331 any gift of any nature, real or personal property, made by an  
332 individual by testamentary disposition, including, without  
333 limitation, any specific gift or bequeath made by will, trust or

349 for the program as disclosed in the ABLE trust agreement.

350 (7) The ABLE Trust Fund shall constitute a fund of an  
351 instrumentality of the state, and its property and income shall be

356 this article and shall not be loaned or otherwise transferred or  
357 used by the state for any other purpose.

369 law for such years. The earnings portion of any withdrawals from  
370 an account that are not qualified withdrawals, as well as any  
371 amounts included in such nonqualified withdrawals previously  
372 deducted from taxable income under this section, shall be included  
373 in the gross income of the recipient of the withdrawal for  
374 purposes of the Mississippi Income Tax Law in the year of such  
375 withdrawal.

376           **SECTION 8.** (1) The board has authority to establish a  
377 comprehensive investment plan for the purposes of this article, to

387 obligations of the state or any political subdivision of the state  
388 or in any business entity in the state.

389 Notwithstanding any state law to the contrary, the board  
390 shall invest or cause to be invested amounts on deposit in the  
391 ABLE Trust Fund, including the program account, in a manner

403 liquidation of any investment at any time. All investments shall  
404 be marked clearly to indicate ownership by the system and, to the  
405 extent possible, shall be registered in the name of the system.

406 (4) Subject to the terms, conditions, limitations and

412 other such services as determined by the board to be necessary for  
413 the effective and efficient operation of the system.

414 (5) Except as otherwise provided in this section, no trustee  
415 or employee of the board may have any direct or indirect interest  
416 in the income, gains or profits of any investment made by the  
417 board, and such person may not receive any pay or emolument for  
418 his services in connection with any investment made by the board.  
419 No trustee or employee of the board may become an endorser or  
420 surety or in any manner an obligor for money loaned by or borrowed  
421 from the system.

422 (6) Under the authority granted in Section 4, the board may  
423 establish criteria for investment managers, mutual funds or other

429 providing consolidated billing, individual and collective record  
430 keeping and accounting, and asset purchase, control and  
431 safekeeping.

432 (7) No account owner, contributor, payor or beneficiary may  
433 directly or indirectly direct the investment of any account except  
434 as may be permitted under Section 529 of the Internal Revenue Code  
435 of 1986, as amended.

436 (8) The board may approve different investment plans and  
437 options to be offered to participants to the extent permitted  
438 under Section 529 of the Internal Revenue Code of 1986, as  
439 amended, and consistent with the objectives of this article and  
440 may require the assistance of investment counseling before  
441 participation in different options.

442 **SECTION 9.** (1) On or before July 1, 2017, the Mississippi  
443 ABLE Board shall establish and administer the Mississippi ABLE  
444 Program. Before implementing the program, the board shall obtain  
445 a written opinion from counsel specializing in:

446 (a) Federal tax matters which indicate that the  
447 Mississippi ABLE Program is designed to comply with Section 529A  
448 of the Internal Revenue Code; and

449 (b) Federal securities law which indicate that the  
450 Mississippi ABLE Program and the offering of participation in the  
451 program are designed to comply with applicable federal securities  
452 law and qualify for the available tax exemptions under such law.

453 (2) The participation agreement must include provisions  
454 specifying that:

455 (a) The participation agreement is only a debt or  
456 obligation of the Mississippi ABLE Program and the ABLE Trust Fund

457 and, as provided under subsection (6) of this section, is not a  
458 debt or obligation of the state;

459 (b) Participation in the Mississippi ABLE Program does  
460 not guarantee that sufficient funds will be available to cover all  
461 qualified disability expenses for any designated beneficiary and  
462 does not guarantee the receipt or continuation of any product or  
463 service for the designated beneficiary;

464 (c) The designated beneficiary must be a resident of  
465 this state or a resident of a contracting state at the time the  
466 ABLE account is established;

467 (d) The establishment of an ABLE account in violation  
468 of federal law is prohibited;

