HOUSE BILL NO. 1518 (As Sent to Governor)

1 2 3	AN ACT MAKING AN APPROPRIATION FOR THE SUPPORT AND MAINTENANCE OF THE DEPARTMENT OF MARINE RESOURCES FOR THE FISCAL YEAR 2018.
4	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:
5	SECTION 1. The following sum, or so much thereof as may be
6	necessary, is appropriated out of any money in the State General
7	Fund not otherwise appropriated, for the support and maintenance
8	of the Department of Marine Resources for the fiscal year
9	beginning July 1, 2017, and ending June 30, 2018
10	\$ 922 , 150.00.
11	SECTION 2. The following sum, or so much thereof as may be
12	necessary, is appropriated out of any money in any special fund in
13	the State Treasury to the credit of the Department of Marine
14	Resources for the fiscal year beginning July 1, 2017, and ending
15	June 30, 2018\$ 19,756,477.00.
16	Of the funds appropriated in this section, Three Million
17	Fifty Thousand Dollars (\$3,050,000.00) is derived from the state
18	excise taxes upon gasoline, oil and other petroleum products.

19	SECTION 3. Of the funds appropriated under the provisions of
20	this act, the following positions are authorized:
21	AUTHORIZED POSITIONS:
22	Permanent: Full Time 104
23	Part Time 0
24	Time-Limited: Full Time
25	Part Time 1
26	Each Marine Conservation Officer and Supervisor shall be
27	furnished an allowance for uniforms not to exceed Six Hundred
28	Dollars (\$600.00) per annum.
29	With the funds herein appropriated, it shall be the agency's
30	responsibility to make certain that funds required to be
31	appropriated for "Personal Services" for Fiscal Year 2019 do not
32	exceed Fiscal Year 2018 funds appropriated for that purpose,
33	unless programs or positions are added to the agency's Fiscal Year
34	2018 budget by the Mississippi Legislature. Based on data
35	provided by the Legislative Budget Office, the State Personnel
36	Board shall determine and publish the projected annual cost to
37	fully fund all appropriated positions in compliance with the
38	provisions of this act. It shall be the responsibility of the
39	agency head to ensure that no single personnel action increases
40	this projected annual cost and/or the Fiscal Year 2018
41	appropriations for "Personal Services" when annualized, with the
42	exception of escalated funds and the award of benchmarks. If, at
43	the time the agency takes any action to change "Personal

- 44 Services," the State Personnel Board determines that the agency
- 45 has taken an action which would cause the agency to exceed this
- 46 projected annual cost or the Fiscal Year 2018 "Personal Services"
- 47 appropriated level, when annualized, then only those actions which
- 48 reduce the projected annual cost and/or the appropriation
- 49 requirement will be processed by the State Personnel Board until
- 50 such time as the requirements of this provision are met.
- Any transfers or escalations shall be made in accordance with
- 52 the terms, conditions and procedures established by law or
- 53 allowable under the terms set forth within this act. The State
- 54 Personnel Board shall not escalate positions without written
- 55 approval from the Department of Finance and Administration. The
- 56 Department of Finance and Administration shall not provide written
- 57 approval to escalate any funds for salaries and/or positions
- 58 without proof of availability of new or additional funds above the
- 59 appropriated level.
- No general funds authorized to be expended herein shall be
- 61 used to replace federal funds and/or other special funds which are
- 62 being used for salaries authorized under the provisions of this
- 63 act and which are withdrawn and no longer available.
- None of the funds herein appropriated shall be used in
- 65 violation of Internal Revenue Service's Publication 15-A relating
- 66 to the reporting of income paid to contract employees, as
- 67 interpreted by the Office of the State Auditor.

