

House Amendments to Senate Bill No. 2215

TO THE SECRETARY OF THE SENATE:

THIS IS TO INFORM YOU THAT THE HOUSE HAS ADOPTED THE AMENDMENTS SET OUT BELOW:

AMENDMENT NO. 2

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

15 **SECTION 1.** Section 31-7-13, Mississippi Code of 1972, is
16 amended as follows:

17 31-7-13. All agencies and governing authorities shall
18 purchase their commodities and printing; contract for garbage
19 collection or disposal; contract for solid waste collection or
20 disposal; contract for sewage collection or disposal; contract for
21 public construction; and contract for rentals as herein provided.

22 (a) **Bidding procedure for purchases not over \$5,000.00.**

23 Purchases which do not involve an expenditure of more than Five
24 Thousand Dollars (\$5,000.00), exclusive of freight or shipping
25 charges, may be made without advertising or otherwise requesting
26 competitive bids. However, nothing contained in this paragraph

27 (a) shall be construed to prohibit any agency or governing
28 authority from establishing procedures which require competitive
29 bids on purchases of Five Thousand Dollars (\$5,000.00) or less.

30 (b) **Bidding procedure for purchases over \$5,000.00 but**
31 **not over \$50,000.00.** Purchases which involve an expenditure of

32 more than Five Thousand Dollars (\$5,000.00) but not more than
33 Fifty Thousand Dollars (\$50,000.00), exclusive of freight and
34 shipping charges, may be made from the lowest and best bidder
35 without publishing or posting advertisement for bids, provided at
36 least two (2) competitive written bids have been obtained. Any
37 state agency or community/junior college purchasing commodities or
38 procuring construction pursuant to this paragraph (b) may
39 authorize its purchasing agent, or his designee, to accept the
40 lowest competitive written bid under Fifty Thousand Dollars
41 (\$50,000.00). Any governing authority purchasing commodities
42 pursuant to this paragraph (b) may authorize its purchasing agent,
43 or his designee, with regard to governing authorities other than
44 counties, or its purchase clerk, or his designee, with regard to
45 counties, to accept the lowest and best competitive written bid.
46 Such authorization shall be made in writing by the governing
47 authority and shall be maintained on file in the primary office of
48 the agency and recorded in the official minutes of the governing
49 authority, as appropriate. The purchasing agent or the purchase
50 clerk, or their designee, as the case may be, and not the
51 governing authority, shall be liable for any penalties and/or
52 damages as may be imposed by law for any act or omission of the
53 purchasing agent or purchase clerk, or their designee,
54 constituting a violation of law in accepting any bid without
55 approval by the governing authority. The term "competitive
56 written bid" shall mean a bid submitted on a bid form furnished by
57 the buying agency or governing authority and signed by authorized

58 personnel representing the vendor, or a bid submitted on a
59 vendor's letterhead or identifiable bid form and signed by
60 authorized personnel representing the vendor. "Competitive" shall
61 mean that the bids are developed based upon comparable
62 identification of the needs and are developed independently and
63 without knowledge of other bids or prospective bids. Any bid item
64 for construction in excess of Five Thousand Dollars (\$5,000.00)
65 shall be broken down by components to provide detail of component
66 description and pricing. These details shall be submitted with
67 the written bids and become part of the bid evaluation criteria.
68 Bids may be submitted by facsimile, electronic mail or other
69 generally accepted method of information distribution. Bids
70 submitted by electronic transmission shall not require the
71 signature of the vendor's representative unless required by
72 agencies or governing authorities.

73 (c) **Bidding procedure for purchases over \$50,000.00.**

74 (i) **Publication requirement.**

75 1. Purchases which involve an expenditure of
76 more than Fifty Thousand Dollars (\$50,000.00), exclusive of
77 freight and shipping charges, may be made from the lowest and best
78 bidder after advertising for competitive bids once each week for
79 two (2) consecutive weeks in a regular newspaper published in the
80 county or municipality in which such agency or governing authority
81 is located. However, all American Recovery and Reinvestment Act
82 projects in excess of Twenty-five Thousand Dollars (\$25,000.00)
83 shall be bid. All references to American Recovery and

84 Reinvestment Act projects in this section shall not apply to
85 programs identified in Division B of the American Recovery and
86 Reinvestment Act.

