SECTION 4. Section 23-15-11, Mississippi Code of 1972, is amended as follows:

23-15-11. Every inhabitant of this state, except persons adjudicated to be non compos mentis, who is a citizen of the United States of America, eighteen (18) years old and upwards, who has resided in this state for thirty (30) days and for thirty (30) days in the county in which he seeks to vote, and for thirty (30) days in the incorporated municipality in which he seeks to vote, and who has been duly registered as an elector under Section 23-15-33, and who has never been convicted of any crime listed in Section 241, Mississippi Constitution of 1890, shall be a qualified elector in and for the county, municipality and voting precinct of his residence, and shall be entitled to vote at any election upon compliance with Section 1 of House Bill No. 921, 2012 Regular Session. Any person who will be eighteen (18) years of age or older on or before the date of the general election and who is duly registered to vote not less than thirty (30) days before the primary election associated with the general election,
may vote in the primary election even though the person has not
reached his or her eighteenth birthday at the time that the person
seeks to vote at the primary election. No others than those
specified in this section shall be entitled, or shall be allowed,
to vote at any election.

SECTION 5. Section 23-15-541, Mississippi Code of 1972, is
amended as follows:

23-15-541. (1) At all elections, the polls shall be opened
at seven o'clock in the morning and be kept open until seven
o'clock in the evening and no longer. Upon the opening of the
polls, and not before, the managers of the election shall
designate two (2) of their number, other than the manager
theretofore designated to receive the blank ballots, who shall
thereupon be known respectively as the initialing manager and the
alternate initialing manager. The alternate initialing manager,
in the absence of the initialing manager, shall perform all of the
duties and undertake all of the responsibilities of the initialing
manager. When any person entitled to vote shall appear to vote,
the managers shall identify the voter by requiring the voter to
submit identification as required by Section 1 of House Bill No.
921, 2012 Regular Session, and then the voter shall * * * sign his
name in a receipt book or booklet provided for that purpose and to
be used at that election only and said receipt book or booklet
shall be used in lieu of the list of voters who have voted
formerly made by the managers or clerks; whereupon and not before,
the initialing manager or, in his absence, the alternate
initialing manager shall endorse his initials on the back of an
official blank ballot, prepared in accordance with law, and at
such place on the back of the ballot that the initials may be seen
after the ballot has been marked and folded, and when so endorsed
he shall deliver it to the voter, which ballot the voter shall
mark in the manner provided by law, which when done the voter
shall deliver the ballot to the initialing manager or, in his
absence, to the alternate initialing manager, in the presence of
the others, and the manager shall see that the ballot so delivered
bears on the back thereof the genuine initials of the initialing
manager, or alternate initialing manager, and if so, but not
otherwise, the ballot shall be put into the ballot box; and when
so done one (1) of the managers or a duly appointed clerk shall
make the proper entry on the pollbook. If the voter is unable to
write his name on the receipt book, a manager or clerk shall note
on the back of the ballot that it was receipted for by his
assistance.

(2) (a) A poll manager shall be authorized to allow a
physically disabled person to vote curbside during the hours in
which the polls are open as described in this section.

Where the managers of an election, exercising their sound
discretion, determine that a physically disabled person has
arrived at the polls in a motor vehicle to vote, two (2) or more
managers shall carry the pollbook, the receipt book, and a ballot
or voting device to the motor vehicle, and after determining
whether the disabled person is a qualified elector as provided by
law, shall allow the disabled elector to cast his or her ballot in
secret. After the disabled elector casts his or her ballot, the
managers shall mark the pollbook "voted" by the elector's name in
the pollbook.

(b) If the ballot that is provided to the disabled
elector is a paper ballot, the initialing manager shall initial
the ballot as provided by law, and the disabled elector, after
marking his or her ballot shall fold the ballot or place it in the
ballot sleeve. The initialing manager or alternate initialing
manager shall determine whether the initials on the ballot are
genuine, and upon a determination that the initials are genuine,
mark "voted" by the elector's name. The initialing manager or
alternate initialing manager shall without delay place the ballot
in the ballot box.
(c) If, while a voter is voting by curbside, there are less than three (3) managers immediately present within the polling place conducting an election or a political party primary, all voting at the polls shall stop until the managers conducting the curbside voting procedure return so that there are at least three (3) poll managers immediately present within the polling place to conduct the election or party primary at all times, and until a minimum of three (3) managers are present, the remaining poll manager or managers shall ensure the security of the ballot box, the voting devices, and any ballots and election materials.

