276 provided to all prescribing Medicaid providers, all Medicaid
277 enrolled pharmacies, and any other party who has requested the

354 for the Division of Medicaid, the division is authorized to obtain
355 a line of credit, in an amount not exceeding One Hundred Fifty
356 Million Dollars (\$150,000,000.00), from a commercial lender or a

362 Loan proceeds shall be received by the State Treasurer and shall

363 be placed in a Medicaid designated special fund account. Loan
364 proceeds shall be expended only for health care services provided
365 under the Medicaid program. The division may pledge as security
366 for such interim financing future funds that will be received by

383 (e) If a claim is neither paid nor denied for valid and
384 proper reasons by the end of the time periods as specified above,
385 the Division of Medicaid's fiscal agent must pay the provider
386 interest on the claim at the rate of one and one-half percent
387 (1-1/2%) per month on the amount of such claim until it is finally
388 settled or adjudicated.

403 it, or the provider, receives notice of the disposition of the
404 Medicare claim;

405 (c) Claims from providers under investigation for fraud
406 or abuse; and

407 (d) The Division of Medicaid and/or its fiscal agent
408 may make payments at any time in accordance with a court order, to

411 corrective action, or court order to others in the same situation
412 as those directly affected by it.

413 (7) Repealed.

414 (8) If sufficient funds are appropriated therefor by the
415 Legislature, the Division of Medicaid may contract with the

709 **SECTION 9.** Section 43-13-116, Mississippi Code of 1972, is
710 brought forward as follows:

711 43-13-116. (1) It shall be the duty of the Division of
712 Medicaid to fully implement and carry out the administrative
713 functions of determining the eligibility of those persons who
714 qualify for medical assistance under Section 43-13-115.

715 (2) In determining Medicaid eligibility, the Division of
716 Medicaid is authorized to enter into an agreement with the
717 Secretary of the Department of Health and Human Services for the
718 purpose of securing the transfer of eligibility information from
719 the Social Security Administration on those individuals receiving
720 supplemental security income benefits under the federal Social
721 Security Act and any other information necessary in determining
722 Medicaid eligibility. The Division of Medicaid is further
723 empowered to enter into contractual arrangements with its fiscal
724 agent or with the State Department of Human Services in securing
725 electronic data processing support as may be necessary.

726 (3) Administrative hearings shall be available to any
727 applicant who requests it because his or her claim of eligibility
728 for services is denied or is not acted upon with reasonable
729 promptness or by any recipient who requests it because he or she
730 believes the agency has erroneously taken action to deny, reduce,
731 or terminate benefits. The agency need not grant a hearing if the
732 sole issue is a federal or state law requiring an automatic change
733 adversely affecting some or all recipients. Eligibility
734 determinations that are made by other agencies and certified to
735 the Division of Medicaid pursuant to Section 43-13-115 are not
736 subject to the administrative hearing procedures of the Division
737 of Medicaid but are subject to the administrative hearing
738 procedures of the agency that determined eligibility.

739 (a) A request may be made either for a local regional
740 office hearing or a state office hearing when the local regional
741 office has made the initial decision that the claimant seeks to
742 appeal or when the regional office has not acted with reasonable
743 promptness in making a decision on a claim for eligibility or
744 services. The only exception to requesting a local hearing is
745 when the issue under appeal involves either (i) a disability or
746 blindness denial, or termination, or (ii) a level of care denial
747 or termination for a disabled child living at home. An appeal
748 involving disability, blindness or level of care must be handled
749 as a state level hearing. The decision from the local hearing may
750 be appealed to the state office for a state hearing. A decision
751 to deny, reduce or terminate benefits that is initially made at
752 the state office may be appealed by requesting a state hearing.

753 (b) A request for a hearing, either state or local,
754 must be made in writing by the claimant or claimant's legal
755 representative. "Legal representative" includes the claimant's
756 authorized representative, an attorney retained by the claimant or
757 claimant's family to represent the claimant, a paralegal
758 representative with a legal aid services, a parent of a minor

759 child if the claimant is a child, a legal guardian or conservator
760 or an individual with power of attorney for the claimant. The
761 claimant may also be represented by anyone that he or she so
762 designates but must give the designation to the Medicaid regional
763 office or state office in writing, if the person is not the legal
764 representative, legal guardian, or authorized representative.

765 (c) The claimant may make a request for a hearing in
766 person at the regional office but an oral request must be put into
767 written form. Regional office staff will determine from the
768 claimant if a local or state hearing is requested and assist the
769 claimant in completing and signing the appropriate form. Regional
770 office staff may forward a state hearing request to the
771 appropriate division in the state office or the claimant may mail
772 the form to the address listed on the form. The claimant may make
773 a written request for a hearing by letter. A simple statement
774 requesting a hearing that is signed by the claimant or legal
775 representative is sufficient; however, if possible, the claimant
776 should state the reason for the request. The letter may be mailed
777 to the regional office or it may be mailed to the state office. If
778 the letter does not specify the type of hearing desired, local or
779 state, Medicaid staff will attempt to contact the claimant to
780 determine the level of hearing desired. If contact cannot be made
781 within three (3) days of receipt of the request, the request will
782 be assumed to be for a local hearing and scheduled accordingly. A
783 hearing will not be scheduled until either a letter or the
784 appropriate form is received by the regional or state office.

785 (d) When both members of a couple wish to appeal an
786 action or inaction by the agency that affects both applications or
787 cases similarly and arose from the same issue, one or both may
788 file the request for hearing, both may present evidence at the
789 hearing, and the agency's decision will be applicable to both. If
790 both file a request for hearing, two (2) hearings will be
791 registered but they will be conducted on the same day and in the

792 same place, either consecutively or jointly, as the couple wishes.
793 If they so desire, only one of the couple need attend the hearing.

794 (e) The procedure for administrative hearings shall be
795 as follows:

796 (i) The claimant has thirty (30) days from the
797 date the agency mails the appropriate notice to the claimant of
798 its decision regarding eligibility, services, or benefits to
799 request either a state or local hearing. This time period may be
800 extended if the claimant can show good cause for not filing within
801 thirty (30) days. Good cause includes, but may not be limited to,
802 illness, failure to receive the notice, being out of state, or
803 some other reasonable explanation. If good cause can be shown, a
804 late request may be accepted provided the facts in the case remain
805 the same. If a claimant's circumstances have changed or if good
806 cause for filing a request beyond thirty (30) days is not shown, a
807 hearing request will not be accepted. If the claimant wishes to
808 have eligibility reconsidered, he or she may reapply.

809 (ii) If a claimant or representative requests a
810 hearing in writing during the advance notice period before
811 benefits are reduced or terminated, benefits must be continued or
812 reinstated to the benefit level in effect before the effective
813 date of the adverse action. Benefits will continue at the
814 original level until the final hearing decision is rendered. Any
815 hearing requested after the advance notice period will not be
816 accepted as a timely request in order for continuation of benefits
817 to apply.

818 (iii) Upon receipt of a written request for a
819 hearing, the request will be acknowledged in writing within twenty
820 (20) days and a hearing scheduled. The claimant or representative
821 will be given at least five (5) days' advance notice of the
822 hearing date. The local and/or state level hearings will be held
823 by telephone unless, at the hearing officer's discretion, it is
824 determined that an in-person hearing is necessary. If a local

825 hearing is requested, the regional office will notify the claimant
826 or representative in writing of the time of the local hearing. If
827 a state hearing is requested, the state office will notify the
828 claimant or representative in writing of the time of the state
829 hearing. If an in-person hearing is necessary, local hearings
830 will be held at the regional office and state hearings will be
831 held at the state office unless other arrangements are
832 necessitated by the claimant's inability to travel.

833 (iv) All persons attending a hearing will attend
834 for the purpose of giving information on behalf of the claimant or
835 rendering the claimant assistance in some other way, or for the
836 purpose of representing the Division of Medicaid.

837 (v) A state or local hearing request may be
838 withdrawn at any time before the scheduled hearing, or after the
839 hearing is held but before a decision is rendered. The withdrawal
840 must be in writing and signed by the claimant or representative.
841 A hearing request will be considered abandoned if the claimant or
842 representative fails to appear at a scheduled hearing without good
843 cause. If no one appears for a hearing, the appropriate office
844 will notify the claimant in writing that the hearing is dismissed
845 unless good cause is shown for not attending. The proposed agency
846 action will be taken on the case following failure to appear for a
847 hearing if the action has not already been effected.

848 (vi) The claimant or his representative has the
849 following rights in connection with a local or state hearing:

850 (A) The right to examine at a reasonable time
851 before the date of the hearing and during the hearing the content
852 of the claimant's case record;

853 (B) The right to have legal representation at
854 the hearing and to bring witnesses;

855 (C) The right to produce documentary evidence
856 and establish all facts and circumstances concerning eligibility,
857 services, or benefits;

858 (D) The right to present an argument without
859 undue interference;

860 (E) The right to question or refute any
861 testimony or evidence including an opportunity to confront and
862 cross-examine adverse witnesses.

863 (vii) When a request for a local hearing is
864 received by the regional office or if the regional office is
865 notified by the state office that a local hearing has been
866 requested, the Medicaid specialist supervisor in the regional
867 office will review the case record, reexamine the action taken on
868 the case, and determine if policy and procedures have been
869 followed. If any adjustments or corrections should be made, the
870 Medicaid specialist supervisor will ensure that corrective action
871 is taken. If the request for hearing was timely made such that
872 continuation of benefits applies, the Medicaid specialist
873 supervisor will ensure that benefits continue at the level before
874 the proposed adverse action that is the subject of the appeal.
875 The Medicaid specialist supervisor will also ensure that all
876 needed information, verification, and evidence is in the case
877 record for the hearing.