87 2. Reverse auctions shall be the primary
88 method for receiving bids during the bidding process. If * * * an
89 agency or governing authority determines that a reverse auction is
90 not in the best interest of the * * * agency or governing
91 authority, then with respect to an agency, that determination must
92 be approved by the Public Procurement Review Board, and with
93 respect to a governing authority, that determination must be
94 approved by the governing body of the governing authority. * * *

95 An agency shall submit a detailed explanation of why a reverse
96 auction would not be in the best interest of the * * * agency and
97 present an alternative process to be approved by the Public
98 Procurement Review Board. A governing authority shall make
99 findings in its minutes of why a reverse auction would not be in
100 the best interest of the governing authority. If as to an agency,
101 the Public Procurement Review Board authorizes the purchasing
102 entity to solicit bids with a method other than reverse auction,
103 or if as to a governing authority, the governing board thereof
104 authorizes the purchasing entity to solicit bids with a method
105 other than reverse auction, then the purchasing entity may
106 designate the other methods by which the bids will be received,
107 including, but not limited to, bids sealed in an envelope, bids
108 received electronically in a secure system, or bids received by
109 any other method that promotes open competition and has been

110 approved by the Office of Purchasing and Travel. However, reverse
111 auction shall not be used for any public contract for design or
112 construction of public facilities, including buildings, roads and
113 bridges. As to an agency, the Public Procurement Review Board
114 must approve any contract entered into by alternative process.
115 The provisions of this item 2 shall not apply to the individual
116 state institutions of higher learning.

117 3. The date as published for the bid opening
118 shall not be less than seven (7) working days after the last
119 published notice; however, if the purchase involves a construction
120 project in which the estimated cost is in excess of Fifty Thousand
121 Dollars (\$50,000.00), such bids shall not be opened in less than
122 fifteen (15) working days after the last notice is published and
123 the notice for the purchase of such construction shall be
124 published once each week for two (2) consecutive weeks. However,
125 all American Recovery and Reinvestment Act projects in excess of
126 Twenty-five Thousand Dollars (\$25,000.00) shall be bid. For any
127 projects in excess of Twenty-five Thousand Dollars (\$25,000.00)
128 under the American Recovery and Reinvestment Act, publication
129 shall be made one (1) time and the bid opening for construction
130 projects shall not be less than ten (10) working days after the
131 date of the published notice. The notice of intention to let
132 contracts or purchase equipment shall state the time and place at
133 which bids shall be received, list the contracts to be made or
134 types of equipment or supplies to be purchased, and, if all plans
135 and/or specifications are not published, refer to the plans and/or

136 specifications on file. If there is no newspaper published in the
137 county or municipality, then such notice shall be given by posting
138 same at the courthouse, or for municipalities at the city hall,
139 and at two (2) other public places in the county or municipality,
140 and also by publication once each week for two (2) consecutive
141 weeks in some newspaper having a general circulation in the county
142 or municipality in the above-provided manner. On the same date
143 that the notice is submitted to the newspaper for publication, the
144 agency or governing authority involved shall mail written notice
145 to, or provide electronic notification to the main office of the
146 Mississippi Procurement Technical Assistance Program under the
147 Mississippi Development Authority that contains the same
148 information as that in the published notice. Submissions received
149 by the Mississippi Procurement Technical Assistance Program for
150 projects funded by the American Recovery and Reinvestment Act
151 shall be displayed on a separate and unique Internet web page
152 accessible to the public and maintained by the Mississippi
153 Development Authority for the Mississippi Procurement Technical
154 Assistance Program. Those American Recovery and Reinvestment Act
155 related submissions shall be publicly posted within twenty-four
156 (24) hours of receipt by the Mississippi Development Authority and
157 the bid opening shall not occur until the submission has been
158 posted for ten (10) consecutive days. The Department of Finance
159 and Administration shall maintain information regarding contracts
160 and other expenditures from the American Recovery and Reinvestment
161 Act, on a unique Internet web page accessible to the public. The

162 Department of Finance and Administration shall promulgate rules
163 regarding format, content and deadlines, unless otherwise
164 specified by law, of the posting of award notices, contract
165 execution and subsequent amendments, links to the contract
166 documents, expenditures against the awarded contracts and general
167 expenditures of funds from the American Recovery and Reinvestment
168 Act. Within one (1) working day of the contract award, the agency
169 or governing authority shall post to the designated web page
170 maintained by the Department of Finance and Administration, notice
171 of the award, including the award recipient, the contract amount,
172 and a brief summary of the contract in accordance with rules
173 promulgated by the department. Within one (1) working day of the
174 contract execution, the agency or governing authority shall post
175 to the designated web page maintained by the Department of Finance
176 and Administration a summary of the executed contract and make a
177 copy of the appropriately redacted contract documents available
178 for linking to the designated web page in accordance with the
179 rules promulgated by the department. The information provided by
180 the agency or governing authority shall be posted to the web page
181 for the duration of the American Recovery and Reinvestment Act
182 funding or until the project is completed, whichever is longer.

