SECTION 3. Section 75-67-605, Mississippi Code of 1972, is 
reenacted as follows:

75-67-605. (1) A person may not engage in business as a 
credit availability licensee or otherwise portray himself as a 
credit availability licensee unless the person has a valid license 
authorizing him to engage in the business. Any transaction that 
would be subject to this article that is made by a person who does
not have a valid license under this article shall be null and void.

(2) A credit availability licensee shall (a) have a definitive United States postal address and E911 address; and (b) comply with applicable local zoning requirements, except as otherwise provided in this article; and (c) maintain separate books and records for credit availability transactions.

(3) (a) The commissioner may issue more than one (1) license to a person if that person complies with this article for each license. A new license is required upon a change, directly or beneficially, in the ownership of any licensed credit availability business and an application shall be made to the commissioner in accordance with this article.

(b) When a licensee wishes to move a credit availability business to another physical location, the licensee shall give thirty (30) days' prior written notice to the commissioner who shall amend the license accordingly.

(c) Each license shall remain in full force and effect until relinquished, suspended, revoked or expired. With each initial application for a license, the applicant shall pay the commissioner at the time of making the application a license fee of Seven Hundred Fifty Dollars ($750.00), and on or before September 1 of each year thereafter, an annual renewal fee of Four Hundred Seventy-five Dollars ($475.00). If the annual renewal fee remains unpaid twenty-nine (29) days after September 1, the
license shall thereupon expire, but not before the thirtieth day of September of any year for which the annual fee has been paid. If any licensee fails to pay the annual renewal fee before the thirtieth day of September of any year for which the renewal fee is due, then the licensee shall be liable for the full amount of the license fee, plus a penalty in an amount not to exceed Twenty-five Dollars ($25.00) for each day that the licensee has engaged in business after September 30. All licensing fees and penalties shall be paid into the Consumer Finance Fund of the Department of Banking and Consumer Finance.

(4) Notwithstanding any other provisions of this article, the commissioner may issue a temporary license authorizing the operation of a credit availability business on the receipt of an application for a license involving principals and owners that are substantially identical to those of an existing licensed credit availability licensee. The temporary license is effective until the permanent license is issued or denied.

(5) Notwithstanding other provisions of this article, neither a new license nor an application to transfer an existing license shall be required upon any change, directly or beneficially, in the ownership of any licensed business incorporated under the laws of this state or any other state so long as the licensee continues to operate as a corporation doing a credit availability business under the license.
Persons licensed under Sections 75-67-401 et seq. and 75-67-501 et seq. on July 1, 2016, shall have until September 30, 2016, to apply for an expedited license approval under this article. The commissioner, in his discretion, may waive certain documentation already on file under those licenses, including fingerprints, and may promulgate an application that expedites the licensing process. Upon the approval of the application, the commissioner shall grant a license under this article.

SECTION 4. Section 75-67-607, Mississippi Code of 1972, is reenacted as follows:

75-67-607. The provisions of this article shall not apply to any bank, trust company, savings association, savings and loan association, savings bank or credit union that is chartered under the laws of this state or under federal law and domiciled in this state.

(a) Operate lawfully and fairly within the purposes of this article.

(b) Not have been convicted in the last ten (10) years or be active as a beneficial owner for someone who has been convicted in the last ten (10) years of a crime that the commissioner finds directly relates to the duties and
responsibilities of the business of offering credit availability
transactions.

(c) File with the commissioner a bond with good
security in the penal sum of Ten Thousand Dollars ($10,000.00),
payable to the State of Mississippi, for the faithful performance
by the licensee of the duties and obligations pertaining to the
business so licensed and the prompt payment of any judgment which
may be recovered against the licensee on account of charges or
other claims arising directly or collectively from any violation
of the provisions of this article. The bond shall not be valid
until the commissioner approves it. The applicant may file, in
lieu of the bond, cash, a certificate of deposit or government
bonds in the amount of Ten Thousand Dollars ($10,000.00). Those
deposits shall be filed with the commissioner and are subject to
the same terms and conditions as are provided for in the surety
bond required in this paragraph. Any interest or earnings on
those deposits are payable to the depositor. Applicants applying
for multiple licenses may submit a single bond for all licenses,
provided that the total value of the bond is equal to Ten Thousand
Dollars ($10,000.00) per license applied for.