SECTION 6. Section 23-15-631, Mississippi Code of 1972, is amended as follows:

23-15-631. (1) The registrar shall enclose with each ballot provided to an absent elector separate printed instructions furnished by him containing the following:

(a) All absentee voters, excepting those with temporary or permanent physical disabilities or those who are sixty-five (65) years of age or older, who mark their ballots in the county of the residence shall use the registrar of that county as the witness. The absentee voter shall come to the office of the registrar and neither the registrar nor his deputy shall be required to go out of the registrar's office to serve as an attesting witness.

(b) Upon receipt of the enclosed ballot, you will not mark the ballot except in view or sight of the attesting witness. In the sight or view of the attesting witness, mark the ballot according to instructions.

(c) After marking the ballot, fill out and sign the "ELECTOR'S CERTIFICATE" on back of the envelope so that the signature shall be across the flap of the envelope so as to insure the integrity of the ballot. All absent electors shall have the attesting witness sign the "ATTESTING WITNESS CERTIFICATE" across the flap on back of the envelope. Place necessary postage on the
envelope and deposit it in the post office or some government receptacle provided for deposit of mail so that the absent elector's ballot, excepting presidential absentee ballots, will reach the registrar in which your precinct is located not later than 5:00 p.m. on the day preceding the date of the election.

Any notary public, United States postmaster, assistant United States postmaster, United States postal supervisor, clerk in charge of a contract postal station, or any officer having authority to administer an oath or take an acknowledgment may be an attesting witness; provided, however, that in the case of an absent elector who is temporarily or permanently physically disabled, the attesting witness may be any person eighteen (18) years of age or older and such person is not required to have the authority to administer an oath. If a postmaster, assistant postmaster, postal supervisor, or clerk in charge of a contract postal station acts as an attesting witness, his signature on the elector's certificate must be authenticated by the cancellation stamp of their respective post offices. If one or the other officers herein named acts as attesting witness, his signature on the elector's certificate, together with his title and address, but no seal, shall be required. Any affidavits made by an absent elector who is in the Armed Forces may be executed before a commissioned officer, warrant officer, or noncommissioned officer not lower in grade than sergeant rating or any person authorized to administer oaths.

(d) When the application accompanies the ballot it shall not be returned in the same envelope as the ballot but shall be returned in a separate preaddressed envelope provided by the registrar.

(e) A person who is a candidate for public office may not be an attesting witness for any absentee ballot upon which the person's name appears.
(f) Any voter casting an absentee ballot who declares that he requires assistance to vote by reason of blindness, temporary or permanent physical disability or inability to read or write, shall be entitled to receive assistance in the marking of his absentee ballot and in completing the affidavit on the absentee ballot envelope. The voter may be given assistance by anyone of the voter's choice other than a candidate whose name appears on the absentee ballot being marked, or the voter's employer, or agent of that employer. In order to ensure the integrity of the ballot, any person who provides assistance to an absentee voter shall be required to sign and complete the "Certificate of Person Providing Voter Assistance" on the absentee ballot envelope.

(2) The foregoing instructions required to be provided by the registrar to the elector shall also constitute the substantive law pertaining to the handling of absentee ballots by the elector and registrar.

(3) The Secretary of State shall prepare instructions on how absent voters may comply with the identification requirements of Section 1 of House Bill No. 921, 2012 Regular Session.

SECTION 7. Section 23-15-639, Mississippi Code of 1972, is amended as follows:

23-15-639. (1) In elections in which direct recording electronic voting systems are not utilized, the examination and counting of absentee ballots shall be conducted as follows:

(a) At the close of the regular balloting and at the close of the polls, the election managers of each voting precinct shall first take the envelopes containing the absentee ballots of such electors from the box, and the name, address and precinct inscribed on each envelope shall be announced by the election managers.

