(3) In providing accommodations for students, the parent of a child with such illness or disability, the teacher or teachers of the student and the appropriate school administrator shall meet and develop a written 504 Plan consistent with the provisions of Chapter 23, Title 37, Mississippi Code of 1972, that would permit the use of service dogs in the school facility. Also, in providing accommodations for students, the teacher or teachers of the student and the appropriate school administrator shall develop a plan designed to educate other students of the appropriate behavior in the presence of such dogs, as well as the proper handling of such dogs in the presence of those students who may have an allergic reaction to the dog and the reasonable care to be taken in efforts to prevent contact by students who are allergic with such dogs.

SECTION 4. Section 43-6-1, Mississippi Code of 1972, is brought forward as follows:

43-6-1. As used in this article, "blind," "totally blind," "visually handicapped," and "partially blind" mean having central visual acuity not to exceed 20/200 in the better eye, with corrected lenses as measured by the Snellen test, or having visual
acuity greater than 20/200, but with a limitation in the field of vision such that the widest diameter of the visual field subtends an angle not greater than twenty (20) degrees.

As used in this article, "deaf person" means a person who cannot readily understand spoken language through hearing alone with or without a hearing aid, and who may also have a speech defect which renders his speech unintelligible to most people with normal hearing.

SECTION 5. Section 43-6-3, Mississippi Code of 1972, is brought forward as follows:

43-6-3. Blind persons, visually handicapped persons, deaf persons and other physically disabled persons shall have the same right as the able-bodied to the full and free use of the streets, highways, sidewalks, walkways, public buildings, public facilities, and other public places.

SECTION 6. Section 43-6-5, Mississippi Code of 1972, is brought forward as follows:

43-6-5. Blind persons, visually handicapped persons, deaf persons and other physically disabled persons shall be entitled to full and equal access, as are other members of the general public, to accommodations, advantages, facilities and privileges of all common carriers, airplanes, motor vehicles, railroad trains, motorbuses, streetcars, boats or any other public conveyances or modes of transportation, hotels, lodging places, places of public accommodation, amusement or resort, and other places to which the

hearing ear dog on a blaze orange leash. However, such person
shall be liable for any damage done to the premises or facilities
by such dog.

SECTION 8. Section 43-6-9, Mississippi Code of 1972, is
brought forward as follows:

43-6-9. A totally or partially blind pedestrian or deaf
person shall have all the rights and privileges conferred by law
upon other persons in any of the places, accommodations, or
conveyances specified in Sections 43-6-3 and 43-6-5,
notwithstanding the fact that such person is not carrying a
predominantly white cane (with or without a red tip), or using a
guide dog or hearing ear dog on a blaze orange leash. The failure
of a totally or partially blind person or deaf person to carry
such a cane or to use such a guide dog or hearing ear dog on a
blaze orange leash shall not constitute negligence per se.
SECTION 9. Section 63-3-1111, Mississippi Code of 1972, is brought forward as follows:

63-3-1111. (1) Whenever a pedestrian is crossing or attempting to cross a public street or highway, at or near an intersection or crosswalk, guided by a guide dog or carrying in a raised or extended position a cane or walking stick which is metallic or white in color, or white tipped with red, the driver of every vehicle approaching in said intersection or crosswalk shall take such precautions as may be necessary to avoid injuring or endangering such pedestrian, and if injury or danger to such pedestrian can be avoided only by bringing his vehicle to a full stop, he shall bring his said vehicle to a full stop. The word "vehicle," when used in this section, does not include a train operated on railroad tracks.

(2) Nothing contained in this section shall be construed to deprive any totally or partially blind or otherwise incapacitated person, not carrying such a cane or walking stick or not being guided by a dog, of the rights and privileges conferred by law upon pedestrians crossing streets or highways. The failure of such totally or partially blind or otherwise incapacitated person to carry a cane or walking stick or to be guided by a guide dog upon the streets, highways or sidewalks of this state, shall not be held to constitute or be evidence of contributory negligence.

(3) It shall be unlawful for any person, unless totally or partially blind or otherwise incapacitated, while on any public
street or highway, to carry in a raised or extended position a cane or walking stick which is metallic or white in color, or white tipped with red.

(4) The violation of any provision of this section shall be punishable by a fine of not more than Twenty-five Dollars ($25.00) or by imprisonment in the county jail for not more than ten (10) days.

SECTION 10. Section 77-8-31, Mississippi Code of 1972, is brought forward as follows:

77-8-31. (1) The transportation network company shall adopt a policy of nondiscrimination with respect to riders and potential riders and notify transportation network company drivers of the policy.

(2) Transportation network company drivers shall comply with all applicable laws regarding nondiscrimination against riders or potential riders.

(3) Transportation network company drivers shall comply with all applicable laws relating to accommodation of service animals.

(4) A transportation network company shall not impose additional charges for providing services to persons with physical disabilities because of those disabilities.

SECTION 11. Section 99-43-101, Mississippi Code of 1972, is brought forward as follows:

99-43-101. (1) The following terms have the meanings ascribed:
(a) "Child" means any individual under the age of eighteen (18) years of age who must testify in any legal or criminal proceeding.

(b) "Proceeding," "criminal proceeding" or "legal proceeding" means:

   (i) Any criminal hearing, criminal trial or other criminal proceeding in the circuit or county court in which a child testifies as a victim of a crime or as a witness as to a material issue; or

   (ii) A youth court proceeding in which a child testifies as a victim of a crime or delinquent act or as a witness to a crime or delinquent act.

(2) In any proceeding in which a child testifies, a child shall have the following rights to be enforced by the court on its own motion or upon motion or notice of an attorney in the proceeding:

   (a) To be asked questions in a manner a child of that age can reasonably understand, including, but not limited to, a child-friendly oath.

