

**Adopted
AMENDMENT NO 2 PROPOSED TO**

House Bill No. 551

BY: Representative Ladner

1 **Amend after line 209 by inserting the following:**

2 "(iii) Retail and food Service establishment shall
3 post signage in a visibly prominent location within the retail
4 establishment or food service establishment, whether in the
5 container or refrigerator where the seafood or seafood product is
6 kept, or in the window of such retail establishments, or, in the
7 case of food service establishments, in the window, on the menu or
8 on a placard placed upon each table, with the following notice of
9 disclose: "Seafood offered for direct retail sale or for
10 consumption as a menu item in this establish may be imported.
11 Inquire further of management."

12 However, if the retail establishment or food service
13 establishment only offers seafood or seafood products with a
14 United States country of origin, the notice of disclosure required

15 in this subparagraph (iii) shall not be required, and the retail
16 establishment or food service establishment shall adhere to the
17 notification provisions of subparagraphs (i) and (ii) of this
18 paragraph (b)."

19 **Further, amend the title to conform.**
