134 Board of Education.

135 (b) **Standard License - Nontraditional Teaching Route.**

136 Beginning January 1, 2004, an individual who has a passing score
137 on the Praxis I Basic Skills and Praxis II Specialty Area Test in
138 the requested area of endorsement may apply for the Teach
139 Mississippi Institute (TMI) program to teach students in Grades 7
140 through 12 if the individual meets the requirements of this
141 paragraph (b). The State Board of Education shall adopt rules
142 requiring that teacher preparation institutions which provide the
143 Teach Mississippi Institute (TMI) program for the preparation of
144 nontraditional teachers shall meet the standards and comply with
145 the provisions of this paragraph.

146 (i) The Teach Mississippi Institute (TMI) shall
147 include an intensive eight-week, nine-semester-hour summer program
148 or a curriculum of study in which the student matriculates in the
149 fall or spring semester, which shall include, but not be limited
150 to, instruction in education, effective teaching strategies,
151 classroom management, state curriculum requirements, planning and
152 instruction, instructional methods and pedagogy, using test
153 results to improve instruction, and a one-semester three-hour
154 supervised internship to be completed while the teacher is
155 employed as a full-time teacher intern in a local school district.
156 The TMI shall be implemented on a pilot program basis, with
157 courses to be offered at up to four (4) locations in the state,
158 with one (1) TMI site to be located in each of the three (3)
159 Mississippi Supreme Court districts.

160 (ii) The school sponsoring the teacher intern
161 shall enter into a written agreement with the institution

162 providing the Teach Mississippi Institute (TMI) program, under
163 terms and conditions as agreed upon by the contracting parties,
164 providing that the school district shall provide teacher interns
165 seeking a nontraditional provisional teaching license with a
166 one-year classroom teaching experience. The teacher intern shall
167 successfully complete the one (1) semester three-hour intensive
168 internship in the school district during the semester immediately
169 following successful completion of the TMI and prior to the end of
170 the one-year classroom teaching experience.

171 (iii) Upon completion of the nine-semester-hour
172 TMI or the fall or spring semester option, the individual shall
173 submit his transcript to the commission for provisional licensure
174 of the intern teacher, and the intern teacher shall be issued a
175 provisional teaching license by the commission, which will allow
176 the individual to legally serve as a teacher while the person
177 completes a nontraditional teacher preparation internship program.

178 (iv) During the semester of internship in the
179 school district, the teacher preparation institution shall monitor
180 the performance of the intern teacher. The school district that
181 employs the provisional teacher shall supervise the provisional
182 teacher during the teacher's intern year of employment under a
183 nontraditional provisional license, and shall, in consultation
184 with the teacher intern's mentor at the school district of
185 employment, submit to the commission a comprehensive evaluation of
186 the teacher's performance sixty (60) days prior to the expiration
187 of the nontraditional provisional license. If the comprehensive
188 evaluation establishes that the provisional teacher intern's
189 performance fails to meet the standards of the approved
190 nontraditional teacher preparation internship program, the
191 individual shall not be approved for a standard license.

192 (v) An individual issued a provisional teaching
193 license under this nontraditional route shall successfully
194 complete, at a minimum, a one-year beginning teacher mentoring and

195 induction program administered by the employing school district
196 with the assistance of the State Department of Education.

197 (vi) Upon successful completion of the TMI and the
198 internship provisional license period, applicants for a Standard
199 License - Nontraditional Route shall submit to the commission a
200 transcript of successful completion of the twelve (12) semester
201 hours required in the internship program, and the employing school
202 district shall submit to the commission a recommendation for
203 standard licensure of the intern. If the school district
204 recommends licensure, the applicant shall be issued a Standard
205 License - Nontraditional Route which shall be valid for a
206 five-year period and be renewable.

207 (vii) At the discretion of the teacher preparation
208 institution, the individual shall be allowed to credit the twelve
209 (12) semester hours earned in the nontraditional teacher
210 internship program toward the graduate hours required for a Master
211 of Arts in Teacher (MAT) Degree.

212 (viii) The local school district in which the
213 nontraditional teacher intern or provisional licensee is employed
214 shall compensate such teacher interns at Step 1 of the required
215 salary level during the period of time such individual is
216 completing teacher internship requirements and shall compensate
217 such Standard License - Nontraditional Route teachers at Step 3 of
218 the required salary level when they complete license requirements.

