38 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

39 **SECTION 1.** The title of Sections 1 through 6 of this chapter
40 shall be known and may be cited as the "Pre-election Day Voting
41 Act."

42 **SECTION 2.** For purposes of this act, these words will have
43 the following meanings, unless their context clearly suggests
44 otherwise:

45 (a) "Election" means the period of time that is
46 available for casting a final vote. References to the time of an
47 election or the duration of the election shall encompass, unless
48 the context clearly indicates otherwise, the fourteen (14) day
49 period that has been designed for pre-election day voting.

50 (b) "Polling place" or "voting precinct" means any
51 place that a qualified elector votes during the pre-election day
52 voting period and on the actual election day.

53 **SECTION 3.** (1) The pre-election day voting period shall
54 begin fourteen (14) days before the date of each primary, general,
55 runoff, special and municipal election for public office and
56 continue until 12:00 p.m. on the Saturday immediately preceding
57 the election day. Any qualified elector may vote during the times
58 established for pre-election day voting in this chapter in the
59 office of the registrar in which the elector is registered to
60 vote.

61 (2) Pre-election day voting shall be conducted in the office
62 of the appropriate registrar during regular business hours.
63 During the last full week preceding an election, the office of the
64 appropriate registrar may extend the office hours to accommodate
65 pre-election day voters to allow voting during the lunch period
66 and until 7:00 p.m. All registrar offices shall remain open from
67 8:00 a.m. until 12:00 p.m. for the two (2) Saturdays immediately
68 preceding each election.

69 (3) Notice of the pre-election day voting hours shall be
70 given by the officials in charge of the election not less than
71 eight (8) days before the day pre-election day voting period
72 begins. The notice shall be posted in three (3) public places
73 within the county or municipality, with one (1) place being the
74 county courthouse in a county election or city hall in a municipal
75 election.

76 **SECTION 4.** (1) A qualified elector who desires to vote
77 during the pre-election day voting period shall appear at the
78 office of the appropriate registrar in the county or municipality
79 in which the elector is registered to vote and shall present an
80 acceptable form of photo identification. Upon verification of the
81 proper location and identity, the elector shall sign the
82 appropriate receipt book and cast his or her vote in the same
83 manner that the vote would be cast on the day of the election.
84 Except as otherwise provided in Sections 1 through 6 of this act,
85 the election laws that govern the procedures for a person who

86 appears to vote on the day of an election shall apply when a
87 person appears to vote during the pre-election day voting period.

88 (2) All votes cast during the pre-election day voting period
89 shall be final.

90 (3) The votes cast during the pre-election day voting period
91 shall be announced simultaneously with all other votes cast on
92 election day.

93 **SECTION 5.** Each political party, candidate or any
94 representative of a political party or candidate pursuant to
95 Section 23-15-577 shall have the right to be present at the office
96 of the appropriate registrar when it is open for pre-election day
97 voting and to challenge the qualifications of any person offering
98 to vote in the same manner as provided by law for challenging
99 qualifications at the polling place on election day.

100 **SECTION 6.** The Secretary of State shall promulgate rules and
101 regulations necessary to effectuate pre-election day voting.

102 **SECTION 7.** Section 23-15-625, Mississippi Code of 1972, is
103 amended as follows:

104 23-15-625. (1) The registrar shall be responsible for
105 providing applications for absentee voting as provided in this
106 section. At least sixty (60) days * * * before any election in
107 which absentee voting is provided for by law, the registrar shall
108 provide a sufficient number of applications. In the event a
109 special election is called and set at a date * * * that makes it
110 impractical or impossible to prepare applications for absent

111 elector's ballot sixty (60) days * * * before the election, the
112 registrar shall provide applications as soon as practicable after
113 the election is called. The registrar shall fill in the date of
114 the particular election on the application for which the
115 application will be used.

116 (2) The registrar shall be authorized to disburse
117 applications for absentee ballots to any qualified elector within
118 the county where he or she serves. Any person who presents to the
119 registrar an oral or written request for an absentee ballot
120 application for a voter entitled to vote absentee by mail, other
121 than the elector who seeks to vote by absentee ballot, shall, in
122 the presence of the registrar, sign the application and print on
123 the application his or her name and address and the name of the
124 elector for whom the application is being requested in the place
125 provided for on the application for that purpose. However, if for
126 any reason * * * that person is unable to write the information
127 required, then the registrar shall write the information on a
128 printed form which has been prescribed by the Secretary of State.
129 The form shall provide a place for * * * the person to place his
130 or her mark after the form has been filled out by the registrar.

131 (3) It shall be unlawful for any person to solicit absentee
132 ballot applications or absentee ballots for persons staying in any
133 skilled nursing facility as defined in Section 41-7-173 * * *
134 unless the person soliciting the absentee ballot applications or
135 absentee ballots is:

136 (a) A family member of the person staying in the
137 skilled nursing facility; or

138 (b) A person designated in writing by the person for
139 whom the absentee ballot application or absentee ballot is
140 sought * * *.

141 As used in this subsection, "family member" means a spouse,
142 parent, grandparent, sibling, adult child, grandchild or legal
143 guardian.

144 (4) The registrar * * *, upon receiving the envelopes
145 containing the absentee ballots, shall keep an accurate list of
146 all persons preparing * * * the ballots * * *. The list shall be
147 kept in a conspicuous place accessible to the public near the
148 entrance to * * * the registrar's office. The registrar shall
149 also furnish to each * * * poll manager a list of the names of all
150 persons in each respective precinct voting absentee ballots to be
151 posted in a conspicuous place at the polling place for public
152 notice. The application on file with the registrar and the
153 envelopes containing the ballots shall be kept by the registrar
154 and deposited in the proper precinct ballot boxes before * * * the
155 boxes are delivered to the election commissioners or poll
156 managers. At the time * * * the boxes are delivered to the
157 election commissioners or poll managers, the registrar shall also
158 turn over a list of all * * * persons who have voted by absentee
159 ballot and whose ballots are in the box.

160 (5) The registrar shall * * * be authorized to mail one (1)
161 application to any qualified elector of the county, who is
162 eligible to vote by absentee ballot, for use in a particular
163 election.