183 (ii) **Bidding process amendment procedure.** If all
184 plans and/or specifications are published in the notification,
185 then the plans and/or specifications may not be amended. If all
186 plans and/or specifications are not published in the notification,
187 then amendments to the plans/specifications, bid opening date, bid

188 opening time and place may be made, provided that the agency or
189 governing authority maintains a list of all prospective bidders
190 who are known to have received a copy of the bid documents and all
191 such prospective bidders are sent copies of all amendments. This
192 notification of amendments may be made via mail, facsimile,
193 electronic mail or other generally accepted method of information
194 distribution. No addendum to bid specifications may be issued
195 within two (2) working days of the time established for the
196 receipt of bids unless such addendum also amends the bid opening
197 to a date not less than five (5) working days after the date of
198 the addendum.

199 (iii) **Filing requirement.** In all cases involving
200 governing authorities, before the notice shall be published or
201 posted, the plans or specifications for the construction or
202 equipment being sought shall be filed with the clerk of the board
203 of the governing authority. In addition to these requirements, a
204 bid file shall be established which shall indicate those vendors
205 to whom such solicitations and specifications were issued, and
206 such file shall also contain such information as is pertinent to
207 the bid.

208 (iv) **Specification restrictions.**

209 1. Specifications pertinent to such bidding
210 shall be written so as not to exclude comparable equipment of
211 domestic manufacture. However, if valid justification is
212 presented, the Department of Finance and Administration or the
213 board of a governing authority may approve a request for specific

214 equipment necessary to perform a specific job. Further, such
215 justification, when placed on the minutes of the board of a
216 governing authority, may serve as authority for that governing
217 authority to write specifications to require a specific item of
218 equipment needed to perform a specific job. In addition to these
219 requirements, from and after July 1, 1990, vendors of relocatable
220 classrooms and the specifications for the purchase of such
221 relocatable classrooms published by local school boards shall meet
222 all pertinent regulations of the State Board of Education,
223 including prior approval of such bid by the State Department of
224 Education.

225 2. Specifications for construction projects
226 may include an allowance for commodities, equipment, furniture,
227 construction materials or systems in which prospective bidders are
228 instructed to include in their bids specified amounts for such
229 items so long as the allowance items are acquired by the vendor in
230 a commercially reasonable manner and approved by the
231 agency/governing authority. Such acquisitions shall not be made
232 to circumvent the public purchasing laws.

233 (v) **Electronic bids.** Agencies and governing
234 authorities shall provide a secure electronic interactive system
235 for the submittal of bids requiring competitive bidding that shall
236 be an additional bidding option for those bidders who choose to
237 submit their bids electronically. The Department of Finance and
238 Administration shall provide, by regulation, the standards that
239 agencies must follow when receiving electronic bids. Agencies and

240 governing authorities shall make the appropriate provisions
241 necessary to accept electronic bids from those bidders who choose
242 to submit their bids electronically for all purchases requiring
243 competitive bidding under this section. Any special condition or
244 requirement for the electronic bid submission shall be specified
245 in the advertisement for bids required by this section. Agencies
246 or governing authorities that are currently without available high
247 speed Internet access shall be exempt from the requirement of this
248 subparagraph (v) until such time that high speed Internet access
249 becomes available. Any county having a population of less than
250 twenty thousand (20,000) shall be exempt from the provisions of
251 this subparagraph (v). Any municipality having a population of
252 less than ten thousand (10,000) shall be exempt from the
253 provisions of this subparagraph (v). The provisions of this
254 subparagraph (v) shall not require any bidder to submit bids
255 electronically. When construction bids are submitted
256 electronically, the requirement for including a certificate of
257 responsibility, or a statement that the bid enclosed does not
258 exceed Fifty Thousand Dollars (\$50,000.00), on the exterior of the
259 bid envelope as indicated in Section 31-3-21(1) and (2) shall be
260 deemed in compliance with by including same as an attachment with
261 the electronic bid submittal.

