42 equal to the realignment component of the Variable Compensation
43 Plan or One Thousand Dollars (\$1,000.00), or Three Percent (3%)
44 whichever is greater, to be awarded on July 1, 2007.

45 With the funds herein appropriated, it is the intention of
46 the Legislature that it shall be the agency's responsibility to
47 make certain that funds required to be appropriated for "Personal
48 Services" for Fiscal Year 2009 do not exceed Fiscal Year 2008
49 funds appropriated for that purpose, unless programs or positions
50 are added to the agency's Fiscal Year 2009 budget by the
51 Mississippi Legislature. Based on data provided by the
52 Legislative Budget Office, the State Personnel Board shall
53 determine and publish the projected annual cost to fully fund all
54 appropriated positions in compliance with the provisions of this

58 Services" when annualized, with the exception of escalated funds.
59 If, at the time the agency takes any action to change "Personal
60 Services," the State Personnel Board determines that the agency
61 has taken an action which would cause the agency to exceed this
62 projected annual cost or the Fiscal Year 2008 "Personal Services"
63 appropriated level, when annualized, then only those actions which
64 reduce the projected annual cost and/or the appropriation
65 requirement will be processed by the State Personnel Board until
66 such time as the requirements of this provision are met.

67 Any transfers or escalations shall be made in accordance with
68 the terms, conditions and procedures established by law or

72 Department of Finance and Administration shall not provide written
73 approval to escalate any funds for salaries and/or positions
74 without proof of availability of new or additional funds above the
75 appropriated level.

76 No general funds authorized to be expended herein shall be
77 used to replace federal funds and/or other special funds which are
78 being used for salaries authorized under the provisions of this
79 act and which are withdrawn and no longer available.

80 The agency shall not take any action to promote or otherwise
81 award salary increases through reallocation, reclassification,
82 realignment, education benchmark, career ladder, or any other
83 means to increase salaries of employees or positions unless
84 specifically exempted by the following conditions: the award of
85 teacher pay increases, the advancement of a trainee/cadet to the
86 next level of a bona fide career ladder, the award of an
87 educational benchmark for the attainment of Certified Public
88 Accountant License or higher level professional certification as

89 determined by the State Personnel Board, the immediate replacement
90 of a departing employee with an individual from within state
91 service or a new hire at a salary level equivalent to that of the
92 departing employee, and the emergency appointment of nurses,

98 Inventory shall maintain complete accounting and personnel records
99 related to the expenditure of all funds appropriated under this
100 act and that such records shall be in the same format and level of
101 detail as maintained for Fiscal Year 2007. It is further the
102 intention of the Legislature that the agency's budget request for
103 Fiscal Year 2009 shall be submitted to the Joint Legislative

106 budget request process.

108 Budget and Strategic Planning Act of 1994," it is the intent of