878 (viii) When a state hearing is requested that
879 appeals the action or inaction of a regional office, the regional
880 office will prepare copies of the case record and forward it to
881 the appropriate division in the state office no later than five
882 (5) days after receipt of the request for a state hearing. The
883 original case record will remain in the regional office. Either
884 the original case record in the regional office or the copy
885 forwarded to the state office will be available for inspection by
886 the claimant or claimant's representative a reasonable time before
887 the date of the hearing.

888 (ix) The Medicaid specialist supervisor will serve
889 as the hearing officer for a local hearing unless the Medicaid
890 specialist supervisor actually participated in the eligibility,

891 benefits, or services decision under appeal, in which case the
892 Medicaid specialist supervisor must appoint a Medicaid specialist
893 in the regional office who did not actually participate in the
894 decision under appeal to serve as hearing officer. The local
895 hearing will be an informal proceeding in which the claimant or
896 representative may present new or additional information, may
897 question the action taken on the client's case, and will hear an
898 explanation from agency staff as to the regulations and
899 requirements that were applied to claimant's case in making the
900 decision.

901 (x) After the hearing, the hearing officer will
902 prepare a written summary of the hearing procedure and file it
903 with the case record. The hearing officer will consider the facts
904 presented at the local hearing in reaching a decision. The
905 claimant will be notified of the local hearing decision on the
906 appropriate form that will state clearly the reason for the
907 decision, the policy that governs the decision, the claimant's
908 right to appeal the decision to the state office, and, if the
909 original adverse action is upheld, the new effective date of the
910 reduction or termination of benefits or services if continuation
911 of benefits applied during the hearing process. The new effective
912 date of the reduction or termination of benefits or services must
913 be at the end of the fifteen-day advance notice period from the
914 mailing date of the notice of hearing decision. The notice to
915 claimant will be made part of the case record.

916 (xi) The claimant has the right to appeal a local
917 hearing decision by requesting a state hearing in writing within
918 fifteen (15) days of the mailing date of the notice of local
919 hearing decision. The state hearing request should be made to the
920 regional office. If benefits have been continued pending the
921 local hearing process, then benefits will continue throughout the
922 fifteen-day advance notice period for an adverse local hearing
923 decision. If a state hearing is timely requested within the

924 fifteen-day period, then benefits will continue pending the state
925 hearing process. State hearings requested after the fifteen-day
926 local hearing advance notice period will not be accepted unless
927 the initial thirty-day period for filing a hearing request has not
928 expired because the local hearing was held early, in which case a
929 state hearing request will be accepted as timely within the number
930 of days remaining of the unexpired initial thirty-day period in
931 addition to the fifteen-day time period. Continuation of benefits
932 during the state hearing process, however, will only apply if the
933 state hearing request is received within the fifteen-day advance
934 notice period.

935 (xii) When a request for a state hearing is
936 received in the regional office, the request will be made part of
937 the case record and the regional office will prepare the case
938 record and forward it to the appropriate division in the state
939 office within five (5) days of receipt of the state hearing
940 request. A request for a state hearing received in the state
941 office will be forwarded to the regional office for inclusion in
942 the case record and the regional office will prepare the case
943 record and forward it to the appropriate division in the state
944 office within five (5) days of receipt of the state hearing
945 request.

946 (xiii) Upon receipt of the hearing record, an
947 impartial hearing officer will be assigned to hear the case either
948 by the Executive Director of the Division of Medicaid or his or
949 her designee. Hearing officers will be individuals with
950 appropriate expertise employed by the division and who have not
951 been involved in any way with the action or decision on appeal in
952 the case. The hearing officer will review the case record and if
953 the review shows that an error was made in the action of the
954 agency or in the interpretation of policy, or that a change of
955 policy has been made, the hearing officer will discuss these
956 matters with the appropriate agency personnel and request that an

957 appropriate adjustment be made. Appropriate agency personnel will
958 discuss the matter with the claimant and if the claimant is
959 agreeable to the adjustment of the claim, then agency personnel
960 will request in writing dismissal of the hearing and the reason
961 therefor, to be placed in the case record. If the hearing is to
962 go forward, it shall be scheduled by the hearing officer in the
963 manner set forth in subparagraph (iii) of this paragraph (e).

964 (xiv) In conducting the hearing, the state hearing
965 officer will inform those present of the following:

966 (A) That the hearing will be recorded on tape
967 and that a transcript of the proceedings will be typed for the
968 record;

969 (B) The action taken by the agency which
970 prompted the appeal;

971 (C) An explanation of the claimant's rights
972 during the hearing as outlined in subparagraph (vi) of this
973 paragraph (e);

974 (D) That the purpose of the hearing is for
975 the claimant to express dissatisfaction and present additional
976 information or evidence;

977 (E) That the case record is available for
978 review by the claimant or representative during the hearing;

979 (F) That the final hearing decision will be
980 rendered by the Executive Director of the Division of Medicaid on
981 the basis of facts presented at the hearing and the case record
982 and that the claimant will be notified by letter of the final
983 decision.

984 (xv) During the hearing, the claimant and/or
985 representative will be allowed an opportunity to make a full
986 statement concerning the appeal and will be assisted, if
987 necessary, in disclosing all information on which the claim is
988 based. All persons representing the claimant and those
989 representing the Division of Medicaid will have the opportunity to

990 state all facts pertinent to the appeal. The hearing officer may
991 recess or continue the hearing for a reasonable time should
992 additional information or facts be required or if some change in
993 the claimant's circumstances occurs during the hearing process
994 which impacts the appeal. When all information has been
995 presented, the hearing officer will close the hearing and stop the
996 recorder.

997 (xvi) Immediately following the hearing the
998 hearing tape will be transcribed and a copy of the transcription
999 forwarded to the regional office for filing in the case record.
1000 As soon as possible, the hearing officer shall review the evidence
1001 and record of the proceedings, testimony, exhibits, and other
1002 supporting documents, prepare a written summary of the facts as
1003 the hearing officer finds them, and prepare a written
1004 recommendation of action to be taken by the agency, citing
1005 appropriate policy and regulations that govern the recommendation.
1006 The decision cannot be based on any material, oral or written, not
1007 available to the claimant before or during the hearing. The
1008 hearing officer's recommendation will become part of the case
1009 record which will be submitted to the Executive Director of the
1010 Division of Medicaid for further review and decision.

1011 (xvii) The Executive Director of the Division of
1012 Medicaid, upon review of the recommendation, proceedings and the
1013 record, may sustain the recommendation of the hearing officer,
1014 reject the same, or remand the matter to the hearing officer to
1015 take additional testimony and evidence, in which case, the hearing
1016 officer thereafter shall submit to the executive director a new
1017 recommendation. The executive director shall prepare a written
1018 decision summarizing the facts and identifying policies and
1019 regulations that support the decision, which shall be mailed to
1020 the claimant and the representative, with a copy to the regional
1021 office if appropriate, as soon as possible after submission of a
1022 recommendation by the hearing officer. The decision notice will

1023 specify any action to be taken by the agency, specify any revised
1024 eligibility dates or, if continuation of benefits applies, will
1025 notify the claimant of the new effective date of reduction or
1026 termination of benefits or services, which will be fifteen (15)
1027 days from the mailing date of the notice of decision. The
1028 decision rendered by the Executive Director of the Division of
1029 Medicaid is final and binding. The claimant is entitled to seek
1030 judicial review in a court of proper jurisdiction.

1031 (xviii) The Division of Medicaid must take final
1032 administrative action on a hearing, whether state or local, within
1033 ninety (90) days from the date of the initial request for a
1034 hearing.

1035 (xix) A group hearing may be held for a number of
1036 claimants under the following circumstances:

1037 (A) The Division of Medicaid may consolidate
1038 the cases and conduct a single group hearing when the only issue
1039 involved is one (1) of a single law or agency policy;

1040 (B) The claimants may request a group hearing
1041 when there is one (1) issue of agency policy common to all of
1042 them.

1043 In all group hearings, whether initiated by the Division of
1044 Medicaid or by the claimants, the policies governing fair hearings
1045 must be followed. Each claimant in a group hearing must be
1046 permitted to present his or her own case and be represented by his
1047 or her own representative, or to withdraw from the group hearing
1048 and have his or her appeal heard individually. As in individual
1049 hearings, the hearing will be conducted only on the issue being
1050 appealed, and each claimant will be expected to keep individual
1051 testimony within a reasonable time frame as a matter of
1052 consideration to the other claimants involved.

1053 (xx) Any specific matter necessitating an
1054 administrative hearing not otherwise provided under this article
1055 or agency policy shall be afforded under the hearing procedures as

1056 outlined above. If the specific time frames of such a unique
1057 matter relating to requesting, granting, and concluding of the
1058 hearing is contrary to the time frames as set out in the hearing
1059 procedures above, the specific time frames will govern over the
1060 time frames as set out within these procedures.

1061 (4) The Executive Director of the Division of Medicaid, with
1062 the approval of the Governor, shall be authorized to employ
1063 eligibility, technical, clerical and supportive staff as may be
1064 required in carrying out and fully implementing the determination
1065 of Medicaid eligibility, including conducting quality control
1066 reviews and the investigation of the improper receipt of medical
1067 assistance. Staffing needs will be set forth in the annual
1068 appropriation act for the division. Additional office space as
1069 needed in performing eligibility, quality control and
1070 investigative functions shall be obtained by the division.

