(c) Any qualified elector who is away from his county of residence on election day for any reason.

(d) Any person who has a temporary or permanent physical disability and who, because of such disability, is unable to vote in person without substantial hardship to himself, herself

For purposes of this paragraph (d), "temporary physical disability" shall include any qualified elector unable to appear personally at the polling place of the election district in which he or she is a qualified elector because the elector is under a physician-imposed quarantine due to the concern of a COVID-19 public health risk or is caring for a dependent that is under a physician-imposed quarantine due to the concern of a COVID-19 public health risk, during such a time as a State of Emergency is declared by the Governor due to COVID-19.

(i) Any elector who is under a State of Emergency declared by the Governor due to COVID-19 and who has a general public health concern about COVID-19.

SECTION 7. Section 23-15-715, Mississippi Code of 1972, is amended as follows:

23-15-715. Any elector desiring an absentee ballot as provided in this subarticle may secure same if:

(a) Not more than forty-five (45) days nor later than 12:00 noon, or 5:00 p.m. during a State of Emergency declared by the Governor due to the concern of a COVID-19 public health risk and such appearance may result in exposure to such risk or the exposure of other persons to such risks, on the Saturday immediately preceding elections held on Tuesday, the Thursday immediately preceding elections held on Saturday, or the second day immediately preceding the date of elections held on other days, he shall appear in person before the registrar of the county in which he resides, or for municipal elections he shall appear in
person before the city clerk of the municipality in which he resides and, when the elector so appears, he shall execute and file an application as provided in Section 23-15-627 and vote by absentee ballot, except that if the ballot has not been printed by forty-five (45) days preceding the election, the elector may appear and file an application anytime before the election. Then the absentee ballot shall be mailed by the circuit clerk to the elector as soon as the ballot has been printed.

(b) Within forty-five (45) days next prior to any election, any elector who cannot comply with paragraph (a) of this section by reason of temporarily residing outside the county, or any person who has a temporary or permanent physical disability, persons who are sixty-five (65) years of age or older, or any person who is the parent, spouse or dependent of a temporarily or permanently physically disabled person who is hospitalized outside of his county of residence or more than fifty (50) miles away from his residence and such parent, spouse or dependent will be with such person on election day, may make application for an absentee ballot by mailing the appropriate application to the registrar. Only persons temporarily residing out of the county of their residence, persons having a temporary or permanent physical disability, persons who are sixty-five (65) years of age or older, or any person who is the parent, spouse or dependent of a temporarily or permanently physically disabled person who is hospitalized outside of his county of residence or more than fifty
(50) miles away from his residence, and such parent, spouse or dependent will be with such person on election day, may obtain absentee ballots by mail under the provisions of this subsection and as provided by Section 23-15-713. Applications of persons temporarily residing outside the county shall be sworn to and subscribed before an official who is authorized to administer oaths or other official authorized to witness absentee balloting as provided in this chapter, said application to be accompanied by such verifying affidavits as required by this chapter. The applications of persons having a temporary or permanent physical disability shall not be required to be accompanied by an affidavit but shall be witnessed and signed by a person eighteen (18) years of age or older. The registrar shall send to such absent voter a proper absentee voter ballot within twenty-four (24) hours, or as soon thereafter as the ballots are available, containing the names of all candidates who qualify or the proposition to be voted on in such election, and with such ballot there shall be sent an official envelope containing upon it in printed form the recitals and data hereinafter required.

(c) For all voters who vote absentee by mail, the registrar shall automatically mail the voter an absentee ballot for any corresponding runoff election without the need for an additional application, unless the voter specifically opts out of the same on his or her initial absentee application. Except where the registrar has automatically sent out absentee ballots for any
runoff election, upon request by a qualified absent voter, the registrar shall mail together the absentee ballot application and the absentee ballot to the absent voter.

SECTION 8. Section 23-15-719, Mississippi Code of 1972, is amended as follows:

23-15-719. * * * Except where the registrar has already mailed a ballot with an application, upon receipt of a properly completed application form by an elector qualified to vote absentee as provided in this article, the registrar shall * * * mail the absent voter an absentee ballot within one (1) business day, or as soon as the absentee ballot is prepared and available, containing the names of all the candidates and propositions, if any, to be voted on in the election. The registrar shall include with the absentee ballot an official envelope that complies with the provisions of this article. The registrar shall not personally hand deliver ballots to voters * * *.

