106 THE LOCAL SALES TAX" and "AGAINST THE LOCAL SALES TAX" and the
107 voter shall vote by placing a cross (X) or check mark (✓) opposite
108 his choice on the proposition. When the results of the election
109 have been canvassed by the election commissioners of the county or
110 municipality and certified by them to the governing authorities,
111 it shall be the duty of such governing authorities to determine
112 and adjudicate whether at least three-fifths (3/5) of the
113 qualified electors who voted in the election voted in favor of the
114 tax. If at least three-fifths (3/5) of the qualified electors who
115 voted in the election voted in favor of the tax, the governing
116 authorities of the county or municipality shall adopt a resolution
117 declaring the levy and collection of the tax provided in this
118 section and shall set the first day of the second month following
119 the date of such adoption as the effective date of the tax levy.

120 A certified copy of this resolution, together with the result of
121 the election, shall be furnished to the Department of Revenue not
122 less than thirty (30) days before the effective date of the levy.
123 (b) Before any tax authorized under this section may be

126 tax, setting forth the amount of the tax to be extended, the

127 purposes for which the revenue collected pursuant to the tax
128 extension may be used and expended, the date upon which the tax
129 extension shall become effective, the date upon which the tax
130 extension shall be repealed, and calling for an election to be
131 held on the question of the extension. The date of the election
132 for the extension shall be set in the resolution and such election
133 must be held on the same date as any regular or general election
134 for municipal, county, state or federal officers. Notice of the
135 election shall be published once each week for at least three (3)
136 consecutive weeks in a newspaper published or having a general
137 circulation in the county or municipality, as the case may be,
138 with the first publication of the notice to be made not less than
139 twenty-one (21) days before the date fixed in the resolution for
140 the election and the last publication to be made not more than
141 seven (7) days before the election. Notice of the election shall
142 also be published on the county or municipality website, as the
143 case may be, during the same time as the newspaper publication.
144 At the election, all qualified electors of the county or
145 municipality may vote. The ballots used at the election shall
146 have printed thereon a brief description of the sales tax
147 extension, the amount of the sales tax extension, a description of
148 the purposes for which the tax revenue from the extension may be
149 used and expended and the words "FOR THE EXTENSION OF LOCAL SALES
150 TAX" and "AGAINST THE EXTENSION OF THE LOCAL SALES TAX" and the
151 voter shall vote by placing a cross (X) or check mark (✓) opposite

152 his choice on the proposition. When the results of the election
153 have been canvassed by the election commissioners of the county or
154 municipality and certified by them to the governing authorities,
155 it shall be the duty of such governing authorities to determine
156 and adjudicate whether at least three-fifths (3/5) of the
157 qualified electors who voted in the election voted in favor of the
158 tax extension. If at least three-fifths (3/5) of the qualified
159 electors who voted in the election voted in favor of the tax
160 extension, the governing authorities shall adopt a resolution
161 declaring the extension of the tax and collection of the tax
162 provided in this section and shall set the first day of the second
163 month following the date of such adoption as the effective date of
164 the tax extension. A certified copy of this resolution, together
165 with the result of the election, shall be furnished to the
166 Department of Revenue not less than thirty (30) days before the
167 effective date of the extension.

168 (4) Upon approval of the expenditure by the Mississippi
169 Development Authority pursuant to subsection (6) of this section,
170 the revenue collected pursuant to the tax levy imposed under this
171 section may be expended to pay the costs reasonably related to (a)
172 road and street repair, reconstruction and resurfacing projects
173 based on traffic patterns, need and usage, as well as costs for
174 easement acquisition, right-of-way acquisition, planning and
175 design and professional services related to such projects and (b)
176 construction, repair and reconstruction of water, sewer and

177 drainage projects as well as costs for easement acquisition,
178 right-of-way acquisition, planning and design and professional
179 services related to such projects. The initial construction of
180 any project for which revenue collected pursuant to the special
181 tax is expended shall not exceed four (4) years, and the revenue
182 may not be used for the future maintenance of any such projects
183 for which the revenue was expended for the initial construction.

184 (5) (a) The special sales tax authorized by this section
185 shall be collected by the Department of Revenue, shall be
186 accounted for separately from the amount of sales tax collected
187 for the state in the county or municipality and shall be paid to
188 the county or municipality. The Department of Revenue may retain
189 one percent (1%) of the proceeds of such tax for the purpose of
190 defraying the costs incurred by the department in the collection
191 of the tax. Payments to the county or municipality shall be made
192 by the Department of Revenue on or before the fifteenth day of the
193 month following the month in which the tax was collected.

194 (b) The proceeds of the special sales tax shall be
195 placed into a special county fund or special municipal fund apart
196 from the county or municipal general fund, as the case may be, and
197 any other funds of the county or municipality, and shall be
198 expended by the county or municipality solely for the purposes
199 authorized in subsection (4) of this section. The records
200 reflecting the receipts and expenditures of the revenue from the
201 special sales tax shall be audited annually by an independent

202 certified public accountant. The accountant shall make a report
203 of his findings to the governing authorities of the county or
204 municipality and file a copy of his report with the Secretary of
205 the Senate and the Clerk of the House of Representatives. The
206 audit shall be made and completed as soon as practical after the
207 close of the fiscal year of the county or municipality, and
208 expenses of the audit shall be paid from the funds derived by the
209 county or municipality pursuant to this section.

