749 offenses for which the licensee or permit holder is charged and
750 notice of the time and place of the hearing to be served upon the
751 licensee or permit holder at least thirty (30) days prior to the
752 hearing date. Such notice may be served by mailing a copy thereof

756 serve on a rotating no longer than three-consecutive-month basis
757 with the executive director and legal counsel for the board as an
758 Investigations Review Committee, and the board's investigators

759 shall provide status reports solely to the Investigations Review
760 Committee during monthly meetings of the board. Such reports
761 shall be made on all on-going investigations, and shall apply to
762 any routine inspections which may give rise to the filing of a

766 reviewed the investigation of such complaint shall recuse
767 themselves and not participate in the disciplinary proceeding.

768 (3) The board acting by and through its Investigation Review
769 Committee may, if deemed necessary, issue a letter of reprimand to
770 any licensee, registrant or permit holder in lieu of formal action
771 by the board.

772 (4) The board, acting by and through its executive director,
773 is hereby authorized and empowered to issue subpoenas for the
774 attendance of witnesses and the production of books and papers at
775 such hearing. Process issued by the board shall extend to all

777 the board for such service.

778 (5) The accused shall have the right to appear either
779 personally or by counsel, or both, to produce witnesses or
780 evidence in his behalf, to cross-examine witnesses, and to have
781 subpoenas issued by the board.

782 (6) At the hearing, the board shall administer oaths as may
783 be necessary for the proper conduct of the hearing. All hearings

784 shall be conducted by the board, which shall not be bound by
785 strict rules of procedure or by the laws of evidence in the
786 conduct of its proceedings, but the determination shall be based
787 upon sufficient evidence to sustain it.

788 (7) Where, in any proceeding before the board, any witness
789 fails or refuses to attend upon a subpoena issued by the board,
790 refuses to testify, or refuses to produce any books and papers the
791 production of which is called for by a subpoena, the attendance of
792 such witness, the giving of his testimony or the production of the
793 books and papers shall be enforced by any court of competent
794 jurisdiction of this state in the manner provided for the
795 enforcement of attendance and testimony of witnesses in civil
796 cases in the courts of this state.

797 (8) The board shall, within thirty (30) days after
798 conclusion of the hearing, reduce its decision to writing and
799 forward an attested true copy thereof to the last-known residence
800 or business address of such licensee or permit holder by way of
801 United States first-class, certified mail, postage prepaid.

802 **SECTION 17.** Section 73-21-101, Mississippi Code of 1972, is
803 reenacted as follows:

804 73-21-101. (1) The right to appeal from the action of the
805 board in denying, revoking, suspending or refusing to renew any
806 license, registration or permit issued by the board, or fining or
807 otherwise disciplining any person is hereby granted. Such appeal
808 shall be to the chancery court of the county of the residence of

809 the licensee or permit holder on the record made, including a
810 verbatim transcript of the testimony at the hearing. The appeal
811 shall be taken within thirty (30) days after notice of the action
812 of the board in denying, revoking, suspending or refusing to renew
813 the license or permit, or fining or otherwise disciplining the
814 person. The appeal shall be perfected upon filing notice of the
815 appeal and by the prepayment of all costs, including the cost of
816 the preparation of the record of the proceedings by the board, and
817 the filing of a bond in the sum of Two Hundred Dollars (\$200.00),
818 conditioned that if the action of the board in denying, revoking,
819 suspending or refusing to renew the license or permit, or fining
820 or otherwise disciplining the person, be affirmed by the chancery
821 court, the licensee or permit holder will pay the costs of the
822 appeal and the action in the chancery court.

823 (2) If there is an appeal, such appeal shall act as a
824 supersedeas. The chancery court shall dispose of the appeal and
825 enter its decision promptly. The hearing on the appeal may, in
826 the discretion of the chancellor, be tried in vacation. The scope
827 of review of the chancery court shall be limited to a review of
828 the record made before the board to determine if the action of the
829 board is unlawful for the reason that it was (a) not supported by
830 substantial evidence, (b) arbitrary or capricious, (c) beyond the
831 power of the board to make, or (d) in violation of some statutory
832 or constitutional right of the appellant. The decision of the

833 chancery court may be appealed to the Supreme Court in the manner
834 provided by law.