1071 **SECTION 10.** Section 43-13-117, Mississippi Code of 1972, is
1072 brought forward as follows:

1073 43-13-117. Medicaid as authorized by this article shall
1074 include payment of part or all of the costs, at the discretion of
1075 the division, with approval of the Governor, of the following
1076 types of care and services rendered to eligible applicants who
1077 have been determined to be eligible for that care and services,
1078 within the limits of state appropriations and federal matching
1079 funds:

1080 (1) Inpatient hospital services.

1081 (a) The division shall allow thirty (30) days of
1082 inpatient hospital care annually for all Medicaid recipients.
1083 Precertification of inpatient days must be obtained as required by
1084 the division. The division may allow unlimited days in
1085 disproportionate hospitals as defined by the division for eligible
1086 infants and children under the age of six (6) years if certified
1087 as medically necessary as required by the division.

1088 (b) From and after July 1, 1994, the Executive
1089 Director of the Division of Medicaid shall amend the Mississippi
1090 Title XIX Inpatient Hospital Reimbursement Plan to remove the
1091 occupancy rate penalty from the calculation of the Medicaid
1092 Capital Cost Component utilized to determine total hospital costs
1093 allocated to the Medicaid program.

1094 (c) Hospitals will receive an additional payment
1095 for the implantable programmable baclofen drug pump used to treat
1096 spasticity that is implanted on an inpatient basis. The payment
1097 pursuant to written invoice will be in addition to the facility's
1098 per diem reimbursement and will represent a reduction of costs on
1099 the facility's annual cost report, and shall not exceed Ten
1100 Thousand Dollars (\$10,000.00) per year per recipient.

1101 (2) Outpatient hospital services.

1102 (a) Emergency services. The division shall allow
1103 six (6) medically necessary emergency room visits per beneficiary
1104 per fiscal year.

1105 (b) Other outpatient hospital services. The
1106 division shall allow benefits for other medically necessary
1107 outpatient hospital services (such as chemotherapy, radiation,
1108 surgery and therapy). Where the same services are reimbursed as
1109 clinic services, the division may revise the rate or methodology
1110 of outpatient reimbursement to maintain consistency, efficiency,
1111 economy and quality of care.

1112 (3) Laboratory and x-ray services.

1113 (4) Nursing facility services.

1114 (a) The division shall make full payment to
1115 nursing facilities for each day, not exceeding fifty-two (52) days
1116 per year, that a patient is absent from the facility on home
1117 leave. Payment may be made for the following home leave days in
1118 addition to the fifty-two-day limitation: Christmas, the day
1119 before Christmas, the day after Christmas, Thanksgiving, the day
1120 before Thanksgiving and the day after Thanksgiving.

1121 (b) From and after July 1, 1997, the division
1122 shall implement the integrated case-mix payment and quality
1123 monitoring system, which includes the fair rental system for
1124 property costs and in which recapture of depreciation is
1125 eliminated. The division may reduce the payment for hospital
1126 leave and therapeutic home leave days to the lower of the case-mix
1127 category as computed for the resident on leave using the
1128 assessment being utilized for payment at that point in time, or a
1129 case-mix score of 1.000 for nursing facilities, and shall compute
1130 case-mix scores of residents so that only services provided at the
1131 nursing facility are considered in calculating a facility's per
1132 diem.

1133 (c) From and after July 1, 1997, all state-owned
1134 nursing facilities shall be reimbursed on a full reasonable cost
1135 basis.

1136 (d) When a facility of a category that does not
1137 require a certificate of need for construction and that could not
1138 be eligible for Medicaid reimbursement is constructed to nursing
1139 facility specifications for licensure and certification, and the
1140 facility is subsequently converted to a nursing facility under a
1141 certificate of need that authorizes conversion only and the
1142 applicant for the certificate of need was assessed an application
1143 review fee based on capital expenditures incurred in constructing
1144 the facility, the division shall allow reimbursement for capital
1145 expenditures necessary for construction of the facility that were
1146 incurred within the twenty-four (24) consecutive calendar months
1147 immediately preceding the date that the certificate of need
1148 authorizing the conversion was issued, to the same extent that
1149 reimbursement would be allowed for construction of a new nursing
1150 facility under a certificate of need that authorizes that
1151 construction. The reimbursement authorized in this subparagraph
1152 (d) may be made only to facilities the construction of which was
1153 completed after June 30, 1989. Before the division shall be

1154 authorized to make the reimbursement authorized in this
1155 subparagraph (d), the division first must have received approval
1156 from the Centers for Medicare and Medicaid Services (CMS) of the
1157 change in the state Medicaid plan providing for the reimbursement.

1158 (e) The division shall develop and implement, not
1159 later than January 1, 2001, a case-mix payment add-on determined
1160 by time studies and other valid statistical data that will
1161 reimburse a nursing facility for the additional cost of caring for
1162 a resident who has a diagnosis of Alzheimer's or other related
1163 dementia and exhibits symptoms that require special care. Any
1164 such case-mix add-on payment shall be supported by a determination
1165 of additional cost. The division shall also develop and implement
1166 as part of the fair rental reimbursement system for nursing
1167 facility beds, an Alzheimer's resident bed depreciation enhanced
1168 reimbursement system that will provide an incentive to encourage
1169 nursing facilities to convert or construct beds for residents with
1170 Alzheimer's or other related dementia.

1171 (f) The division shall develop and implement an
1172 assessment process for long-term care services. The division may
1173 provide the assessment and related functions directly or through
1174 contract with the area agencies on aging.

1175 The division shall apply for necessary federal waivers to
1176 assure that additional services providing alternatives to nursing
1177 facility care are made available to applicants for nursing
1178 facility care.

1179 (5) Periodic screening and diagnostic services for
1180 individuals under age twenty-one (21) years as are needed to
1181 identify physical and mental defects and to provide health care
1182 treatment and other measures designed to correct or ameliorate
1183 defects and physical and mental illness and conditions discovered
1184 by the screening services, regardless of whether these services
1185 are included in the state plan. The division may include in its
1186 periodic screening and diagnostic program those discretionary

1187 services authorized under the federal regulations adopted to
1188 implement Title XIX of the federal Social Security Act, as
1189 amended. The division, in obtaining physical therapy services,
1190 occupational therapy services, and services for individuals with
1191 speech, hearing and language disorders, may enter into a
1192 cooperative agreement with the State Department of Education for
1193 the provision of those services to handicapped students by public
1194 school districts using state funds that are provided from the
1195 appropriation to the Department of Education to obtain federal
1196 matching funds through the division. The division, in obtaining
1197 medical and psychological evaluations for children in the custody
1198 of the State Department of Human Services may enter into a
1199 cooperative agreement with the State Department of Human Services
1200 for the provision of those services using state funds that are
1201 provided from the appropriation to the Department of Human
1202 Services to obtain federal matching funds through the division.

1203 (6) Physician's services. The division shall allow
1204 twelve (12) physician visits annually. All fees for physicians'
1205 services that are covered only by Medicaid shall be reimbursed at
1206 ninety percent (90%) of the rate established on January 1, 1999,
1207 and as may be adjusted each July thereafter, under Medicare (Title
1208 XVIII of the federal Social Security Act, as amended). The
1209 division may develop and implement a different reimbursement model
1210 or schedule for physician's services provided by physicians based
1211 at an academic health care center and by physicians at rural
1212 health centers that are associated with an academic health care
1213 center.

1214 (7) (a) Home health services for eligible persons, not
1215 to exceed in cost the prevailing cost of nursing facility
1216 services, not to exceed twenty-five (25) visits per year. All
1217 home health visits must be precertified as required by the
1218 division.

1219 (b) [Repealed]

1220 (8) Emergency medical transportation services. On
1221 January 1, 1994, emergency medical transportation services shall
1222 be reimbursed at seventy percent (70%) of the rate established
1223 under Medicare (Title XVIII of the federal Social Security Act, as
1224 amended). "Emergency medical transportation services" shall mean,
1225 but shall not be limited to, the following services by a properly
1226 permitted ambulance operated by a properly licensed provider in
1227 accordance with the Emergency Medical Services Act of 1974
1228 (Section 41-59-1 et seq.): (i) basic life support, (ii) advanced
1229 life support, (iii) mileage, (iv) oxygen, (v) intravenous fluids,
1230 (vi) disposable supplies, (vii) similar services.

1231 (9) (a) Legend and other drugs as may be determined by
1232 the division.

1233 The division shall establish a mandatory preferred drug list.
1234 Drugs not on the mandatory preferred drug list shall be made
1235 available by utilizing prior authorization procedures established
1236 by the division.

1237 The division may seek to establish relationships with other
1238 states in order to lower acquisition costs of prescription drugs
1239 to include single source and innovator multiple source drugs or
1240 generic drugs. In addition, if allowed by federal law or
1241 regulation, the division may seek to establish relationships with
1242 and negotiate with other countries to facilitate the acquisition
1243 of prescription drugs to include single source and innovator
1244 multiple source drugs or generic drugs, if that will lower the
1245 acquisition costs of those prescription drugs.

1246 The division shall allow for a combination of prescriptions
1247 for single source and innovator multiple source drugs and generic
1248 drugs to meet the needs of the beneficiaries, not to exceed five
1249 (5) prescriptions per month for each noninstitutionalized Medicaid
1250 beneficiary, with not more than two (2) of those prescriptions
1251 being for single source or innovator multiple source drugs.

1252 The executive director may approve specific maintenance drugs
1253 for beneficiaries with certain medical conditions, which may be
1254 prescribed and dispensed in three-month supply increments.