210 (c) All provisions of the Mississippi Sales Tax Law
211 applicable to filing of returns, discounts to the taxpayer,
212 remittances to the Department of Revenue, enforced collection,
213 rights of taxpayers, recovery of improper taxes, refunds of
214 overpaid taxes or other provisions of law providing for imposition
215 and collection of the state sales tax shall apply to the special
216 sales tax authorized by this section, except where there is a
217 conflict, in which case the provisions of this section shall
218 control. Any damages, penalties or interest collected for the
219 nonpayment of taxes imposed under this section, or for
220 noncompliance with the provisions of this section, shall be paid
221 to the county or municipality on the same basis and in the same
222 manner as the tax proceeds. Any overpayment of tax for any reason
223 that has been disbursed to a county or municipality or any payment
224 of the tax to a county or municipality in error may be adjusted by
225 the Department of Revenue on any subsequent payment to the county
226 or municipality pursuant to the provisions of the Mississippi

227 Sales Tax Law. The Department of Revenue may, from time to time,
228 make such rules and regulations not inconsistent with this section
229 as may be deemed necessary to carry out the provisions of this
230 section, and such rules and regulations shall have the full force
231 and effect of law.

232 (6) (a) Any county or municipality that levies the special
233 sales tax authorized under this act shall establish a plan for the
234 project or projects for which the revenue collected from the
235 special tax may be expended and for the expenditure of revenue.
236 The plan shall include at least the following:

237 (i) A description of the project or projects for
238 which the revenue will be expended, including the projected cost
239 of the project or projects;

240 (ii) The projected starting date and completion
241 date for the project or projects;

242 (iii) A description of any funds from other
243 sources that may be available to the county or municipality to
244 assist with paying the costs of the project or projects; and

245 (iv) Any other information required by the
246 Mississippi Development Authority.

247 (b) The county or municipality shall submit a copy of
248 the plan to the Mississippi Development Authority. No expenditure
249 of revenue collected from the special tax authorized by this act
250 may be made by the county or municipality without the approval of
251 the MDA as being consistent with the provisions of this section.

252 (c) The Mississippi Development Authority shall have
253 all powers necessary to implement and administer the provisions of
254 this section, and the Mississippi Development Authority shall
255 promulgate rules and regulations, in accordance with the
256 Mississippi Administrative Procedures Law, necessary for the
257 implementation of this section.

258 (7) Any special tax levied by a county or municipality under
259 this section shall be discontinued by the governing authorities of
260 the county or municipality on the first day of the month
261 immediately succeeding the date of the completion of the project
262 or projects for which the tax was authorized and the retirement
263 and payment in full of any indebtedness or other obligations if
264 incurred by the county or municipality for the project or
265 projects, as determined by the Mississippi Development Authority.

266 (8) Until the repeal of a special sales tax authorized
267 under the authority of a local and private law of the State of
268 Mississippi, the governing authorities of a county or municipality
269 may not impose a special sales tax under this section on sales
270 that are subject to any tax levied and collected (before the date
271 a resolution is adopted under subsection (2) of this section)
272 under the authority of a local and private law, which tax is
273 collected and paid to the Department of Revenue in the same or
274 similar manner that state sales taxes are collected and paid.

275 (9) If a municipality imposing a special sales tax under
276 this section contracts its corporate boundaries, the special sales

277 tax shall continue to be imposed in the area that was in the
278 corporate boundaries of the municipality before the contraction of
279 such boundaries.

280 (10) The governing authorities of any county or municipality
281 that levies a special sales tax pursuant to this section may incur
282 indebtedness of the county or municipality in an aggregate
283 principal amount that is not in excess of an amount for which debt
284 service is capable of being funded by the proceeds of the special
285 sales tax levied pursuant to this section. The indebtedness
286 authorized by this subsection shall not be considered when
287 computing any limitation of indebtedness of the county or
288 municipality established by law.

289 (11) It is the intent of the Legislature that the amount of
290 state general funds appropriated to the Department of Revenue
291 shall not be reduced because of funds collected by the department
292 under this act.

