(j) (i) Subsequent to December 31, 1977, benefits shall not be payable on the basis of services performed by an alien, unless such alien is an individual who was lawfully admitted for permanent residence at the time such services were performed, was lawfully present for purposes of performing such services, or was permanently residing in the United States under color of law at the time such services were performed (including an alien who was lawfully present in the United States as a result of the application of the provisions of Section 203(a)(7) or Section 212(d)(5) of the Immigration and Nationality Act).

(ii) Any data or information required of individuals applying for benefits to determine whether benefits are not payable to them because of their alien status shall be uniformly required from all applicants for benefits.

(iii) In the case of an individual whose application for benefits would otherwise be approved, no determination that benefits to such individual are not payable because of his alien status shall be made, except upon a preponderance of the evidence.

(k) An individual shall be deemed prima facie unavailable for work, and therefore ineligible to receive benefits, during any period which, with respect to his employment status, is found by the department to be a holiday or vacation period.

(l) An individual shall only be eligible for benefits under this chapter if he has verified lawful presence in the United States and the State of Mississippi pursuant to the provisions of Section 1 of Senate Bill No. _____, 2007 Regular Session.
SECTION 5. Section 43-33-15, Mississippi Code of 1972, is amended as follows:

43-33-15. In the operation or management of housing projects an authority shall at all times observe the following duties with respect to rentals and tenant selection:

(a) It may rent or lease the dwelling accommodations therein only to persons of low income and at rentals within the financial reach of such persons of low income;

(b) It may rent or lease to a tenant dwelling accommodations consisting of the number of rooms (but no greater number) which it deems necessary to provide safe and sanitary accommodations to the proposed occupants thereof, without overcrowding;

(c) The dwellings in low-rent housing as defined in this article shall be available solely for families whose net annual income at the time of admission, less an exemption of One Hundred Dollars ($100.00) for each minor member of the family other than the head of the family and his spouse, does not exceed five (5) times the annual rental (including the value or cost to them of water, electricity, gas, other heating and cooking fuels, and other utilities) of the dwellings to be furnished such families. For the purpose of determining eligibility for continued occupancy, a public housing agency shall allow, from the net income of any family, an exemption for each minor member of the family (other than the head of the family and his spouse) of either (a) One Hundred Dollars ($100.00), or (b) all or any part of the annual income of such minor. For the purpose of this subparagraph, a minor shall mean a person less than twenty-one (21) years of age.

Nothing contained in this section or Section 43-33-13 shall be construed as limiting the power of an authority to vest in an obligee the right, in the event of a default by the authority, to take possession of a housing project or cause the appointment of a
receiver thereof, free from all the restrictions imposed by this
section or Section 43-33-13.

An authority shall only provide housing assistance benefits
to individuals who have verified lawful presence in the United
States and the State of Mississippi pursuant to the provisions of
Section 1 of Senate Bill No.____, 2007 Regular Session.

SECTION 6. This act shall take effect and be in force from
and after July 1, 2007.
