In order to ensure the integrity of the ballot, any person who provides assistance to an absentee voter shall be required to sign and complete the "Certificate of Person Providing Voter Assistance" on the absentee ballot envelope.

23-15-639. (1) In elections in which direct recording electronic voting systems are not * * * used, the examination and counting of absentee ballots received by mail or with a regular paper ballot shall be conducted as follows:

(a) At the * * * opening of the regular balloting and at the * * * opening of the polls, the * * * absentee resolution
board established under Section 23-15-523 shall first take the envelopes containing the absentee ballots of such electors from the secure location at the circuit clerk's office, and the name, address and precinct inscribed on each envelope shall be announced by the election managers.

(b) The signature on the application shall then be compared with the signature on the back of the envelope. If it corresponds and the affidavit, if one is required, is sufficient and the absentee resolution board find that the applicant is a registered and qualified voter or otherwise qualified to vote, the envelope shall then be opened and the ballot removed from the envelope, without its being unfolded, or permitted to be unfolded or examined.

(c) Having observed and found the ballot to be regular as far as can be observed from its official endorsement, the absentee resolution board shall deposit it in the ballot box with the other ballots before counting any ballots and enter the voter's name in the receipt book provided for that purpose and mark "VOTED" in the pollbook or poll list as if he or she had been present and voted in person. If voting machines are used at the precinct, all absentee ballots shall be counted at the circuit clerk's office by the absentee resolution board immediately and then added to the votes cast in the voting machine or device.
(2) The absentee resolution board shall also take such action as may be prescribed by the Secretary of State to ensure compliance with the identification requirements of Section 23-15-563.

(3) The absentee resolution board charged with the conduct of the election shall process the absentee ballots received after 7:00 p.m. the day before the election using the procedures provided in subsection (1) of this section, as appropriate. These ballots may be processed as early as 7:00 a.m. on the date following the election but not after the fifth business day following the election.

SECTION 14. Section 23-15-641, Mississippi Code of 1972, is amended as follows:

23-15-641. (1) For all absentee votes received by mail, if an affidavit or the certificate of the officer before whom the affidavit is taken is required and such affidavit or certificate is found to be insufficient, or if it is found that the signatures do not correspond, or that the applicant is not a duly qualified elector in the precinct, or otherwise qualified to vote, or that the ballot envelope is open or has been opened and resealed, or the voter is not eligible to vote absentee, the previously cast vote shall not be allowed. Without opening the voter's envelope the absentee resolution board shall mark across its face "REJECTED", with the reason therefor, and the registrar shall promptly notify the voter of such rejection and the reason therefor by mail.
(2) For all absentee votes received by mail, if the ballot envelope contains more than one (1) ballot of any kind, the ballot shall not be counted but shall be marked "REJECTED", with the reason therefor, and the registrar shall promptly notify the voter of such rejection. The voter's envelopes and affidavits, and the voter's envelope with its contents unopened, when such vote is rejected, shall be retained and preserved in the same manner as other ballots at the election. Such votes may be challenged in the same manner and for the same reasons that any other vote cast in such election may be challenged.

* * *

(* * *) The ballots marked "REJECTED" shall be placed in a separate envelope in the secure ballot transfer case and delivered to the officials in charge of conducting the election at the central tabulation point of the county.

SECTION 15. Section 23-15-647, Mississippi Code of 1972, is amended as follows:

23-15-647. The registrar shall keep safely and unopened all official absentee ballots which are received * * * by mail after the applicable cutoff period establishing its validity. Upon receipt of such ballot, the registrar shall write the day and hour of the receipt of the ballot on its envelope. All such absentee ballots returned to the registrar after the cutoff time shall be safely kept unopened by the registrar for the period of time required for the preservation of ballots used in the election, and
shall then, without being opened, be destroyed in like manner as
the used ballots of the election.

amended as follows:

23-15-699. (1) Absent voters who have requested to receive
absentee ballots and balloting materials may choose to receive
such ballots and balloting materials by mail, facsimile device
(FAX) or electronic mail delivery (e-mail). The Secretary of
State shall establish procedures that allow an absent voter to
make the choice authorized by this subsection.

(2) Consistent with the choice that the absent voter
exercises pursuant to subsection (1) of this section, the
registrar shall, in addition to mail, be authorized to use
electronic facsimile (FAX) devices and electronic mail delivery
(e-mail) to transmit balloting materials and absentee ballots. If
the absent voter does not indicate a preference, delivery of such
information shall be by mail.

(3) The registrar is authorized to receive by electronic
facsimile (FAX) devices and electronic mail delivery (e-mail):

(a) Voted absentee ballots;

(b) Completed federal postcard applications as
described in Section 23-15-677, which shall serve to request
absentee ballots or to register to vote or to do both
simultaneously; and

(c) Completed Federal Write-In-Absentee Ballots as
described in Section 23-15-692.