After * * * the absentee voter has sealed the envelope, he or she shall subscribe and swear to an affidavit * * * and mail the ballot to the address provided on the absentee ballot official envelop.

SECTION 9. Section 23-15-625, Mississippi Code of 1972, is amended as follows:

23-15-625. (1) The registrar shall be responsible for providing applications for absentee voting as provided in this section. At least sixty (60) days * * * before any election in
which absentee voting is provided for by law, the registrar shall provide a sufficient number of applications. In the event a special election is called and set at a date which makes it impractical or impossible to prepare applications for absent elector's ballot sixty (60) days *** before the election, the registrar shall provide applications as soon as practicable after the election is called. The registrar shall fill in the date of the particular election on the application for which the application will be used.

(2) The registrar shall be authorized to disburse applications for absentee ballots to any qualified elector within the county where he or she serves. Any person who presents to the registrar an oral or written request for an absentee ballot application for a voter entitled to vote absentee by mail, other than the elector who seeks to vote by absentee ballot, shall, in the presence of the registrar, sign the application and print on the application his or her name and address and the name of the elector for whom the application is being requested in the place provided for on the application for that purpose. However, if for any reason such person is unable to write the information required, then the registrar shall write the information on a printed form which has been prescribed by the Secretary of State. The form shall provide a place for such person to place his or her mark after the form has been filled out by the registrar.
(3) It shall be unlawful for any person to solicit absentee ballot applications or absentee ballots for persons staying in any skilled nursing facility as defined in Section 41-7-173 unless the person soliciting the absentee ballot applications or absentee ballots is:

(a) A family member of the person staying in the skilled nursing facility; or

(b) A person designated by the person for whom the absentee ballot application or absentee ballot is sought, the registrar or the deputy registrar.

As used in this subsection, "family member" means a spouse, parent, grandparent, sibling, adult child, grandchild or legal guardian.

(4) The registrar in the county wherein a voter is qualified to vote upon receiving by mail the envelope containing the absentee ballots shall keep an accurate list of all persons preparing such ballots. The list shall be kept in a conspicuous place accessible to the public near the entrance to the registrar's office. The registrar shall also furnish to each precinct manager a list of the names of all persons in each respective precinct voting absentee by mail and in person to be posted in a conspicuous place at the polling place for public notice. The application on file with the registrar and the envelopes containing the ballots that voters mailed to the registrar shall be kept by the registrar in his or her
office in a secure location. At the time such boxes are delivered to the election commissioners or managers, the registrar shall also turn over a list of all such persons who have voted and whose mailed ballots are in the registrar's office.

(5) The registrar shall also be authorized to mail one (1) application to any qualified elector of the county, who is eligible to vote by absentee ballot, for use in a particular election.

(6) The registrar shall process all applications for absentee ballots by using the Statewide Election Management System. The registrar shall account for all absentee ballots delivered to and received by mail as well as those who voted absentee in person from qualified voters by processing such ballots using the Statewide Election Management System.

SECTION 10. Section 23-15-629, Mississippi Code of 1972, is amended as follows:

23-15-629. (1) The application for an absentee ballot of a person who is permanently physically disabled shall be accompanied by a statement signed by such person's physician, or nurse practitioner, which statement must show that the person signing the statement is a licensed, practicing medical doctor or nurse practitioner and must indicate that the person applying for the absentee ballot is permanently physically disabled to such a degree that it is difficult for him or her to vote in person.
(2) An application accompanied by the statement provided for in subsection (1) of this section shall entitle such permanently physically disabled person to automatically receive an absentee ballot for all elections on a continuing basis without the necessity for reapplication.

(3) The registrar of each county shall keep an accurate list of the names and addresses of all persons whose applications for absentee ballot are accompanied by the statement set forth in subsection (1) of this section. Sixty (60) days before each election, the registrar shall deliver such list to the election commissioners who shall examine the list and delete from it the names of all persons listed who are no longer qualified electors of the county. Upon completion of such examination, the election commissioners shall return the list to the registrar by no later than forty-five (45) days before the election.

(4) The registrar shall mail a ballot to all persons who are determined by the election commissioners to be qualified electors pursuant to subsection (3) of this section by no later than forty (40) days before the election.