164 (6) The registrar shall process all applications for
165 absentee ballots by using the Statewide Election Management
166 System. The registrar shall account for all absentee ballots
167 delivered to and received from qualified voters by
168 processing * * * the ballots using the Statewide Election
169 Management System.

170 **SECTION 8.** Section 23-15-627, Mississippi Code of 1972, is
171 amended as follows:

172 23-15-627. The registrar shall be responsible for furnishing
173 an absentee ballot application form to any elector authorized to
174 receive an absentee ballot. Except as otherwise provided in
175 Section 23-15-625, absentee ballot applications shall be furnished
176 to a person only upon the oral or written request of the elector
177 who seeks to vote by absentee ballot; however, the parent, child,
178 spouse, sibling, legal guardian, those empowered with a power of

180 is designated in writing and witnessed by a resident of this state
181 who shall write his or her physical address on such designation,
182 may orally request an absentee ballot application on behalf of the
183 elector. The written designation shall be valid for one (1) year
184 after the date of the designation. An absentee ballot application

187 be utilized to obtain an absentee ballot. A reproduction of an
188 absentee ballot application shall not be valid unless it is a

amended as follows:

23-15-629. (1) The application for an absentee ballot of a
person who is permanently or temporarily physically disabled shall

physician, or nurse practitioner * * *. The statement must show

285 that the person signing the statement is a licensed,

287 that the person applying for the absentee ballot is permanently or
288 temporarily physically disabled to such a degree that it is
289 difficult for him or her to vote in person.

290 (2) An application accompanied by the statement provided for
291 in subsection (1) of this section shall entitle * * * the
292 permanently physically disabled person to automatically receive an
293 absentee ballot for all elections on a continuing basis without
294 the necessity for reapplication. The application accompanied by
295 the statement provided in subsection (1) of this section entitles
296 the temporarily physically disabled person to receive an absentee
297 ballot by mail for that election and a subsequent corresponding
298 runoff election.

299 (3) The registrar of each county shall keep an accurate list
300 of the names and addresses of all persons whose applications for

302 subsection (1) of this section. Sixty (60) days * * * before each
303 election, the registrar shall deliver such list to the election
304 commissioners * * * who shall examine the list and delete from it
305 the names of all persons listed who are no longer qualified
306 electors of the county. Upon completion of * * * the examination,
307 the election commissioners * * * shall return the list to the
308 registrar by no later than forty-five (45) days * * * before the
309 election.

310 (4) The registrar shall send a ballot to all persons who are
311 determined by the election commissioners * * * to be qualified
312 electors pursuant to subsection (3) of this section by no later
313 than forty (40) days * * * before the election.

314 **SECTION 10.** Section 23-15-631, Mississippi Code of 1972, is
315 amended as follows:

316 23-15-631. (1) The registrar shall enclose with each ballot
317 provided to an absent elector separate printed instructions
318 furnished by * * * the registrar containing the following:

319 * * *

320 (* * *a) Upon receipt of the enclosed ballot, you will
321 not mark the ballot except in view or sight of the attesting
322 witness. In the sight or view of the attesting witness, mark the
323 ballot according to instructions.

324 (* * *b) After marking the ballot, fill out and sign
325 the "ELECTOR'S CERTIFICATE" on the back of the envelope so that
326 the signature * * * is across the flap of the envelope * * *
327 to * * * ensure the integrity of the ballot. All absent electors
328 shall have the attesting witness sign the "ATTESTING WITNESS
329 CERTIFICATE" across the flap on the back of the envelope. Place
330 the necessary postage on the envelope and deposit it in the post
331 office or some government receptacle provided for deposit of mail
332 so that the absent elector's ballot * * * will reach the registrar
333 in which your precinct is located not later than 5:00 p.m. on the
334 day * * * before the date of the election.

335 Any notary public, United States postmaster, assistant United
336 States postmaster, United States postal supervisor, clerk in

338 authority to administer an oath or take an acknowledgment may be
339 an attesting witness; provided, however, that in the case of an
340 absent elector who is temporarily or permanently physically
341 disabled, the attesting witness may be any person eighteen (18)
342 years of age or older and * * * that person is not required to
343 have the authority to administer an oath. If a postmaster,
344 assistant postmaster, postal supervisor, or clerk in charge of a
345 contract postal station acts as an attesting witness, his or her
346 signature on the elector's certificate must be authenticated by
347 the cancellation stamp of their respective post offices. If * * *
348 an officer having authority to administer an oath or take an
349 acknowledgement acts as attesting witness, his or her signature on
350 the elector's certificate, together with his or her title and
351 address, but no seal, shall be required. * * *

352 (* * * c) When the application accompanies the ballot
353 it shall not be returned in the same envelope as the ballot but
354 shall be returned in a separate preaddressed envelope provided by
355 the registrar. However, if time permits the registrar shall first
356 send and receive a returned application from the absent elector
357 before mailing the absentee ballot.

358 (* * * d) A * * * candidate for public office, or the
359 spouse, parent or child of a candidate for public office, may not

360 be an attesting witness for any absentee ballot upon which
361 the * * * candidate's name appears.

362 (* * *e) Any voter casting an absentee ballot who
363 declares that he or she requires assistance to vote by reason of
364 blindness, temporary or permanent physical disability or inability
365 to read or write, shall be entitled to receive assistance in the
366 marking of his or her absentee ballot and in completing the
367 affidavit on the absentee ballot envelope. The voter may be given
368 assistance by anyone of the voter's choice other than a candidate
369 whose name appears on the absentee ballot being marked, * * * the
370 spouse, parent or child of a candidate whose name appears on the
371 absentee ballot being marked, the voter's employer, or an agent of
372 that employer, or a union representative. In order to ensure the
373 integrity of the ballot, any person who provides assistance to an
374 absentee voter shall be required to sign and complete the
375 "Certificate of Person Providing Voter Assistance" on the absentee
376 ballot envelope.

377 (2) The foregoing instructions required to be provided by
378 the registrar to the elector shall also constitute the substantive
379 law pertaining to the handling of absentee ballots by the elector
380 and registrar.