262 (d) **Lowest and best bid decision procedure.**

263 (i) **Decision procedure.** Purchases may be made
264 from the lowest and best bidder. In determining the lowest and
265 best bid, freight and shipping charges shall be included.

266 Life-cycle costing, total cost bids, warranties, guaranteed
267 buy-back provisions and other relevant provisions may be included
268 in the best bid calculation. All best bid procedures for state
269 agencies must be in compliance with regulations established by the
270 Department of Finance and Administration. If any governing
271 authority accepts a bid other than the lowest bid actually
272 submitted, it shall place on its minutes detailed calculations and
273 narrative summary showing that the accepted bid was determined to
274 be the lowest and best bid, including the dollar amount of the
275 accepted bid and the dollar amount of the lowest bid. No agency
276 or governing authority shall accept a bid based on items not
277 included in the specifications.

278 (ii) **Decision procedure for Certified Purchasing**
279 **Offices.** In addition to the decision procedure set forth in
280 subparagraph (i) of this paragraph (d), Certified Purchasing
281 Offices may also use the following procedure: Purchases may be
282 made from the bidder offering the best value. In determining the
283 best value bid, freight and shipping charges shall be included.
284 Life-cycle costing, total cost bids, warranties, guaranteed
285 buy-back provisions, documented previous experience, training
286 costs and other relevant provisions, including, but not limited
287 to, a bidder having a local office and inventory located within
288 the jurisdiction of the governing authority, may be included in
289 the best value calculation. This provision shall authorize
290 Certified Purchasing Offices to utilize a Request For Proposals
291 (RFP) process when purchasing commodities. All best value

292 procedures for state agencies must be in compliance with
293 regulations established by the Department of Finance and
294 Administration. No agency or governing authority shall accept a
295 bid based on items or criteria not included in the specifications.

296 (iii) **Decision procedure for Mississippi**

297 **Landmarks.** In addition to the decision procedure set forth in
298 subparagraph (i) of this paragraph (d), where purchase involves
299 renovation, restoration, or both, of the State Capitol Building or
300 any other historical building designated for at least five (5)
301 years as a Mississippi Landmark by the Board of Trustees of the
302 Department of Archives and History under the authority of Sections
303 39-7-7 and 39-7-11, the agency or governing authority may use the
304 following procedure: Purchases may be made from the lowest and
305 best prequalified bidder. Prequalification of bidders shall be
306 determined not less than fifteen (15) working days before the
307 first published notice of bid opening. Prequalification criteria
308 shall be limited to bidder's knowledge and experience in
309 historical restoration, preservation and renovation. In
310 determining the lowest and best bid, freight and shipping charges
311 shall be included. Life-cycle costing, total cost bids,
312 warranties, guaranteed buy-back provisions and other relevant
313 provisions may be included in the best bid calculation. All best
314 bid and prequalification procedures for state agencies must be in
315 compliance with regulations established by the Department of
316 Finance and Administration. If any governing authority accepts a
317 bid other than the lowest bid actually submitted, it shall place

318 on its minutes detailed calculations and narrative summary showing
319 that the accepted bid was determined to be the lowest and best
320 bid, including the dollar amount of the accepted bid and the
321 dollar amount of the lowest bid. No agency or governing authority
322 shall accept a bid based on items not included in the
323 specifications.

324 (iv) **Construction project negotiations authority.**

325 If the lowest and best bid is not more than ten percent (10%)
326 above the amount of funds allocated for a public construction or
327 renovation project, then the agency or governing authority shall
328 be permitted to negotiate with the lowest bidder in order to enter
329 into a contract for an amount not to exceed the funds allocated.

330 (e) **Lease-purchase authorization.** For the purposes of
331 this section, the term "equipment" shall mean equipment, furniture
332 and, if applicable, associated software and other applicable
333 direct costs associated with the acquisition. Any lease-purchase
334 of equipment which an agency is not required to lease-purchase
335 under the master lease-purchase program pursuant to Section
336 31-7-10 and any lease-purchase of equipment which a governing
337 authority elects to lease-purchase may be acquired by a
338 lease-purchase agreement under this paragraph (e). Lease-purchase
339 financing may also be obtained from the vendor or from a
340 third-party source after having solicited and obtained at least
341 two (2) written competitive bids, as defined in paragraph (b) of
342 this section, for such financing without advertising for such
343 bids. Solicitation for the bids for financing may occur before or