SECTION 11. Section 23-15-631, Mississippi Code of 1972, is amended as follows:

23-15-631. (1) The registrar shall enclose with each ballot mailed to an absent elector separate printed instructions furnished by the registrar containing the following:
Upon receipt of the enclosed ballot, you will not mark the ballot except in view or sight of the attesting witness. In the sight or view of the attesting witness, mark the ballot according to instructions.

After marking the ballot, fill out and sign the "ELECTOR'S CERTIFICATE" on the back of the envelope so that the signature is across the flap of the envelope to ensure the integrity of the ballot. All absent electors shall have the attesting witness sign the "ATTESTING WITNESS CERTIFICATE" across the flap on the back of the envelope. Place the necessary postage on the envelope and deposit it in the post office or some government receptacle provided for deposit of mail so that the absent elector's ballot will be postmarked on or before the date of the election and received by the registrar no more than five (5) business days after the election.

Any notary public, United States postmaster, assistant United States postmaster, United States postal supervisor, clerk in charge of a contract postal station, or other officer having authority to administer an oath or take an acknowledgment may be an attesting witness; provided, however, that in the case of an absent elector who is temporarily or permanently physically disabled, the attesting witness may be any person eighteen (18) years of age or older and such person is not required to have the authority to administer an oath. If a postmaster, assistant
postmaster, postal supervisor, or clerk in charge of a contract
postal station acts as an attesting witness, his or her signature
on the elector's certificate must be authenticated by the
cancellation stamp of their respective post offices. If an
officer having authority to administer an oath or take an
acknowledgement acts as attesting witness, his or her signature on
the elector's certificate, together with his or her title and
address, but no seal, shall be required. Any affidavits made by
an absent elector who is in the Armed Forces may be executed
before a commissioned officer, warrant officer, or noncommissioned
officer not lower in grade than sergeant rating or any person
authorized to administer oaths.

(* * *c) When the application accompanies the ballot
it shall not be returned in the same envelope as the ballot but
shall be returned in a separate preaddressed envelope provided by
the registrar.

(* * *d) A candidate for public office, or the spouse,
parent or child of a candidate for public office, may not be an
attesting witness for any absentee ballot upon which the
candidate's name appears, unless the voter is related within the
first degree to the candidate or the spouse, parent or child of
the candidate.

(* * *e) Any voter casting an absentee ballot who
declares that he or she requires assistance to vote by reason of
blindness, temporary or permanent physical disability or inability
to read or write, shall be entitled to receive assistance in the marking of his or her absentee ballot and in completing the affidavit on the absentee ballot envelope. The voter may be given assistance by anyone of the voter's choice other than a candidate whose name appears on the absentee ballot being marked, the spouse, parent or child of a candidate whose name appears on the absentee ballot being marked or the voter's employer, an agent of that employer or a union representative; however, a candidate whose name is on the ballot or the spouse, parent or child of such candidate may provide assistance upon request to any voter who is related within the first degree. In order to ensure the integrity of the ballot, any person who provides assistance to an absentee voter shall be required to sign and complete the "Certificate of Person Providing Voter Assistance" on the absentee ballot envelope.

(2) The foregoing instructions required to be provided by the registrar to the elector shall also constitute the substantive law pertaining to the handling of absentee ballots by the elector and registrar.

(3) The Secretary of State shall prepare instructions on how absent voters may comply with the identification requirements of Section 23-15-635.

**SECTION 12.** Section 23-15-635, Mississippi Code of 1972, is amended as follows:
23-15-635. (1) The form of the elector's certificate, attesting witness certification and certificate of person providing voter assistance on the back of the envelope used by absentee voters * * * who are not absent voters as defined in Section 23-15-673, shall be as follows:

(b) The signature on the application shall then be compared with the signature on the back of the envelope. If it corresponds and the affidavit, if one is required, is sufficient and the absentee resolution board find that the applicant is a registered and qualified voter or otherwise qualified to vote, the envelope shall then be opened and the ballot removed from the envelope, without its being unfolded, or permitted to be unfolded or examined.

(c) Having observed and found the ballot to be regular as far as can be observed from its official endorsement, the absentee resolution board shall deposit it in the ballot box with the other ballots before counting any ballots and enter the voter's name in the receipt book provided for that purpose and mark "VOTED" in the pollbook or poll list as if he or she had been
present and voted in person. If voting machines are used at the precinct, all absentee ballots shall be counted at the circuit clerk's office by the absentee resolution board immediately and then added to the votes cast in the voting machine or device.