381 * * *

382 **SECTION 11.** Section 23-15-635, Mississippi Code of 1972, is

466 amended as follows:

467 23-15-639. (1) In elections in which direct recording
468 electronic voting systems are not utilized, * * * absentee ballots
469 shall be * * * examined and counted as follows:

470 (a) At the close of the time for regular balloting and
471 at the close of the polls, the * * * poll managers of each voting
472 precinct shall first take the envelopes containing the absentee
473 ballots * * * from the box, and the name, address and precinct
474 inscribed on each envelope shall be announced by the * * * poll
475 managers.

476 (b) The poll managers shall then compare the signature
477 on the application * * * with the signature on the back of the
478 envelope. If it corresponds and the affidavit, if one is
479 required, is sufficient and * * * the applicant is a registered
480 and qualified voter or otherwise qualified to vote, and * * * the
481 applicant has not appeared in person and voted at the election,
482 the poll managers shall open the envelope * * * and remove the

483 ballot * * *, without * * * unfolding the ballot, or * * *
484 permitting the ballot to be unfolded or examined.

485 (c) Having observed and found the ballot to be regular
486 as far as can be observed from its official endorsement and before
487 counting any ballots, the * * * poll managers shall deposit * * *
488 the absentee ballot in the ballot box with the other ballots * * *
489 and enter the voter's name in the receipt book provided for that
490 purpose and mark "VOTED" in the pollbook or poll list as if * * *
491 the absentee voter had been present and voted in person. If

527 electronic voting system totals for the unofficial vote count.

532 **SECTION 14.** Section 23-15-641, Mississippi Code of 1972, is
533 amended as follows:

534 23-15-641. (1) If * * * a required affidavit or the
535 required certificate of the officer before whom the affidavit is
536 taken * * * is * * * insufficient, * * * the signatures do not

539 ballot envelope is open or has been opened and resealed, or the
540 voter is not eligible to vote absentee * * * and has voted within
541 the precinct where he or she represents himself or herself to be a
542 qualified elector * * * on the date of the election * * *, the
543 previously cast vote by absentee ballot shall not be allowed.

545 managers * * * shall mark across its face "REJECTED", with the
546 reason * * * the ballot was rejected noted.

547 (2) If the ballot envelope contains more than one (1) ballot

552 be retained and preserved in the same manner as other ballots at
553 the election. * * * The votes may be challenged in the same
554 manner and for the same reasons that any other vote cast in * * *
555 the election may be challenged.

556 * * *

557 (* * *3) The ballots marked "REJECTED" shall be placed in a
558 separate envelope in the secure ballot transfer case and delivered

567 qualified to vote, an official shall announce the name of the
568 voter and shall give any person present an opportunity to
569 challenge in like manner and for the same cause as the voter could
570 have been challenged had he or she presented himself or herself
571 personally in * * * the precinct to vote. The ineligibility of
572 the voter to vote by absentee ballot shall be a ground for a
573 challenge. Also, the officials shall consider any absentee voter
574 challenged when a person has previously filed a written challenge
575 of * * * the voter's right to vote. The election officials shall
576 handle any such challenge in the same manner as other challenged
577 ballots * * *.

585 by the registrar after the cutoff time shall be safely kept
586 unopened by the registrar for the period of time required for the
587 preservation of ballots used in the election, and shall then,

1723 **SECTION 48.** Section 23-15-303, Mississippi Code of 1972, is
1724 amended as follows:

1725 23-15-303. When two (2) or more political parties or

1729 Except as otherwise provided in Sections 1 through 6 of this
1730 act, the board of supervisors or the supervisor of the district in
1731 which the voting precinct is located shall have authority, and it

1733 designate the respective places where the precinct election of
1734 each party shall be held where there may be a dispute as to the
1735 room or exact place for holding * * * the precinct elections.

1736 **SECTION 49.** Section 23-15-309, Mississippi Code of 1972, is
1737 amended as follows:

1738 23-15-309. (1) Nominations for all municipal officers which
1739 are elective shall be made * * * during the days for conducting a
1740 primary election, or elections, to be held in the manner
1741 prescribed by law. All persons desiring to be candidates for the
1742 nomination in the primary elections shall first pay Ten Dollars

1743 (\$10.00) to the clerk of the municipality, at least sixty (60)
1744 days * * * before the date the pre-election day voting period
1745 begins for the first primary election, no later than 5:00 p.m.
1746 on * * * that deadline day.

1747 (2) The fee paid pursuant to subsection (1) of this section
1748 shall be accompanied by a written statement containing the name
1749 and address of the candidate, the party with which he or she is
1750 affiliated, and the office for which he or she is a candidate.

1751 (3) The clerk shall promptly receipt the payment, stating
1752 the office for which the person making the payment is running and
1753 the political party with which * * * the person is affiliated.
1754 The clerk shall keep an itemized account in detail showing the
1755 time and date of the receipt of * * * the payment received
1756 by * * * the clerk, from whom * * * that payment was received, the
1757 party with which * * * the person is affiliated and for what
1758 office the person paying the fee is a candidate. The clerk shall
1759 promptly supply all necessary information and pay over all fees so
1760 received to the secretary of the proper municipal executive
1761 committee. * * * The funds may be used and disbursed in the same
1762 manner as is allowed in Section 23-15-299 in regard to other
1763 executive committees.

1764 (4) Upon receipt of the above information, the proper
1765 municipal executive committee shall then determine whether each
1766 candidate is a qualified elector of the municipality, and of the
1767 ward if the office sought is a ward office, shall determine

1768 whether each candidate either meets all other qualifications to
1769 hold the office he or she is seeking or presents absolute proof

1777 state, or has been convicted on or after December 8, 1992, of any
1778 offense in another state which is a felony under the laws of this

1781 convictions of manslaughter and violations of the United States
1782 Internal Revenue Code or any violations of the tax laws of this
1783 state unless * * * the offense also involved misuse or abuse of
1784 his or her office or money coming into his or her hands by virtue
1785 of * * * the office. If the proper municipal executive committee
1786 finds that a candidate either (a) does not meet all qualifications
1787 to hold the office he or she seeks and fails to provide absolute
1788 proof, subject to no contingencies, that he or she will meet the
1789 qualifications on or before the date of the general or special
1790 election at which * * * the candidate could be elected, or (b) has
1791 been convicted of a felony as described in this subsection and not
1792 pardoned, then the name of * * * that candidate shall not be

1793 placed upon the ballot. If the executive committee determines
1794 that the candidate has taken the steps necessary to qualify for
1795 more than one (1) office at the election, the action required by
1796 Section 23-15-905, shall be taken.