1255 Drugs prescribed for a resident of a psychiatric residential
1256 treatment facility must be provided in true unit doses when
1257 available. The division may require that drugs not covered by
1258 Medicare Part D for a resident of a long-term care facility be
1259 provided in true unit doses when available. Those drugs that were
1260 originally billed to the division but are not used by a resident
1261 in any of those facilities shall be returned to the billing
1262 pharmacy for credit to the division, in accordance with the
1263 guidelines of the State Board of Pharmacy and any requirements of
1264 federal law and regulation. Drugs shall be dispensed to a
1265 recipient and only one (1) dispensing fee per month may be
1266 charged. The division shall develop a methodology for reimbursing
1267 for restocked drugs, which shall include a restock fee as
1268 determined by the division not exceeding Seven Dollars and
1269 Eighty-two Cents (\$7.82).

1270 The voluntary preferred drug list shall be expanded to
1271 function in the interim in order to have a manageable prior
1272 authorization system, thereby minimizing disruption of service to
1273 beneficiaries.

1274 Except for those specific maintenance drugs approved by the
1275 executive director, the division shall not reimburse for any
1276 portion of a prescription that exceeds a thirty-one-day supply of
1277 the drug based on the daily dosage.

1278 The division shall develop and implement a program of payment
1279 for additional pharmacist services, with payment to be based on
1280 demonstrated savings, but in no case shall the total payment
1281 exceed twice the amount of the dispensing fee.

1282 All claims for drugs for dually eligible Medicare/Medicaid
1283 beneficiaries that are paid for by Medicare must be submitted to

1284 Medicare for payment before they may be processed by the
1285 division's online payment system.

1286 The division shall develop a pharmacy policy in which drugs
1287 in tamper-resistant packaging that are prescribed for a resident
1288 of a nursing facility but are not dispensed to the resident shall
1289 be returned to the pharmacy and not billed to Medicaid, in
1290 accordance with guidelines of the State Board of Pharmacy.

1291 The division shall develop and implement a method or methods
1292 by which the division will provide on a regular basis to Medicaid
1293 providers who are authorized to prescribe drugs, information about
1294 the costs to the Medicaid program of single source drugs and
1295 innovator multiple source drugs, and information about other drugs
1296 that may be prescribed as alternatives to those single source
1297 drugs and innovator multiple source drugs and the costs to the
1298 Medicaid program of those alternative drugs.

1299 Notwithstanding any law or regulation, information obtained
1300 or maintained by the division regarding the prescription drug
1301 program, including trade secrets and manufacturer or labeler
1302 pricing, is confidential and not subject to disclosure except to
1303 other state agencies.

1304 (b) Payment by the division for covered
1305 multisource drugs shall be limited to the lower of the upper
1306 limits established and published by the Centers for Medicare and
1307 Medicaid Services (CMS) plus a dispensing fee, or the estimated
1308 acquisition cost (EAC) as determined by the division, plus a
1309 dispensing fee, or the providers' usual and customary charge to
1310 the general public.

1311 Payment for other covered drugs, other than multisource drugs
1312 with CMS upper limits, shall not exceed the lower of the estimated
1313 acquisition cost as determined by the division, plus a dispensing
1314 fee or the providers' usual and customary charge to the general
1315 public.

1316 Payment for nonlegend or over-the-counter drugs covered by
1317 the division shall be reimbursed at the lower of the division's
1318 estimated shelf price or the providers' usual and customary charge
1319 to the general public.

1320 The dispensing fee for each new or refill prescription,
1321 including nonlegend or over-the-counter drugs covered by the
1322 division, shall be not less than Three Dollars and Ninety-one
1323 Cents (\$3.91), as determined by the division.

1324 The division shall not reimburse for single source or
1325 innovator multiple source drugs if there are equally effective
1326 generic equivalents available and if the generic equivalents are
1327 the least expensive.

1328 It is the intent of the Legislature that the pharmacists
1329 providers be reimbursed for the reasonable costs of filling and
1330 dispensing prescriptions for Medicaid beneficiaries.

1331 (10) (a) Dental care that is an adjunct to treatment
1332 of an acute medical or surgical condition; services of oral
1333 surgeons and dentists in connection with surgery related to the
1334 jaw or any structure contiguous to the jaw or the reduction of any
1335 fracture of the jaw or any facial bone; and emergency dental
1336 extractions and treatment related thereto. On July 1, 2007, fees
1337 for dental care and surgery under authority of this paragraph (10)
1338 shall be reimbursed as provided in paragraph (b). It is the
1339 intent of the Legislature that this rate revision for dental
1340 services will be an incentive designed to increase the number of
1341 dentists who actively provide Medicaid services. This dental
1342 services rate revision shall be known as the "James Russell Dumas
1343 Medicaid Dental Incentive Program."

1344 The division shall annually determine the effect of this
1345 incentive by evaluating the number of dentists who are Medicaid
1346 providers, the number who and the degree to which they are
1347 actively billing Medicaid, the geographic trends of where dentists
1348 are offering what types of Medicaid services and other statistics

1349 pertinent to the goals of this legislative intent. This data
1350 shall be presented to the Chair of the Senate Public Health and
1351 Welfare Committee and the Chair of the House Medicaid Committee.

1352 (b) The Division of Medicaid shall establish a fee
1353 schedule, to be effective from and after July 1, 2007, for dental
1354 services. The schedule shall provide for a fee for each dental
1355 service that is equal to a percentile of normal and customary
1356 private provider fees, as defined by the Ingenix Customized Fee
1357 Analyzer Report, which percentile shall be determined by the
1358 division. The schedule shall be reviewed annually by the division
1359 and dental fees shall be adjusted to reflect the percentile
1360 determined by the division.

1361 (c) For fiscal year 2008, the amount of state
1362 funds appropriated for reimbursement for dental care and surgery
1363 shall be increased by ten percent (10%) of the amount of state
1364 fund expenditures for that purpose for fiscal year 2007. For each
1365 of fiscal years 2009 and 2010, the amount of state funds
1366 appropriated for reimbursement for dental care and surgery shall
1367 be increased by ten percent (10%) of the amount of state fund
1368 expenditures for that purpose for the preceding fiscal year.

1369 (d) The division shall establish an annual benefit
1370 limit of Two Thousand Five Hundred Dollars (\$2,500.00) in dental
1371 expenditures per Medicaid-eligible recipient; however, a recipient
1372 may exceed the annual limit on dental expenditures provided in
1373 this paragraph with prior approval of the division.

1374 (e) The division shall include dental services as
1375 a necessary component of overall health services provided to
1376 children who are eligible for services.

1377 (f) This paragraph (10) shall stand repealed on
1378 July 1, 2010.

1379 (11) Eyeglasses for all Medicaid beneficiaries who have

1479 assess each hospital and, if the program is established for
1480 nursing facilities, shall assess each nursing facility, based on

1481 Medicaid utilization or other appropriate method consistent with
1482 federal regulations. The assessment will remain in effect as long
1483 as the state participates in the Medicare Upper Payment Limits

1485 hospitals and, if the program is established for nursing
1486 facilities, shall make additional reimbursement to nursing
1487 facilities, for the Medicare Upper Payment Limits, as defined in

1518 Department of Rehabilitation Services and used to match federal
1519 funds under a cooperative agreement between the division and the

1543 residential treatment facility, before the recipient reaches age
1544 twenty-one (21) or, if the recipient was receiving the services
1545 immediately before he or she reached age twenty-one (21), before

1546 the earlier of the date he or she no longer requires the services
1547 or the date he or she reaches age twenty-two (22), as provided by
1548 federal regulations. Precertification of inpatient days and

1574 people using state funds that are provided from the appropriation
1575 to the State Department of Mental Health and/or funds transferred
1576 to the department by a political subdivision or instrumentality of
1577 the state and used to match federal funds under a cooperative
1578 agreement between the division and the department, provided that

1615 division may apply to the Center for Medicare and Medicaid
1616 Services (CMS) for a waiver to draw federal matching funds for
1617 nonemergency transportation services as a covered service instead
1618 of an administrative cost. The PEER Committee shall conduct a
1619 performance evaluation of the nonemergency transportation program
1620 to evaluate the administration of the program and the providers of
1621 transportation services to determine the most cost effective ways
1622 of providing nonemergency transportation services to the patients

1656 babies. The division may apply to the federal Centers for
1657 Medicare and Medicaid Services (CMS) for a Section 1115 waiver or
1658 any other waivers that may enhance the program. In order to
1659 effect cost savings, the division may develop a revised payment

1685 Centers for Medicare and Medicaid Services (CMS) for a waiver to
1686 develop and provide services for children with serious emotional
1687 disturbances as defined in Section 43-14-1(1), which may include
1688 home- and community-based services, case management services or
1689 managed care services through mental health providers certified by
1690 the Department of Mental Health. The division may implement and
1691 provide services under this waived program only if funds for
1692 these services are specifically appropriated for this purpose by
1693 the Legislature, or if funds are voluntarily provided by affected
1694 agencies.

1695 (47) (a) Notwithstanding any other provision in this
1696 article to the contrary, the division may develop and implement

1711 chronic or long-term medical care to persons under twenty-one (21)

1719 of those services at the maximum amount allowable under federal
1720 law or regulation.

1728 (51) Upon determination of Medicaid eligibility and in
1729 association with annual redetermination of Medicaid eligibility,
1730 beneficiaries shall be encouraged to undertake a physical
1731 examination that will establish a base-line level of health and
1732 identification of a usual and customary source of care (a medical
1733 home) to aid utilization of disease management tools. This
1734 physical examination and utilization of these disease management
1735 tools shall be consistent with current United States Preventive
1736 Services Task Force or other recognized authority recommendations.

1737 For persons who are determined ineligible for Medicaid, the
1738 division will provide information and direction for accessing
1739 medical care and services in the area of their residence.