219 Implementation of the TMI program provided for under this
220 paragraph (b) shall be contingent upon the availability of funds
221 appropriated specifically for such purpose by the Legislature.
222 Such implementation of the TMI program may not be deemed to
223 prohibit the State Board of Education from developing and
224 implementing additional alternative route teacher licensure
225 programs, as deemed appropriate by the board. The emergency
226 certification program in effect prior to July 1, 2002, shall
227 remain in effect.

228 The State Department of Education shall compile and report,
229 in consultation with the commission, information relating to
230 nontraditional teacher preparation internship programs, including
231 the number of programs available and geographic areas in which
232 they are available, the number of individuals who apply for and
233 possess a nontraditional conditional license, the subject areas in
234 which individuals who possess nontraditional conditional licenses
235 are teaching and where they are teaching, and shall submit its
236 findings and recommendations to the legislative committees on
237 education by December 1, 2004.

238 A Standard License - Approved Program Route shall be issued
239 for a five-year period, and may be renewed. Recognizing teaching
240 as a profession, a hiring preference shall be granted to persons
241 holding a Standard License - Approved Program Route or Standard
242 License - Nontraditional Teaching Route over persons holding any
243 other license.

244 (c) **Special License - Expert Citizen.** In order to
245 allow a school district to offer specialized or technical courses,
246 the State Department of Education, in accordance with rules and
247 regulations established by the State Board of Education, may grant
248 a one-year expert citizen-teacher license to local business or
249 other professional personnel to teach in a public school or
250 nonpublic school accredited or approved by the state. Such person
251 may begin teaching upon his employment by the local school board
252 and licensure by the Mississippi Department of Education. The
253 board shall adopt rules and regulations to administer the expert
254 citizen-teacher license. A Special License - Expert Citizen may
255 be renewed in accordance with the established rules and
256 regulations of the State Department of Education.

257 (d) **Special License - Nonrenewable.** The State Board of
258 Education is authorized to establish rules and regulations to
259 allow those educators not meeting requirements in subsection
260 (6)(a), (b) or (c) to be licensed for a period of not more than

261 three (3) years, except by special approval of the State Board of
262 Education.

263 (e) **Nonlicensed Teaching Personnel.** A nonlicensed
264 person may teach for a maximum of three (3) periods per teaching
265 day in a public school or a nonpublic school accredited/approved
266 by the state. Such person shall submit to the department a
267 transcript or record of his education and experience which
268 substantiates his preparation for the subject to be taught and
269 shall meet other qualifications specified by the commission and
270 approved by the State Board of Education. In no case shall any
271 local school board hire nonlicensed personnel as authorized under
272 this paragraph in excess of five percent (5%) of the total number
273 of licensed personnel in any single school.

274 (f) **Special License - Transitional Bilingual Education.**
275 Beginning July 1, 2003, the commission shall grant special
276 licenses to teachers of transitional bilingual education who
277 possess such qualifications as are prescribed in this section.
278 Teachers of transitional bilingual education shall be compensated
279 by local school boards at not less than one (1) step on the
280 regular salary schedule applicable to permanent teachers licensed
281 under this section. The commission shall grant special licenses
282 to teachers of transitional bilingual education who present the
283 commission with satisfactory evidence that they (i) possess a
284 speaking and reading ability in a language, other than English, in
285 which bilingual education is offered and communicative skills in
286 English; (ii) are in good health and sound moral character; (iii)
287 possess a bachelor's degree or an associate's degree in teacher
288 education from an accredited institution of higher education; (iv)
289 meet such requirements as to courses of study, semester hours
290 therein, experience and training as may be required by the
291 commission; and (v) are legally present in the United States and
292 possess legal authorization for employment. A teacher of
293 transitional bilingual education serving under a special license

294 shall be under an exemption from standard licensure if he achieves
295 the requisite qualifications therefor. Two (2) years of service
296 by a teacher of transitional bilingual education under such an
297 exemption shall be credited to the teacher in acquiring a Standard
298 Educator License. Nothing in this paragraph shall be deemed to
299 prohibit a local school board from employing a teacher licensed in
300 an appropriate field as approved by the State Department of
301 Education to teach in a program in transitional bilingual
302 education.

303 (g) In the event any school district meets Level 4 or 5
304 accreditation standards, the State Board of Education, in its
305 discretion, may exempt such school district from any restrictions
306 in paragraph (e) relating to the employment of nonlicensed
307 teaching personnel.

308 (h) **Highly Qualified Teachers.** Beginning July 1, 2006,
309 any teacher from any state meeting the federal definition of
310 highly qualified, as described in the No Child Left Behind Act,
311 must be granted a standard five-year license by the State
312 Department of Education.

