45 With the funds herein appropriated, it is the intention of
46 the Legislature that it shall be the agency's responsibility to
47 make certain that funds required to be appropriated for "Personal
48 Services" for Fiscal Year 2009 do not exceed Fiscal Year 2008
49 funds appropriated for that purpose, unless programs or positions
50 are added to the agency's Fiscal Year 2009 budget by the
51 Mississippi Legislature. Based on data provided by the
52 Legislative Budget Office, the State Personnel Board shall
53 determine and publish the projected annual cost to fully fund all

59 If, at the time the agency takes any action to change "Personal
60 Services," the State Personnel Board determines that the agency

63 appropriated level, when annualized, then only those actions which
64 reduce the projected annual cost and/or the appropriation
65 requirement will be processed by the State Personnel Board until
66 such time as the requirements of this provision are met.

67 Any transfers or escalations shall be made in accordance with
68 the terms, conditions and procedures established by law or

70 Personnel Board shall not escalate positions without written
71 approval from the Department of Finance and Administration. The
72 Department of Finance and Administration shall not provide written
73 approval to escalate any funds for salaries and/or positions
74 without proof of availability of new or additional funds above the
75 appropriated level.

76 No general funds authorized to be expended herein shall be
77 used to replace federal funds and/or other special funds which are
78 being used for salaries authorized under the provisions of this
79 act and which are withdrawn and no longer available.

80 **SECTION 3.** It is the intention of the Legislature that the
81 Board of Trustees of the Public Employees' Retirement System shall
82 maintain complete accounting and personnel records related to the
83 expenditure of all funds appropriated under this act and that such
84 records shall be in the same format and level of detail as
85 maintained for Fiscal Year 2007. It is further the intention of
86 the Legislature that the agency's budget request for Fiscal Year
87 2009 shall be submitted to the Joint Legislative Budget Committee

97 year, any and all unexpended funds shall be transferred to the
98 Administrative Budget Fund of the system.

99 It is the intention of the Legislature that the system have

101 Building Repair and Maintenance Fund in an amount not to exceed

103 maintenance of the buildings owned by the system. All
104 expenditures from the Public Employees' Retirement System Building
105 Repair and Maintenance Fund shall be in accordance with this
106 article and for the purposes designated herein.

107 **SECTION 5.** It is the intention of the Legislature that
108 whenever two (2) or more bids are received by this agency for the
109 purchase of commodities or equipment, and whenever all things

111 quality and service, the Mississippi Industries for the Blind
112 shall be given preference. A similar preference shall be given to
113 the Mississippi Industries for the Blind whenever purchases are
114 made without competitive bids.

115 **SECTION 6.** It is the intention of the Legislature that the
116 Executive Director of the Public Employees' Retirement System may
117 increase major objects of expenditure in total amounts not to
118 exceed twenty-five percent (25%) of the appropriated amount of
119 each major object of expenditure, provided that other major
120 objects of expenditure are decreased by a corresponding dollar
121 amount and provided the Executive Director of the Mississippi
122 Department of Finance and Administration also approves with
123 written authorization. However, no transfers shall be authorized
124 which increase the major object of expenditure "Salaries, Wages
125 and Fringe Benefits."

126 **SECTION 7.** It is the intention of the Legislature that, with
127 the funds appropriated in Section 1, the Public Employees

128 Retirement System is authorized to implement, in compliance with

133 appropriated, the following sum, or so much thereof as may be
134 necessary, is appropriated out of any money in the State Treasury
135 to the credit of the Administrative Expense Account of the Public
136 Employees' Retirement System, for the purpose of defraying those
137 expenses associated with consultant services regarding a
138 replacement computer system, for the fiscal year beginning July 1,
139 2007, and ending June 30, 2008..... \$ 480,458.00.

140 **SECTION 9.** The money herein appropriated shall be paid by
141 the State Treasurer out of any money in the State Treasury to the
142 credit of the proper fund or funds as set forth in this act, upon
143 warrants issued by the State Fiscal Officer; and the State Fiscal
