(g) To aid and assist any law enforcement officer whose life or safety is in jeopardy. Additionally, officers of the Highway Safety Patrol may arrest without warrant any fugitive from justice who has escaped or who is using the highways of the state in an attempt to flee. With the approval of the commissioner or his designee, officers of the Highway Safety Patrol may assist other law enforcement agencies in manhunts for convicted felons who have escaped and/or for alleged felons where there is probable cause to believe that the person being sought committed the felony and a felony had actually been committed.

(h) To cooperate with the State Forest Service by reporting all forest fires.

(i) Upon request of the sheriff or his designee, or board of supervisors of any county or the chief of police or mayor of any municipality, and when so instructed by the commissioner or his designee, to respond to calls for assistance in a law enforcement incident; such request and action shall be noted and clearly reflected on the radio logs of both the Mississippi Highway Safety Patrol district substation and that of the requesting agency, entered on the local NCIC terminal, if available, and a request in writing shall follow within forty-eight (48) hours. Additionally, the time of commencement
and termination of the specific law enforcement incident shall be clearly noted on the radio logs of both law enforcement agencies.

(2) The Legislature declares that the primary law enforcement officer in any county in the State of Mississippi is the duly qualified and elected sheriff thereof, but for the purposes of this subsection there is hereby vested in the Department of Public Safety, in addition to the powers hereinabove mentioned and the other provisions of this section under the terms and limitations hereinafter mentioned and for the purpose of insuring domestic tranquility and for the purpose of preventing or suppressing, or both, crimes of violence, acts and conduct calculated to, or which may, provoke or lead to violence and/or incite riots, mobs, mob violence, a breach of the peace, and acts of intimidation or terror, the powers and duties to include the enforcement of all the laws of the State of Mississippi relating to such purposes, to investigate any violation of the laws of the State of Mississippi and to aid in the arrest and prosecution of persons charged with violating the laws of the State of Mississippi which relate to such purposes. Investigators of the Bureau of Investigation of the Department of Public Safety shall have general police powers to enforce all the laws of the State of Mississippi. All officers of the Department of Public Safety charged with the enforcement of the laws administered by that agency, for the purposes herein set forth, shall have full power to investigate, prevent, apprehend and arrest law violators.
anywhere in the state, and shall be vested with the power of
general police officers in the performance of their duties. The
officers of the Department of Public Safety are authorized and
empowered to carry and use firearms and other weapons deemed
necessary in the discharge of their duties as such and are also
empowered to serve warrants and subpoenas issued under the
authority of the State of Mississippi. The Governor shall be
authorized to offer and pay suitable rewards to persons aiding in
the investigation, apprehension and conviction of persons charged
with acts of violence, or threats of violence or intimidation or
acts of terrorism. The additional powers herein granted to or
vested in the Department of Public Safety or any of its officers
or employees by this section, excepting investigating powers, and
those powers of investigators who shall have general police power,
being the investigators in the Bureau of Investigation of the
Department of Public Safety, shall not be exercised by the
Department of Public Safety, or any of its officers or employees,
except upon authority and direction of the Governor or Acting
Governor, by proclamation duly signed, in the following instances,
to wit:

(a) When requested by the sheriff or board of
supervisors of any county or the mayor of any municipality on the
grounds that mob violence, crimes of violence, acts and conduct of
terrorism, riots or acts of intimidation, or either, calculated to
or which may provoke violence or incite riots, mobs, mob violence,
violence, or lead to any breach of the peace, or either, and acts
of intimidation or terror are anticipated, and when such acts or
conduct in the opinion of the Governor or Acting Governor would
provoke violence or any of the foregoing acts or conduct set out
in this subsection, and the sheriff or mayor, as the case may be,
lacks adequate police force to prevent or suppress the same.

(b) Acting upon evidence submitted to him by the
Department of Public Safety, or other investigating agency
authorized by the Governor or Acting Governor to make such
investigations, because of the failure or refusal of the sheriff
of any county or mayor of any municipality to take action or
employ such means at his disposal, to prevent or suppress the
acts, conduct or offenses provided for in subsection (1) of this
section, the Governor or Acting Governor deems it necessary to
invoke the powers and authority vested in the Department of Public
Safety.

(c) The Governor or Acting Governor is hereby
authorized and empowered to issue his proclamation invoking the
powers and authority vested by this paragraph, as provided in
paragraphs (a) and (b) of this subsection, and when the Governor
or Acting Governor issues said proclamation in accordance
herewith, said proclamation shall become effective upon the
signing thereof and shall continue in full force and effect for a
period of ninety (90) days, or for a shorter period if otherwise
ordered by the Governor or Acting Governor. At the signing of the
proclamation by the Governor or Acting Governor, the Department of Public Safety and its officers and employees shall thereupon be authorized to exercise the additional power and authority vested in them by this paragraph. The Governor and Acting Governor may issue additional proclamations for periods of ninety (90) days each under the authority of paragraphs (a) and (b) of this subsection (2).

(3) All proclamations issued by the Governor or Acting Governor shall be filed in the Office of the Secretary of State on the next succeeding business day.

(4) It is not the intention of this section to vest the wide powers and authority herein provided for, as general powers of the Department of Public Safety, and the same are not hereby so vested, but to limit these general powers to cases and incidents wherein it is deemed necessary to prevent or suppress the offenses and conditions herein mentioned in this and other subsections of this section, and under the terms and conditions hereinabove enumerated, it being the sense of the Legislature that the prime duties of the Department of Public Safety are to patrol the highways of this state and enforce the highway safety laws.

(5) Patrol officers shall have no interest in any costs in the prosecution of any case through any court; nor shall any patrol officer receive any fee as a witness in any court held in this state, whether a state or federal court.
Provided, however, that the general police power vested by virtue of the terms of subsection (2) of this section is solely for the purposes set out in said subsection.

SECTION 5. Section 25-31-21, Mississippi Code of 1972, is brought forward as follows:

25-31-21. If, at the time of impaneling the grand jury in any circuit court, the district attorney be absent or unable to perform his duties or, if after impaneling of the grand jury, the district attorney be absent or unable to perform his duties or be disqualified, the court shall forthwith appoint some attorney at law to act for the state in the place of the district attorney during his absence or inability or disqualification, and the person appointed shall have the power to discharge all the duties of the office during the absence or inability or disqualification of the district attorney, and shall receive a reasonable compensation for his services, to be allowed by the court and certified to the auditor, who shall issue his warrant therefor. Such allowance shall be deducted from the salary of the district attorney, and shall not exceed the amount of the salary of the district attorney for the number of days allotted by law for the term of the court at which such appointees shall act.

SECTION 6. This act shall take effect and be in force from and after July 1, 2020.