(4) Once the registrar has received a voted absentee ballot pursuant to this section, he shall place the ballot in an absentee ballot envelope designated for absentee ballots under this subarticle and fill out the required information on the envelope. The registrar shall then notate on the envelope that the ballot was received under this section and a signature across the flap of the envelope shall not be required. Except as provided in this section, absentee ballots received under this subsection shall be treated in the same manner as other absentee ballots received under this subarticle.

(5) Access to voted absentee ballots before they are placed in an absentee ballot envelope shall be strictly limited to election officials who must process the ballot and any election official who views the ballots before they are placed in the envelope shall have the duty to protect the secrecy of the ballot choices; however, the failure of an election official to comply with this subsection shall not invalidate the ballot.

(6) Each circuit clerk shall furnish a suitable electronic mail delivery (e-mail) address that can be used to allow absent voters to comply with the provisions of this subarticle. Absentee ballots returned by mail by any absent voter as defined in Section 23-15-673 must be received by the registrar by * * * the deadline for receipt of mail absentee ballots provided for in Section 23-15-637.

SECTION 17. Section 23-15-721, Mississippi Code of 1972, is amended as follows:
Absentee ballots requested under the provisions of Section 23-15-715 for electors temporarily residing outside the county of residence shall be mailed to the elector's address outside of the county in which he or she is registered, and such electors shall appear before any official authorized to administer oaths or other official authorized to witness absentee balloting as provided in this article. The elector shall exhibit to such official his or her absentee ballot unmarked and thereupon proceed in secret to fill in the ballot. After the elector has properly marked the ballot and properly folded it, he or she shall deposit it in the envelope furnished him or her. After the elector has sealed the envelope he or she shall deliver it to the official before whom he or she is appearing and shall subscribe and swear to the elector's certificate provided for in Section 23-15-635, which affidavit shall be printed on the back of the envelope as provided for in Section 23-15-635 containing the elector's ballot.

(2) Electors who are temporarily or permanently physically disabled shall sign the elector's certificate and the certificate of attesting witness shall be signed by any person eighteen (18) years of age or older.

(3) After the completion of the requirements of this section, the elector shall mail the envelope containing the ballot to the registrar in the county wherein the elector is qualified to vote. The ballots must be postmarked by the date of the election and received by the registrar no more
than five (5) business days after the election to be counted; any received after such time shall be handled as provided in Section 23-15-647 and shall not be counted.

SECTION 18. Section 23-15-731, Mississippi Code of 1972, is amended as follows:

23-15-731. Any presidential absentee ballots received in the mail by the registrar * * * after the delivery of ballot boxes to the election managers and * * * before the deadline for receipt of absentee ballots provided for in Section 23-15-637 shall be retained by the registrar and shall be delivered, together with the applications of the qualified absentee elector to an election official designated to receive them. The registrar shall receive a receipt from the designated election official for all such ballots and applications delivered. The designated election officials shall, upon the canvassing of the returns, count such ballots as if delivered to the proper precincts and such ballots shall be considered valid for all purposes as if they had been actually deposited in the proper precinct ballot boxes. The appropriate election officials shall examine the affidavit of each envelope. If the officials are satisfied that the affidavit is sufficient and that the absentee voter is otherwise qualified to vote, an official shall announce the name of the voter and shall give any person present an opportunity to challenge in like manner and for the same cause as the voter could have been challenged had he or she presented himself or herself personally in such precinct to vote. The ineligibility of the voter to vote by absentee
ballot shall be a ground for a challenge. The officials shall consider any absentee voter challenged when a person has previously filed a written challenge of such voter's right to vote. The election officials shall handle any such challenge in the same manner as other challenged ballots are handled, and if the challenge is not affirmed, the officials shall then open the envelope. The officials shall then open the envelope in such manner as not to destroy the affidavit printed thereon and shall deposit the ballot marked "OFFICIAL ABSENTEE BALLOT," in a ballot box reserved for absentee ballots. The commissioners shall endorse on their pollbooks a proper notation to indicate that the absentee voter has voted in such election by absentee ballot.

SECTION 19. Section 23-15-733, Mississippi Code of 1972, is amended as follows:

23-15-733. The registrar shall keep safely and unopened all official presidential absentee ballots which are received subsequent to the * * * deadline for receipt of mail absentee ballots provided for in Section 23-15-637. Upon receipt of such ballot, the registrar shall write the day and hour of the receipt of the ballot on its envelope. All such absentee ballots returned to the registrar shall be safely kept unopened by the registrar for the period of time required for the preservation of ballots used in the election, and shall then, without being opened, be destroyed in like manner as the used ballots of the election. Such information shall be processed through the Statewide Election Management System.
SECTION 20. Section 23-15-735, Mississippi Code of 1972, is amended as follows:

23-15-735. Except for ballots voted in person at the office of the registrar, absentee ballots shall not be delivered in person to an absentee voter or to any other person.

SECTION 21. This act shall take effect and be in force from and after July 1, 2020, and shall stand repealed on June 30, 2020.
