36 Plan or One Thousand Five Hundred Dollars (\$1,500.00), whichever
37 is greater.

38 With the funds herein appropriated, it is the intention of
39 the Legislature that it shall be the agency's responsibility to
40 make certain that funds required to be appropriated for "Personal
41 Services" for Fiscal Year 2009 do not exceed Fiscal Year 2008
42 funds appropriated for that purpose, unless programs or positions
43 are added to the agency's Fiscal Year 2009 budget by the
44 Mississippi Legislature. Based on data provided by the
45 Legislative Budget Office, the State Personnel Board shall
46 determine and publish the projected annual cost to fully fund all
47 appropriated positions in compliance with the provisions of this
48 act. It shall be the responsibility of the agency head to insure
49 that no single personnel action increases this projected annual
50 cost and/or the Fiscal Year 2008 appropriation for "Personal
51 Services" when annualized, with the exception of escalated funds.
52 If, at the time the agency takes any action to change "Personal
53 Services," the State Personnel Board determines that the agency
54 has taken an action which would cause the agency to exceed this
55 projected annual cost or the Fiscal Year 2008 "Personal Services"

56 appropriated level, when annualized, then only those actions which
57 reduce the projected annual cost and/or the appropriation
58 requirement will be processed by the State Personnel Board until
59 such time as the requirements of this provision are met.

60 Any transfers or escalations shall be made in accordance with
61 the terms, conditions and procedures established by law or
62 allowable under the terms set forth within this act. The State
63 Personnel Board shall not escalate positions without written
64 approval from the Department of Finance and Administration. The
65 Department of Finance and Administration shall not provide written
66 approval to escalate any funds for salaries and/or positions
67 without proof of availability of new or additional funds above the
68 appropriated level.

69 No general funds authorized to be expended herein shall be
70 used to replace federal funds and/or other special funds which are
71 being used for salaries authorized under the provisions of this
72 act and which are withdrawn and no longer available.

73 The agency shall not take any action to promote or otherwise
74 award salary increases through reallocation, reclassification,
75 realignment, education benchmark, career ladder, or any other
76 means to increase salaries of employees or positions unless
77 specifically exempted by the following conditions: the award of
78 teacher pay increases, the advancement of a trainee/cadet to the
79 next level of a bona fide career ladder, the award of an
80 educational benchmark for the attainment of Certified Public
81 Accountant License or higher level professional certification as
82 determined by the State Personnel Board, the immediate replacement
83 of a departing employee with an individual from within state
84 service or a new hire at a salary level equivalent to that of the
85 departing employee, and the emergency appointment of nurses,
86 pharmacists or other health care professionals at a salary to be

87 determined by the State Personnel Board, unless otherwise
88 authorized in this act.

89 **SECTION 3.** Of the funds appropriated under the provisions of

91 Unemployment Trust Fund, made available to this state under
92 Section 903(d) of the Social Security Act, as amended, to the