469 (e) Contributions in excess of the limitations set  
470 forth in Section 529A of the Internal Revenue Code are prohibited;

471 (f) The state is a creditor of ABLE accounts as, and to  
472 the extent, set forth in Section 529A of the Internal Revenue  
473 Code; and

474 (g) Material misrepresentations by a party to the  
475 participation agreement, other than the board in the application  
476 for the participation agreement or in any communication with the  
477 board regarding the Mississippi ABLE Program may result in the  
478 involuntary liquidation of the ABLE account. If an account is  
479 involuntarily liquidated, the designated beneficiary is entitled  
480 to a refund, subject to any fees or penalties provided by the  
481 participation agreement and the Internal Revenue Code.

482           (3) The participation agreement may include provisions  
483 specifying:

484                   (a) The requirements and applicable restrictions for  
485 opening an ABLE account;

486                   (b) The eligibility requirements for a party to a  
487 participation agreement and the rights of the party;

488                   (c) The requirements and applicable restrictions for  
489 making contributions to an ABLE account;

490                   (d) The requirements and applicable restrictions for  
491 directing the investment of the contributions or balance of the  
492 ABLE account;

493                   (e) The administrative fee and other fees and penalties  
494 applicable to an ABLE account;

495                   (f) The terms and conditions under which an ABLE  
496 account or participation agreement may be modified, transferred or  
497 terminated;

498                   (g) The disposition of abandoned ABLE accounts; and

499                   (h) Any other terms and conditions determined to be  
500 necessary or proper.

501           (4) The participation agreement may be amended throughout  
502 its term for purposes that include, but are not limited to,  
503 allowing a participant to increase or decrease the level of  
504 participation and to change designated beneficiaries and other  
505 matters authorized by this section and Section 529A of the  
506 Internal Revenue Code.

507 (5) If an ABLE account is determined to be abandoned  
508 pursuant to rules adopted by the board, the Department of  
509 Rehabilitation Services, may use the balance of the account to  
510 operate the Mississippi ABLÉ Program.

511 (6) A contract or participation agreement entered into by or  
512 an obligation of Mississippi ABLÉ Board, on behalf of and for the  
513 benefit of the Mississippi ABLÉ Program does not constitute a debt  
514 or obligation of the state, but is only a debt or obligation of  
515 the Mississippi ABLÉ Program and the ABLÉ Trust Fund. The state  
516 does not have an obligation to a designated beneficiary or any  
517 other person as a result of the Mississippi ABLÉ Program. The  
518 obligation of the Mississippi ABLÉ Program is limited solely to  
519 amounts in the ABLÉ Trust Fund. All amounts obligated to be paid  
520 from the ABLÉ Trust Fund are limited to the amounts available for  
521 such obligation. The amounts held in the Mississippi ABLÉ Program  
522 may be disbursed only in accordance with this section.

523 (7) Notwithstanding any other provision of law, the  
524 Mississippi ABLÉ Board, acting through the ABLÉ Coordinator, may  
525 enter into an agreement with a contracting state which allows the  
526 board to participate under the design, operation, and rules of the  
527 contracting state's qualified ABLÉ program or which allows the  
528 contracting state to participate under the Mississippi ABLÉ  
529 Program.

530 (8) The Mississippi ABLÉ Program shall continue in existence  
531 until terminated by law. If the state determines that the program

532 is financially infeasible, the state may terminate the program.  
533 Upon termination, amounts in the ABLE Trust Fund held for  
534 designated beneficiaries shall be returned in accordance with the  
535 participation agreement.

536 (9) The state pledges to the designated beneficiaries that  
537 the state will not limit or alter their rights under this section  
538 which are vested in the Mississippi ABLE Program until the  
539 program's obligations are met and discharged. However, this  
540 subsection does not preclude such limitation or alteration if  
541 adequate provision is made by law for the protection of the  
542 designated beneficiaries pursuant to the obligations of the board,  
543 and does not preclude termination of the Mississippi ABLE Program  
544 if the state determines that the program is not financially  
545 feasible. This pledge and undertaking by the state may be  
546 included in participation agreements.