1740 (52) Notwithstanding any provisions of this article,
1741 the division may pay enhanced reimbursement fees related to trauma
1742 care, as determined by the division in conjunction with the State

1743 Department of Health, using funds appropriated to the State
1744 Department of Health for trauma care and services and used to
1745 match federal funds under a cooperative agreement between the
1746 division and the State Department of Health. The division, in
1747 conjunction with the State Department of Health, may use grants,
1748 waivers, demonstrations, or other projects as necessary in the
1749 development and implementation of this reimbursement program.

1750 (53) Targeted case management services for high-cost
1751 beneficiaries shall be developed by the division for all services
1752 under this section.

1754 and protective services on a pilot program basis in an approved
1755 foster care facility for vulnerable adults who would otherwise
1756 need care in a long-term care facility, to be implemented in an
1757 area of the state with the greatest need for such program, under
1758 the Medicaid Waivers for the Elderly and Disabled program or an
1759 assisted living waiver. The division may use grants, waivers,
1760 demonstrations or other projects as necessary in the development
1761 and implementation of this adult foster care services pilot
1762 program.

1763 (55) Therapy services. The plan of care for therapy
1764 services may be developed to cover a period of treatment for up to
1765 six (6) months, but in no event shall the plan of care exceed a
1766 six-month period of treatment. The projected period of treatment
1767 must be indicated on the initial plan of care and must be updated
1768 with each subsequent revised plan of care. Based on medical
1769 necessity, the division shall approve certification periods for
1770 less than or up to six (6) months, but in no event shall the
1771 certification period exceed the period of treatment indicated on
1772 the plan of care. The appeal process for any reduction in therapy
1773 services shall be consistent with the appeal process in federal
1774 regulations.

1775 Notwithstanding any other provision of this article to the
1776 contrary, the division shall reduce the rate of reimbursement to
1777 providers for any service provided under this section by five
1778 percent (5%) of the allowed amount for that service. However, the
1779 reduction in the reimbursement rates required by this paragraph
1780 shall not apply to inpatient hospital services, nursing facility
1781 services, intermediate care facility services, psychiatric
1782 residential treatment facility services, pharmacy services
1783 provided under paragraph (9) of this section, or any service
1784 provided by the University of Mississippi Medical Center or a
1785 state agency, a state facility or a public agency that either
1786 provides its own state match through intergovernmental transfer or
1787 certification of funds to the division, or a service for which the
1788 federal government sets the reimbursement methodology and rate.
1789 In addition, the reduction in the reimbursement rates required by
1790 this paragraph shall not apply to case management services and
1791 home-delivered meals provided under the home- and community-based
1792 services program for the elderly and disabled by a planning and
1793 development district (PDD). Planning and development districts
1794 participating in the home- and community-based services program
1795 for the elderly and disabled as case management providers shall be
1796 reimbursed for case management services at the maximum rate
1797 approved by the Centers for Medicare and Medicaid Services (CMS).
1798 The division may pay to those providers who participate in
1799 and accept patient referrals from the division's emergency room
1800 redirection program a percentage, as determined by the division,
1801 of savings achieved according to the performance measures and
1802 reduction of costs required of that program. Federally qualified
1803 health centers may participate in the emergency room redirection
1804 program, and the division may pay those centers a percentage of
1805 any savings to the Medicaid program achieved by the centers'
1806 accepting patient referrals through the program, as provided in
1807 this paragraph.

1808 Notwithstanding any provision of this article, except as
1809 authorized in the following paragraph and in Section 43-13-139,
1810 neither (a) the limitations on quantity or frequency of use of or
1811 the fees or charges for any of the care or services available to
1812 recipients under this section, nor (b) the payments or rates of
1813 reimbursement to providers rendering care or services authorized
1814 under this section to recipients, may be increased, decreased or
1815 otherwise changed from the levels in effect on July 1, 1999,
1816 unless they are authorized by an amendment to this section by the
1817 Legislature. However, the restriction in this paragraph shall not
1818 prevent the division from changing the payments or rates of
1819 reimbursement to providers without an amendment to this section
1820 whenever those changes are required by federal law or regulation,
1821 or whenever those changes are necessary to correct administrative
1822 errors or omissions in calculating those payments or rates of
1823 reimbursement.

1824 Notwithstanding any provision of this article, no new groups
1825 or categories of recipients and new types of care and services may
1826 be added without enabling legislation from the Mississippi
1827 Legislature, except that the division may authorize those changes
1828 without enabling legislation when the addition of recipients or
1829 services is ordered by a court of proper authority.

1830 The executive director shall keep the Governor advised on a
1831 timely basis of the funds available for expenditure and the
1832 projected expenditures. If current or projected expenditures of
1833 the division are reasonably anticipated to exceed the amount of
1834 funds appropriated to the division for any fiscal year, the
1835 Governor, after consultation with the executive director, shall
1836 discontinue any or all of the payment of the types of care and
1837 services as provided in this section that are deemed to be
1838 optional services under Title XIX of the federal Social Security
1839 Act, as amended, and when necessary, shall institute any other
1840 cost containment measures on any program or programs authorized

1841 under the article to the extent allowed under the federal law
1842 governing that program or programs. However, the Governor shall
1843 not be authorized to discontinue or eliminate any service under
1844 this section that is mandatory under federal law, or to
1845 discontinue or eliminate, or adjust income limits or resource
1846 limits for, any eligibility category or group under Section
1847 43-13-115. It is the intent of the Legislature that the
1848 expenditures of the division during any fiscal year shall not
1849 exceed the amounts appropriated to the division for that fiscal
1850 year.

1851 Notwithstanding any other provision of this article, it shall
1852 be the duty of each nursing facility, intermediate care facility
1853 for the mentally retarded, psychiatric residential treatment
1854 facility, and nursing facility for the severely disabled that is
1855 participating in the Medicaid program to keep and maintain books,
1856 documents and other records as prescribed by the Division of
1857 Medicaid in substantiation of its cost reports for a period of
1858 three (3) years after the date of submission to the Division of
1859 Medicaid of an original cost report, or three (3) years after the
1860 date of submission to the Division of Medicaid of an amended cost
1861 report.

1862 **SECTION 11.** Section 43-13-117.1, Mississippi Code of 1972,
1863 is brought forward as follows:

1864 43-13-117.1. It is the intent of the Legislature to expand
1865 access to Medicaid-funded home- and community-based services for
1866 eligible nursing facility residents who choose those services.
1867 The Executive Director of the Division of Medicaid is authorized
1868 to transfer funds allocated for nursing facility services for
1869 eligible residents to cover the cost of services available through
1870 the Independent Living Waiver, the Traumatic Brain Injury/Spinal
1871 Cord Injury Waiver, the Elderly and Disabled Waiver, and the
1872 Assisted Living Waiver programs when eligible residents choose
1873 those community services. The amount of funding transferred by

1874 the division shall be sufficient to cover the cost of home- and
1875 community-based waiver services for each eligible nursing facility
1876 residents who choose those services. The number of nursing
1877 facility residents who return to the community and home- and
1878 community-based waiver services shall not count against the total
1879 number of waiver slots for which the Legislature appropriates
1880 funding each year. Any funds remaining in the program when a
1881 former nursing facility resident ceases to participate in a home-
1882 and community-based waiver program under this provision shall be
1883 returned to nursing facility funding.

1884 **SECTION 12.** Section 43-13-117.2, Mississippi Code of 1972,
1885 is brought forward as follows:

1886 43-13-117.2. The Division of Medicaid is authorized and
1887 directed to study the feasibility of implementing a pilot program
1888 to provide chronic disease management of chronic obstructive
1889 pulmonary disease (COPD) using private sources of funding in an
1890 effort to reduce the financial and clinical burden of COPD illness
1891 upon the Medicaid program and the citizens of Mississippi. If a
1892 pilot program is deemed feasible, such a program shall be
1893 implemented and a report of findings and recommendations be
1894 prepared and provided to the Office of the Governor and the
1895 Chairmen of the House and Senate Public Health and Welfare
1896 Committees and the Chairman of the House Medicaid Committee in
1897 order to evaluate the effectiveness of the pilot program in
1898 reducing costs within the Medicaid program and in providing
1899 improved health and well-being of the affected patients.

1900 **SECTION 13.** Section 43-13-117.3, Mississippi Code of 1972,
1901 is brought forward as follows:

1902 43-13-117.3. The Division of Medicaid, in consultation with
1903 the State Department of Health and the State Department of
1904 Rehabilitation Services, is authorized and directed to study the
1905 feasibility of implementing a pilot program to provide bariatric
1906 surgery in the morbidly obese as a treatment option in an effort

1907 to reduce the financial and clinical burden of morbid obesity upon
1908 the Medicaid program and the citizens of Mississippi. If a pilot
1909 program is deemed feasible, that such a program be implemented and
1910 a report of findings and recommendations be prepared and provided
1911 to the Office of the Governor and the Chairmen of the House and
1912 Senate Public Health and Welfare Committees and the Chairman of
1913 the House Medicaid Committee in order to evaluate the
1914 effectiveness of the pilot program.

1915 **SECTION 14.** Section 43-13-118, Mississippi Code of 1972, is
1916 brought forward as follows:

1917 43-13-118. It shall be the duty of each provider
1918 participating in the medical assistance program to keep and
1919 maintain books, documents, and other records as prescribed by the
1920 division of Medicaid in substantiation of its claim for services
1921 rendered Medicaid recipients, and such books, documents, and other
1922 records shall be kept and maintained for a period of five (5)
1923 years or for whatever longer period as may be required or
1924 prescribed under federal or state statutes and shall be subject to
1925 audit by the division. The division shall be entitled to full
1926 recoupment of the amount it has paid any provider of medical
1927 service who has failed to keep or maintain records as required
1928 herein.