835 (3) Actions taken by the board in suspending a license,
836 registration or permit when required by Section 93-11-157 or
837 93-11-163 are not actions from which an appeal may be taken under
838 this section. Any appeal of a suspension of a license,
839 registration or permit that is required by Section 93-11-157 or
840 93-11-163 shall be taken in accordance with the appeal procedure
841 specified in Section 93-11-157 or 93-11-163, as the case may be,
842 rather than the procedure specified in this section.

872 those reasonable costs that are expended by the board in the

885 (v) The board may impose a monetary penalty for
886 any dispenser, pharmacist or practitioner licensed to dispense
887 controlled substance and specified noncontrolled substance drugs,
888 who knowingly fails to submit drug monitoring information or
889 knowingly submits incorrect dispensing information of not more
890 than Ten Thousand Dollars (\$10,000.00) per violation. Any penalty
891 collected under this paragraph (v) shall be deposited into the
892 special fund of the State Pharmacy Board to support the operations
893 of the Prescription Monitoring Program (PMP);

926 sufficiently to warrant such modifications. The procedure for the
927 reinstatement of a license, registration or permit that is
928 suspended for being out of compliance with an order for support,
929 as defined in Section 93-11-153, shall be governed by Section

940 (5) When payment of a monetary penalty assessed and levied
941 by the board against a licensee, registrant or permit holder in
942 accordance with this section is not paid by the licensee,
943 registrant or permit holder when due under this section, the board
944 shall have the power to institute and maintain proceedings in its
945 name for enforcement of payment in the chancery court of the
946 county and judicial district of residence of the licensee,

950 Mississippi. When such proceedings are instituted, the board
951 shall certify the record of its proceedings, together with all
952 documents and evidence, to the chancery court and the matter shall
953 thereupon be heard in due course by the court, which shall review
954 the record and make its determination thereon. The hearing on the

955 matter may, in the discretion of the chancellor, be tried in
956 vacation.

957 (6) The board shall develop and implement a uniform penalty
958 policy which shall set the minimum and maximum penalty for any
959 given violation of board regulations and laws governing the
960 practice of pharmacy. The board shall adhere to its uniform
961 penalty policy except in such cases where the board specifically
962 finds, by majority vote, that a penalty in excess of, or less
963 than, the uniform penalty is appropriate. Such vote shall be
964 reflected in the minutes of the board and shall not be imposed
965 unless such appears as having been adopted by the board.

1481 any criminal prosecution arising from the incorrect product
1482 selection by a pharmacist.

1483 (2) Any person having knowledge relating to a pharmacist or

1487 from civil liability.

1488 (3) Any person furnishing information in the form of data,

1535 substantially as follows: "NOTICE: If you are harmed by

1590 Electronic Reporting Act of 2005 and in compliance with the
1591 federal HIPAA law, under the following conditions:

1592 (a) Submission or reporting of dispensing information
1593 shall be mandatory and required by the State Board of Pharmacy for

1610 (d) The program shall provide information regarding the
1611 potential inappropriate use of controlled substances and the
1612 specified noncontrolled substances to practitioners,
1613 pharmacists-in-charge and appropriate state agencies in order to

1621 those state and federal law enforcement and regulatory agencies
1622 investigating cases of drug diversion or other misuse; and inform
1623 the public and health care professionals of the use and abuse
1624 trends related to controlled substance and specified noncontrolled

1653 significant benefit to public health and safety. The board
1654 maintains the right to refuse any request for PMP data.

1655 (iv) A pharmacist licensed by the Mississippi

1721 board may discipline the manufacturer by providing that the
1722 manufacturer's products shall be ineligible for use in product
1723 selection in any state drug assistance programs.

1724 (4) A pharmacist may not dispense a prescription drug or

1727 of expired drugs.

1728 (5) Any manufacturer that had a repurchase program in place
1729 on January 1, 2008, shall be exempt from the provisions of this
1730 section, provided that the repurchase program makes provision for