313 (7) **Administrator License.** The State Board of Education is
314 authorized to establish rules and regulations and to administer
315 the licensure process of the school administrators in the State of
316 Mississippi. There will be four (4) categories of administrator
317 licensure with exceptions only through special approval of the
318 State Board of Education.

319 (a) **Administrator License - Nonpracticing.** Those

321 administrative experience or not serving in an administrative
322 position on January 15, 1997.

323 (b) **Administrator License - Entry Level.** Those
324 educators holding administrative endorsement and having met the
325 department's qualifications to be eligible for employment in a

326 Mississippi school district. Administrator License - Entry Level
327 shall be issued for a five-year period and shall be nonrenewable.

328 (c) **Standard Administrator License - Career Level.** An
329 administrator who has met all the requirements of the department
330 for standard administrator licensure.

331 (d) **Administrator License - Nontraditional Route.** The
332 board may establish a nontraditional route for licensing
333 administrative personnel. Such nontraditional route for
334 administrative licensure shall be available for persons holding,
335 but not limited to, a master of business administration degree, a
336 master of public administration degree, a master of public
337 planning and policy degree or a doctor of jurisprudence degree
338 from an accredited college or university, with five (5) years of
339 administrative or supervisory experience. Successful completion
340 of the requirements of alternate route licensure for
341 administrators shall qualify the person for a standard
342 administrator license.

343 The State Department of Education shall compile and report,
344 in consultation with the commission, information relating to
345 nontraditional administrator preparation internship programs,
346 including the number of programs available and geographic areas in
347 which they are available, the number of individuals who apply for
348 and possess a nontraditional conditional license and where they
349 are employed, and shall submit its findings and recommendations to
350 the legislative committees on education by December 1, 2004.

351 Beginning with the 1997-1998 school year, individuals seeking
352 school administrator licensure under paragraph (b), (c) or (d)
353 shall successfully complete a training program and an assessment
354 process prescribed by the State Board of Education. Applicants
355 seeking school administrator licensure prior to June 30, 1997, and
356 completing all requirements for provisional or standard
357 administrator certification and who have never practiced, shall be
358 exempt from taking the Mississippi Assessment Battery Phase I.

359 Applicants seeking school administrator licensure during the
360 period beginning July 1, 1997, through June 30, 1998, shall
361 participate in the Mississippi Assessment Battery, and upon
362 request of the applicant, the department shall reimburse the
363 applicant for the cost of the assessment process required. After
364 June 30, 1998, all applicants for school administrator licensure
365 shall meet all requirements prescribed by the department under
366 paragraph (b), (c) or (d), and the cost of the assessment process
367 required shall be paid by the applicant.

368 (8) **Reciprocity.** (a) The department shall grant a standard
369 license to any individual who possesses a valid standard license
370 from another state.

371 (b) The department shall grant a nonrenewable special
372 license to any individual who possesses a credential which is less
373 than a standard license or certification from another state. Such
374 special license shall be valid for the current school year plus
375 one (1) additional school year to expire on June 30 of the second
376 year, not to exceed a total period of twenty-four months, during
377 which time the applicant shall be required to complete the
378 requirements for a standard license in Mississippi.

379 (9) **Renewal and Reinstatement of Licenses.** The State Board
380 of Education is authorized to establish rules and regulations for
381 the renewal and reinstatement of educator and administrator
382 licenses. Effective May 15, 1997, the valid standard license held
383 by an educator shall be extended five (5) years beyond the
384 expiration date of the license in order to afford the educator
385 adequate time to fulfill new renewal requirements established
386 pursuant to this subsection. An educator completing a master of
387 education, educational specialist or doctor of education degree in
388 May 1997 for the purpose of upgrading the educator's license to a
389 higher class shall be given this extension of five (5) years plus
390 five (5) additional years for completion of a higher degree.

391 (10) All controversies involving the issuance, revocation,
392 suspension or any change whatsoever in the licensure of an
393 educator required to hold a license shall be initially heard in a
394 hearing de novo, by the commission or by a subcommittee
395 established by the commission and composed of commission members
396 for the purpose of holding hearings. Any complaint seeking the
397 denial of issuance, revocation or suspension of a license shall be
398 by sworn affidavit filed with the Commission of Teacher and
399 Administrator Education, Certification and Licensure and
400 Development. The decision thereon by the commission or its
401 subcommittee shall be final, unless the aggrieved party shall
402 appeal to the State Board of Education, within ten (10) days, of
403 the decision of the committee or its subcommittee. An appeal to
404 the State Board of Education shall be on the record previously
405 made before the commission or its subcommittee unless otherwise
406 provided by rules and regulations adopted by the board. The State
407 Board of Education in its authority may reverse, or remand with
408 instructions, the decision of the committee or its subcommittee.
409 The decision of the State Board of Education shall be final.