1929 **SECTION 15.** Section 43-13-120, Mississippi Code of 1972, is
1930 brought forward as follows:

1931 43-13-120. (1) Any person who is a Medicaid recipient and
1932 is receiving medical assistance for services provided in a
1933 long-term care facility under the provisions of Section 43-13-117
1934 from the Division of Medicaid in the Office of the Governor, who
1935 dies intestate and leaves no known heirs, shall have deemed,
1936 through his acceptance of such medical assistance, the Division of
1937 Medicaid as his beneficiary to all such funds in an amount not to
1938 exceed Two Hundred Fifty Dollars (\$250.00) which are in his
1939 possession at the time of his death. Such funds, together with

1940 any accrued interest thereon, shall be reported by the long-term
1941 care facility to the State Treasurer in the manner provided in
1942 subsection (2).

1943 (2) The report of such funds shall be verified, shall be on
1944 a form prescribed or approved by the Treasurer, and shall include
1945 (a) the name of the deceased person and his last known address
1946 prior to entering the long-term care facility; (b) the name and
1947 last known address of each person who may possess an interest in
1948 such funds; and (c) any other information which the Treasurer
1949 prescribes by regulation as necessary for the administration of
1950 this section. The report shall be filed with the Treasurer prior
1951 to November 1 of each year in which the long-term care facility
1952 has provided services to a person or persons having funds to which
1953 this section applies.

1954 (3) Within one hundred twenty (120) days from November 1 of
1955 each year in which a report is made pursuant to subsection (2),
1956 the Treasurer shall cause notice to be published in a newspaper
1957 having general circulation in the county of this state in which is
1958 located the last known address of the person or persons named in
1959 the report who may possess an interest in such funds, or if no
1960 such person is named in the report, in the county in which is
1961 located the last known address of the deceased person prior to
1962 entering the long-term care facility. If no address is given in
1963 the report or if the address is outside of this state, the notice
1964 shall be published in a newspaper having general circulation in
1965 the county in which the facility is located. The notice shall
1966 contain (a) the name of the deceased person; (b) his last known
1967 address prior to entering the facility; (c) the name and last
1968 known address of each person named in the report who may possess
1969 an interest in such funds; and (d) a statement that any person
1970 possessing an interest in such funds must make a claim therefor to
1971 the Treasurer within ninety (90) days after such publication date
1972 or the funds will become the property of the State of Mississippi.

1973 In any year in which the Treasurer publishes a notice of abandoned
1974 property under Section 89-12-27, the Treasurer may combine the
1975 notice required by this section with the notice of abandoned
1976 property. The cost to the Treasurer of publishing the notice
1977 required by this section shall be paid by the Division of
1978 Medicaid.

1979 (4) Each long-term care facility that makes a report of
1980 funds of a deceased person under this section shall pay over and
1981 deliver such funds, together with any accrued interest thereon, to
1982 the Treasurer not later than ten (10) days after notice of such
1983 funds has been published by the Treasurer as provided in
1984 subsection (3). If a claim to such funds is not made by any
1985 person having an interest therein within ninety (90) days of the
1986 published notice, the Treasurer shall place such funds in the
1987 special account in the State Treasury to the credit of the
1988 "Governor's Office - Division of Medicaid" to be expended by the
1989 Division of Medicaid for the purposes provided under Mississippi
1990 Medicaid Law.

1991 (5) This section shall not be applicable to any Medicaid
1992 patient in a long-term care facility of a state institution listed
1993 in Section 41-7-73, who has a personal deposit fund as provided
1994 for in Section 41-7-90.

1995 **SECTION 16.** Section 43-13-121, Mississippi Code of 1972, is
1996 brought forward as follows:

1997 43-13-121. (1) The division shall administer the Medicaid
1998 program under the provisions of this article, and may do the
1999 following:

2000 (a) Adopt and promulgate reasonable rules, regulations
2001 and standards, with approval of the Governor, and in accordance
2002 with the Administrative Procedures Law, Section 25-43-1 et seq.:

2003 (i) Establishing methods and procedures as may be
2004 necessary for the proper and efficient administration of this
2005 article;

2006 (ii) Providing Medicaid to all qualified
2007 recipients under the provisions of this article as the division
2008 may determine and within the limits of appropriated funds;

2009 (iii) Establishing reasonable fees, charges and
2010 rates for medical services and drugs; in doing so, the division
2011 shall fix all of those fees, charges and rates at the minimum
2012 levels absolutely necessary to provide the medical assistance
2013 authorized by this article, and shall not change any of those
2014 fees, charges or rates except as may be authorized in Section
2015 43-13-117;

2016 (iv) Providing for fair and impartial hearings;

2017 (v) Providing safeguards for preserving the
2018 confidentiality of records; and

2019 (vi) For detecting and processing fraudulent
2020 practices and abuses of the program;

2021 (b) Receive and expend state, federal and other funds
2022 in accordance with court judgments or settlements and agreements
2023 between the State of Mississippi and the federal government, the
2024 rules and regulations promulgated by the division, with the
2025 approval of the Governor, and within the limitations and
2026 restrictions of this article and within the limits of funds
2027 available for that purpose;

2028 (c) Subject to the limits imposed by this article, to
2029 submit a Medicaid plan to the United States Department of Health
2030 and Human Services for approval under the provisions of the
2031 federal Social Security Act, to act for the state in making
2032 negotiations relative to the submission and approval of that plan,
2033 to make such arrangements, not inconsistent with the law, as may
2034 be required by or under federal law to obtain and retain that
2035 approval and to secure for the state the benefits of the
2036 provisions of that law.

2037 No agreements, specifically including the general plan for
2038 the operation of the Medicaid program in this state, shall be made

2039 by and between the division and the United States Department of
2040 Health and Human Services unless the Attorney General of the State
2041 of Mississippi has reviewed the agreements, specifically including
2042 the operational plan, and has certified in writing to the Governor
2043 and to the executive director of the division that the agreements,
2044 including the plan of operation, have been drawn strictly in
2045 accordance with the terms and requirements of this article;

2046 (d) In accordance with the purposes and intent of this
2047 article and in compliance with its provisions, provide for aged
2048 persons otherwise eligible for the benefits provided under Title
2049 XVIII of the federal Social Security Act by expenditure of funds
2050 available for those purposes;

2051 (e) To make reports to the United States Department of
2052 Health and Human Services as from time to time may be required by
2053 that federal department and to the Mississippi Legislature as
2054 provided in this section;

2055 (f) Define and determine the scope, duration and amount
2056 of Medicaid that may be provided in accordance with this article
2057 and establish priorities therefor in conformity with this article;

2058 (g) Cooperate and contract with other state agencies
2059 for the purpose of coordinating Medicaid provided under this
2060 article and eliminating duplication and inefficiency in the
2061 Medicaid program;

2062 (h) Adopt and use an official seal of the division;

2063 (i) Sue in its own name on behalf of the State of
2064 Mississippi and employ legal counsel on a contingency basis with
2065 the approval of the Attorney General;

2066 (j) To recover any and all payments incorrectly made by
2067 the division to a recipient or provider from the recipient or
2068 provider receiving the payments. To recover those payments, the
2069 division may use the following methods, in addition to any other
2070 methods available to the division:

2071 (i) The division shall report to the State Tax
2072 Commission the name of any current or former Medicaid recipient
2073 who has received medical services rendered during a period of
2074 established Medicaid ineligibility and who has not reimbursed the
2075 division for the related medical service payment(s). The State
2076 Tax Commission shall withhold from the state tax refund of the
2077 individual, and pay to the division, the amount of the payment(s)
2078 for medical services rendered to the ineligible individual that
2079 have not been reimbursed to the division for the related medical
2080 service payment(s).

2081 (ii) The division shall report to the State Tax
2082 Commission the name of any Medicaid provider to whom payments were
2083 incorrectly made that the division has not been able to recover by
2084 other methods available to the division. The State Tax Commission
2085 shall withhold from the state tax refund of the provider, and pay
2086 to the division, the amount of the payments that were incorrectly
2087 made to the provider that have not been recovered by other
2088 available methods;

2089 (k) To recover any and all payments by the division
2090 fraudulently obtained by a recipient or provider. Additionally,
2091 if recovery of any payments fraudulently obtained by a recipient
2092 or provider is made in any court, then, upon motion of the
2093 Governor, the judge of the court may award twice the payments
2094 recovered as damages;

2095 (l) Have full, complete and plenary power and authority
2096 to conduct such investigations as it may deem necessary and
2097 requisite of alleged or suspected violations or abuses of the
2098 provisions of this article or of the regulations adopted under
2099 this article, including, but not limited to, fraudulent or
2100 unlawful act or deed by applicants for Medicaid or other benefits,
2101 or payments made to any person, firm or corporation under the
2102 terms, conditions and authority of this article, to suspend or
2103 disqualify any provider of services, applicant or recipient for

2104 gross abuse, fraudulent or unlawful acts for such periods,
2105 including permanently, and under such conditions as the division
2106 deems proper and just, including the imposition of a legal rate of
2107 interest on the amount improperly or incorrectly paid. Recipients
2108 who are found to have misused or abused Medicaid benefits may be
2109 locked into one (1) physician and/or one (1) pharmacy of the
2110 recipient's choice for a reasonable amount of time in order to
2111 educate and promote appropriate use of medical services, in
2112 accordance with federal regulations. If an administrative hearing
2113 becomes necessary, the division may, if the provider does not
2114 succeed in his or her defense, tax the costs of the administrative
2115 hearing, including the costs of the court reporter or stenographer
2116 and transcript, to the provider. The convictions of a recipient
2117 or a provider in a state or federal court for abuse, fraudulent or
2118 unlawful acts under this chapter shall constitute an automatic
2119 disqualification of the recipient or automatic disqualification of
2120 the provider from participation under the Medicaid program.