(d) File with the commissioner an application for a
license and the initial license fee required in this article. If
applicant's application is approved, a credit availability license
will be issued within thirty (30) days.
(e) File with the commissioner a set of fingerprints from any local law enforcement agency for each owner of a sole proprietorship, partners in a partnership or principal owners of a limited liability company that own at least ten percent (10%) of the voting shares of the company, shareholders owning ten percent (10%) or more of the outstanding shares of the corporation, except publically traded corporations and their subsidiaries, and any other executive officer with significant oversight duties of the business. In order to determine the applicant's suitability for license, the commissioner shall forward the fingerprints to the Department of Public Safety; and if no disqualifying record is identified at the state level, the Department of Public Safety shall forward the fingerprints to the FBI for a national criminal history record check.

(f) Complete and file with the commissioner an annual renewal application for a license accompanied by the renewal fee required in this article.

(a) The legal name, residence and business address of the applicant and, if the applicant is a partnership, association or corporation, of every member, officer and director thereof.
However, the application need not state the full name and address of each shareholder, if the applicant is owned directly or beneficially by a person which as an issuer has a class of securities registered under Section 12 of the Securities and Exchange Act of 1934 or is an issuer of securities which is required to file reports with the Securities and Exchange Commission under Section 15(d) of the Securities and Exchange Act, provided that the person files with the commissioner such information, documents and reports as are required by the provisions of the Securities and Exchange Act to be filed by the issuer with the Securities and Exchange Commission. The commissioner may, however, require the licensee to provide such information as he deems reasonable and appropriate concerning the officers and directors of the corporation and persons owning in excess of twenty-five percent (25%) of the outstanding shares of the corporation.

(b) The complete address of the location at which the applicant proposes to engage in the business of offering credit availability transactions.

(c) Other data and information the department may require with respect to the applicant, its directors, trustees, officers, members or agents.

worth of at least Twenty Thousand Dollars ($20,000.00) for the
first license and at least Five Thousand Dollars ($5,000.00) for
each additional license.

SECTION 7. Section 75-67-613, Mississippi Code of 1972, is
reenacted as follows:
75-67-613. (1) Upon filing of an application in a form
prescribed by the commissioner, accompanied by the documents
required in this article, the department shall investigate to
ascertain whether the qualifications prescribed in this article
have been satisfied. If the commissioner finds that the
qualifications have been satisfied and, if he approves the
documents so filed by the applicant, he shall issue to the
applicant a license to engage in the credit availability business
in this state.
(2) The license shall be kept conspicuously posted in the
place of business of the licensee.

SECTION 8. Section 75-67-615, Mississippi Code of 1972, is
reenacted as follows:
75-67-615. (1) The department may adopt reasonable
administrative regulations, not inconsistent with law, for the
enforcement of this article and shall develop and provide any
necessary forms or other documentation to carry out the provisions
of this article.
(2) To assure compliance with the provisions of this
article, the department may examine the books and records of any
licensee without notice during normal business hours. The commissioner may charge the licensee an examination fee in an amount not less than Three Hundred Dollars ($300.00) nor more than Six Hundred Dollars ($600.00) for each office or location within the State of Mississippi plus any actual expenses incurred while examining the licensee's records or books that are located outside the State of Mississippi. However, in no event shall a licensee be examined more than once in a two-year period unless for cause shown based upon a consumer complaint and/or other exigent reasons as determined by the commissioner.

(3) Each licensee shall keep and use in its business any books, accounts and records the department may require to carry into effect the provisions of this article and the administrative regulations issued under this article. Every licensee shall preserve the books, accounts and records of its business for at least two (2) years.

