459 BE IT FURTHER RESOLVED, That, except as otherwise provided in
460 this resolution, the Chairman and Vice Chairman of the Standing
461 Joint Legislative Committee on Reapportionment shall file with the
462 Secretary of State the Split Precinct Block List developed in

463 conjunction with the plan contained in this joint resolution that
464 details the portions of the partial or split precincts that are
465 contained within a district by census tract and block number, and
466 such document duly filed with the Secretary of State is hereby
467 incorporated into and shall be construed to be an integral part of
468 this joint resolution.

469 BE IT FURTHER RESOLVED, That the staff of the Standing Joint
470 Legislative Committee on Reapportionment shall file with the
471 Secretary of State the Split Precinct Block List developed in
472 conjunction with the amendments Districts 13 and 22 contained in

476 with the Secretary of State is hereby incorporated into and shall

478 BE IT FURTHER RESOLVED, That the boundaries of the senatorial
479 districts described above shall be:

480 (a) The boundaries of the counties listed above as such
481 boundaries existed as of January 1, 2010; and

482 (b) The boundaries of the precincts, census tracts and
483 blocks listed above as such boundaries are contained in the Census
484 2010 Tiger/Line Shapefiles released November 2010.

485 BE IT FURTHER RESOLVED, That this resolution shall be
486 liberally construed to effectuate the purposes thereof and to

487 redistrict the Senate of this state in compliance with
488 constitutional requirements.

489 It is intended that this resolution and the districts
490 described herein completely encompass all the area within the
491 state. It is also intended that such districts contain all the
492 inhabitants in this state. It is further intended that the
493 redistricting provided for in this resolution result in the
494 creation of districts which are substantially equal in population.
495 It is also intended that no district shall include any of the area
496 included within the description of any other district.

497 BE IT FURTHER RESOLVED, That if the districts described in
498 this resolution do not carry out the purposes thereof, because of
499 unintentional omissions; duplications; overlapping areas;
500 erroneous nomenclature; lack of adequate maps or descriptions of
501 political subdivisions, wards or other divisions thereof, or of
502 their boundary lines, then the Secretary of State, at the request
503 of the Chair of the Senate Elections Committee shall, by order,
504 correct such omissions, overlaps, erroneous nomenclature or other
505 defects in the description of districts so as to accomplish the

507 BE IT FURTHER RESOLVED, That in promulgating such orders, the
508 Secretary of State, in addition to achieving equality in the
509 population of districts and insuring that all areas of the state

511 be guided by the following standards:

512 (a) In any instance in which there is a conflict
513 between the description of a district as set out in this
514 resolution and the map of the Senate Districts developed * * * in
515 conjunction with the adopted redistricting plan, the map shall
516 control; however, in instances in which the map is inconclusive,
517 the criteria set out in paragraphs (b) through (f) shall control
518 the resolution of any dispute or issue regarding the composition
519 of any Senate District;

520 (b) Gaps in the description of any district shall be
521 completed in a manner which results in a total description of that
522 district in a manner which is consonant with the description of
523 adjacent districts and results in complete contiguity of
524 districts;

525 (c) Areas of the state included within the descriptions
526 of more than one (1) district shall be allocated to the district
527 having the lowest population;

528 (d) Areas of the state not included within the
529 descriptions of any district shall be allocated to the adjacent
530 district having the lowest population;

531 (e) In the event that the area subject to corrected
532 description or allocation as provided in paragraphs (b), (c) and
533 (d) of this clause is of such size or contains such population
534 that its inclusion as a unit in any district would result in
535 substantial disparity in the size, shape or population of such

536 district, then the Secretary of State may allocate portions of
537 such area to two (2) or more districts; and

538 (f) In any allocation of area or correction of
539 descriptions made pursuant to this resolution, the Secretary of
540 State shall, consistent with the foregoing standards, preserve the
541 contiguity and compactness of districts and avoid the unnecessary
542 division of political subdivisions.

543 BE IT FURTHER RESOLVED, That copies of such orders shall be
544 filed by the Secretary of State in his own office and in the
545 offices of the affected commissioners of election and registrars.
546 The Secretary of State may adopt reasonable rules regulating the
547 procedure for applications for orders under this resolution in the
548 manner of serving and filing any notice or copy of orders relating
549 thereto. Upon the filing of such an order, the description of any
550 affected district shall be deemed to have been corrected in the
551 manner provided in such order to the full extent as if such
552 correction had been contained in the original description set
553 forth in this resolution.

554 BE IT FURTHER RESOLVED, That, except as otherwise provided in
555 this resolution, the Standing Joint Legislative Committee on
556 Reapportionment is directed to provide all information necessary

568 Cir. Mar. 15, 2019).

569 BE IT FURTHER RESOLVED, That the redistricting contained in
570 this resolution shall supersede any prior redistricting, and any
571 prior redistricting shall be null and void upon the date this
572 resolution is effectuated.

573 BE IT FURTHER RESOLVED, That this resolution shall be placed
574 in the editor's notes that follow Section 5-1-3, Mississippi Code
575 of 1972.

576 BE IT FURTHER RESOLVED, That if any paragraph, sentence,
577 clause, phrase or any part of this resolution is declared to be
578 unconstitutional or void or if for any reason is declared to be
579 invalid or of no effect, the remaining paragraphs, sentences,
580 clauses, phrases or parts thereof shall be in no manner affected
581 thereby but shall remain in full force and effect.

582 BE IT FURTHER RESOLVED, That this resolution shall take
583 effect and be in force from and after its passage; however, in the
584 event that the appellants prevail in the appeal of the case of
585 Joseph Thomas, et al. v. Phil Bryant, et al., No. 19-60133 (5th

586 Cir. Mar. 15, 2019), this resolution shall be repealed and the
587 districts as originally configured in Chapter 2234, Laws of 2012,
