316 Section 529A of the Internal Revenue Code of 1986, as amended, and  
317 any other applicable federal law.

324 deposit in his or her account with the Mississippi ABLE Program up  
325 to the date of withdrawal of qualified disability expense  
326 transactions. Earnings derived from investment of the  
327 contributions shall be considered to be held in trust in the same  
328 manner as contributions, except as applied for purposes of  
329 maintaining and administering the program as provided in this  
330 act. Amounts on deposit in an account owner's account shall be

331 available for expenses and penalties imposed by the board for the  
332 program as disclosed in the ABLE participation agreement.

334 invested and expended solely pursuant to and for the purposes of  
335 this act and shall not be loaned or otherwise transferred or used  
336 by the state for any other purpose.

338 Fund, as an instrumentality of the state, is exempt from all

341 account may deduct from their Mississippi taxable income any  
342 contributions or payments to an account or accounts in the ABLE  
343 Trust Fund up to a maximum annual amount limit established by  
344 congress for such accounts for single, joint and other filers.  
345 Contributions or payments for such tax years may be made after  
346 such calendar years but before the deadline for making  
347 contributions to an individual retirement account under federal  
348 law for such years. The earnings portion of any withdrawals from  
349 an account that are not qualified withdrawals, as well as any  
350 amounts included in such nonqualified withdrawals previously  
351 deducted from taxable income under this section, shall be included  
352 in the gross income of the recipient of the withdrawal for  
353 purposes of the Mississippi Income Tax Law in the year of such  
354 withdrawal.

355           (3) Additionally, the participation of any Mississippi  
356 resident in the Mississippi ABLE Program or any other qualified  
357 ABLE program shall not preclude the resident from receiving any  
358 benefit or assistance provided by the State of Mississippi for  
359 which they are eligible. Funds in an individual's Mississippi  
360 ABLE account or any other ABLE account shall be exempt from any  
361 consideration when any agency or subdivision of the state is  
362 determining an individual's eligibility for state-provided  
363 assistance. Likewise, any tangible assets purchased with  
364 Mississippi ABLE account funds or any other ABLE account funds  
365 that are not otherwise disqualified as a countable resource of a  
366 program participant shall be exempt from consideration when  
367 determining the person's eligibility provided by the state, to the  
368 extent allowable under federal law.

372 obligation, security or property that constitutes legal  
373 investments for public funds in the state, and to name and use  
374 depositories for its investments and holdings. The comprehensive  
375 investment plan shall specify the investment policies to be  
376 utilized by the board in its administration of the funds. The  
377 board may authorize investments in any investment vehicle  
378 authorized for the Mississippi Achieving a Better Life Experience  
379 Program.

380 (2) All investments shall be acquired by the board at prices  
381 not exceeding the prevailing market values for such securities and  
382 shall be marked clearly to indicate ownership by the system and,  
383 to the extent possible, shall be registered in the name of the  
384 system.

385 (3) Except as otherwise provided in this section, no trustee  
386 or employee of the board may have any direct or indirect interest  
387 in the income, gains or profits of any investment made by the  
388 board, and such person may not receive any pay or emolument for  
389 his services in connection with any investment made by the board.  
390 No trustee or employee of the board may become an endorser or  
391 surety or in any manner an obligor for money loaned by or borrowed  
392 from the system.

393 (4) Under the authority granted in Section 5, the board may  
394 establish criteria for investment managers, mutual funds or other  
395 such entities to act as contractors or consultants to the board.  
396 The board may contract, either directly or through such  
397 contractors or consultants, to provide such services as may be a  
398 part of the comprehensive investment plan or as may be deemed  
399 necessary or proper by the board, including, but not limited to,  
400 providing consolidated billing, individual and collective record  
401 keeping and accounting, and asset purchase, control and  
402 safekeeping.

404 indirectly direct the investment of any account except as may be

405 permitted under Section 529A of the Internal Revenue Code of 1986,  
406 as amended.

407       **SECTION 9.** (1) On or before July 1, 2018, the Mississippi  
408 ABLE Board shall establish and administer the Mississippi ABLE  
409 Program or shall enter into a contractual relationship or into a  
410 consortium with another state or states to provide qualifying  
411 Mississippi residents access to enrollment in an operating ABLE  
412 program. Before implementing the program, the board shall obtain  
413 a written opinion from counsel specializing in:

414               (a) Federal tax matters which indicate that the  
415 Mississippi ABLE Program is designed to comply with Section 529A  
416 of the Internal Revenue Code; and

418 Mississippi ABLE Program and the offering of participation in the  
419 program are designed to comply with applicable federal securities  
420 law and qualify for the available tax exemptions under such law.