293 **SECTION 3.** Section 21-33-303, Mississippi Code of 1972, is
294 amended as follows:

295 21-33-303. No municipality shall hereafter issue bonds
296 secured by a pledge of its full faith and credit for the purposes
297 authorized by law in an amount which, when added to the then
298 outstanding bonded indebtedness of such municipality, shall exceed
299 either (a) fifteen percent (15%) of the assessed value of the
300 taxable property within such municipality, according to the last
301 completed assessment for taxation, or (b) ten percent (10%) of the

302 assessment upon which taxes were levied for its fiscal year ending
303 September 30, 1984, whichever is greater. In computing such
304 indebtedness, there may be deducted all bonds or other evidences
305 of indebtedness, heretofore or hereafter issued, for school,
306 water, sewerage systems, gas, and light and power purposes and for
307 the construction of special improvements primarily chargeable to
308 the property benefited, or for the purpose of paying the
309 municipality's proportion of any betterment program, a portion of
310 which is primarily chargeable to the property benefited. However,
311 in no case shall any municipality contract any indebtedness which,
312 when added to all of the outstanding general obligation
313 indebtedness, both bonded and floating, shall exceed either (a)
314 twenty percent (20%) of the assessed value of all taxable property
315 within such municipality according to the last completed
316 assessment for taxation or (b) fifteen percent (15%) of the
317 assessment upon which taxes were levied for its fiscal year ending
318 September 30, 1984, whichever is greater. Nothing herein
319 contained shall be construed to apply to contract obligations in
320 any form heretofore or hereafter incurred by any municipality
321 which are subject to annual appropriations therefor, or to bonds
322 heretofore issued by any municipality for school purposes, or to
323 contract obligations in any form heretofore or hereafter incurred
324 by any municipality which are payable exclusively from the
325 revenues of any municipally owned utility, or to bonds issued by
326 any municipality under the provisions of Sections 57-1-1 through

327 57-1-51, or to any special assessment improvement bonds issued by
328 any municipality under the provisions of Sections 21-41-1 through
329 21-41-53, or to any indebtedness incurred under Section 55-23-8,
330 or to any indebtedness incurred under Section 1 of this act.

331 All bonds issued prior to July 1, 1990, pursuant to this
332 chapter by any municipality for the purpose of the constructing,
333 replacing, renovating or improving wastewater collection and
334 treatment facilities in order to comply with an administrative
335 order of the Mississippi Department of Natural Resources issued
336 pursuant to the Federal Water Pollution Control Act and amendments
337 thereto, are hereby exempt from the limitation imposed by this
338 section if the governing body of the municipality adopts an order,
339 resolution or ordinance to the effect that the rates paid by the
340 users of such facilities shall be increased to the extent
341 necessary to provide sufficient funds for the payment of the
342 principal of and interest on such bonds as each respectively
343 becomes due and payable as well as the necessary expenses in
344 connection with the operation and maintenance of such facilities.

345 **SECTION 4.** Section 19-9-5, Mississippi Code of 1972, is
346 amended as follows:

347 19-9-5. No county shall hereafter issue bonds secured by a
348 pledge of its full faith and credit for the purposes authorized by
349 law in an amount which, when added to the then outstanding bonds
350 of such county, shall exceed either (a) fifteen percent (15%) of
351 the assessed value of the taxable property within such county

352 according to the last completed assessment for taxation, or (b)
353 fifteen percent (15%) of the assessment upon which taxes were
354 levied for its fiscal year ending September 30, 1984, whichever is
355 greater.

356 However, any county in the state which shall have experienced
357 washed-out or collapsed bridges on the public roads of the county
358 for any cause or reason may hereafter issue bonds for bridge
359 purposes as now authorized by law in an amount which, when added
360 to the then outstanding general obligation bonds of such county,
361 shall not exceed either (a) twenty percent (20%) of the assessed
362 value of the taxable property within such county according to the
363 last completed assessment for taxation or (b) fifteen percent
364 (15%) of the assessment upon which taxes were levied for its
365 fiscal year ending September 30, 1984, whichever is greater.

366 Provided further, in computing such indebtedness, there may
367 be deducted all bonds or other evidences of indebtedness
368 heretofore or hereafter issued, for the construction of hospitals,
369 ports or other capital improvements which are payable primarily
370 from the net revenue to be generated from such hospital, port or
371 other capital improvement, which revenue shall be pledged to the
372 retirement of such bonds or other evidences of indebtedness,
373 together with the full faith and credit of the county. However,
374 in no case shall any county contract any indebtedness payable, in
375 whole or in part, from proceeds of ad valorem taxes which, when
376 added to all of the outstanding general obligation indebtedness,

377 both bonded and floating, shall exceed either (a) twenty percent
378 (20%) of the assessed value of all taxable property within such
379 county according to the last completed assessment for taxation, or
380 (b) fifteen percent (15%) of the assessment upon which taxes were
381 levied for its fiscal year ending September 30, 1984, whichever is
382 greater. Nothing herein contained shall be construed to apply to
383 contract obligations in any form heretofore or hereafter incurred
384 by any county which are subject to annual appropriations therefor,
385 or to bonds heretofore or hereafter issued by any county for
386 school purposes, or to bonds issued by any county under the
387 provisions of Sections 57-1-1 through 57-1-51, or to any
388 indebtedness incurred under Section 55-23-8, or to bonds issued
389 under Section 57-75-37 or to any other indebtedness incurred under
390 57-75-37(4) or to any indebtedness incurred under Section 1 of
391 this act.

392 **SECTION 5.** This act shall take effect and be in force from
393 and after July 1, 2017.