SECTION 9. Section 75-67-617, Mississippi Code of 1972, is reenacted as follows:

(ii) The origination fee shall not be deemed interest for any purpose of law.

(5) In the event an account holder is delinquent in payment of a monthly payment under the terms of a credit availability agreement, the licensee may charge and collect from the account holder
holder a late fee of ten percent (10%) of the past-due amount; provided, however, that no such late fee may be charged unless an account holder has failed to pay the past-due amount within ten (10) business days after the due date and provided that such fees are clearly disclosed in the credit availability agreement.

(6) In the event an account holder is in default under the terms of a credit availability agreement for more than sixty (60) days, the licensee may charge and collect from the account holder the following fees in connection with any such default, provided that such fees are clearly disclosed in the credit availability agreement:

(a) If the licensee is required to employ a third party, including an attorney, to collect on the account the licensee may:

   (i) If the credit availability agreement so provides, charge and collect a reasonable collection fee and attorney's fee; and

75-67-621. (1) A licensee shall provide each prospective account holder, before consummation of a credit availability transaction, a written explanation of the fees, and charges to be charged by the licensee and the due dates for all payments. The style, content, and method of executing the required written explanation shall comply with federal truth-in-lending laws and shall contain a statement that the account holder may prepay the unpaid balance in whole or in part at any time. (3) The manner of giving notice and conducting a hearing as required by subsection (1) of this section shall be performed in accordance with procedures prescribed by the commissioner in rules or regulations adopted under the Mississippi Administrative Procedures Law, Section 25-43-1 et seq.
(4) Any licensee may surrender any license by delivering it to the commissioner with written notice of its surrender, but that surrender shall not affect the licensee's civil or criminal liability for acts committed prior thereto.

(5) The commissioner may reinstate suspended licenses or issue new licenses to a person whose licenses have been revoked if no fact or condition then exists which clearly would have justified the commissioner in refusing originally to issue a license under this article.

(6) The appropriate local law enforcement agency shall be notified of any licensee who has his license suspended or revoked as provided by this article.

(7) The commissioner shall enforce the provisions of this section.

(8) No revocation, suspension or surrender of any license shall impair or affect the obligation of any pre-existing lawful contract between the licensee and any debtor.

75-67-625. under this article, including all relevant books, records and papers employed by those persons in the transaction of their business, and may summon witnesses and examine them under oath concerning matters relating to the business of those persons, or such other matters as may be relevant to the discovery of violations of this article, including without limitation the conduct of business without a license as required under this article.

(2) Any person who engages in the business of offering credit availability transactions without first securing a license prescribed by this article shall be liable for the full amount of the license fee, plus a penalty in an amount not to exceed Twenty-five Dollars ($25.00) for each day that the person engaged in the business without a license. (2) Compliance with criminal provisions of this article shall be enforced by the appropriate law enforcement agency, which may exercise for that purpose any authority conferred upon the agency by law.

(3) When the commissioner has reasonable cause to believe that a person is violating any provision of this article, the commissioner, in addition to and without prejudice to the authority provided elsewhere in this article, may enter an order requiring the person to stop or to refrain from the violation. The commissioner may sue in any circuit court of the state having jurisdiction and venue to enjoin the person from engaging in or continuing the violation or from doing any action in furtherance of the violation. In such an action, the court may enter an order or judgment awarding a preliminary or permanent injunction.

(4) The commissioner may impose a civil penalty against any licensee adjudged by the commissioner to be in violation of the

deposited into the Department of Banking and Consumer Finance,

(5) Any licensee convicted in the manner provided in this
article shall forfeit the surety bond or deposit required in this
article and the amount of the bond or deposit shall be credited to
the budget of the state or local agency which directly
participated in the prosecution of the licensee, for the specific
purpose of increasing law enforcement resources for that specific
state or local agency. The bond or deposit shall be used to
augment existing state and local law enforcement budgets and not
to supplant them.

75-67-635. (m) "Titled personal property" means any personal property the ownership of which is evidenced and delineated by a state-issued certificate of title.