410 (11) The State Board of Education, acting through the
411 commission, may deny an application for any teacher or
412 administrator license for one or more of the following:

413 (a) Lack of qualifications which are prescribed by law
414 or regulations adopted by the State Board of Education;

415 (b) The applicant has a physical, emotional or mental
416 disability that renders the applicant unfit to perform the duties
417 authorized by the license, as certified by a licensed psychologist
418 or psychiatrist;

419 (c) The applicant is actively addicted to or actively
420 dependent on alcohol or other habit-forming drugs or is a habitual
421 user of narcotics, barbiturates, amphetamines, hallucinogens or
422 other drugs having similar effect, at the time of application for
423 a license;

424 (d) Revocation of an applicant's certificate or license
425 by another state;

426 (e) Fraud or deceit committed by the applicant in
427 securing or attempting to secure such certification and license;

428 (f) Failing or refusing to furnish reasonable evidence
429 of identification;

430 (g) The applicant has been convicted, has pled guilty
431 or entered a plea of nolo contendere to a felony, as defined by
432 federal or state law; or

433 (h) The applicant has been convicted, has pled guilty
434 or entered a plea of nolo contendere to a sex offense as defined
435 by federal or state law.

436 (12) The State Board of Education, acting on the
437 recommendation of the commission, may revoke or suspend any
438 teacher or administrator license for specified periods of time for
439 one or more of the following:

440 (a) Breach of contract or abandonment of employment may
441 result in the suspension of the license for one (1) school year as
442 provided in Section 37-9-57;

443 (b) Obtaining a license by fraudulent means shall
444 result in immediate suspension and continued suspension for one
445 (1) year after correction is made;

446 (c) Suspension or revocation of a certificate or
447 license by another state shall result in immediate suspension or
448 revocation and shall continue until records in the prior state
449 have been cleared;

450 (d) The license holder has been convicted, has pled
451 guilty or entered a plea of nolo contendere to a felony, as
452 defined by federal or state law;

453 (e) The license holder has been convicted, has pled
454 guilty or entered a plea of nolo contendere to a sex offense, as
455 defined by federal or state law; or

456 (f) The license holder knowingly and willfully
457 committing any of the acts affecting validity of mandatory uniform
458 test results as provided in Section 37-16-4(1).

459 (13) (a) Dismissal or suspension of a licensed employee by
460 a local school board pursuant to Section 37-9-59 may result in the
461 suspension or revocation of a license for a length of time which
462 shall be determined by the commission and based upon the severity
463 of the offense.

464 (b) Any offense committed or attempted in any other
465 state shall result in the same penalty as if committed or
466 attempted in this state.

467 (c) A person may voluntarily surrender a license. The
468 surrender of such license may result in the commission
469 recommending any of the above penalties without the necessity of a
470 hearing. However, any such license which has voluntarily been
471 surrendered by a licensed employee may only be reinstated by a
472 majority vote of all members of the commission present at the
473 meeting called for such purpose.

474 The State Board of Education, acting through the commission,
475 shall refuse to issue, refuse to renew, or automatically revoke a
476 teacher's license to teach without the right to a hearing upon
477 receiving a certified copy of a conviction showing that the
478 teacher has been convicted of felonious child abuse or neglect, as
479 defined in Section 97-5-39, Mississippi Code of 1972, or a sex
480 offense as defined in Section 45-33-23, Mississippi Code of 1972,
481 where the victim is under the age of eighteen (18), or under a
482 similar law of another state or the United States. The State
483 Board of Education, acting through the commission, shall send
484 notice of this licensing action to the superintendent of the
485 school district in which the teacher is currently employed. A
486 person whose license to teach has been revoked, not issued, or not
487 renewed under this subsection may petition the board to reconsider
488 the licensing action if the person's conviction for child abuse or

489 sexual abuse is reversed by a final decision of the Mississippi
490 Court of Appeals or the Mississippi Supreme Court or if the person
491 has received a pardon for the offense. The petitioner shall
492 attach a certified copy of the appellate court's final decision or
493 the pardon to the petition, and the board acting through the
494 commission shall schedule and hold a disciplinary hearing on the
495 matter unless the petitioner waives the right to a hearing. If
496 the board finds that, notwithstanding the reversal of the criminal
497 conviction or the issuance of a pardon, the petitioner is
498 disqualified from teaching, the board shall affirm its previous
499 licensing action. If the board finds that the petitioner is not
500 disqualified from teaching under this subsection, it shall reverse
501 its previous licensing action.