421       (2) The Mississippi ABLE Account participation agreement  
422 must include provisions specifying that:

423               (a) The participation agreement is only an obligation  
424 of the Mississippi ABLE Program and the ABLE Trust Fund and is not  
425 an obligation of the state;

426               (b) Participation in the Mississippi ABLE Program does  
427 not guarantee that sufficient funds will be available to cover all  
428 qualified disability expenses for any designated beneficiary and

429 does not guarantee the receipt or continuation of any product or  
430 service for the designated beneficiary;

431 (c) The designated beneficiary must be a resident of  
432 this state or a resident of a contracting or consortium state at  
433 the time the ABLE account is established;

434 (d) The establishment of an ABLE account in violation  
435 of federal law is prohibited;

436 (e) Contributions in excess of the limitations set  
437 forth in Section 529A of the Internal Revenue Code are prohibited;

438 (f) The state is a creditor of ABLE accounts as, and to  
439 the extent, set forth in Section 529A of the Internal Revenue  
440 Code; and

441 (g) Material misrepresentations by a party to the  
442 participation agreement, other than the board in the application  
443 for the participation agreement or in any communication with the  
444 board regarding the Mississippi ABLE Program may result in the  
445 involuntary liquidation of the ABLE account. If an account is  
446 involuntarily liquidated, the designated beneficiary is entitled  
447 to a refund, subject to any fees or penalties provided by the  
448 participation agreement and the Internal Revenue Code.

449 (3) The participation agreement may include provisions  
450 specifying:

451 (a) The requirements and applicable restrictions for  
452 opening an ABLE account;

453 (b) The eligibility requirements for a party to a  
454 participation agreement and the rights of the party;

455 (c) The requirements and applicable restrictions for  
456 making contributions to an ABLE account;

457 (d) The requirements and applicable restrictions for

467 necessary or proper to conform the participation agreement with  
468 the requirements of Section 529A of the Internal Revenue Code.

469 (4) The participation agreement may be amended throughout  
470 its term for purposes that include, but are not limited to,  
471 allowing a participant to increase or decrease the level of  
472 participation and to change designated beneficiaries and other  
473 matters authorized by this section and Section 529A of the  
474 Internal Revenue Code.

475 (5) Notwithstanding any other provision of law, the  
476 Mississippi ABLE Board, acting through the ABLE Coordinator, may  
477 enter into an agreement with contracting states which either allow

478 Mississippi residents to participate under the design, operation,  
479 and rules of a contracting state's qualified ABLE program or which  
480 allows residents of a participating contracting state to  
481 participate under the Mississippi ABLE Program.

482 (6) The Mississippi ABLE Program shall continue in existence  
483 until terminated by law. If the Mississippi ABLE Board determines  
484 that the program is financially infeasible, the board shall submit  
485 its recommendation, in the form of a feasibility report, to the  
486 Legislature to terminate the program.

487 **SECTION 10.** (1) The board shall furnish, without charge, to  
488 each account owner an annual statement of the following:

489 (a) The amount contributed by the account owner under  
490 the participation agreement;

491 (b) The annual earnings and accumulated earnings on the  
492 ABLE account; and

493 (c) Any other terms and conditions that the board deems  
494 by rule is necessary or appropriate, including those necessary to  
495 conform the savings trust account with the requirements of Section  
496 529 of the Internal Revenue Code of 1986, as amended, or other  
497 applicable federal law or regulations.

498 (2) The board shall furnish an additional statement  
499 complying with subsection (1) to an account owner or beneficiary  
500 on written request. The board may charge a reasonable fee for  
501 each statement furnished under this subsection.

502 (3) (a) On or before November 1, 2018, the board shall  
503 prepare a report on the status of the establishment of the  
504 Mississippi ABLE Program. The report must also include, if  
505 warranted, recommendations for statutory changes to enhance the  
506 effectiveness and efficiency of the program. The board shall  
507 submit copies of the report to the Governor, the Lieutenant  
508 Governor, the Speaker of the House of Representatives, the State  
509 Treasurer and to the Executive Director of the Department of  
510 Rehabilitation Services.