344 after acceptance of bids for the purchase of such equipment or,
345 where no such bids for purchase are required, at any time before
346 the purchase thereof. No such lease-purchase agreement shall be
347 for an annual rate of interest which is greater than the overall
348 maximum interest rate to maturity on general obligation
349 indebtedness permitted under Section 75-17-101, and the term of
350 such lease-purchase agreement shall not exceed the useful life of
351 equipment covered thereby as determined according to the upper
352 limit of the asset depreciation range (ADR) guidelines for the
353 Class Life Asset Depreciation Range System established by the
354 Internal Revenue Service pursuant to the United States Internal
355 Revenue Code and regulations thereunder as in effect on December
356 31, 1980, or comparable depreciation guidelines with respect to
357 any equipment not covered by ADR guidelines. Any lease-purchase
358 agreement entered into pursuant to this paragraph (e) may contain
359 any of the terms and conditions which a master lease-purchase
360 agreement may contain under the provisions of Section 31-7-10(5),
361 and shall contain an annual allocation dependency clause
362 substantially similar to that set forth in Section 31-7-10(8).
363 Each agency or governing authority entering into a lease-purchase
364 transaction pursuant to this paragraph (e) shall maintain with
365 respect to each such lease-purchase transaction the same
366 information as required to be maintained by the Department of
367 Finance and Administration pursuant to Section 31-7-10(13).
368 However, nothing contained in this section shall be construed to
369 permit agencies to acquire items of equipment with a total

370 acquisition cost in the aggregate of less than Ten Thousand
371 Dollars (\$10,000.00) by a single lease-purchase transaction. All
372 equipment, and the purchase thereof by any lessor, acquired by
373 lease-purchase under this paragraph and all lease-purchase
374 payments with respect thereto shall be exempt from all Mississippi
375 sales, use and ad valorem taxes. Interest paid on any
376 lease-purchase agreement under this section shall be exempt from
377 State of Mississippi income taxation.

378 (f) **Alternate bid authorization.** When necessary to
379 ensure ready availability of commodities for public works and the
380 timely completion of public projects, no more than two (2)
381 alternate bids may be accepted by a governing authority for
382 commodities. No purchases may be made through use of such
383 alternate bids procedure unless the lowest and best bidder cannot
384 deliver the commodities contained in his bid. In that event,
385 purchases of such commodities may be made from one (1) of the
386 bidders whose bid was accepted as an alternate.

387 (g) **Construction contract change authorization.** In the
388 event a determination is made by an agency or governing authority
389 after a construction contract is let that changes or modifications
390 to the original contract are necessary or would better serve the
391 purpose of the agency or the governing authority, such agency or
392 governing authority may, in its discretion, order such changes
393 pertaining to the construction that are necessary under the
394 circumstances without the necessity of further public bids;
395 provided that such change shall be made in a commercially

396 reasonable manner and shall not be made to circumvent the public
397 purchasing statutes. In addition to any other authorized person,
398 the architect or engineer hired by an agency or governing
399 authority with respect to any public construction contract shall
400 have the authority, when granted by an agency or governing
401 authority, to authorize changes or modifications to the original
402 contract without the necessity of prior approval of the agency or
403 governing authority when any such change or modification is less
404 than one percent (1%) of the total contract amount. The agency or
405 governing authority may limit the number, manner or frequency of
406 such emergency changes or modifications.

407 (h) **Petroleum purchase alternative.** In addition to
408 other methods of purchasing authorized in this chapter, when any
409 agency or governing authority shall have a need for gas, diesel
410 fuel, oils and/or other petroleum products in excess of the amount
411 set forth in paragraph (a) of this section, such agency or
412 governing authority may purchase the commodity after having
413 solicited and obtained at least two (2) competitive written bids,
414 as defined in paragraph (b) of this section. If two (2)
415 competitive written bids are not obtained, the entity shall comply
416 with the procedures set forth in paragraph (c) of this section.
417 In the event any agency or governing authority shall have
418 advertised for bids for the purchase of gas, diesel fuel, oils and
419 other petroleum products and coal and no acceptable bids can be
420 obtained, such agency or governing authority is authorized and
421 directed to enter into any negotiations necessary to secure the

422 lowest and best contract available for the purchase of such
423 commodities.