547 **SECTION 10.** (1) The board shall furnish, without charge, to  
548 each account owner an annual statement of the following:

549 (a) The amount contributed by the account owner under  
550 the savings trust agreement;

551 (b) The annual earnings and accumulated earnings on the  
552 savings trust account; and

553 (c) Any other terms and conditions that the board deems  
554 by rule is necessary or appropriate, including those necessary to  
555 conform the savings trust account with the requirements of Section

556 529 of the Internal Revenue Code of 1986, as amended, or other  
557 applicable federal law or regulations.

558 (2) The board shall furnish an additional statement  
559 complying with subsection (1) to an account owner or beneficiary  
560 on written request. The board may charge a reasonable fee for  
561 each statement furnished under this subsection.

562 (3) (a) On or before November 1, 2017, the board shall  
563 prepare a report on the status of the establishment of the  
564 Mississippi ABLE Program. The report must also include, if  
565 warranted, recommendations for statutory changes to enhance the  
566 effectiveness and efficiency of the program. The board shall  
567 submit copies of the report to the Governor, the Lieutenant  
568 Governor, the Speaker of the House of Representatives and to the  
569 Executive Director of the Department of Rehabilitation Services.

570 (b) The board shall prepare or cause to be prepared an  
571 annual report setting forth in appropriate detail an accounting of  
572 the funds and a description of the financial condition of the  
573 program at the close of each fiscal year. Such report shall be  
574 submitted to the Governor, the Lieutenant Governor, the Speaker of  
575 the House of Representatives and to the Executive Director of the  
576 Department of Rehabilitation Services. The accounts of the fund  
577 shall be subject to annual audits by the State Auditor or his  
578 designee.

579 **SECTION 11.** The Mississippi ABLE Board and the Executive  
580 Director of the Department of Rehabilitation Services, in

581 consultation with the Treasury Department, shall establish a  
582 comprehensive investment plan for the Mississippi ABLE Program.  
583 The comprehensive investment plan must specify the investment  
584 policies to be used by the board in its administration of the  
585 program. The board may place assets of the program in investment  
586 products and in such proportions as may be designated or approved  
587 in the comprehensive investment plan. Such products shall be  
588 underwritten and offered in compliance with the applicable federal  
589 and state laws or regulations or exemptions therefrom. A  
590 designated beneficiary may not direct the investment of any  
591 contributions to the Mississippi ABLE Program, unless specific  
592 fund options are offered by the board. Directors, officers, and  
593 employees of the Department of Rehabilitation Services, as well as  
594 the Mississippi ABLE Coordinator, employed to administer the  
595 program, may enter into participation agreements, notwithstanding  
596 their fiduciary responsibilities or official duties related to the  
597 Mississippi ABLE Program.

598       **SECTION 12.** Monies paid into or out of the ABLE Trust Fund  
599 by or on behalf of a designated beneficiary are exempt from all  
600 claims of creditors of the designated beneficiary if the  
601 participation agreement has not been terminated. Monies paid into  
602 the Mississippi ABLE Program and benefits accrued through the  
603 program may not be pledged for the purpose of securing a loan.

604       **SECTION 13.** (1) Upon the death of the designated  
605 beneficiary, the appropriate health care administration agency and

606 the Division of Medicaid for another state may file a claim with  
607 the Mississippi ABLE Program for the total amount of medical  
608 assistance provided for the designated beneficiary under the  
609 Medicaid program, less any premiums paid by or on behalf of the  
610 designated beneficiary to a Medicaid buy-in program. Funds in the  
611 ABLE account of the deceased designated beneficiary must first be  
612 distributed for qualified disability expenses followed by  
613 distributions for the Medicaid claim authorized under this  
614 paragraph. Any remaining amount shall be distributed as provided  
615 in the participation agreement required under Section 10 of this  
616 act.

