203 With the funds herein appropriated, it shall be the agency's
204 responsibility to make certain that funds required to be
205 appropriated for "Personal Services" for Fiscal Year 2021 do not
206 exceed Fiscal Year 2020 funds appropriated for that purpose,
207 unless programs or positions are added to the agency's Fiscal Year
208 2020 budget by the Mississippi Legislature. Based on data
209 provided by the Legislative Budget Office, the State Personnel
210 Board shall determine and publish the projected annual cost to
211 fully fund all appropriated positions in compliance with the
212 provisions of this act. It shall be the responsibility of the
213 agency head to ensure that no single personnel action increases
214 this projected annual cost and/or the Fiscal Year 2020
215 appropriations for "Personal Services" when annualized, with the
216 exception of escalated funds and the award of benchmarks. If, at
217 the time the agency takes any action to change "Personal
218 Services," the State Personnel Board determines that the agency
219 has taken an action which would cause the agency to exceed this
220 projected annual cost or the Fiscal Year 2020 "Personal Services"
221 appropriated level, when annualized, then only those actions which
222 reduce the projected annual cost and/or the appropriation
223 requirement will be processed by the State Personnel Board until
224 such time as the requirements of this provision are met.

225 Any transfers or escalations shall be made in accordance with
226 the terms, conditions and procedures established by law or
227 allowable under the terms set forth within this act. The State
228 Personnel Board shall not escalate positions without written

229 approval from the Department of Finance and Administration. The
230 Department of Finance and Administration shall not provide written
231 approval to escalate any funds for salaries and/or positions
232 without proof of availability of new or additional funds above the
233 appropriated level.

234 No general funds authorized to be expended herein shall be
235 used to replace federal funds and/or other special funds which are
236 being used for salaries authorized under the provisions of this
237 act and which are withdrawn and no longer available.

238 None of the funds herein appropriated shall be used in
239 violation of Internal Revenue Service's Publication 15-A relating
240 to the reporting of income paid to contract employees, as
241 interpreted by the Office of the State Auditor.

242 **SECTION 4.** The Commissioner of Public Safety may, on a
243 case-by-case basis, within funds available, recommend that
244 corrective salary adjustments be made to the compensation of
245 employees of the Department of Public Safety where an inequity was
246 created between employees of equivalent capacity by previous
247 application of the agency appropriation acts. Any such corrective
248 salary adjustment plan must have prior approval by the State
249 Personnel Board. Such adjustments will not be retroactive.

250 Any funds in the Salary, Wages and Fringe Benefits major
251 object of expenditure may be used to purchase accumulated
252 compensatory time within funds available.

253 **SECTION 5.** It is the intent of the Legislature that the
254 local governments pay for part of the computer cost of the

255 Mississippi Justice Information Center by maintaining their
256 contribution to the Department of Public Safety.

257 **SECTION 6.** It is the intention of the Legislature that the
258 Department of Public Safety designate certain employees to aid the
259 Division of Crime Laboratories in the billing and collecting of
260 all fees charged for services rendered by the Division of Crime
261 Laboratories.

262 **SECTION 7.** No part of the funds appropriated herein shall be
263 transferred to, expended by, or used, directly or indirectly, for
264 the benefit of any public relations, publicity or publication
265 activities of any other state agency, department or officer, nor
266 shall any personnel paid with funds appropriated herein be
267 transferred or assigned to any other state agency, department or
268 officer for public relations, publicity, or publication activities
269 of such office.

270 **SECTION 8.** It is the intention of the Legislature that the
271 Department of Public Safety shall not issue citations for
272 violations of speed limits on a quota basis. No funds expended
273 under this act shall be used for such quota-based citations for
274 violations of speed limits.

275 **SECTION 9.** In compliance with the "Mississippi Performance
276 Budget and Strategic Planning Act of 1994," it is the intent of
277 the Legislature that the funds provided herein shall be utilized
278 in the most efficient and effective manner possible to achieve the
279 intended mission of this agency. Based on the funding authorized,

431 **SECTION 10.** It is the intention of the Legislature that all
432 divisions within the Mississippi Department of Public Safety shall
433 maintain complete accounting and personnel records related to the
434 expenditure of all funds appropriated under this act and that such
435 records shall be in the same format and level of detail as

444 clothing for sworn nonuniform law enforcement officers in an
445 amount not to exceed One Thousand Dollars (\$1,000.00) annually per
446 officer.

447 **SECTION 12.** It is the intention of the Legislature that

455 **SECTION 13.** The department is authorized to expend available
456 funds on technology or equipment upgrades or replacements when it
457 will generate savings through efficiency or when the savings
458 generated from such upgrades or replacements exceed expenditures

472 divided by two thousand eighty-seven and one hundred forty-three
473 one thousandths (2,087.143), for an hourly rate, to be multiplied
474 by two thousand two hundred twenty-three (2,223) or one hundred