502 (14) A person whose license has been suspended on any
503 grounds except criminal grounds may petition for reinstatement of
504 the license after one (1) year from the date of suspension, or
505 after one-half (1/2) of the suspended time has lapsed, whichever
506 is greater. A license suspended or revoked on the criminal
507 grounds may be reinstated upon petition to the commission filed
508 after expiration of the sentence and parole or probationary period
509 imposed upon conviction. A revoked, suspended or surrendered
510 license may be reinstated upon satisfactory showing of evidence of
511 rehabilitation. The commission shall require all who petition for
512 reinstatement to furnish evidence satisfactory to the commission
513 of good character, good mental, emotional and physical health and
514 such other evidence as the commission may deem necessary to
515 establish the petitioner's rehabilitation and fitness to perform
516 the duties authorized by the license.

517 (15) Reporting procedures and hearing procedures for dealing
518 with infractions under this section shall be promulgated by the
519 commission, subject to the approval of the State Board of
520 Education. The revocation or suspension of a license shall be
521 effected at the time indicated on the notice of suspension or

522 revocation. The commission shall immediately notify the
523 superintendent of the school district or school board where the
524 teacher or administrator is employed of any disciplinary action
525 and also notify the teacher or administrator of such revocation or
526 suspension and shall maintain records of action taken. The State
527 Board of Education may reverse or remand with instructions any
528 decision of the commission regarding a petition for reinstatement
529 of a license, and any such decision of the State Board of
530 Education shall be final.

531 (16) An appeal from the action of the State Board of
532 Education in denying an application, revoking or suspending a
533 license or otherwise disciplining any person under the provisions
534 of this section shall be filed in the Chancery Court of the First
535 Judicial District of Hinds County on the record made, including a
536 verbatim transcript of the testimony at the hearing. The appeal
537 shall be filed within thirty (30) days after notification of the
538 action of the board is mailed or served and the proceedings in
539 chancery court shall be conducted as other matters coming before
540 the court. The appeal shall be perfected upon filing notice of
541 the appeal and by the prepayment of all costs, including the cost
542 of preparation of the record of the proceedings by the State Board
543 of Education, and the filing of a bond in the sum of Two Hundred
544 Dollars (\$200.00) conditioned that if the action of the board be
545 affirmed by the chancery court, the applicant or license holder
546 shall pay the costs of the appeal and the action of the chancery
547 court.

548 (17) All such programs, rules, regulations, standards and
549 criteria recommended or authorized by the commission shall become
550 effective upon approval by the State Board of Education as
551 designated by appropriate orders entered upon the minutes thereof.

552 (18) The granting of a license shall not be deemed a
553 property right nor a guarantee of employment in any public school
554 district. A license is a privilege indicating minimal eligibility

555 for teaching in the public schools of Mississippi. This section
556 shall in no way alter or abridge the authority of local school
557 districts to require greater qualifications or standards of
558 performance as a prerequisite of initial or continued employment
559 in such districts.

560 (19) In addition to the reasons specified in subsections
561 (12) and (13) of this section, the board shall be authorized to
562 suspend the license of any licensee for being out of compliance
563 with an order for support, as defined in Section 93-11-153. The
564 procedure for suspension of a license for being out of compliance
565 with an order for support, and the procedure for the reissuance or
566 reinstatement of a license suspended for that purpose, and the
567 payment of any fees for the reissuance or reinstatement of a
568 license suspended for that purpose, shall be governed by Section
569 93-11-157 or 93-11-163, as the case may be. Actions taken by the
570 board in suspending a license when required by Section 93-11-157
571 or 93-11-163 are not actions from which an appeal may be taken
572 under this section. Any appeal of a license suspension that is
573 required by Section 93-11-157 or 93-11-163 shall be taken in
574 accordance with the appeal procedure specified in Section
575 93-11-157 or 93-11-163, as the case may be, rather than the
576 procedure specified in this section. If there is any conflict
577 between any provision of Section 93-11-157 or 93-11-163 and any
578 provision of this chapter, the provisions of Section 93-11-157 or
579 93-11-163, as the case may be, shall control.

580 **SECTION 2.** This act shall take effect and be in force from
581 and after July 1, 2007.