617 (2) The Mississippi ABLE Coordinator, shall assist and  
618 cooperate with the appropriate health care administration agency  
619 and the Division of Medicaid in other states by providing the  
620 agency and divisions with the information needed to accomplish the  
621 purpose and objective of this section.

622 **SECTION 14.** The Mississippi Department of Health, the  
623 Department of Rehabilitation Services, the Division of Medicaid,  
624 the Department of Humans Services Division of Family and  
625 Children's Services and the State Department of Education shall  
626 assist, cooperate and coordinate with the Mississippi ABLE Board  
627 in the provision of public information and outreach for the  
628 Mississippi ABLE Program.

629 **SECTION 15.** The provisions of this article are severable.  
630 If any part of this article is declared invalid or

631 unconstitutional, such declaration shall not affect the parts of  
632 this article which remain.

633         **SECTION 16.** Section 27-7-15, Mississippi Code of 1972, is  
634 amended as follows:

635         27-7-15. (1) For the purposes of this article, except as  
636 otherwise provided, the term "gross income" means and includes the  
637 income of a taxpayer derived from salaries, wages, fees or  
638 compensation for service, of whatever kind and in whatever form  
639 paid, including income from governmental agencies and subdivisions  
640 thereof; or from professions, vocations, trades, businesses,  
641 commerce or sales, or renting or dealing in property, or  
642 reacquired property; also from annuities, interest, rents,  
643 dividends, securities, insurance premiums, reinsurance premiums,  
644 considerations for supplemental insurance contracts, or the  
645 transaction of any business carried on for gain or profit, or  
646 gains, or profits, and income derived from any source whatever and  
647 in whatever form paid. The amount of all such items of income  
648 shall be included in the gross income for the taxable year in  
649 which received by the taxpayer. The amount by which an eligible  
650 employee's salary is reduced pursuant to a salary reduction  
651 agreement authorized under Section 25-17-5 shall be excluded from  
652 the term "gross income" within the meaning of this article.

653         (2) In determining gross income for the purpose of this  
654 section, the following, under regulations prescribed by the  
655 commissioner, shall be applicable:

656           (a) **Dealers in property.** Federal rules, regulations  
657 and revenue procedures shall be followed with respect to  
658 installment sales unless a transaction results in the shifting of  
659 income from inside the state to outside the state.

660           (b) **Casual sales of property.**

661                 (i) Prior to January 1, 2001, federal rules,  
662 regulations and revenue procedures shall be followed with respect  
663 to installment sales except they shall be applied and administered  
664 as if H.R. 3594, the Installment Tax Correction Act of 2000 of the  
665 106th Congress, had not been enacted. This provision will  
666 generally affect taxpayers, reporting on the accrual method of  
667 accounting, entering into installment note agreements on or after  
668 December 17, 1999. Any gain or profit resulting from the casual  
669 sale of property will be recognized in the year of sale.

670                 (ii) From and after January 1, 2001, federal  
671 rules, regulations and revenue procedures shall be followed with  
672 respect to installment sales except as provided in this  
673 subparagraph (ii). Gain or profit from the casual sale of  
674 property shall be recognized in the year of sale. When a taxpayer  
675 recognizes gain on the casual sale of property in which the gain  
676 is deferred for federal income tax purposes, a taxpayer may elect  
677 to defer the payment of tax resulting from the gain as allowed and  
678 to the extent provided under regulations prescribed by the  
679 commissioner. If the payment of the tax is made on a deferred  
680 basis, the tax shall be computed based on the applicable rate for

681 the income reported in the year the payment is made. Except as  
682 otherwise provided in subparagraph (iii) of this paragraph (b),  
683 deferring the payment of the tax shall not affect the liability  
684 for the tax. If at any time the installment note is sold,  
685 contributed, transferred or disposed of in any manner and for any  
686 purpose by the original note holder, or the original note holder  
687 is merged, liquidated, dissolved or withdrawn from this state,  
688 then all deferred tax payments under this section shall  
689 immediately become due and payable.

