indicates that the applicant is not qualified to vote in the
county, the county registrar shall challenge the application. The
county election commissioners shall review any challenge or
disqualification, after having notified the applicant by certified
mail of the challenge or disqualification.

(3) The municipal clerk shall issue to the person making the

(5) The municipal clerk of each municipality shall provide the county registrar in which the municipality is located the information necessary to conform the municipal registration to the county registration which shall be a part of the official record of registered voters as contained in the Statewide Elections Management System. If any changes to the information occur as a result of redistricting, annexation or other reason, it shall be the responsibility of the municipal clerk to timely provide the changes to the county registrar.

If the voter's previous place of registration was in another state, notice shall be provided to the voter's previous state of residence if the Statewide Elections Management System has that capability.

(5) The county registrar shall provide to the person making the application a copy of the application upon which has been written the county voting precinct and municipal voting precinct, if any, in which the person shall vote. Upon entry of the voter registration information into the Statewide Elections Management System, the system shall assign a voter registration number to the person, and the county registrar shall mail the applicant a voter registration card to the mailing address provided on the application.

(6) Any person desiring an application for registration may secure an application from the registrar of the county of which he or she is a resident and may take the application with him or her
and secure assistance in completing the application from any 
person of the applicant's choice. It shall be the duty of all 
registrars to furnish applications for registration to all persons 
requesting them, and it shall likewise be the registrar's duty to 
furnish aid and assistance in the completing of the application 
when requested by an applicant. The application for registration 
shall be sworn to and subscribed before the registrar or deputy 
registrar at the municipal clerk's office, the county registrar's 
office or any other location where the applicant is allowed to 
register to vote. The registrar shall not charge a fee or cost to 
the applicant for accepting the application or administering the 
oath or for any other duty imposed by law regarding the 
registration of electors.

(7) If the person making the application is unable to read 
or write, for reason of disability or otherwise, he or she shall 
not be required to personally complete the application in writing 
and execute the oath. In such cases, the registrar or deputy 
registrar shall read the application and oath to the person and 
the person's answers thereto shall be recorded by the registrar or 
the registrar's deputy. The person shall be registered as an 
elector if he or she otherwise meets the requirements to be 
registered as an elector. The registrar shall record the 
responses of the person and the recorded responses shall be 
retained permanently by the registrar. The county registrar shall 
enter the voter registration information into the Statewide
Elections Management System and designate the entry as an assisted filing.

(8) The receipt of a copy of the application for registration sent pursuant to Section 23-15-35(2) shall be sufficient to allow the applicant to be registered as an elector of this state, if the application is not challenged.

(9) In any case in which the corporate boundaries of a municipality change, whether by annexation or redistricting, the municipal clerk shall, within ten (10) days after approval of the change in corporate boundaries, provide to the county registrar conforming geographic data that is compatible with the Statewide Elections Management System. The data shall be developed by the municipality's use of a standardized format specified by the Statewide Elections Management System. The county registrar, county election commissioner or other county official, who has completed an annual training seminar sponsored by the Secretary of State pertaining to the implementation of new boundary lines in the Statewide Elections Management System and received certification for that training, shall update the municipal boundary information into the Statewide Elections Management System. The Statewide Elections Management System updates the municipal voter registration records and assigns electors to their municipal voting precincts. The county registrar shall forward to the municipal clerk written notification of the additions and changes, and the municipal clerk shall forward to the affected