424 (i) **Road construction petroleum products price**
425 **adjustment clause authorization.** Any agency or governing
426 authority authorized to enter into contracts for the construction,
427 maintenance, surfacing or repair of highways, roads or streets,
428 may include in its bid proposal and contract documents a price
429 adjustment clause with relation to the cost to the contractor,
430 including taxes, based upon an industry-wide cost index, of
431 petroleum products including asphalt used in the performance or
432 execution of the contract or in the production or manufacture of
433 materials for use in such performance. Such industry-wide index
434 shall be established and published monthly by the Mississippi
435 Department of Transportation with a copy thereof to be mailed,
436 upon request, to the clerks of the governing authority of each
437 municipality and the clerks of each board of supervisors
438 throughout the state. The price adjustment clause shall be based
439 on the cost of such petroleum products only and shall not include
440 any additional profit or overhead as part of the adjustment. The
441 bid proposals or document contract shall contain the basis and
442 methods of adjusting unit prices for the change in the cost of
443 such petroleum products.

444 (j) **State agency emergency purchase procedure.** If the
445 governing board or the executive head, or his designees, of any
446 agency of the state shall determine that an emergency exists in
447 regard to the purchase of any commodities or repair contracts, so

448 that the delay incident to giving opportunity for competitive
449 bidding would be detrimental to the interests of the state, then
450 the head of such agency, or his designees, shall file with the
451 Department of Finance and Administration (i) a statement
452 explaining the conditions and circumstances of the emergency,
453 which shall include a detailed description of the events leading
454 up to the situation and the negative impact to the entity if the
455 purchase is made following the statutory requirements set forth in
456 paragraph (a), (b) or (c) of this section, and (ii) a certified
457 copy of the appropriate minutes of the board of such agency
458 requesting the emergency purchase, if applicable. Upon receipt of
459 the statement and applicable board certification, the State Fiscal
460 Officer, or his designees, may, in writing, authorize the purchase
461 or repair without having to comply with competitive bidding
462 requirements.

463 If the governing board or the executive head, or his
464 designees, of any agency determines that an emergency exists in
465 regard to the purchase of any commodities or repair contracts, so
466 that the delay incident to giving opportunity for competitive
467 bidding would threaten the health or safety of any person, or the
468 preservation or protection of property, then the provisions in
469 this section for competitive bidding shall not apply, and any
470 officer or agent of the agency having general or specific
471 authority for making the purchase or repair contract shall approve
472 the bill presented for payment, and he shall certify in writing

473 from whom the purchase was made, or with whom the repair contract
474 was made.

475 Total purchases made under this paragraph (j) shall only be
476 for the purpose of meeting needs created by the emergency
477 situation. Following the emergency purchase, documentation of the
478 purchase, including a description of the commodity purchased, the
479 purchase price thereof and the nature of the emergency shall be
480 filed with the Department of Finance and Administration. Any
481 contract awarded pursuant to this paragraph (j) shall not exceed a
482 term of one (1) year.

483 (k) **Governing authority emergency purchase procedure.**

484 If the governing authority, or the governing authority acting
485 through its designee, shall determine that an emergency exists in
486 regard to the purchase of any commodities or repair contracts, so
487 that the delay incident to giving opportunity for competitive
488 bidding would be detrimental to the interest of the governing
489 authority, then the provisions herein for competitive bidding
490 shall not apply and any officer or agent of such governing
491 authority having general or special authority therefor in making
492 such purchase or repair shall approve the bill presented therefor,
493 and he shall certify in writing thereon from whom such purchase
494 was made, or with whom such a repair contract was made. At the
495 board meeting next following the emergency purchase or repair
496 contract, documentation of the purchase or repair contract,
497 including a description of the commodity purchased, the price
498 thereof and the nature of the emergency shall be presented to the

499 board and shall be placed on the minutes of the board of such
500 governing authority.

501 (1) **Hospital purchase, lease-purchase and lease**
502 **authorization.**

503 (i) The commissioners or board of trustees of any
504 public hospital may contract with such lowest and best bidder for
505 the purchase or lease-purchase of any commodity under a contract
506 of purchase or lease-purchase agreement whose obligatory payment
507 terms do not exceed five (5) years.