690 (iii) If the selling price of the property is  
691 reduced by any alteration in the terms of an installment note,  
692 including default by the purchaser, the gain to be recognized is  
693 recomputed based on the adjusted selling price in the same manner  
694 as for federal income tax purposes. The tax on this amount, less  
695 the previously paid tax on the recognized gain, is payable over  
696 the period of the remaining installments. If the tax on the  
697 previously recognized gain has been paid in full to this state,  
698 the return on which the payment was made may be amended for this  
699 purpose only. The statute of limitations in Section 27-7-49 shall  
700 not bar an amended return for this purpose.

701 (c) **Reserves of insurance companies.** In the case of  
702 insurance companies, any amounts in excess of the legally required  
703 reserves shall be included as gross income.

704 (d) **Affiliated companies or persons.** As regards sales,  
705 exchanges or payments for services from one to another of

706 affiliated companies or persons or under other circumstances where  
707 the relation between the buyer and seller is such that gross  
708 proceeds from the sale or the value of the exchange or the payment  
709 for services are not indicative of the true value of the subject  
710 matter of the sale, exchange or payment for services, the  
711 commissioner shall prescribe uniform and equitable rules for  
712 determining the true value of the gross income, gross sales,  
713 exchanges or payment for services, or require consolidated returns  
714 of affiliates.

715           (e) **Alimony and separate maintenance payments.** The  
716 federal rules, regulations and revenue procedures in determining  
717 the deductibility and taxability of alimony payments shall be  
718 followed in this state.

719           (f) **Reimbursement for expenses of moving.** There shall  
720 be included in gross income (as compensation for services) any  
721 amount received or accrued, directly or indirectly, by an  
722 individual as a payment for or reimbursement of expenses of moving  
723 from one residence to another residence which is attributable to  
724 employment or self-employment.

725           (3) In the case of taxpayers other than residents, gross  
726 income includes gross income from sources within this state.

727           (4) The words "gross income" do not include the following  
728 items of income which shall be exempt from taxation under this  
729 article:

730 (a) The proceeds of life insurance policies and  
731 contracts paid upon the death of the insured. However, the income  
732 from the proceeds of such policies or contracts shall be included  
733 in the gross income.

734 (b) The amount received by the insured as a return of  
735 premium or premiums paid by him under life insurance policies,  
736 endowment, or annuity contracts, either during the term or at  
737 maturity or upon surrender of the contract.

738 (c) The value of property acquired by gift, bequest,  
739 devise or descent, but the income from such property shall be  
740 included in the gross income.

741 (d) Interest upon the obligations of the United States  
742 or its possessions, or securities issued under the provisions of  
743 the Federal Farm Loan Act of 1916, or bonds issued by the War  
744 Finance Corporation, or obligations of the State of Mississippi or  
745 political subdivisions thereof.

746 (e) The amounts received through accident or health  
747 insurance as compensation for personal injuries or sickness, plus  
748 the amount of any damages received for such injuries or such  
749 sickness or injuries, or through the War Risk Insurance Act, or  
750 any law for the benefit or relief of injured or disabled members  
751 of the military or naval forces of the United States.

752 (f) Income received by any religious denomination or by  
753 any institution or trust for moral or mental improvements,  
754 religious, Bible, tract, charitable, benevolent, fraternal,

755 missionary, hospital, infirmary, educational, scientific,  
756 literary, library, patriotic, historical or cemetery purposes or  
757 for two (2) or more of such purposes, if such income be used  
758 exclusively for carrying out one or more of such purposes.

759 (g) Income received by a domestic corporation which is  
760 "taxable in another state" as this term is defined in this  
761 article, derived from business activity conducted outside this  
762 state. Domestic corporations taxable both within and without the  
763 state shall determine Mississippi income on the same basis as  
764 provided for foreign corporations under the provisions of this  
765 article.

766 (h) In case of insurance companies, there shall be  
767 excluded from gross income such portion of actual premiums  
768 received from an individual policyholder as is paid back or  
769 credited to or treated as an abatement of premiums of such  
770 policyholder within the taxable year.