   (b) To be free of nuisance, vexatious or harassment tactics in the proceeding.

   (c) To have present in the courtroom and in a position clearly visible in close proximity to the child, a support person, if the support person is not a witness in the proceeding.
(d) To have the courtroom or the hearing room adjusted to ensure the comfort and protection of the child.

(e) To have the relaxation of the formalities of the proceedings in an effort to ensure the comfort of the child.

(f) To permit a properly trained facility animal or comfort item or both to be present inside the courtroom or hearing room.

(g) To permit the use of a properly constructed screen that would permit the judge and jury in the courtroom or hearing room to see the child but would obscure the child's view of the defendant or the public or both.

(h) To have a secure and child-friendly waiting area provided for the child during court proceedings and to have a support person stay with the child while waiting.

(i) To have an advocate or support person inform the court about the child's ability to understand the nature of the proceedings, special accommodations that may be needed for the child's testimony, and any other testimony relevant to any of the rights set forth in this section.

(3) In circumstances where a defendant in a proceeding has chosen to proceed without counsel, the court may appoint standby counsel for that party and may order standby counsel to question a child on behalf of the pro se party if the court finds that there is a substantial likelihood that emotional harm would come to the
child if the pro se party were allowed to question the child directly.

(4) (a) If the child is the victim of a crime, the court shall ensure that all steps necessary to secure the physical safety of the child, both in the courtroom and during periods of time that the child may spend waiting for court, have been taken.

(b) The court and all attorneys involved in a proceeding involving a child shall not disclose to any third party any discovery, including, but not limited to, the personal information of the child including the child's name, address and date of birth, any and all interviews of the child, and any other identifying information of a child. Upon written motion by a party, the court may authorize by written order the production of any discovery to a third party, if the third party agrees to maintain the security and nondisclosure of the discovery and return the discovery to the party upon conclusion of the case.

The court shall enforce any violations of this section through its contempt powers.

(c) In any proceeding in which a child is alleged to have been emotionally, sexually, or physically abused, the child shall be given notice of all pretrial discovery motions, and the notice must be given in sufficient time to allow the guardian ad litem or counsel for the child to file any pleadings deemed appropriate to that situation.
(5) (a) In a proceeding involving an alleged offense against a child, the prosecuting attorney, the child's attorney, the child's parent or legal guardian, or the guardian ad litem may apply for an order that a deposition be taken of the child's testimony and that the deposition be recorded and preserved on videotape and by stenographic means.

(b) The court shall make a preliminary finding as to whether, at the time of trial, the child is likely to be unable to testify in open court in the physical presence of the defendant, jury, judge, or public for any of the following reasons:

   (i) The child will be unable to testify because of fear.

   (ii) There is a substantial likelihood, established by expert testimony, that the child would suffer emotional trauma from testifying in open court.

   (iii) The child suffers a mental or other infirmity or medical condition which could potentially prevent the child from being present to testify at the trial.

   (iv) Conduct of the defendant or defense counsel may cause or already has caused the child to be unable to testify or continue to testify out of fear or emotional distress.

(c) If the court finds that the child is likely to be unable to testify in open court for any of the reasons stated in paragraph (b) of this subsection (5), the court shall order that
the child's deposition be taken and preserved by videotape and
stenographic means.

(d) The trial judge shall preside at the videotape
deposition of a child and shall rule on all questions as if at
trial. The only other persons who may be permitted to be present
at the proceeding are:

(i) The prosecuting attorney or attorneys;
(ii) The attorney or attorneys for the defendant;
(iii) The child's attorney or attorneys and
guardian ad litem;
(iv) Persons necessary to operate the videotape
equipment; and
(v) Other persons whose presence is determined by
the court to be necessary to the welfare and well-being of the
child.

The defendant shall be afforded the rights applicable to
defendants during trial, including the right to an attorney, the
right to be confronted with the witness against the defendant, and
the right to cross-examine the child.

(e) (i) If the court finds the child is unable to
testify in open court, based on evidence that the child is unable
to testify in the physical presence of the defendant, the court
may order that the defendant, including a defendant represented
pro se, be excluded from the room in which the deposition is
conducted. If the court orders that the defendant be excluded
from the deposition room, the court shall order that two-way
closed-circuit television equipment be used as provided in Section
13-1-405.

   (ii) The complete record of the examination of the
child, including the image and voices of all persons who in any
way participated in the examination, shall be made and preserved
on videotape in addition to being stenographically recorded. The
videotape shall be transmitted to the clerk of the court in which
the action is pending and shall be made available for viewing to
the prosecuting attorney, the defendant, and the defendant's
attorney during ordinary business hours.

   (f) If, at the time of trial, the court finds that the
child is unable to testify for a reason described in subsection
(5)(b), the court may admit into evidence the child's videotaped
deposition in lieu of the child's testimony at trial. The court's
ruling must be supported by findings on the record.

   (g) Upon timely receipt of notice that new evidence has
been discovered after the original videotaping and before or
during trial, the court, for good cause shown, may order an
additional videotaped deposition. The testimony of the child
shall be restricted to the matters specified by the court as the
basis for granting the order.

   (h) In connection with the taking of a videotaped
deposition, the court may enter a protective order for the purpose
of protecting the privacy or emotional well-being of the child or for any other purposes.

(i) The videotape of a deposition taken under this paragraph shall be destroyed five (5) years after the date on which the trial court entered its judgment, but not before a final judgment is entered on appeal, including Supreme Court review. The videotape shall become part of the court record and be kept by the court until it is destroyed.

SECTION 12. This act shall take effect and be in force from and after July 1, 2018.