2121 A conviction, for the purposes of this chapter, shall include
2122 a judgment entered on a plea of nolo contendere or a
2123 nonadjudicated guilty plea and shall have the same force as a
2124 judgment entered pursuant to a guilty plea or a conviction
2125 following trial. A certified copy of the judgment of the court of
2126 competent jurisdiction of the conviction shall constitute prima
2127 facie evidence of the conviction for disqualification purposes;

2128 (m) Establish and provide such methods of
2129 administration as may be necessary for the proper and efficient
2130 operation of the Medicaid program, fully utilizing computer
2131 equipment as may be necessary to oversee and control all current
2132 expenditures for purposes of this article, and to closely monitor
2133 and supervise all recipient payments and vendors rendering
2134 services under this article;

2135 (n) To cooperate and contract with the federal
2136 government for the purpose of providing Medicaid to Vietnamese and

2137 Cambodian refugees, under the provisions of Public Law 94-23 and
2138 Public Law 94-24, including any amendments to those laws, only to
2139 the extent that the Medicaid assistance and the administrative
2140 cost related thereto are one hundred percent (100%) reimbursable
2141 by the federal government. For the purposes of Section 43-13-117,
2142 persons receiving Medicaid under Public Law 94-23 and Public Law
2143 94-24, including any amendments to those laws, shall not be
2144 considered a new group or category of recipient; and

2145 (o) The division shall impose penalties upon Medicaid
2146 only, Title XIX participating long-term care facilities found to
2147 be in noncompliance with division and certification standards in
2148 accordance with federal and state regulations, including interest
2149 at the same rate calculated by the United States Department of
2150 Health and Human Services and/or the Centers for Medicare and
2151 Medicaid Services (CMS) under federal regulations.

2152 (2) The division also shall exercise such additional powers
2153 and perform such other duties as may be conferred upon the
2154 division by act of the Legislature.

2155 (3) The division, and the State Department of Health as the
2156 agency for licensure of health care facilities and certification
2157 and inspection for the Medicaid and/or Medicare programs, shall
2158 contract for or otherwise provide for the consolidation of on-site
2159 inspections of health care facilities that are necessitated by the
2160 respective programs and functions of the division and the
2161 department.

2162 (4) The division and its hearing officers shall have power
2163 to preserve and enforce order during hearings; to issue subpoenas
2164 for, to administer oaths to and to compel the attendance and
2165 testimony of witnesses, or the production of books, papers,
2166 documents and other evidence, or the taking of depositions before
2167 any designated individual competent to administer oaths; to
2168 examine witnesses; and to do all things conformable to law that
2169 may be necessary to enable them effectively to discharge the

2170 duties of their office. In compelling the attendance and
2171 testimony of witnesses, or the production of books, papers,
2172 documents and other evidence, or the taking of depositions, as
2173 authorized by this section, the division or its hearing officers
2174 may designate an individual employed by the division or some other
2175 suitable person to execute and return that process, whose action
2176 in executing and returning that process shall be as lawful as if
2177 done by the sheriff or some other proper officer authorized to
2178 execute and return process in the county where the witness may
2179 reside. In carrying out the investigatory powers under the
2180 provisions of this article, the executive director or other
2181 designated person or persons may examine, obtain, copy or
2182 reproduce the books, papers, documents, medical charts,
2183 prescriptions and other records relating to medical care and
2184 services furnished by the provider to a recipient or designated
2185 recipients of Medicaid services under investigation. In the
2186 absence of the voluntary submission of the books, papers,
2187 documents, medical charts, prescriptions and other records, the
2188 Governor, the executive director, or other designated person may
2189 issue and serve subpoenas instantly upon the provider, his or her
2190 agent, servant or employee for the production of the books,
2191 papers, documents, medical charts, prescriptions or other records
2192 during an audit or investigation of the provider. If any provider
2193 or his or her agent, servant or employee refuses to produce the
2194 records after being duly subpoenaed, the executive director may
2195 certify those facts and institute contempt proceedings in the
2196 manner, time and place as authorized by law for administrative
2197 proceedings. As an additional remedy, the division may recover
2198 all amounts paid to the provider covering the period of the audit
2199 or investigation, inclusive of a legal rate of interest and a
2200 reasonable attorney's fee and costs of court if suit becomes
2201 necessary. Division staff shall have immediate access to the
2202 provider's physical location, facilities, records, documents,

2203 books, and any other records relating to medical care and services
2204 rendered to recipients during regular business hours.

2205 (5) If any person in proceedings before the division
2206 disobeys or resists any lawful order or process, or misbehaves
2207 during a hearing or so near the place thereof as to obstruct the
2208 hearing, or neglects to produce, after having been ordered to do
2209 so, any pertinent book, paper or document, or refuses to appear
2210 after having been subpoenaed, or upon appearing refuses to take
2211 the oath as a witness, or after having taken the oath refuses to
2212 be examined according to law, the executive director shall certify
2213 the facts to any court having jurisdiction in the place in which
2214 it is sitting, and the court shall thereupon, in a summary manner,
2215 hear the evidence as to the acts complained of, and if the
2216 evidence so warrants, punish that person in the same manner and to
2217 the same extent as for a contempt committed before the court, or
2218 commit that person upon the same condition as if the doing of the
2219 forbidden act had occurred with reference to the process of, or in
2220 the presence of, the court.

2221 (6) In suspending or terminating any provider from
2222 participation in the Medicaid program, the division shall preclude
2223 the provider from submitting claims for payment, either personally
2224 or through any clinic, group, corporation or other association to
2225 the division or its fiscal agents for any services or supplies
2226 provided under the Medicaid program except for those services or
2227 supplies provided before the suspension or termination. No
2228 clinic, group, corporation or other association that is a provider
2229 of services shall submit claims for payment to the division or its
2230 fiscal agents for any services or supplies provided by a person
2231 within that organization who has been suspended or terminated from
2232 participation in the Medicaid program except for those services or
2233 supplies provided before the suspension or termination. When this
2234 provision is violated by a provider of services that is a clinic,
2235 group, corporation or other association, the division may suspend

2236 or terminate that organization from participation. Suspension may
2237 be applied by the division to all known affiliates of a provider,
2238 provided that each decision to include an affiliate is made on a
2239 case-by-case basis after giving due regard to all relevant facts
2240 and circumstances. The violation, failure or inadequacy of
2241 performance may be imputed to a person with whom the provider is
2242 affiliated where that conduct was accomplished within the course
2243 of his or her official duty or was effectuated by him or her with
2244 the knowledge or approval of that person.

2245 (7) The division may deny or revoke enrollment in the
2246 Medicaid program to a provider if any of the following are found
2247 to be applicable to the provider, his or her agent, a managing
2248 employee or any person having an ownership interest equal to five
2249 percent (5%) or greater in the provider:

2250 (a) Failure to truthfully or fully disclose any and all
2251 information required, or the concealment of any and all
2252 information required, on a claim, a provider application or a
2253 provider agreement, or the making of a false or misleading
2254 statement to the division relative to the Medicaid program.

2255 (b) Previous or current exclusion, suspension,
2256 termination from or the involuntary withdrawing from participation
2257 in the Medicaid program, any other state's Medicaid program,
2258 Medicare or any other public or private health or health insurance
2259 program. If the division ascertains that a provider has been
2260 convicted of a felony under federal or state law for an offense
2261 that the division determines is detrimental to the best interest
2262 of the program or of Medicaid beneficiaries, the division may
2263 refuse to enter into an agreement with that provider, or may
2264 terminate or refuse to renew an existing agreement.

2265 (c) Conviction under federal or state law of a criminal
2266 offense relating to the delivery of any goods, services or
2267 supplies, including the performance of management or
2268 administrative services relating to the delivery of the goods,

2269 services or supplies, under the Medicaid program, any other
2270 state's Medicaid program, Medicare or any other public or private
2271 health or health insurance program.

2272 (d) Conviction under federal or state law of a criminal
2273 offense relating to the neglect or abuse of a patient in
2274 connection with the delivery of any goods, services or supplies.

2275 (e) Conviction under federal or state law of a criminal
2276 offense relating to the unlawful manufacture, distribution,
2277 prescription or dispensing of a controlled substance.

2278 (f) Conviction under federal or state law of a criminal
2279 offense relating to fraud, theft, embezzlement, breach of
2280 fiduciary responsibility or other financial misconduct.

2308 entity or instrumentality thereof in furthering the purposes and
2309 objectives of the Mississippi Medicaid program, provided that such
2310 receipts and expenditures are reported and otherwise handled in
2311 accordance with the General Fund Stabilization Act. The
2312 Department of Finance and Administration is authorized to transfer
2313 monies to the division from special funds in the State Treasury in
2314 amounts not exceeding the amounts authorized in the appropriation
2315 to the division.

2316 **SECTION 18.** Section 43-13-123, Mississippi Code of 1972, is
2317 brought forward as follows:

2318 43-13-123. The determination of the method of providing
2319 payment of claims under this article shall be made by the
2320 division, with approval of the Governor, which methods may be:

2321 (a) By contract with insurance companies licensed to do
2322 business in the State of Mississippi or with nonprofit hospital
2323 service corporations, medical or dental service corporations,

2334 The division shall obtain services to be provided under
2335 either of the above-described provisions in accordance with the
2336 Personal Service Contract Review Board Procurement Regulations.

