BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:
SECTION 1. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated the "2015 Mississippi Deficient Bridge and State Aid Road Supplemental Fund" is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed as follows:

1. Eighteen Million Dollars ($18,000,000.00) shall be utilized by the Department of Transportation to construct
a bridge extending the I-20 South Frontage Road, running parallel
to Old Highway 27, over the railroad in Vicksburg, Mississippi.

2. Twenty Million Dollars ($20,000,000.00) shall be deposited into the State Aid Road Fund.

3. The remainder shall be utilized, in the discretion of the Mississippi Transportation Commission, to pay the costs of repair, rehabilitation, replacement, construction and/or reconstruction of the bridges on state maintained highways that are on a list of deficient bridges compiled by the Mississippi Department of Transportation as of July 1, 2015. Bridges on the list will be determined based on National Bridge Inspection Standards set by the Federal Highway Administration.

In expending the funds authorized in this item 3, the Mississippi Transportation Commission should give preference to bridges within and approaching those counties in this state where legal gaming is being conducted or is authorized.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with
the proceedings authorizing the issuance of such bonds and as
directed by the commission.

(c) The Mississippi Transportation Commission is
expressly authorized and empowered to receive and expend any local
or other source funds in connection with the expenditure of funds
provided for in this subsection. The expenditure of monies
deposited into the special fund shall be under the direction of
the Mississippi Transportation Commission, and such funds shall be
paid by the State Treasurer upon warrants issued by the Department
of Finance and Administration, which warrants shall be issued upon
requisitions signed by the Executive Director of the Mississippi
Department of Transportation, or his designee.

(3) For the purpose of providing for the payment of the
principal of and interest upon bonds issued under this section,
there is created a special bond sinking fund in the State
Treasury. The special bond sinking fund shall consist of the
monies deposited into the fund under Section 75-76-129,
Mississippi Code of 1972, and such other amounts as may be paid
into such fund by appropriation or other authorization by the
Legislature. Except as otherwise provided in this section, monies
in the special bond sinking fund shall be used to pay the debt
service requirements of the bonds issued under this section. If
the special bond sinking fund has a balance in excess of the
amount needed to pay the next maximum annual debt service
requirement of the bonds issued under this section, the excess
monies may be transferred into the Gaming Counties State Assisted Infrastructure Fund created in Section 65-39-17, Mississippi Code of 1972. Unexpended amounts remaining in the special bond sinking fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the special bond sinking fund shall be deposited into such sinking fund.

(4) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of revenue bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Mississippi Transportation Commission, declaring the necessity for the issuance of any part or all of the revenue bonds authorized by this subsection, the Mississippi Transportation Commission shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Two Hundred Million Dollars ($200,000,000.00).
(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(5) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty (20) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(6) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who
may have ceased to be such officers before the sale and delivery
of such bonds, or who may not have been in office on the date such
bonds may bear, the signatures of such officers upon such bonds
and coupons shall nevertheless be valid and sufficient for all
purposes and have the same effect as if the person so officially
signing such bonds had remained in office until their delivery to
the purchaser, or had been in office on the date such bonds may
bear. However, notwithstanding anything herein to the contrary,
such bonds may be issued as provided in the Registered Bond Act of
the State of Mississippi.

(7) All bonds and interest coupons issued under the
provisions of this section have all the qualities and incidents of
negotiable instruments under the provisions of the Uniform
Commercial Code, and in exercising the powers granted by this
section, the commission shall not be required to and need not
comply with the provisions of the Uniform Commercial Code.

(8) The commission shall act as issuing agent for the bonds
authorized under this section, prescribe the form of the bonds,
determine the appropriate method for sale of the bonds, advertise
for and accept bids or negotiate the sale of the bonds, issue and
sell the bonds so authorized to be sold, pay all fees and costs
incurred in such issuance and sale, and do any and all other
things necessary and advisable in connection with the issuance and
sale of such bonds. The commission is authorized and empowered to
pay the costs that are incident to the sale, issuance and delivery
of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(9) The bonds issued under the provisions of this section shall be revenue bonds of the state, the principal of and interest on which shall be payable solely from and shall be secured by the special bond sinking fund created in subsection (3) of this section. The bonds shall never constitute an indebtedness of the state within the meaning of any state constitutional provision or statutory limitation, and shall never constitute or give rise to a pecuniary liability of the state, or a charge against its general
credit or taxing powers, and such fact shall be plainly stated on
the face of each such bond. The bonds shall not be considered
when computing any limitation of indebtedness of the state. All
bonds issued under the authority of this section and all interest
coupons applicable thereto shall be construed to be negotiable
instruments, despite the fact that they are payable solely from a
specified source.

(10) Upon the issuance and sale of bonds under the
provisions of this section, the commission shall transfer the
proceeds of any such sale or sales to the special fund created in
subsection (2) of this section. The proceeds of such bonds shall
be disbursed solely upon the order of the Mississippi
Transportation Commission under such restrictions, if any, as may
be contained in the resolution providing for the issuance of the
bonds.

(11) The bonds authorized under this section may be issued
without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the
provisions of this section shall become effective immediately upon
its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.
The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.
(15) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(16) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(17) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(18) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.
