214 the credit of the system by the depository with the board or with  
215 an unaffiliated bank or trust company domiciled within the United  
216 States or the State of Mississippi acceptable to both the board  
217 and to the fiscal agent bank. In the event the board and the

229           (12) The board, the executive secretary and employees shall  
230 discharge their duties with respect to the investments of the  
231 system solely for the interest of the system with the care, skill,  
232 prudence and diligence under the circumstances then prevailing  
233 that a prudent investor acting in a like capacity and familiar  
234 with such matters would use in the conduct of an enterprise of a  
235 like character and with like aims, including diversifying the  
236 investments of the system so as to minimize the risk of large  
237 losses, unless under the circumstances it is clearly prudent not  
238 to do so.

239           (13) Documentary material or data made or received by the  
240 system that consists of trade secrets or commercial or financial  
241 information that relates to the investments of the system shall be  
242 exempt from the Mississippi Public Records Act of 1983 if the  
243 disclosure of the material or data is likely to impair the