511 (b) The board, in its discretion as to frequency, shall  
512 cause to be prepared annual reports setting forth in appropriate  
513 detail an accounting of the funds and a description of the  
514 financial condition of the program, which shall be submitted no  
515 later than ninety (90) days after the end of each fiscal year.  
516 Such report shall be submitted to the Governor, the Lieutenant  
517 Governor, the Speaker of the House of Representatives, the State  
518 Treasurer and to the Executive Director of the Department of  
519 Rehabilitation Services. The accounts of the fund shall be  
520 subject to annual audits by the State Auditor or his designee.

521 **SECTION 11.** Monies paid into or expended out of the ABLE  
522 Trust Fund by or on behalf of a designated beneficiary are exempt  
523 from all claims of creditors of the designated beneficiary if the  
524 participation agreement has not been terminated. Monies paid into  
525 the Mississippi ABLE Program and benefits accrued through the  
526 program may not be pledged for the purpose of securing a loan.

527           **SECTION 12.** (1) Upon the death of the designated  
528 beneficiary, the appropriate health care administration agency and  
529 the Division of Medicaid of another state in which the beneficiary  
530 received services may file a claim with the Mississippi ABLE  
531 Program for the total amount of medical assistance provided for  
532 the designated beneficiary under the Medicaid program since the  
533 inception of the Mississippi ABLE account, less any premiums paid  
534 by or on behalf of the designated beneficiary to a Medicaid buy-in  
535 program. Funds in the ABLE account of the deceased designated  
536 beneficiary must first be distributed for qualified disability  
537 expenses followed by distributions for the Medicaid claim  
538 authorized under this paragraph. Any remaining amount shall be  
539 distributed as provided in the participation agreement required  
540 under Section 10 of this act.

541           (2) The Mississippi ABLE Coordinator shall assist and  
542 cooperate with the appropriate health care administration agency  
543 and the Division of Medicaid in other states which have provided  
544 services to a Mississippi ABLE account beneficiary, by providing  
545 the agency and divisions with the information needed to accomplish  
546 the purpose and objective of this section.

547           **SECTION 13.** The Mississippi Department of Health, the  
548 Department of Rehabilitation Services, the Division of Medicaid,  
549 the Department of Child Protection Services and the State  
550 Department of Education shall assist, cooperate and coordinate

551 with the Mississippi ABLE Board in the provision of public  
552 information and outreach for the Mississippi ABLE Program.

553 **SECTION 14.** The provisions of this act are severable. If  
554 any part of this act is declared invalid or unconstitutional, such  
555 declaration shall not affect the parts of this act which remain.

556 **SECTION 15.** Section 27-7-15, Mississippi Code of 1972, is  
557 amended as follows:

558 27-7-15. (1) For the purposes of this article, except as  
559 otherwise provided, the term "gross income" means and includes the  
560 income of a taxpayer derived from salaries, wages, fees or  
561 compensation for service, of whatever kind and in whatever form  
562 paid, including income from governmental agencies and subdivisions  
563 thereof; or from professions, vocations, trades, businesses,  
564 commerce or sales, or renting or dealing in property, or  
565 reacquired property; also from annuities, interest, rents,  
566 dividends, securities, insurance premiums, reinsurance premiums,  
567 considerations for supplemental insurance contracts, or the  
568 transaction of any business carried on for gain or profit, or  
569 gains, or profits, and income derived from any source whatever and  
570 in whatever form paid. The amount of all such items of income  
571 shall be included in the gross income for the taxable year in  
572 which received by the taxpayer. The amount by which an eligible  
573 employee's salary is reduced pursuant to a salary reduction  
574 agreement authorized under Section 25-17-5 shall be excluded from  
575 the term "gross income" within the meaning of this article.

576 (2) In determining gross income for the purpose of this  
577 section, the following, under regulations prescribed by the  
578 commissioner, shall be applicable:

579 (a) **Dealers in property.** Federal rules, regulations  
580 and revenue procedures shall be followed with respect to  
581 installment sales unless a transaction results in the shifting of  
582 income from inside the state to outside the state.

583 (b) **Casual sales of property.**

584 (i) Prior to January 1, 2001, federal rules,  
585 regulations and revenue procedures shall be followed with respect  
586 to installment sales except they shall be applied and administered  
587 as if H.R. 3594, the Installment Tax Correction Act of 2000 of the  
588 106th Congress, had not been enacted. This provision will  
589 generally affect taxpayers, reporting on the accrual method of  
590 accounting, entering into installment note agreements on or after  
591 December 17, 1999. Any gain or profit resulting from the casual  
592 sale of property will be recognized in the year of sale.

