16 steady and repetitive rhythmic contraction of the fetal heart
17 within the gestational sac.

18 (b) "Physician" means a person licensed to practice
19 medicine under Section 73-25-1 et seq.

20 (c) "Unborn human individual" means an individual
21 organism of the species homo sapiens from fertilization until live
22 birth.

23 (2) (a) Except as provided in paragraph (b) or (c) of this
24 subsection (2), no person shall knowingly perform an abortion on a
25 pregnant woman with the specific intent of causing or abetting the
26 termination of the life of the unborn human individual that the
27 pregnant woman is carrying and whose fetal heartbeat has been
28 detected. Any person who acts based on the exception in paragraph
29 (b) or (c) of this subsection (2) shall so note in the pregnant
30 woman's medical records and shall specify in the pregnant woman's
31 medical records which of the exceptions the person invoked.

32 (b) (i) A person is not in violation of paragraph (a)
33 of this subsection (2) if that person performs a medical procedure
34 designed to or intended, in that person's reasonable medical
35 judgment, to prevent the death of a pregnant woman or to prevent a
36 serious risk of the substantial and irreversible impairment of a
37 major bodily function of the pregnant woman.

38 (ii) Any person who performs a medical procedure
39 as described in paragraph (b) (i) of this subsection (2) shall
40 declare in writing, under penalty of perjury, that the medical
41 procedure was necessary, to the best of that person's reasonable
42 medical judgment, to prevent the death of the pregnant woman or to
43 prevent a serious risk of the substantial and irreversible
44 impairment of a major bodily function of the pregnant woman. That

45 person shall also provide in that written document, under penalty
46 of perjury, the medical condition of that pregnant woman that the
47 medical procedure performed as described in paragraph (b) (i) of
48 this subsection (2) will assertedly address, and the medical
49 rationale for the conclusion that the medical procedure was
50 necessary to prevent the death of the pregnant woman or to prevent
51 a serious risk of the substantial and irreversible impairment of a
52 major bodily function of the pregnant woman.

53 (iii) The person who performs a medical procedure
54 as described in paragraph (b) (i) of this subsection (2) shall
55 place the written documentation required under paragraph (b) (ii)
56 of this subsection (2) in the pregnant woman's medical records,
57 and shall maintain a copy of the written documentation in the
58 person's own records for at least seven (7) years.

59 (c) A person is not in violation of paragraph (a) of
60 this subsection (2) if that person has performed an examination
61 for the presence of a fetal heartbeat in the unborn human
62 individual using standard medical practice and that examination
63 does not reveal a fetal heartbeat or the person has been informed
64 by a physician who has performed the examination for a fetal
65 heartbeat that the examination did not reveal a fetal heartbeat.

66 (d) This subsection (2) does not repeal any other
67 provision of the Mississippi Code that restricts or regulates the
68 performance of an abortion by a particular method or during a
69 particular stage of a pregnancy.

70 (e) Any person who violates this subsection (2) is
71 guilty of performing an abortion after the detection of a fetal
72 heartbeat, a violation punishable as provided in Section 41-41-39.