1797 (5) Where there is but one (1) candidate, the proper
1798 municipal executive committee when the time has expired within
1799 which the names of candidates shall be furnished shall
1800 declare * * * that candidate the nominee.

1821 candidates to be voted for at * * * the election, and there shall
1822 be left on each ballot one (1) blank space under the title of each
1823 office for which a nominee is to be elected; and in the event of

1829 offices shall be printed, and the size, print and quality of the
1830 paper of the ballot is left to the discretion of the county
1831 executive committee. Provided, however, that in all cases the

1849 The instructions shall be printed in large, clear type on "Cards
1850 of Instruction," and the county executive committee shall furnish
1851 the same in sufficient numbers for the use of electors. The cards
1852 shall be preserved by the officers of election and returned by
1853 them to the county executive committee and they may be used, if
1854 applicable, in subsequent elections.

1855 (4) (a) If it is eligible under Section 23-15-266, the
1856 county executive committee may enter into a written agreement with
1857 the circuit clerk or the county election commission authorizing

1859 of the duties required of the county executive committee pursuant
1860 to this section. Any agreement entered into pursuant to this
1861 subsection shall be signed by the * * * chair of the county

1886 the distributor shall take from the local manager a receipt * * *
1887 for the blank ballots signed in duplicate by both the distributor
1888 and the manager, one of which receipts the distributor shall
1889 deliver to the circuit clerk and the other shall be retained by

2042 of the Supreme Court, judge of the Court of Appeals, circuit
2043 judge, chancellor, county court judge and family court judge.

2044 (8) Nothing in this section shall prohibit special elections
2045 to fill vacancies in either house of the Legislature from being
2046 held as provided in Section 23-15-851. In all elections conducted

2048 on the ballot the name of any candidate who, not having been

2052 (9) The appropriate election commission shall determine

2063 been convicted of any felony in a court of this state, or has been
2064 convicted on or after December 8, 1992, of any offense in another

2065 state which is a felony under the laws of this state, or has been

2069 violations of the tax laws of this state, unless the offense also
2070 involved misuse or abuse of his or her office or money coming into
2071 his or her hands by virtue of * * * the office. If the
2072 appropriate election commission finds that a candidate either (a)
2073 is not a qualified elector, (b) does not meet all qualifications
2074 to hold the office he or she seeks and fails to provide absolute
2075 proof, subject to no contingencies, that he or she will meet the

2077 election at which he or she could be elected, or (c) has been
2078 convicted of a felony as described in this subsection, and not
2079 pardoned, then the name of * * * that candidate shall not be
2080 placed upon the ballot. If the appropriate election commission
2081 determines that the candidate has taken the steps necessary to
2082 qualify for more than one (1) office at the election, the action

2084 (10) If after the deadline to qualify as a candidate for an
2085 office or after the time for holding any party primary for an
2086 office, there shall be only one (1) person who has duly qualified
2087 to be a candidate for the office in the general election, the name
2088 of * * * that person shall be placed on the ballot; provided,
2089 however, that if there shall be not more than one (1) person duly

2090 qualified to be a candidate for each office on the general
2091 election ballot, the election for all offices on the ballot shall
2092 be dispensed with and the appropriate election commission shall
2093 declare each candidate elected without opposition if the candidate
2094 meets all the qualifications to hold the office as determined
2095 pursuant to a review by the commission in accordance with the
2096 provisions of subsection (9) of this section and if the candidate
2097 has filed all required campaign finance disclosure reports as
2098 required by Section 23-15-807.

2099 (11) The petition required by this section may not be filed
2100 by using the Internet.

2115 the arrangement of the names of the candidates, and the order in
2116 which the titles of the various offices shall be printed, and the
2117 size, print and quality of paper of the official ballot is left to
2118 the discretion of the officer charged with printing the official
2119 ballot; but the arrangement need not be uniform.

2120 (2) The titles for the various offices shall be listed in
2121 the following order:

2132 (3) It is the duty of the Secretary of State, with the
2133 approval of the Governor, to furnish the designated commissioner
2134 of each county a sample of the official ballot, not less than
2135 fifty-five (55) days * * * before the pre-election day voting
2136 period begins for the election, the general form of which shall be

2141 each constitutional amendment two (2) weeks * * * before the
2142 period for pre-election day voting for the election, if
2143 pre-election day voting is authorized for that election, at which
2144 the qualified electors shall vote on * * * the amendments, in each
2145 county in each newspaper having a general circulation in the
2146 county, as defined in Section 13-3-31; or * * * the Secretary of
2147 State shall have each amendment posted in three (3) public places
2148 in the county if all * * * the newspapers in the county refuse to
2149 publish same at the price provided in Section 7-3-41.

2150 **SECTION 59.** Section 23-15-407, Mississippi Code of 1972, is
2151 amended as follows:

2152 23-15-407. The board of supervisors of any county or the

2155 order, and thereafter the circuit clerk where machines are
2156 purchased or rented by the board of supervisors, and clerk of the

2159 have custody thereof when not in use at an election or during the
2160 period for pre-election day voting.

2161 **SECTION 60.** Section 23-15-411, Mississippi Code of 1972, is

2166 that shall be arranged in the form of a diagram showing * * * the
2167 portion of the front of the voting machine as it will appear after
2168 the official ballots are arranged thereon or therein for voting on
2169 election day and during the pre-election day voting period. * * *
2170 The sample ballots shall be open to the inspection of all voters
2171 on election day and during the pre-election day voting period, in
2172 all primaries and general elections where voting machines are
2173 used.