508 (ii) In addition to the authority granted in
509 subparagraph (i) of this paragraph (1), the commissioners or board
510 of trustees is authorized to enter into contracts for the lease of
511 equipment or services, or both, which it considers necessary for
512 the proper care of patients if, in its opinion, it is not
513 financially feasible to purchase the necessary equipment or
514 services. Any such contract for the lease of equipment or
515 services executed by the commissioners or board shall not exceed a
516 maximum of five (5) years' duration and shall include a
517 cancellation clause based on unavailability of funds. If such
518 cancellation clause is exercised, there shall be no further
519 liability on the part of the lessee. Any such contract for the
520 lease of equipment or services executed on behalf of the
521 commissioners or board that complies with the provisions of this
522 subparagraph (ii) shall be excepted from the bid requirements set
523 forth in this section.

524 (m) **Exceptions from bidding requirements.** Excepted
525 from bid requirements are:

526 (i) **Purchasing agreements approved by department.**
527 Purchasing agreements, contracts and maximum price regulations
528 executed or approved by the Department of Finance and
529 Administration.

530 (ii) **Outside equipment repairs.** Repairs to
531 equipment, when such repairs are made by repair facilities in the
532 private sector; however, engines, transmissions, rear axles and/or
533 other such components shall not be included in this exemption when
534 replaced as a complete unit instead of being repaired and the need
535 for such total component replacement is known before disassembly
536 of the component; however, invoices identifying the equipment,
537 specific repairs made, parts identified by number and name,
538 supplies used in such repairs, and the number of hours of labor
539 and costs therefor shall be required for the payment for such
540 repairs.

541 (iii) **In-house equipment repairs.** Purchases of
542 parts for repairs to equipment, when such repairs are made by
543 personnel of the agency or governing authority; however, entire
544 assemblies, such as engines or transmissions, shall not be
545 included in this exemption when the entire assembly is being
546 replaced instead of being repaired.

547 (iv) **Raw gravel or dirt.** Raw unprocessed deposits
548 of gravel or fill dirt which are to be removed and transported by
549 the purchaser.

550 (v) **Governmental equipment auctions.** Motor
551 vehicles or other equipment purchased from a federal agency or
552 authority, another governing authority or state agency of the
553 State of Mississippi, or any governing authority or state agency
554 of another state at a public auction held for the purpose of
555 disposing of such vehicles or other equipment. Any purchase by a
556 governing authority under the exemption authorized by this
557 subparagraph (v) shall require advance authorization spread upon
558 the minutes of the governing authority to include the listing of
559 the item or items authorized to be purchased and the maximum bid
560 authorized to be paid for each item or items.

561 (vi) **Intergovernmental sales and transfers.**
562 Purchases, sales, transfers or trades by governing authorities or
563 state agencies when such purchases, sales, transfers or trades are
564 made by a private treaty agreement or through means of
565 negotiation, from any federal agency or authority, another
566 governing authority or state agency of the State of Mississippi,
567 or any state agency or governing authority of another state.
568 Nothing in this section shall permit such purchases through public
569 auction except as provided for in subparagraph (v) of this
570 paragraph (m). It is the intent of this section to allow
571 governmental entities to dispose of and/or purchase commodities
572 from other governmental entities at a price that is agreed to by
573 both parties. This shall allow for purchases and/or sales at
574 prices which may be determined to be below the market value if the
575 selling entity determines that the sale at below market value is

576 in the best interest of the taxpayers of the state. Governing
577 authorities shall place the terms of the agreement and any
578 justification on the minutes, and state agencies shall obtain
579 approval from the Department of Finance and Administration, prior
580 to releasing or taking possession of the commodities.

586 available from one (1) source only. In connection with the
587 purchase of noncompetitive items only available from one (1)
588 source, a certification of the conditions and circumstances
589 requiring the purchase shall be filed by the agency with the
590 Department of Finance and Administration and by the governing
591 authority with the board of the governing authority. Upon receipt
592 of that certification the Department of Finance and Administration
593 or the board of the governing authority, as the case may be, may,
594 in writing, authorize the purchase, which authority shall be noted
595 on the minutes of the body at the next regular meeting thereafter.
596 In those situations, a governing authority is not required to
597 obtain the approval of the Department of Finance and
598 Administration. Following the purchase, the executive head of the
599 state agency, or his designees, shall file with the Department of
600 Finance and Administration, documentation of the purchase,

601 including a description of the commodity purchased, the purchase
602 price thereof and the source from whom it was purchased.