(n) "Records" or "documents" means any item in hard copy or produced in a format of storage commonly described as electronic, imaged, magnetic, microphotographic or otherwise, and

SECTION 21. Section 75-67-505, Mississippi Code of 1972, is
reenacted as follows:

75-67-505. (1) (a) A person may not engage in business as
a check cashier or otherwise portray himself as a check cashier
unless the person has a valid license authorizing engagement in
the business. Any transaction that would be subject to this
article that is made by a person who does not have a valid license
under this article shall be null and void. A separate license is
required for each place of business under this article and each
business must be independent of, and not a part of, any other
business operation. A check cashing business shall not be a part
of, or located at the same business address with, a pawnshop,
title pledge office and small loan company.

(b) A check cashing business shall (i) have a
definitive United States postal address and E911 address; (ii)
comply with local zoning requirements; (iii) have a minimum of one
hundred (100) square feet with walls from floor to ceiling
separating the operation from any other businesses; (iv) have an
outside entrance, but may be located in an area that has a common
lobby shared by other businesses as long as the customers do not
enter the check cashing business through another business; (v)
have proper signage; and (vi) maintain separate books and records.
Any licensee who does not cash any delayed deposit checks as authorized under Section 75-67-519 shall not be subject to the requirements of subparagraphs (i), (iii) and (iv) of this paragraph.

(c) A licensed check casher may sell, at the same location as his check cashing business, the following items and services: money orders; income tax preparation service; copy service; wire transfer service; notary service; pagers; pager service; prepaid cellular service; debit card; prepaid telephone cards; prepaid telephone service; and operate a processing center where utility bills, credit card payments and other payments are collected from the general public and governmental and private payments are distributed. In the event a licensee accepts wire transfers in the form of a direct deposit of a payroll check or other similar types of deposit, the licensee shall not encumber any transferred funds against a deferred deposit agreement or any delinquent deferred deposit agreement with such customer. The commissioner may authorize additional functions in addition to those provided in this subsection that may be performed as part of a check cashing business, but shall authorize the offering of credit availability transactions as provided in Sections 75-67-601 through 75-67-637.

(d) The commissioner may issue more than one (1) license to a person if that person complies with this article for each license. A new license is required upon a change, directly
or beneficially, in the ownership of any licensed check casher
business and an application shall be made to the commissioner in
accordance with this article.

(2) When a licensee wishes to move a check casher business
to another location, the licensee shall give thirty (30) days'
prior written notice to the commissioner who shall amend the
license accordingly.

(3) Each license shall remain in full force and effect until
relinquished, suspended, revoked or expired. With each initial
application for a license, the applicant shall pay the
commissioner at the time of making the application a license fee
of Seven Hundred Fifty Dollars ($750.00), and on or before
September 1 of each year thereafter, an annual renewal fee of Four
Hundred Seventy-five Dollars ($475.00). If the annual renewal fee
remains unpaid twenty-nine (29) days after September 1, the
license shall thereupon expire, but not before the thirtieth day
of September of any year for which the annual fee has been paid.
If any licensee fails to pay the annual renewal fee before the
thirtieth day of September of any year for which the renewal fee
is due, then the licensee shall be liable for the full amount of
the license fee, plus a penalty in an amount not to exceed
Twenty-five Dollars ($25.00) for each day that the licensee has
engaged in business after September 30. All licensing fees and
penalties shall be paid into the Consumer Finance Fund of the
Department of Banking and Consumer Finance.
(4) Notwithstanding other provisions of this article, the commissioner may issue a temporary license authorizing the operator of a check casher business on the receipt of an application for a license involving principals and owners that are substantially identical to those of an existing licensed check casher. The temporary license is effective until the permanent license is issued or denied.

SECTION 22. Section 22, Chapter 500, Laws of 2016, is reenacted and amended as follows:

Section 22. This act shall stand repealed on July 1, 2022.

SECTION 23. This act shall take effect and be in force from and after July 1, 2018.