(2) The absentee resolution board shall also take such action as may be prescribed by the Secretary of State to ensure compliance with the identification requirements of Section 23-15-563.

(3) The absentee resolution board charged with the conduct of the election shall process the absentee ballots received after 7:00 p.m. the day before the election using the procedures provided in subsection (1) of this section, as appropriate. These ballots may be processed as early as 7:00 a.m. on the date following the election but not after the fifth business day following the election.

SECTION 14. Section 23-15-641, Mississippi Code of 1972, is amended as follows:

23-15-641. (1) For all absentee votes received by mail, if an affidavit or the certificate of the officer before whom the affidavit is taken is required and such affidavit or certificate is found to be insufficient, or if it is found that the signatures do not correspond, or that the applicant is not a duly qualified elector in the precinct, or otherwise qualified to vote, or that
the ballot envelope is open or has been opened and resealed, or
the voter is not eligible to vote absentee *, the previously
cast vote shall not be allowed. Without opening the voter's
envelope the absentee resolution board shall mark across its
face "REJECTED", with the reason therefor, and the registrar shall
promptly notify the voter of such rejection and the reason
therefor by mail.

(2) For all absentee votes received by mail, if the ballot
envelope contains more than one (1) ballot of any kind, the ballot
shall not be counted but shall be marked "REJECTED", with the
reason therefor, and the registrar shall promptly notify the voter
of such rejection. The voter's envelopes and affidavits, and the
voter's envelope with its contents unopened, when such vote is
rejected, shall be retained and preserved in the same manner as
other ballots at the election. Such votes may be challenged in
the same manner and for the same reasons that any other vote cast
in such election may be challenged.

* * *

( * * *3) The ballots marked "REJECTED" shall be placed in a
separate envelope in the secure ballot transfer case and delivered
to the officials in charge of conducting the election at the
central tabulation point of the county.

SECTION 15. Section 23-15-647, Mississippi Code of 1972, is
amended as follows:
23-15-647. The registrar shall keep safely and unopened all official absentee ballots which are received by mail after the applicable cutoff period establishing its validity. Upon receipt of such ballot, the registrar shall write the day and hour of the receipt of the ballot on its envelope. All such absentee ballots returned to the registrar after the cutoff time shall be safely kept unopened by the registrar for the period of time required for the preservation of ballots used in the election, and shall then, without being opened, be destroyed in like manner as the used ballots of the election.

SECTION 16. Section 23-15-699, Mississippi Code of 1972, is amended as follows:

23-15-699. (1) Absent voters who have requested to receive absentee ballots and balloting materials may choose to receive such ballots and balloting materials by mail, facsimile device (FAX) or electronic mail delivery (e-mail). The Secretary of State shall establish procedures that allow an absent voter to make the choice authorized by this subsection.

(2) Consistent with the choice that the absent voter exercises pursuant to subsection (1) of this section, the registrar shall, in addition to mail, be authorized to use electronic facsimile (FAX) devices and electronic mail delivery (e-mail) to transmit balloting materials and absentee ballots. If the absent voter does not indicate a preference, delivery of such information shall be by mail.
(3) The registrar is authorized to receive by electronic facsimile (FAX) devices and electronic mail delivery (e-mail):
   (a) Voted absentee ballots;
   (b) Completed federal postcard applications as described in Section 23-15-677, which shall serve to request absentee ballots or to register to vote or to do both simultaneously; and
   (c) Completed Federal Write-In-Absentee Ballots as described in Section 23-15-692.

(4) Once the registrar has received a voted absentee ballot pursuant to this section, he shall place the ballot in an absentee ballot envelope designated for absentee ballots under this subarticle and fill out the required information on the envelope. The registrar shall then notate on the envelope that the ballot was received under this section and a signature across the flap of the envelope shall not be required. Except as provided in this section, absentee ballots received under this subsection shall be treated in the same manner as other absentee ballots received under this subarticle.

(5) Access to voted absentee ballots before they are placed in an absentee ballot envelope shall be strictly limited to election officials who must process the ballot and any election official who views the ballots before they are placed in the envelope shall have the duty to protect the secrecy of the ballot
choices; however, the failure of an election official to comply with this subsection shall not invalidate the ballot.