593 (ii) From and after January 1, 2001, federal  
594 rules, regulations and revenue procedures shall be followed with  
595 respect to installment sales except as provided in this  
596 subparagraph (ii). Gain or profit from the casual sale of  
597 property shall be recognized in the year of sale. When a taxpayer  
598 recognizes gain on the casual sale of property in which the gain  
599 is deferred for federal income tax purposes, a taxpayer may elect  
600 to defer the payment of tax resulting from the gain as allowed and

601 to the extent provided under regulations prescribed by the  
602 commissioner. If the payment of the tax is made on a deferred  
603 basis, the tax shall be computed based on the applicable rate for  
604 the income reported in the year the payment is made. Except as  
605 otherwise provided in subparagraph (iii) of this paragraph (b),  
606 deferring the payment of the tax shall not affect the liability  
607 for the tax. If at any time the installment note is sold,  
608 contributed, transferred or disposed of in any manner and for any  
609 purpose by the original note holder, or the original note holder  
610 is merged, liquidated, dissolved or withdrawn from this state,  
611 then all deferred tax payments under this section shall  
612 immediately become due and payable.

613 (iii) If the selling price of the property is  
614 reduced by any alteration in the terms of an installment note,  
615 including default by the purchaser, the gain to be recognized is  
616 recomputed based on the adjusted selling price in the same manner  
617 as for federal income tax purposes. The tax on this amount, less  
618 the previously paid tax on the recognized gain, is payable over  
619 the period of the remaining installments. If the tax on the  
620 previously recognized gain has been paid in full to this state,  
621 the return on which the payment was made may be amended for this  
622 purpose only. The statute of limitations in Section 27-7-49 shall  
623 not bar an amended return for this purpose.

624           (c) **Reserves of insurance companies.** In the case of  
625 insurance companies, any amounts in excess of the legally required  
626 reserves shall be included as gross income.

627           (d) **Affiliated companies or persons.** As regards sales,  
628 exchanges or payments for services from one to another of  
629 affiliated companies or persons or under other circumstances where  
630 the relation between the buyer and seller is such that gross  
631 proceeds from the sale or the value of the exchange or the payment  
632 for services are not indicative of the true value of the subject  
633 matter of the sale, exchange or payment for services, the  
634 commissioner shall prescribe uniform and equitable rules for  
635 determining the true value of the gross income, gross sales,  
636 exchanges or payment for services, or require consolidated returns  
637 of affiliates.

638           (e) **Alimony and separate maintenance payments.** The  
639 federal rules, regulations and revenue procedures in determining  
640 the deductibility and taxability of alimony payments shall be  
641 followed in this state.

642           (f) **Reimbursement for expenses of moving.** There shall  
643 be included in gross income (as compensation for services) any  
644 amount received or accrued, directly or indirectly, by an  
645 individual as a payment for or reimbursement of expenses of moving  
646 from one residence to another residence which is attributable to  
647 employment or self-employment.

648 (3) In the case of taxpayers other than residents, gross  
649 income includes gross income from sources within this state.

650 (4) The words "gross income" do not include the following  
651 items of income which shall be exempt from taxation under this  
652 article:

653 (a) The proceeds of life insurance policies and  
654 contracts paid upon the death of the insured. However, the income  
655 from the proceeds of such policies or contracts shall be included  
656 in the gross income.

657 (b) The amount received by the insured as a return of  
658 premium or premiums paid by him under life insurance policies,  
659 endowment, or annuity contracts, either during the term or at  
660 maturity or upon surrender of the contract.

661 (c) The value of property acquired by gift, bequest,  
662 devise or descent, but the income from such property shall be  
663 included in the gross income.

664 (d) Interest upon the obligations of the United States  
665 or its possessions, or securities issued under the provisions of  
666 the Federal Farm Loan Act of 1916, or bonds issued by the War  
667 Finance Corporation, or obligations of the State of Mississippi or  
668 political subdivisions thereof.

669 (e) The amounts received through accident or health  
670 insurance as compensation for personal injuries or sickness, plus  
671 the amount of any damages received for such injuries or such  
672 sickness or injuries, or through the War Risk Insurance Act, or

673 any law for the benefit or relief of injured or disabled members  
674 of the military or naval forces of the United States.

675 (f) Income received by any religious denomination or by  
676 any institution or trust for moral or mental improvements,  
677 religious, Bible, tract, charitable, benevolent, fraternal,  
678 missionary, hospital, infirmary, educational, scientific,  
679 literary, library, patriotic, historical or cemetery purposes or  
680 for two (2) or more of such purposes, if such income be used  
681 exclusively for carrying out one or more of such purposes.

