BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Senate Bill No. 2772, 2020 Regular Session, is
Section 1. (1) Upon the effective date of this act, the State Fiscal Officer shall transfer to the Capital Expense Fund out of the Budget Contingency Fund (Fund Number 611700000) $7,599,822.00.

(2) Upon the effective date of this act, the State Fiscal Officer shall transfer to the Budget Contingency Fund out of the DFA CARES ACT COVID-19 Fund (Fund Number 6820113000) $900,000,000.00.

(3) Upon the effective date of this act, the State Fiscal Officer shall transfer to the Mississippi COVID-19 Relief Payment Fund created by this act out of the DFA CARES ACT COVID-19 Fund (Fund Number 6820113000) $60,000,000.00. The Mississippi Department of Finance and Administration shall have the authority to receive, budget and escalate these federal funds for providing grants under Section 4 of this act.

(4) Upon the effective date of this act, the State Fiscal Officer shall transfer to the Back to Business Mississippi Grant Fund created by this act out of the DFA CARES ACT COVID-19 Fund (Fund Number 6820113000) $240,000,000.00. The Mississippi Development Authority shall have the authority to receive, budget and escalate these federal funds for providing grants under Sections 5 through 10 of this act.

Section 2. During fiscal years 2020 and 2021, the Department of Finance and Administration shall have the authority to receive, budget and escalate federal funds in the DFA CARES ACT COVID-19
Fund (Fund Number 6820113000) in an amount not to exceed Fifty Million Dollars ($50,000,000.00) for defraying expenses incurred by any state agency, department or institution for the purposes provided under the Coronavirus Relief Fund, Section 5001 of the federal Coronavirus Aid, Relief, and Economic Security Act (P.L. 116-136).

Section 3. The Legislature intends to provide economic support to eligible Mississippi businesses for costs incurred in connection with the Coronavirus Disease 2019 (COVID-19), including business interruption caused by forced closures or restricted operations resulting from voluntary closures instituted to promote social distancing measures, decreased customer demand, cleaning or disinfection, and provision of personal protective equipment. Eligible expenses shall not include any damage paid by business interruption insurance or disallowed by Section 5001 of the Coronavirus Aid, Relief, and Economic Security (CARES) Act or any guidance or regulation issued by the United States Department of the Treasury in conformity therewith.

In order to expedite payment to businesses in need of economic support due to required or voluntary closures related to COVID-19, while minimizing administrative costs and delays, the Legislature finds that a direct payment of Two Thousand Dollars ($2,000.00) per business is a necessary * * * cost, as provided for in Section 4 of this act. This payment is specifically to compensate these businesses for an initial compliance with the
Governor's State of Emergency COVID-19 Proclamation issued on March 14, 2020. As such, this payment is not related to and is separate and distinct from any eligible expense that is reimbursable from the Back to Business Program. The Legislature finds further that an application process is warranted for the provision of additional compensation, whereby eligible businesses not wishing to itemize their expenses may receive, subject to approval, a base payment of **Three Thousand Five Hundred Dollars ($3,500.00)** plus Five Hundred Dollars ($500.00) per full-time equivalent employee as a reasonable estimate of their costs incurred, as provided for in Sections 5 through 10 of this act.