2174 **SECTION 61.** Section 23-15-415, Mississippi Code of 1972, is
2175 amended as follows:

2176 23-15-415. It shall be the duty of the authorities in charge
2177 of any election where a voting machine is to be used, to have the
2178 machine at the proper polling place or places before the time
2179 fixed for opening of the polls, and the counters set at zero, and
2180 otherwise in good and proper order for use at * * * that election.
2181 For the purpose of placing ballots in the ballot frames of the
2182 machine, putting it in order, setting, testing and adjusting and
2183 delivering the machine, the authorities in charge of elections may
2184 employ one or more competent persons, to be known as custodian or
2185 custodians of voting machines, who shall be fully competent,
2186 thoroughly instructed, and sworn to perform his or her duties
2187 honestly and faithfully, and for such purpose shall be appointed
2188 and instructed at least thirty (30) days before pre-election day
2189 voting begins for the election. All voting machines to be used in

2190 an election shall be properly prepared at least three (3)
2191 days * * * before pre-election day voting begins for the
2192 election * * *. When a voting machine has been properly prepared
2193 for election, it shall be locked against voting and sealed; and
2194 the keys thereof shall be delivered to the registrar, together
2195 with a written report made by the custodian or official preparing
2196 the machine, stating that it is in every way properly prepared for
2197 the election. After the voting machine has been transferred to
2198 the polling place, it shall be the duty of the managers to provide
2199 ample protection against molestation or injury to the machine.
2200 All voting machines used in any election shall be provided with a
2201 screen, hood or curtain which shall be so made and adjusted as to
2202 conceal the voter and * * * the voter's action while voting.

2203 **SECTION 62.** Section 23-15-417, Mississippi Code of 1972, is
2204 amended as follows:

2205 23-15-417. At least twenty-one (21) days before pre-election
2206 day voting begins for each election, the officials in charge of
2207 the elections shall appoint one or more persons to instruct the
2208 managers and clerks that are to serve in a voting precinct in the
2209 use of the machine, and in their duties in connection therewith;
2210 and * * * that person or persons so appointed shall give to each
2211 manager and clerk, who has received * * * the instruction and is
2212 fully qualified to properly conduct the election with the machine,
2213 a certificate to that effect. For the purpose of giving * * * the
2214 instruction, the person or persons appointed as instructors shall

2215 call such meeting or meetings of the managers and clerks as shall
2216 be necessary. * * * The person shall, within five (5) days, file
2217 a report with the officials in charge of the elections, stating
2218 that he or she has instructed the managers and clerks, giving the
2219 names of * * * the officers, and the time and place where * * *
2220 the instruction was given. The managers and clerks of each voting
2221 precinct in which a voting machine is to be used shall
2222 attend * * * that meeting, or meetings, as shall be called for the
2223 purpose of receiving * * * the instruction concerning their duties
2224 as shall be necessary for the proper conduct of the election with
2225 the machine. No manager or clerk shall serve in any election at
2226 which a voting machine is used, unless he * * * or she has
2227 received * * * the instruction and is fully qualified to perform
2228 the duties in connection with the machine, and has received a
2229 certificate to that effect, provided, however, that this shall not
2230 prevent the appointment of a person as a manager or clerk to fill
2231 a vacancy in an emergency.

2232 **SECTION 63.** Section 23-15-425, Mississippi Code of 1972, is
2233 amended as follows:

2234 23-15-425. If the official ballots for a voting precinct, at
2235 which a voting machine is to be used, shall not be delivered in
2236 time for use during pre-election day voting or for use on election
2237 day or after delivery shall be lost, destroyed or stolen, the
2238 official or officials, whose duty it now is, in such case, to
2239 provide other ballots for use at * * * those elections in lieu of

2240 those ballots lost, destroyed or stolen, shall cause other ballots
2241 to be prepared, printed or written, as nearly as may be, of the
2242 form and description of the official ballots, and officials in
2243 charge of the election shall cause the ballots so substituted to
2244 be used * * * during the election in the same manner, as nearly as
2245 may be, as the official ballots would have been.

2246 **SECTION 64.** Section 23-15-429, Mississippi Code of 1972, is
2247 amended as follows:

2248 23-15-429. * * * Before the opening of the polls, the
2249 managers and clerks of each voting precinct shall meet at the
2250 polling place at the time set for opening of the polls, for
2251 pre-election day voting and at each election, and shall proceed to
2252 arrange the furniture, stationery and voting machine for the
2253 conduct of the pre-election day voting and the election. The keys
2254 to the voting machines shall be delivered to the managers before
2255 the time set for opening the polls, in a sealed envelope, on which
2256 shall be written or printed the number and location of the voting
2257 machine, and the number of the seal and the number registered on
2258 the protective counter or device, as reported by the custodian or
2259 official preparing the machine. Before opening the envelope, all
2260 managers and clerks present shall examine the number on the seal
2261 on the machine, also the number registered on the protective
2262 counter, and shall see if they are the same as the number written
2263 on the envelope; and if they are not the same, the machine must
2264 not be opened until the custodian, or other authorized

2265 person, * * * has been notified and * * * has presented himself or
2266 herself at the polling place for the purpose of re-examining * * *
2267 the machine and * * * certifying that it is properly arranged.

2268 If the numbers on the envelope are the same as those on the
2269 machine, the election officers shall proceed to open the doors
2270 concealing the counters, and each officer shall carefully examine
2271 every counter and see that it registers zero, and the same shall
2272 be subject to the inspection of official watchers. The machine
2273 shall remain locked against voting until the polls are formally
2274 opened, and shall not be operated except by voters in voting. If
2275 any counter is found not to register zero, the manager shall
2276 immediately notify the officials in charge of the election or the
2277 custodian, who shall, if practicable, adjust the counters at zero;
2278 but if it shall be impracticable to so adjust * * * the counters
2279 before the time set for opening the polls, the managers shall
2280 immediately make a written statement of the designating letter and
2281 number of * * * that counter, together with the number registered
2282 thereon, and shall sign and post same upon the wall of the polling
2283 room, where it shall remain throughout the period for pre-election
2284 day voting and election day, and, in filling out the statement of
2285 canvass, they shall subtract * * * the number from the number then
2286 registered thereon.