(b) The signature on the application shall then be compared with the signature on the back of the envelope. If it
corresponds and the affidavit, if one is required, is sufficient and the election managers find that the applicant is a registered and qualified voter or otherwise qualified to vote, and that he has not appeared in person and voted at the election, the envelope shall then be opened and the ballot removed from the envelope, without its being unfolded, or permitted to be unfolded or examined.

(c) Having observed and found the ballot to be regular as far as can be observed from its official endorsement, the election managers shall deposit it in the ballot box with the other ballots before counting any ballots and enter the voter's name in the receipt book provided for that purpose and mark "VOTED" in the pollbook or poll list as if he had been present and voted in person. If voting machines are used, all absentee ballots shall be placed in the ballot box before any ballots are counted, and the election managers in each precinct shall immediately count such absentee ballots and add them to the votes cast in the voting machine or device.

(2) In elections in which direct recording electronic voting systems are utilized, the examination and counting of absentee ballots shall be conducted as follows:

(a) At the close of the regular balloting and at the close of the polls, the election managers of each voting precinct shall first take the envelopes containing the absentee ballots of such electors from the box, and the name, address and precinct inscribed on each envelope shall be announced by the election managers.

(b) The signature on the application shall then be compared with the signature on the back of the envelope. If it corresponds and the affidavit, if one is required, is sufficient and the election managers find that the applicant is a registered and qualified voter or otherwise qualified to vote, and that he has not appeared in person and voted at the election, the unopened
envelope shall be marked "ACCEPTED" and the election managers shall enter the voter's name in the receipt book provided for that purpose and mark "VOTED" in the pollbook or poll list as if he had been present and voted in person.

(c) All absentee ballot envelopes shall then be placed in the secure ballot transfer case and delivered to the officials in charge of conducting the election at the central tabulation point of the county. The official in charge of the election shall open the envelopes marked "ACCEPTED" and remove the ballot from the envelope.

(d) Having observed the ballot to be regular as far as can be observed from its official endorsement, the absentee ballot shall be processed through the central optical scanner. The scanned totals shall then be combined with the direct recording electronic voting system totals for the unofficial vote count.

When there is a conflict between an electronic voting system and a paper record, then there is a rebuttable presumption that the paper record is correct.

(3) The election managers shall also take such action as may be prescribed by the Secretary of State to ensure compliance with the identification requirements of Section 1 of House Bill No. 921, 2012 Regular Session.

SECTION 8. Section 23-15-719, Mississippi Code of 1972, is amended as follows:

23-15-719. (1) Immediately upon completion of an application filed pursuant to the provisions of paragraph (a) of Section 23-15-715, the registrar shall deliver the necessary ballots to the applicant. The registrar shall identify the applicant by requiring him to present identification as required by Section 1 of House Bill No. 921, 2012 Regular Session, and shall then deliver the ballots to the applicant by mail or to the applicant in the registrar's office. The registrar shall not personally hand deliver ballots to voters, unless he delivers the
ballots in the office of the registrar. The elector shall fill in his ballot in secret. After the applicant has properly marked the ballot and properly folded it, he shall deposit it in the envelope furnished him by the registrar.

After he has sealed the envelope, he shall subscribe and swear to an affidavit in the following form, which shall be printed on the back of the envelope containing the applicant's ballot:

"STATE OF MISSISSIPPI

I, __________, do solemnly swear that this envelope contains the ballot marked by me indicating my choice of the candidates or propositions to be submitted at the election to be held on the ___ day of ________, 2__, and I hereby authorize the registrar to place this envelope in the ballot box on my behalf, and I further authorize the election managers to open this envelope and place my ballot among the other ballots cast before such ballots are counted, and record my name on the poll list as if I were present in person and voted.

I further swear that I marked the enclosed ballot in secret.

SECTION 9. Section 45-1-37, Mississippi Code of 1972, is amended as follows:

45-1-37. (1) The Commissioner of Public Safety is hereby authorized and directed to seek reciprocal agreements with bordering states to allow law enforcement officers of the State of Mississippi to enter into such bordering states while in pursuit of persons who have committed crimes for the purpose of