68	SECTION 4. It is the intention of the Legislature that the
69	Department of Marine Resources shall maintain complete accounting
70	and personnel records related to the expenditure of all funds
71	appropriated under this act and that such records shall be in the
72	same format and level of detail as maintained for Fiscal Year
73	2017. It is further the intention of the Legislature that the
74	agency's budget request for Fiscal Year 2019 shall be submitted to
75	the Joint Legislative Budget Committee in a format and level of
76	detail comparable to the format and level of detail provided
77	during the Fiscal Year 2018 budget request process.
78	SECTION 5. In addition to all other sums heretofore
79	appropriated, the following sum, or so much thereof as may be
80	necessary, is hereby appropriated out of any money in the State
81	Treasury to the credit of the Tidelands Fund No. 3345200000 to the
82	Department of Marine Resources for the purpose of defraying the
83	expenses of the tidelands projects for the fiscal year beginning

142	Each political subdivision receiving funds authorized in this
143	section shall be held responsible for complying with Section
144	29-15-9, Mississippi Code of 1972, and shall be subject to an
145	audit by the State Auditor and shall submit detailed reports
146	beginning June 30, and every six (6) months thereafter for the
147	duration of the project to the Department of Marine Resources on
148	how funds authorized in this section were expended.

It is the intention of the Legislature that any political subdivision seeking to qualify for tidelands funds for the subsequent fiscal year shall submit a proposal to the Department of Marine Resources no later than July 1, 2017. All proposals submitted will be reviewed and evaluated by the Department of Marine Resources in accordance to department plans and procedures. Multiphased projects, multiyear projects, proposed projects with high dollar value and projects that have a record of stacking funds shall be considered as low priority projects when evaluated.

It is the intention of the Legislature that if the amount of the tidelands funds appropriated in this act exceed the actual amount of tidelands funds available, the available funds shall be allocated on a pro rata basis between projects listed in this section.

SECTION 6. It is the intention of the Legislature that the commission shall place any special trust funds appropriated to the department in a special trust fund and the interest earned on the principal shall be credited to the special trust fund. Monies in

- 167 the fund at the end of the fiscal year shall be retained in the
- 168 special trust fund for use in the next succeeding fiscal year.
- 169 The department may use the interest earned on the fund to pay
- 170 reasonable costs for administering the fund and related projects.
- 171 **SECTION 7.** It is the intention of the Legislature that the
- 172 Department of Marine Resources has the authorization to move
- 173 tidelands funds between approved projects upon request from entity
- 174 and proper completion of Form TTF-6 documentation.
- 175 **SECTION 8.** It is the intention of the Legislature for the
- 176 Department of Marine Resources and the Department of Environmental
- 177 Quality to continue with any agency partnerships, including grant
- 178 agreements, that provide environmental projects to restore
- 179 Mississippi's natural resources in the wake of the Deepwater
- 180 Horizon Oil Spill.
- 181 **SECTION 9.** It is the intention of the Legislature that
- 182 whenever two (2) or more bids are received by this agency for the
- 183 purchase of commodities or equipment, and whenever all things
- 184 stated in such received bids are equal with respect to price,
- 185 quality and service, the Mississippi Industries for the Blind
- 186 shall be given preference. A similar preference shall be given to
- 187 the Mississippi Industries for the Blind whenever purchases are
- 188 made without competitive bids.
- 189 **SECTION 10.** It is the intention of the Legislature that none
- 190 of the funds provided herein shall be used to pay certain
- 191 utilities for state furnished housing for any employees. Such

utilities shall include electricity, natural gas, butane, propane,
cable and phone services. Where actual cost cannot be determined,
the agency shall be required to provide meters to be in compliance
with legislative intent. Such state furnished housing shall
include single-family and multi-family residences but shall not
include any dormitory residences. Allowances for such utilities
shall be prohibited.

SECTION 11. It is the intention of the Legislature that the funds herein appropriated shall be expended in compliance with Section 27-104-25, Mississippi Code of 1972, that no state agency shall incur obligations or indebtedness in excess of their appropriation and that the responsible officers, either personally or upon their official bonds, shall be held responsible for actions contrary to this provision.

SECTION 12. The money herein appropriated shall be paid by the State Treasurer out of any money in the State Treasury to the credit of the proper fund or funds as set forth in this act, upon warrants issued by the State Fiscal Officer; and the State Fiscal Officer shall issue his warrants upon requisitions signed by the proper person, officer or officers, in the manner provided by law.
