6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

7 **SECTION 1.** Section 99-19-51, Mississippi Code of 1972, is  
8 amended as follows:

9 99-19-51. (1) The manner of inflicting the punishment of  
10 death shall be by continuous intravenous administration of a  
11 lethal quantity of an ultra short-acting barbiturate or other  
12 similar drug in combination with a chemical paralytic agent until  
13 death is pronounced by the county coroner where the execution  
14 takes place or by a licensed physician according to accepted  
15 standards of medical practice.

16 (2) The Commissioner of the Department of Corrections shall  
17 select an execution team to assist the executioner and his  
18 deputies. This team, including the state executioner and his  
19 deputies who are responsible for the administration of lethal

22 lethal chemicals. This team shall also include those individuals  
23 involved in assisting in the execution in any capacity, as well as  
24 those personnel assigned to specific duties related to an  
25 execution.

26 For the purposes of this section, "supplier of lethal  
27 injection chemicals" means a supplier or suppliers of lethal  
28 injection chemicals located within the State of Mississippi.

29 The identities of all members of the execution team, a  
30 supplier of lethal injection chemicals, and the identities of  
31 those witnesses listed in Section 99-19-55(2) who attend as  
32 members of the victim's or the condemned person's immediate family  
33 shall at all times remain confidential, and the information is  
34 exempt from disclosure under the provisions of the Mississippi  
35 Public Records Act of 1983.

36 Notwithstanding any provision of law to the contrary, any  
37 portion of any record of any kind that could identify a person as  
38 being a current or former member of an execution team or a current  
39 or former supplier of lethal injection chemicals, or those  
40 witnesses listed in Section 99-19-55(2), shall be privileged and  
41 shall only be subject to discovery, subpoena, or other means of  
42 legal compulsion for disclosure by order of a court of competent  
43 jurisdiction, and the remainder of the record shall not be  
44 privileged or closed unless protected from disclosure by law.

45 A person may not knowingly disclose the identity of a current  
46 or former member of an execution team, a current or former  
47 supplier of lethal injection chemicals, or witness who wishes to  
48 remain confidential, or disclose any record of any kind knowing  
49 that it could identify a person as being a current or former  
50 member of an execution team, current or former supplier of lethal  
51 injection chemicals or confidential witness. Any person whose  
52 identity is disclosed in violation of this section shall:

53 (a) Have a civil cause of action against a person who  
54 violates this section;

56 (i) Actual damages; and

57 (ii) Punitive damages on a showing of a willful  
58 violation of this section.

59 Notwithstanding any provision of law to the contrary, if a  
60 member of the execution team or supplier of lethal injection  
61 chemicals is licensed by a board or department, the licensing  
62 board or department shall not censure, reprimand, suspend, revoke,  
63 or take any other disciplinary action against the person's license  
64 because the person participated in a lawful execution. Any person  
65 or institution assisting with or participating in carrying out an  
66 execution in accordance with this statute shall be presumed to be  
67 acting in good faith. Any person or institution acting in good  
68 faith in connection with carrying out an execution shall be immune  
69 from any liability, civil or criminal, that might otherwise be

70 incurred or imposed. All members of the execution team perform  
71 their respective functions as official duties on behalf of the  
72 state or any agency of the state. A supplier of lethal injection  
73 chemicals located within the State of Mississippi shall also be
