

Senate Amendments to House Bill No. 1439

TO THE CLERK OF THE HOUSE:

THIS IS TO INFORM YOU THAT THE SENATE HAS ADOPTED THE AMENDMENTS SET OUT BELOW:

AMENDMENT NO. 1

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

4 SECTION 1. (1) This section shall apply to patients in
5 long-term care facilities, as defined in subsection (2) of this
6 section. It is the intent of the Legislature that the State of
7 Mississippi shall be a "right-to-choose" state for the purposes of
8 Medicaid and Medicare benefits, excluding Medicare Part A, and
9 that patients of long-term care facilities shall have the same
10 rights and privileges concerning pharmacy providers as
11 participants or beneficiaries of health benefit plans.

12 (2) "Long-term care facility" means any skilled nursing
13 facility, extended care home, intermediate care facility, personal
14 care home or boarding home that is subject to regulation or
15 licensure by the State Department of Health.

16 (3) A patient in a long-term care facility shall not be
17 limited in his choice of a pharmacy or pharmacist provider if that
18 provider meets the same standards of dispensing guidelines
19 required of long-term care facilities.

20 (4) A long-term care facility may require that a patient or
21 the person who normally makes health care decisions on behalf of
22 the patient sign a document that identifies his pharmacy or
23 pharmacist provider of choice and that releases the facility of
24 any liability for the dispensing of the prescription until the
25 facility accepts control of the dispensed drug.

26 SECTION 2. This act shall take effect and be in force from
27 and after July 1, 2007.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

1 AN ACT TO PROVIDE FREEDOM OF CHOICE OF PHARMACY PROVIDERS FOR
2 PATIENTS IN LONG-TERM CARE FACILITIES; AND FOR RELATED PURPOSES.
