(14) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First
Judicial District of Hinds County, Mississippi, in the manner and
with the force and effect provided by Chapter 13, Title 31,
Mississippi Code of 1972, for the validation of county, municipal,
school district and other bonds. The notice to taxpayers required
by such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.

(15) Any holder of bonds issued under the provisions of this
section or of any of the interest coupons pertaining thereto may,
either at law or in equity, by suit, action, mandamus or other
proceeding, protect and enforce any and all rights granted under
this section, or under such resolution, and may enforce and compel
performance of all duties required by this section to be
performed, in order to provide for the payment of bonds and
interest thereon.

(16) All bonds issued under the provisions of this section
shall be legal investments for trustees and other fiduciaries, and
for savings banks, trust companies and insurance companies
organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and
shall be received by all public officers and bodies of this state
and all municipalities and political subdivisions for the purpose
of securing the deposit of public funds.

(17) Bonds issued under the provisions of this section and
income therefrom shall be exempt from all taxation in the State of
Mississippi.

(18) The proceeds of the bonds issued under this section
shall be used solely for the purposes herein provided, including
the costs incident to the issuance and sale of such bonds.

(19) The State Treasurer is authorized, without further
process of law, to certify to the Department of Finance and
Administration the necessity for warrants, and the Department of
Finance and Administration is authorized and directed to issue
such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the
accreted value of, all bonds issued under this section; and the
State Treasurer shall forward the necessary amount to the
designated place or places of payment of such bonds in ample time
to discharge such bonds, or the interest thereon, on the due dates
thereof.

(20) This section shall be deemed to be full and complete
authority for the exercise of the powers herein granted, but this

any existing law of this state.

the bonds who were in office at the time of such signing but who
may have ceased to be such officers before the sale and delivery
of such bonds, or who may not have been in office on the date such
bonds may bear, the signatures of such officers upon such bonds
and coupons shall nevertheless be valid and sufficient for all
purposes and have the same effect as if the person so officially

dates named therein.

(7) The bonds issued under the provisions of this section
are general obligations of the State of Mississippi, and for the
payment thereof the full faith and credit of the State of
Mississippi is irrevocably pledged. If the funds appropriated by

interest on such bonds as they become due, then the deficiency
shall be paid by the State Treasurer from any funds in the State
Treasury not otherwise appropriated. All such bonds shall contain
recitals on their faces substantially covering the provisions of
this subsection.

(8) Upon the issuance and sale of bonds under the provisions
of this section, the commission shall transfer the proceeds of any

(9) The bonds authorized under this section may be issued
without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(10) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(12) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(13) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.
(14) The proceeds of the bonds issued under this section shall be used solely for the purposes therein provided, including the costs incident to the issuance and sale of such bonds.

(15) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(16) This section shall be deemed to be full and complete authority for the exercise of the powers therein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

(5) Monies in the Local System Bridge Replacement and Rehabilitation Fund may be credited to a county in advance of the normal accrual to finance certain projects, subject to the approval of the State Aid Engineer and subject further to the following limitations:

(a) That the maximum amount of such monies that may be advanced to any county shall not exceed ninety percent (90%) of the funds estimated to accrue to such county during the remainder of the term of office of the board of supervisors of such county;

(b) That no advance credit of funds will be made to any county when the unobligated balance in the Local System Bridge Replacement and Rehabilitation Fund is less than One Million Dollars ($1,000,000.00); and

(c) That such advance crediting of funds be effected by the State Aid Engineer at the time of the approval of the plans and specifications for the proposed projects.
