, any person sustaining damages as a result of a violation of any provision of this section may recover the amount of those damages, plus a civil penalty of One Thousand Five Hundred Dollars ($1,500.00) per incident, in any court of competent jurisdiction.

SECTION 3. This act shall take effect and be in force from and after July 1, 2007.