2337 The authorization of the foregoing methods shall not preclude
2338 other methods of providing payment of claims through direct
2339 operation of the program by the state or its agencies.

2340 **SECTION 19.** Section 43-13-125, Mississippi Code of 1972, is
2341 brought forward as follows:

2342 43-13-125. (1) If Medicaid is provided to a recipient under
2343 this article for injuries, disease or sickness caused under
2344 circumstances creating a cause of action in favor of the recipient
2345 against any person, firm or corporation, then the division shall
2346 be entitled to recover the proceeds that may result from the
2347 exercise of any rights of recovery that the recipient may have
2348 against any such person, firm or corporation to the extent of the
2349 Division of Medicaid's interest on behalf of the recipient. The
2350 recipient shall execute and deliver instruments and papers to do
2351 whatever is necessary to secure those rights and shall do nothing
2352 after Medicaid is provided to prejudice the subrogation rights of
2353 the division. Court orders or agreements for reimbursement of
2354 Medicaid's interest shall direct those payments to the Division of
2355 Medicaid, which shall be authorized to endorse any and all,
2356 including, but not limited to, multi-payee checks, drafts, money
2357 orders, or other negotiable instruments representing Medicaid
2358 payment recoveries that are received. In accordance with Section
2359 43-13-305, endorsement of multi-payee checks, drafts, money orders
2360 or other negotiable instruments by the Division of Medicaid shall
2361 be deemed endorsed by the recipient.

2362 The division, with the approval of the Governor, may
2363 compromise or settle any such claim and execute a release of any
2364 claim it has by virtue of this section.

2365 (2) The acceptance of Medicaid under this article or the
2366 making of a claim under this article shall not affect the right of

2367 a recipient or his or her legal representative to recover
2368 Medicaid's interest as an element of damages in any action at law;
2369 however, a copy of the pleadings shall be certified to the
2370 division at the time of the institution of suit, and proof of
2371 that notice shall be filed of record in that action. The division
2372 may, at any time before the trial on the facts, join in that
2373 action or may intervene in that action. Any amount recovered by a
2374 recipient or his or her legal representative shall be applied as
2375 follows:

2376 (a) The reasonable costs of the collection, including
2377 attorney's fees, as approved and allowed by the court in which
2378 that action is pending, or in case of settlement without suit, by
2379 the legal representative of the division;

2380 (b) The amount of Medicaid's interest on behalf of the
2381 recipient; or such pro rata amount as may be arrived at by the
2382 legal representative of the division and the recipient's attorney,
2383 or as set by the court having jurisdiction; and

2384 (c) Any excess shall be awarded to the recipient.

2385 (3) No compromise of any claim by the recipient or his or
2386 her legal representative shall be binding upon or affect the
2387 rights of the division against the third party unless the
2388 division, with the approval of the Governor, has entered into the
2389 compromise. Any compromise effected by the recipient or his or
2390 her legal representative with the third party in the absence of
2391 advance notification to and approved by the division shall
2392 constitute conclusive evidence of the liability of the third
2393 party, and the division, in litigating its claim against the third
2394 party, shall be required only to prove the amount and correctness
2395 of its claim relating to the injury, disease or sickness. If the
2396 recipient or his or her legal representative fails to notify the
2397 division of the institution of legal proceedings against a third
2398 party for which the division has a cause of action, the facts
2399 relating to negligence and the liability of the third party, if

2400 judgment is rendered for the recipient, shall constitute
2401 conclusive evidence of liability in a subsequent action maintained
2402 by the division and only the amount and correctness of the
2403 division's claim relating to injuries, disease or sickness shall
2404 be tried before the court. The division shall be authorized in
2405 bringing that action against the third party and his or her
2406 insurer jointly or against the insurer alone.

2407 (4) Nothing in this section shall be construed to diminish
2408 or otherwise restrict the subrogation rights of the Division of
2409 Medicaid against a third party for Medicaid provided by the
2410 Division of Medicaid to the recipient as a result of injuries,
2411 disease or sickness caused under circumstances creating a cause of
2412 action in favor of the recipient against such a third party.

2413 (5) Any amounts recovered by the division under this section
2414 shall, by the division, be placed to the credit of the funds
2415 appropriated for benefits under this article proportionate to the
2416 amounts provided by the state and federal governments
2417 respectively.

2436 Department of Health and Human Services;

2437 (b) Accept the Division of Medicaid's right of recovery
2438 and the assignment to the division of any right of an individual
2439 or other entity to payment from the party for an item or service
2440 for which payment has been made under the state plan;

2441 (c) Respond to any inquiry by the Division of Medicaid
2442 regarding a claim for payment for any health care item or service
2443 that is submitted not later than three (3) years after the date of
2444 the provision of that health care item or service; and

2445 (d) Agree not to deny a claim submitted by the Division
2446 of Medicaid solely on the basis of the date of submission of the
2447 claim, the type or format of the claim form, or a failure to
2448 present proper documentation at the point of sale that is the
2449 basis of the claim, if:

2450 (i) The claim is submitted by the division within
2451 the three-year period beginning on the date on which the item or
2452 service was furnished; and

2453 (ii) Any action by the division to enforce its
2454 rights with respect to the claim is begun within six (6) years of
2455 the division's submission of the claim.

2483 eliminate or curtail fraudulent practices and inequities in the
2484 plan or administration thereof; and to continue to participate in
2485 receiving federal funds for the furnishing of medical assistance
2486 under Title XIX of the Social Security Act or other federal law.
2487 (2) In addition to the reports required by subsection (1) of

2505 offense. This section shall not prohibit prosecution under any
2506 other criminal statutes of this state or the United States.

2539 optional category of recipients as prescribed under Title XIX of
2540 the federal Social Security Act or the implementing federal
2541 regulations. If the Congress or the United States Department of
2542 Health and Human Services ceases to provide federal matching funds

2624 or

2625 (iii) A state agency or a state facility that
2626 either provides its own state match through intergovernmental
2627 transfer or certification of funds to the division.

2628 (5) Each health care facility that is subject to the
2629 provisions of this section shall keep and preserve such suitable
2630 books and records as may be necessary to determine the amount of

2633 than five (5) years, and those books and records shall be open for
2634 examination during business hours by the division, the State Tax
2635 Commission, the Office of the Attorney General and the State

2648 to the health care facility by certified or registered mail
2649 demanding payment of the assessment within ten (10) days from the
2650 date of delivery of the notice. If the health care facility
2651 fails or refuses to pay the assessment after receiving the notice
2652 and demand from the division, the division shall withhold from any
2653 Medicaid reimbursement payments that are due to the health care
2654 facility the amount of the unpaid assessment and a penalty of ten
2655 percent (10%) of the amount of the assessment, plus the legal rate

2667 receiving notice and demand from the division, the division may
2668 file a notice of a tax lien with the circuit clerk of the county
2669 in which the health care facility is located, for the amount of
2670 the unpaid assessment and a penalty of ten percent (10%) of the
2671 amount of the assessment, plus the legal rate of interest until
2672 the assessment is paid in full. Immediately upon receipt of
2673 notice of the tax lien for the assessment, the circuit clerk shall
2674 enter the notice of the tax lien as a judgment upon the judgment
2675 roll and show in the appropriate columns the name of the health
2676 care facility as judgment debtor, the name of the division as
2677 judgment creditor, the amount of the unpaid assessment, and the
2678 date and time of enrollment. The judgment shall be valid as
2679 against mortgagees, pledgees, entrusters, purchasers, judgment
2680 creditors and other persons from the time of filing with the
2681 clerk. The amount of the judgment shall be a debt due the State
2682 of Mississippi and remain a lien upon the tangible property of the
2683 health care facility until the judgment is satisfied. The
2684 judgment shall be the equivalent of any enrolled judgment of a
2685 court of record and shall serve as authority for the issuance of

2880 Eighteen-twentieths of One Cent (18/20 of 1¢) on each cigarette
2881 sold with a maximum length of one hundred twenty (120)
2882 millimeters; any cigarette in excess of this length shall be taxed
2883 as if it were two (2) or more cigarettes. * * * However, if the
2884 federal tax rate on cigarettes in effect on June 1, 1985, is
2885 reduced, then the rate as provided in this subsection shall be
2886 increased by the amount of the federal tax reduction. That tax

2899 on cigarettes shall be of a denomination of less than One Cent
2900 (1¢), and whenever the tax computed at the rates * * * prescribed
2901 in this section on cigarettes is a specified amount, plus a

2914 is * * * declared to be on the vendee, user, consumer or possessor
2915 of tobacco in this state; and when the tax is paid by any other
2916 person, the payment shall be considered as an advance payment and
2917 shall thereafter be added to the price of the tobacco and
2918 recovered from the ultimate consumer or user.

2948 them, without advance payment, those stamps, if and when the
2949 wholesaler * * * gives to the commissioner a good and sufficient
2950 bond executed by some surety company authorized to do business in
2951 this state, conditioned to secure the payment for the stamps so
2952 consigned. The commissioner shall require payment for the stamps

2953 not later than thirty (30) days from the date the stamps were
2954 consigned.

2956 fund to the credit of the University of Mississippi Medical

2958 deposited into the fund under Section 27-69-75(2)(b), and any
2959 other funds that may be made available for the fund by the
2960 Legislature. Monies in the fund shall be expended by the
2961 University of Mississippi Medical Center, upon appropriation by
2962 the Legislature, to pay the costs of medical services provided by
2963 the center for which it does not receive compensation or