2287 **SECTION 65.** Section 23-15-437, Mississippi Code of 1972, is
2288 amended as follows:

2289 23-15-437. For the instruction of voters during pre-election
2290 day voting and on any election days, there shall, so far as
2291 practicable, be provided for each polling place a mechanically
2292 operated model of a portion of the face of the machine. * * *
2293 That model, if furnished, shall, during the times for the
2294 election, be located on the clerk's table, or in some other place
2295 which the voters must pass to reach the machine, and each voter
2296 shall, before entering the machine, be instructed regarding its
2297 operation and * * * the instruction illustrated on the model, and
2298 the voter given opportunity to personally operate the model. The
2299 voter's attention shall also be called to the diagram of the face
2300 of the machine so that the voter can become familiar with the
2301 location of the questions and the names of the offices and
2302 candidates. In case any voter, after entering the voting machine,
2303 shall ask for further instructions concerning the manner of
2304 voting, two (2) election officers may, if necessary, enter the
2305 booth and give him * * * or her the instructions, but no manager
2306 or person assisting a voter shall, in any manner request, suggest
2307 or seek to persuade or induce any such voter to vote any
2308 particular ticket, or for any particular ticket, or for any
2309 particular candidate, or for or against any particular ticket, or
2310 for or against any particular candidate, or for or against any
2311 particular amendment, question or proposition. After giving * * *
2312 the instructions and before * * * that voter shall have registered
2313 his or her vote, the officers or person assisting * * * that voter

2314 shall retire and * * * the voter shall then register his or her
2315 vote in secret as he or she may desire.

2316 **SECTION 66.** Section 23-15-469, Mississippi Code of 1972, is
2317 amended as follows:

2318 23-15-469. Ballots and ballot labels shall, as far as
2319 practicable, be in the same order of arrangement as provided for
2320 paper ballots, except that * * * the information may be printed in
2321 vertical or horizontal rows, or in a number of separate pages
2322 which are placed on the voting device. Ballot labels shall be
2323 printed in plain clear type in black ink and upon clear white
2324 materials of such size and arrangement as to fit the construction
2325 of the voting device. Arrows may be printed on the ballot labels
2326 to indicate the place to punch the ballot card, which may be to
2327 the right or left of the names of candidates and propositions. The
2328 titles of offices may be arranged in vertical columns or on a
2329 series of separate pages, and shall be printed above or at the
2330 side of the names of candidates so as to indicate clearly the
2331 candidates for each office and the number to be elected. In case
2332 there are more candidates for an office than can be printed in one
2333 (1) column or on one (1) ballot page, the ballot or ballot label
2334 shall be clearly marked that the list of candidates is continued
2335 on the following column or page, and, so far as possible, the same
2336 number of names shall be printed on each column or page. The
2337 names of candidates for each office shall be printed in vertical
2338 columns or on separate pages, grouped by the offices which they

2339 seek. In partisan elections, the party designation of each
2340 candidate, which may be abbreviated, shall be printed
2341 following * * * the candidate's name.

2342 Two (2) sample ballots, which shall be facsimile copies of
2343 the official ballot or ballot labels, and instructions to voters,
2344 shall be provided for each precinct and shall be posted in each
2345 polling place during the pre-election day voting and on election
2346 day.

2347 Sample ballots may be printed on a single page or on a number
2348 of pages stapled together. A separate write-in ballot, which may
2349 be in the form of a paper ballot, card or envelope in which the
2350 voter places his or her ballot card after voting, shall be
2351 provided if required to permit voters to write in the title of the
2352 office and the name of a person not on the printed ballot for
2353 whom * * * the voter wishes to vote.

2354 **SECTION 67.** Section 23-15-473, Mississippi Code of 1972, is
2355 amended as follows:

2356 23-15-473. The circuit court clerk shall be the custodian of
2357 voting devices acquired by a county, who shall be charged with the
2358 proper storage, maintenance and repair of voting devices, and the
2359 preparation of them for voting * * * before elections. After they
2360 have been prepared for an election or pre-election day voting
2361 period and at least three (3) days * * * before the period for
2362 voting begins, the voting devices shall be available for public
2363 inspection at a time and place designated by the custodian.

2364 Thereafter they shall be locked or sealed before delivery to the
2365 managers of the election. The custodian shall immediately repair,
2366 replace or remove any voting device which fails to function
2367 properly during pre-election day voting or on election day. The
2368 clerk of any municipality which acquires voting devices shall be
2369 the custodian of * * * those voting devices and perform the same
2370 functions.

2371 If a voting device at a polling place malfunctions and cannot
2372 be repaired or replaced quickly and there is no other device in
2373 the polling place that can be used to perform the function of the
2374 device that malfunctions, unofficial ballots made as nearly as
2375 possible in the form of the official ballot may be used until the
2376 voting device is repaired or replaced. * * * The ballots shall be
2377 received by the managers and placed by them in a receptacle in
2378 such case to be provided by the managers, and counted with the
2379 votes registered on the voting device; and the result shall be
2380 declared the same as though there had been no accident to the
2381 voting device; the ballots thus voted shall be preserved and
2382 returned as herein directed, with a certificate or statement
2383 setting forth how and why the same were voted.

2384 **SECTION 68.** Section 23-15-511, Mississippi Code of 1972, is
2385 amended as follows:

2386 23-15-511. The ballots shall, as far as practicable, to be
2387 in the same order of arrangement as provided for paper ballots
2388 that are to be counted manually, except that * * * the information

2389 may be printed in vertical or horizontal rows. Nothing in this
2390 chapter shall be construed as prohibiting the information being
2391 presented to the voters from being printed on both sides of a
2392 single ballot. In those years when a special election shall occur
2393 on the same day as the general election, the names of candidates
2394 in any special election and the general election shall be placed
2395 on the same ballot by the election commissioners * * * or
2396 officials in charge of the election, but the general election
2397 candidates shall be clearly distinguished from the special
2398 election candidates. At any time a special election is held on
2399 the same day as a party primary election, the names of the
2400 candidates in the special election may be placed on the same
2401 ballot, but shall be clearly distinguished as special election
2402 candidates or primary election candidates.