(6) Each circuit clerk shall furnish a suitable electronic mail delivery (e-mail) address that can be used to allow absent voters to comply with the provisions of this subarticle. Absentee ballots returned by mail by any absent voter as defined in Section 23-15-673 must be received by the registrar by the deadline for receipt of mail absentee ballots provided for in Section 23-15-637.

SECTION 17. Section 23-15-721, Mississippi Code of 1972, is amended as follows:

23-15-721. (1) Absentee ballots requested under the provisions of Section 23-15-715 for electors temporarily residing outside the county of residence shall be mailed to the elector's address outside of the county in which he or she is registered, and such electors shall appear before any official authorized to administer oaths or other official authorized to witness absentee balloting as provided in this article. The elector shall exhibit to such official his or her absentee ballot unmarked and thereupon proceed in secret to fill in the ballot. After the elector has properly marked the ballot and properly folded it, he or she shall deposit it in the envelope furnished him or her. After the elector has sealed the envelope he or she shall deliver it to the official before whom he or she is appearing and shall subscribe and swear to the elector's
certificate provided for in Section 23-15-635, which affidavit shall be printed on the back of the envelope as provided for in Section 23-15-635 containing the elector's ballot.

(2) Electors who are temporarily or permanently physically disabled shall sign the elector's certificate and the certificate of attesting witness shall be signed by any person eighteen (18) years of age or older.

(3) After the completion of the requirements of this section, the elector shall mail the envelope containing the ballot to the registrar in the county wherein the elector is qualified to vote. The ballots must be postmarked by the date of the election and received by the registrar no more than five (5) business days after the election to be counted; any received after such time shall be handled as provided in Section 23-15-647 and shall not be counted.

SECTION 18. Section 23-15-731, Mississippi Code of 1972, is amended as follows:

23-15-731. Any presidential absentee ballots received in the mail by the registrar after the delivery of ballot boxes to the election managers and before the deadline for receipt of absentee ballots provided for in Section 23-15-637 shall be retained by the registrar and shall be delivered, together with the applications of the qualified absentee elector to an election official designated to receive them. The registrar shall receive a receipt from the designated election official for all such
ballots and applications delivered. The designated election officials shall, upon the canvassing of the returns, count such ballots as if delivered to the proper precincts and such ballots shall be considered valid for all purposes as if they had been actually deposited in the proper precinct ballot boxes. The appropriate election officials shall examine the affidavit of each envelope. If the officials are satisfied that the affidavit is sufficient and that the absentee voter is otherwise qualified to vote, an official shall announce the name of the voter and shall give any person present an opportunity to challenge in like manner and for the same cause as the voter could have been challenged had he or she presented himself or herself personally in such precinct to vote. The ineligibility of the voter to vote by absentee ballot shall be a ground for a challenge. The officials shall consider any absentee voter challenged when a person has previously filed a written challenge of such voter's right to vote. The election officials shall handle any such challenge in the same manner as other challenged ballots are handled, and if the challenge is not affirmed, the officials shall then open the envelope. The officials shall then open the envelope in such manner as not to destroy the affidavit printed thereon and shall deposit the ballot marked "OFFICIAL ABSENTEE BALLOT," in a ballot box reserved for absentee ballots. The commissioners shall endorse on their pollbooks a proper notation to indicate that the absentee voter has voted in such election by absentee ballot.
SECTION 19. Section 23-15-733, Mississippi Code of 1972, is amended as follows:

23-15-733. The registrar shall keep safely and unopened all official presidential absentee ballots which are received subsequent to the * * * deadline for receipt of mail absentee ballots provided for in Section 23-15-637. Upon receipt of such ballot, the registrar shall write the day and hour of the receipt of the ballot on its envelope. All such absentee ballots returned to the registrar shall be safely kept unopened by the registrar for the period of time required for the preservation of ballots used in the election, and shall then, without being opened, be destroyed in like manner as the used ballots of the election. Such information shall be processed through the Statewide Election Management System.

SECTION 20. Section 23-15-735, Mississippi Code of 1972, is amended as follows:

23-15-735. Except for ballots voted in person at the office of the registrar, absentee ballots shall not be delivered in person to an absentee voter or to any other person * * *.

SECTION 21. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:
