

**Adopted  
AMENDMENT NO 1 PROPOSED TO**

**House Bill No. 681**

**BY: Representatives Busby, Guice**

1           **AMEND** by inserting following language after the period line  
2 49:   "Notwithstanding any other provision of law to the contrary,  
3 any port or port commission may use the design-build method of  
4 contracting for the renovation, repair and/or making of other  
5 improvements to equipment and/or facilities at the port."

6           **AMEND title to conform.**