2403 Ballots shall be printed in plain clear type in black ink and
2404 upon clear white materials of such size and arrangement as to be
2405 compatible with the OMR tabulating equipment. Absentee ballots
2406 shall be prepared and printed in the same form and shall be on the
2407 same size and texture as the regular official ballots, except that
2408 they shall be printed on tinted paper; or the ink used to print
2409 the ballots shall be of a color different from that of the ink
2410 used to print the regular official ballots. Arrows may be printed
2411 on the ballot to indicate the place to mark the ballot, which may
2412 be to the right or left of the names of candidates and
2413 propositions. The titles of offices may be arranged in vertical

2414 columns on the ballot and shall be printed above or at the side of
2415 the names of candidates so as to indicate clearly the candidates
2416 for each office and the number to be elected. In case there are
2417 more candidates for an office than can be printed in one (1)
2418 column, the ballot shall be clearly marked that the list of
2419 candidates is continued on the following column. The names of
2420 candidates for each office shall be printed in vertical columns,
2421 grouped by the offices * * * that they seek. In partisan
2422 elections, the party designation of each candidate, which may be
2423 abbreviated, shall be printed following his or her name.

2424 Two (2) sample ballots, which shall be facsimile ballots of
2425 the official ballot and instructions to the voters, shall be
2426 provided for each precinct and shall be posted in each polling
2427 place during pre-election day voting and on election day.

2428 A separate ballot security envelope or suitable equivalent in
2429 which the voter can place his or her ballot after voting, shall be
2430 provided to conceal the choices the voter has made. Absentee
2431 voters will receive a similar ballot security envelope provided by
2432 the county in which the absentee voter will insert their voted
2433 ballot, which then can be inserted into a return envelope to be
2434 mailed back to the election official. Absentee ballots will not
2435 be required to be folded when a ballot security envelope is
2436 provided.

2437 **SECTION 69.** Section 23-15-515, Mississippi Code of 1972, is
2438 amended as follows:

2439 23-15-515. The circuit court clerk shall be the custodian of
2440 OMR tabulating equipment acquired by the county, who shall be
2441 charged with the proper storage, maintenance and repair of the OMR
2442 equipment and preparation of them for tabulating * * * before
2443 elections. The custodian shall repair or replace any tabulating
2444 equipment which fails to function properly during pre-election day
2445 voting or on election day. The clerk of any municipality which
2446 acquires OMR tabulating equipment shall be the custodian of * * *
2447 the equipment and perform the same functions.

2448 **SECTION 70.** Section 23-15-531.4, Mississippi Code of 1972,
2449 is amended as follows:

2450 23-15-531.4. (1) The officials in charge of the election of
2451 each county or municipality shall:

2452 (a) Cause the proper number of DRE units to be
2453 delivered;

2454 (b) Cause the proper ballot design and style to be
2455 programmed for each DRE unit which is to be used in any precinct
2456 within the county or municipality;

2457 (c) Cause each DRE unit to be placed in proper order
2458 for voting;

2459 (d) Examine each unit before it is sent to a polling
2460 place;

2461 (e) Verify that each registering mechanism is set at
2462 zero; and

2463 (f) Properly secure each unit so that the counting
2464 machinery cannot be operated until later authorized.

2465 (2) The circuit clerk shall be the custodian of the DRE
2466 units acquired by the county.

2467 (3) The officials in charge of the election shall be
2468 responsible for the preparation of the units to be used in the
2469 county or municipality at the primaries and other elections in the
2470 county or municipality.

2471 (4) (a) On or before the third day preceding the period for
2472 pre-election day voting or any election, except runoff elections,
2473 the officials in charge of the election shall have each DRE unit
2474 tested to ascertain that it will correctly count the votes cast
2475 for all offices and on all questions in a manner that the
2476 Secretary of State may prescribe by rule or regulation.

2477 (b) On or before the third day preceding pre-election
2478 day voting period for runoff elections or any runoff election, the
2479 officials in charge of the election shall test a number of DRE
2480 units at random to ascertain that the units will correctly count
2481 the votes cast for all offices. If the total number of DRE units
2482 in the county is thirty (30) units or less, all of the units shall
2483 be tested. If the total number of DRE units in the county is more
2484 than thirty (30) but not more than one hundred (100), then at
2485 least one-half (1/2) of the units shall be tested at random. If
2486 there are more than one hundred (100) DRE units in the county, the
2487 officials in charge of the election shall test at least fifteen

2488 percent (15%) of the units at random. In no event shall the
2489 officials in charge of the election test less than one (1) DRE
2490 unit per precinct. All memory cards to be used in the runoff
2491 shall be tested. Public notice of the time and place of the test
2492 shall be made at least five (5) days * * * before the test is
2493 conducted. Representatives of candidates, political parties, news
2494 media and the public shall be permitted to observe * * * the
2495 tests.

2496 (5) In every primary or general election, the officials in
2497 charge of the election shall furnish, at the expense of the county
2498 or municipality, all ballots, forms of certificates and other
2499 papers and supplies required under this subarticle which are not
2500 furnished by the Secretary of State, all of which shall be in the
2501 form and according to any specifications prescribed from time to
2502 time by the Secretary of State.

2503 **SECTION 71.** Section 23-15-531.6, Mississippi Code of 1972,
2504 is amended as follows:

2505 23-15-531.6. (1) For each primary or general election, the
2506 officials in charge of the election shall utilize at least
2507 seventy-five percent (75%) of all the DRE units that are available
2508 to the county or municipality, as the case may be.

2509 (2) The officials in charge of the election shall ensure the
2510 delivery of the proper DRE units to the polling places of the
2511 respective precincts at least one (1) hour before the time for
2512 opening the polls at each election or pre-election day voting

2513 period and shall cause each unit to be set up in the proper manner
2514 for use in voting.

2515 (3) The officials in charge of the election shall require
2516 that each DRE unit be thoroughly tested, inspected and
2517 sealed * * * before each DRE unit is delivered to the polling
2518 place. * * * Before the polls open each day * * * that the units
2519 will be used in an election, the manager shall break the seal on
2520 each unit, turn on each unit, certify that each unit is operating
2521 properly and is set to zero, and print a zero tape certifying that
2522 each unit is set to zero and shall keep or record * * * that
2523 certification on each unit.