603 (ix) **Waste disposal facility construction**
604 **contracts.** Construction of incinerators and other facilities for
605 disposal of solid wastes in which products either generated
606 therein, such as steam, or recovered therefrom, such as materials
607 for recycling, are to be sold or otherwise disposed of; however,
608 in constructing such facilities, a governing authority or agency
609 shall publicly issue requests for proposals, advertised for in the
610 same manner as provided herein for seeking bids for public
611 construction projects, concerning the design, construction,
612 ownership, operation and/or maintenance of such facilities,
613 wherein such requests for proposals when issued shall contain
614 terms and conditions relating to price, financial responsibility,
615 technology, environmental compatibility, legal responsibilities
616 and such other matters as are determined by the governing
617 authority or agency to be appropriate for inclusion; and after
618 responses to the request for proposals have been duly received,
619 the governing authority or agency may select the most qualified
620 proposal or proposals on the basis of price, technology and other

817 the systems. In the event that the governing authority or agency
818 cannot locate two (2) sellers of such systems or cannot obtain
819 bids from two (2) sellers of such systems, it shall show proof
820 that it made a diligent, good-faith effort to locate and negotiate
821 with two (2) sellers of such systems. Such proof shall include,

827 the term "competitive written bid" shall have the meaning as
828 defined in paragraph (b) of this section. Governing authorities

838 authority or agency shall issue publicly a request for proposals
839 concerning the specifications for such services which shall be
840 advertised for in the same manner as provided in this section for
841 seeking bids for purchases which involve an expenditure of more

846 are determined by the governing authority or agency to be
847 appropriate for inclusion; all factors determined relevant by the
848 governing authority or agency or required by this paragraph (r)
849 shall be duly included in the advertisement to elicit proposals.
850 After responses to the request for proposals have been duly
851 received, the governing authority or agency shall select the most
852 qualified proposal or proposals on the basis of price, technology
853 and other relevant factors and from such proposals, but not
854 limited to the terms thereof, negotiate and enter into contracts
855 with one or more of the persons or firms submitting proposals. If
856 the governing authority or agency deems none of the proposals to
857 be qualified or otherwise acceptable, the request for proposals

859 of this paragraph, where a county with at least thirty-five
860 thousand (35,000) nor more than forty thousand (40,000)
861 population, according to the 1990 federal decennial census, owns

869 any provision of this section to the contrary, any agency or

873 from minority businesses; however, all such set-aside purchases
874 shall comply with all purchasing regulations promulgated by the
875 Department of Finance and Administration and shall be subject to
876 bid requirements under this section. Set-aside purchases for
877 which competitive bids are required shall be made from the lowest
878 and best minority business bidder. For the purposes of this
879 paragraph, the term "minority business" means a business which is
880 owned by a majority of persons who are United States citizens or
881 permanent resident aliens (as defined by the Immigration and
882 Naturalization Service) of the United States, and who are Asian,

898 agency or governing authority that is contracting for public
899 construction or renovation may prepare and submit to the
900 contractor only one (1) preliminary punch list of items that do
901 not meet the contract requirements at the time of substantial
902 completion and one (1) final list immediately before final
903 completion and final payment.

904 (u) **Procurement of construction services by state**
905 **institutions of higher learning.** Contracts for privately financed
906 construction of auxiliary facilities on the campus of a state
907 institution of higher learning may be awarded by the Board of

909 and best bidder, where sealed bids are solicited, or to the
910 offeror whose proposal is determined to represent the best value

911 to the citizens of the State of Mississippi, where requests for
912 proposals are solicited.

913 (v) **Insurability of bidders for public construction or**
914 **other public contracts.** In any solicitation for bids to perform
915 public construction or other public contracts to which this
916 section applies including, but not limited to, contracts for
917 repair and maintenance, for which the contract will require
918 insurance coverage in an amount of not less than One Million
919 Dollars (\$1,000,000.00), bidders shall be permitted to either
920 submit proof of current insurance coverage in the specified amount
921 or demonstrate ability to obtain the required coverage amount of

924 days from bid acceptance.

925 (w) **Purchase authorization clarification.** Nothing in
926 this section shall be construed as authorizing any purchase not
927 authorized by law.

928 **SECTION 2.** This act shall take effect and be in force from
929 and after July 1, 2020.

**Further, amend by striking the title in its entirety and
inserting in lieu thereof the following:**

2 REVISE THE REVERSE AUCTION METHOD FOR RECEIVING BIDS TO

8 NOT IN THE BEST INTEREST OF THE GOVERNING AUTHORITY, THEN THAT

9 DETERMINATION MUST BE APPROVED BY THE GOVERNING BOARD OF THE