682 (g) Income received by a domestic corporation which is  
683 "taxable in another state" as this term is defined in this  
684 article, derived from business activity conducted outside this  
685 state. Domestic corporations taxable both within and without the  
686 state shall determine Mississippi income on the same basis as  
687 provided for foreign corporations under the provisions of this  
688 article.

689 (h) In case of insurance companies, there shall be  
690 excluded from gross income such portion of actual premiums  
691 received from an individual policyholder as is paid back or  
692 credited to or treated as an abatement of premiums of such  
693 policyholder within the taxable year.

694 (i) Income from dividends that has already borne a tax  
695 as dividend income under the provisions of this article, when such  
696 dividends may be specifically identified in the possession of the  
697 recipient.

698 (j) Amounts paid by the United States to a person as  
699 added compensation for hazardous duty pay as a member of the Armed  
700 Forces of the United States in a combat zone designated by  
701 Executive Order of the President of the United States.

702 (k) Amounts received as retirement allowances,  
703 pensions, annuities or optional retirement allowances paid under  
704 the federal Social Security Act, the Railroad Retirement Act, the  
705 Federal Civil Service Retirement Act, or any other retirement  
706 system of the United States government, retirement allowances paid  
707 under the Mississippi Public Employees' Retirement System,  
708 Mississippi Highway Safety Patrol Retirement System or any other  
709 retirement system of the State of Mississippi or any political  
710 subdivision thereof. The exemption allowed under this paragraph  
711 (k) shall be available to the spouse or other beneficiary at the  
712 death of the primary retiree.

713 (l) Amounts received as retirement allowances,  
714 pensions, annuities or optional retirement allowances paid by any  
715 public or governmental retirement system not designated in  
716 paragraph (k) or any private retirement system or plan of which  
717 the recipient was a member at any time during the period of his  
718 employment. Amounts received as a distribution under a Roth  
719 Individual Retirement Account shall be treated in the same manner  
720 as provided under the Internal Revenue Code of 1986, as amended.  
721 The exemption allowed under this paragraph (l) shall be available

722 to the spouse or other beneficiary at the death of the primary  
723 retiree.

728 Thousand Dollars (\$15,000.00) for any taxable year thereafter.

729 (n) Compensation received for active service as a

733 Forces of the United States for any month during any part of which  
734 such members of the Armed Forces (i) served in a combat zone as  
735 designated by Executive Order of the President of the United  
736 States or a qualified hazardous duty area as defined by federal  
737 law, or both; or (ii) was hospitalized as a result of wounds,  
738 disease or injury incurred while serving in such combat zone. For  
739 the purposes of this paragraph (n), the term "maximum enlisted

741 USCS 112.

747 income from export sales was highest, and the net increase in  
748 expenses attributable to such increased exports. In the absence  
749 of direct accounting, the ratio of net profits to total sales may  
750 be applied to the increase in export sales. This paragraph (p)  
751 shall only apply to businesses located in this state engaging in

785 circumstances may the exclusion from income exceed the deduction  
786 add-back of the related member, nor shall the exclusion apply to  
787 any income otherwise excluded under this chapter.

788 (x) Amounts that are subject to the tax levied pursuant  
789 to Section 27-7-901, and are paid to patrons by gaming

972 incurred for the purpose of directly purchasing tax-free bonds and  
973 does not apply to any other indebtedness incurred in the regular

995 worthless and charged off during the taxable year, if sustained in

996 the conduct of the regular trade or business of the taxpayer;  
997 provided, that such losses shall be allowed only when the taxpayer  
998 has reported as income, on the accrual basis, the amount of such  
999 debt or account.

1001 exhaustion, wear and tear of property used in the trade or  
1002 business, or rental property, and depreciation upon buildings

1014 provided in paragraph (p) of this subsection or subsection (3) (a)  
1015 of this section for individuals, contributions or gifts made by  
1016 corporations within the taxable year to corporations,  
1017 organizations, associations or institutions, including Community

1026 commissioner, with the approval of the Governor. Contributions  
1027 made in any form other than cash shall be allowed as a deduction,

1040 Contributions made by an employer to a plan or a trust forming  
1041 part of a pension plan, stock bonus plan, disability or  
1042 death-benefit plan, or profit-sharing plan of such employer for  
1043 the exclusive benefit of some or all of his, their, or its  
1044 employees, or their beneficiaries, shall be deductible from his,  
1045 their, or its income only to the extent that, and for the taxable

1073 taxable year of the loss. If the net operating loss for any