2524 (4) The officials in charge of the election and poll
2525 managers shall provide ample protection against molestation of and
2526 injury to the DRE units, and, for that purpose, the officials in
2527 charge of the election and poll managers may call upon any law
2528 enforcement officer to furnish any assistance that may be
2529 necessary. It shall be the duty of any law enforcement officer to
2530 furnish assistance when so requested by the officials in charge of
2531 the election or poll manager.

2532 (5) The officials in charge of the election, in conjunction
2533 with the governing authorities, shall, at least one (1) hour * * *
2534 before the * * * polls open:

2535 (a) Provide sufficient lighting to enable electors to
2536 read the ballot and which shall be suitable for the use of the

2537 poll managers in examining the booth and conducting their
2538 responsibilities;

2539 (b) Provide directions for voting on the DRE units
2540 which shall be prominently posted within each voting booth and at
2541 least two (2) sample ballots for the primary or general election
2542 which shall be prominently posted outside the enclosed space
2543 within the polling place;

3119 the governing authority, or remainder of the governing authority,
3120 shall dispense with the election and appoint that one (1)
3121 candidate in lieu of an election. In the event no person shall
3122 have qualified by 5:00 p.m. at least twenty (20) days * * *
3123 before the * * * pre-election day voting period begins for the

3217 an opportunity to be heard at such meeting and present evidence in
3218 support of his or her position.

3219 (5) If the appropriate election officials fail to rule upon

3221 be interpreted as a denial of the request for relief contained in
3222 the petition.

3223 (6) Any party aggrieved by the action or inaction of the
3224 appropriate election officials may file a petition for judicial
3225 review to the circuit court of the county in which the election

3245 such candidate, order that * * * the candidate * * * bear the
3246 court costs of the proceedings.

3247 (8) Within three (3) days after judgment is rendered by the
3248 circuit court, the contestant or contestee, or both, may file an

3563 21-8-7. (1) Each municipality operating under the
3564 mayor-council form of government shall be governed by an elected
3565 council and an elected mayor. Other officers and employees shall
3566 be duly appointed pursuant to this chapter, general law or
3567 ordinance.

3568 (2) Except as otherwise provided in subsection (4) of this
3569 section, the mayor and council members shall be elected by the
3570 voters of the municipality at a regular municipal election held on
3571 the first Tuesday after the first Monday in June as provided in
3572 Section 21-11-7, and shall serve for a term of four (4) years
3573 beginning on the first day of July next following the election
3574 that is not on a weekend. Votes for mayor and council members may

3575 also be cast during the period for pre-election day voting as
3576 provided for in this act.

3577 (3) The terms of the initial mayor and council members shall
3578 commence at the expiration of the terms of office of the elected
3579 officials of the municipality serving at the time of adoption of
3580 the mayor-council form.

3581 (4) (a) The council shall consist of five (5), seven (7) or

3583 members, the municipality shall be divided into either five (5) or

3593 pursuant to Section 21-8-3. One (1) council member shall be
3594 elected from each ward by the voters of that ward. Council
3595 members elected to represent wards must be residents of their
3596 wards at the time of qualification for election, and any council
3597 member who removes the member's residence from the municipality or
3598 from the ward from which elected shall vacate that office.
3599 However, any candidate for council member who is properly

3600 qualified as a candidate under applicable law shall be deemed to
3601 be qualified as a candidate in whatever ward the member resides if
3602 the ward has changed after the council has redistricted the
3603 municipality as provided in paragraph (c)(ii) of this subsection
3604 (4), and if the wards have been so changed, any person may qualify
3605 as a candidate for council member, using the person's existing

3607 fifteen (15) days before the period for pre-election day voting
3608 begins for the first party primary or special party primary, as
3609 the case may be, notwithstanding any other residency or

3613 the geographical boundaries of the wards within one hundred twenty
3614 (120) days after the election in which the mayor-council form of
3615 government is selected. In designating the geographical
3616 boundaries of the wards, each ward shall contain, as nearly as
3617 possible, the population factor obtained by dividing the
3618 municipality's population as shown by the most recent decennial
3619 census by the number of wards into which the municipality is to be
3620 divided.

3621 (c) (i) It shall be the mandatory duty of the council
3622 to redistrict the municipality by ordinance, which ordinance may
3623 not be vetoed by the mayor, within six (6) months after the
3624 official publication by the United States of the population of the

3625 municipality as enumerated in each decennial census, and within
3626 six (6) months after the effective date of any expansion of
3627 municipal boundaries; however, if the publication of the most
3628 recent decennial census or effective date of an expansion of the
3629 municipal boundaries occurs six (6) months or more before the
3630 first party primary of a general municipal election, then the
3631 council shall redistrict the municipality by ordinance not less
3632 than sixty (60) days before the period for pre-election day voting
3633 begins for the first party primary.

3634 (ii) If the publication of the most recent
3635 decennial census occurs less than six (6) months before the first
3636 primary of a general municipal election, the election shall be
3637 held with regard to the existing defined wards; reapportioned
3638 wards based on the census shall not serve as the basis for
3639 representation until the next regularly scheduled election in
3640 which council members shall be elected.

3641 (d) If annexation of additional territory into the
3642 municipal corporate limits of the municipality occurs less than
3643 six (6) months before the first party primary of a general
3644 municipal election, the council shall, by ordinance adopted within
3645 three (3) days of the effective date of the annexation, assign the
3646 annexed territory to an adjacent ward or wards so as to maintain
3647 as nearly as possible substantial equality of population between
3648 wards; any subsequent redistricting of the municipality by
3649 ordinance, as required by this chapter, shall not serve as the

3650 basis for representation until the next regularly scheduled
3651 election for municipal council members.

3652 (5) Vacancies occurring in the council shall be filled as
3653 provided in Section 23-15-857.

3654 (6) The mayor shall maintain an office at the city hall.
3655 The council members shall not maintain individual offices at the
3656 city hall; however, in a municipality having a population of one
3657 hundred thousand (100,000) and above according to the latest
3658 federal decennial census, council members may have individual
3659 offices in the city hall. Clerical work of council members in the
3660 performance of the duties of their office shall be performed by
3661 municipal employees or at municipal expense, and council members
3662 shall be reimbursed for the reasonable expenses incurred in the
3663 performance of the duties of their office.