771 (i) Income from dividends that has already borne a tax  
772 as dividend income under the provisions of this article, when such  
773 dividends may be specifically identified in the possession of the  
774 recipient.

775 (j) Amounts paid by the United States to a person as  
776 added compensation for hazardous duty pay as a member of the Armed  
777 Forces of the United States in a combat zone designated by  
778 Executive Order of the President of the United States.

779           (k) Amounts received as retirement allowances,  
780 pensions, annuities or optional retirement allowances paid under  
781 the federal Social Security Act, the Railroad Retirement Act, the  
782 Federal Civil Service Retirement Act, or any other retirement  
783 system of the United States government, retirement allowances paid  
784 under the Mississippi Public Employees' Retirement System,  
785 Mississippi Highway Safety Patrol Retirement System or any other  
786 retirement system of the State of Mississippi or any political  
787 subdivision thereof. The exemption allowed under this paragraph  
788 (k) shall be available to the spouse or other beneficiary at the  
789 death of the primary retiree.

790           (l) Amounts received as retirement allowances,  
791 pensions, annuities or optional retirement allowances paid by any  
792 public or governmental retirement system not designated in  
793 paragraph (k) or any private retirement system or plan of which  
794 the recipient was a member at any time during the period of his  
795 employment. Amounts received as a distribution under a Roth  
796 Individual Retirement Account shall be treated in the same manner  
797 as provided under the Internal Revenue Code of 1986, as amended.  
798 The exemption allowed under this paragraph (l) shall be available  
799 to the spouse or other beneficiary at the death of the primary  
800 retiree.

801           (m) National Guard or Reserve Forces of the United  
802 States compensation not to exceed the aggregate sum of Five  
803 Thousand Dollars (\$5,000.00) for any taxable year through the 2005

804 taxable year, and not to exceed the aggregate sum of Fifteen  
805 Thousand Dollars (\$15,000.00) for any taxable year thereafter.

806 (n) Compensation received for active service as a  
807 member below the grade of commissioned officer and so much of the

810 Forces of the United States for any month during any part of which  
811 such members of the Armed Forces (i) served in a combat zone as  
812 designated by Executive Order of the President of the United  
813 States or a qualified hazardous duty area as defined by federal  
814 law, or both; or (ii) was hospitalized as a result of wounds,  
815 disease or injury incurred while serving in such combat zone. For  
816 the purposes of this paragraph (n), the term "maximum enlisted  
817 amount" means and has the same definition as that term has in 26  
818 USCS 112.

820 forestry incentive programs.

821 (p) The amount representing the difference between the

824 income from export sales was highest, and the net increase in  
825 expenses attributable to such increased exports. In the absence  
826 of direct accounting, the ratio of net profits to total sales may  
827 be applied to the increase in export sales. This paragraph (p)  
828 shall only apply to businesses located in this state engaging in

829 the international export of Mississippi goods and services. Such  
830 goods or services shall have at least fifty percent (50%) of value  
831 added at a location in Mississippi.

836 and any interest accrued thereon, that is a part of a medical

838 Account Act under Sections 71-9-1 through 71-9-9; provided,  
839 however, that any amount withdrawn from such account for purposes  
840 other than paying eligible medical expense or to procure health  
841 coverage shall be included in gross income.

842 (s) Amounts paid by the Mississippi Soil and Water  
843 Conservation Commission from the Mississippi Soil and Water  
844 Cost-Share Program for the installation of water quality best  
845 management practices.

859 member where the related member subject to tax under this chapter  
860 was required to, and did in fact, add back the expense of such  
861 transactions as required by Section 27-7-17(2). Under no  
862 circumstances may the exclusion from income exceed the deduction  
863 add-back of the related member, nor shall the exclusion apply to  
864 any income otherwise excluded under this chapter.

865 (x) Amounts that are subject to the tax levied pursuant  
866 to Section 27-7-901, and are paid to patrons by gaming
