COMMITTEE AMENDMENT NO 1 PROPOSED TO**

House Bill No. 1710

BY: Committee

**Amend by striking all after the enacting clause and inserting
in lieu thereof the following:**

5 **SECTION 1.** The following sum, or so much thereof as may be
6 necessary, is appropriated out of any money in the State General
7 Funds not otherwise appropriated, for the purpose of defraying the
8 expenses of the Mississippi Public Service Commission for the
9 fiscal year beginning July 1, 2020, and ending June 30, 2021.....
10\$ 4,048,094.00.

11 **SECTION 2.** The following sum, or so much thereof as may be
12 necessary, is appropriated out of any money in the special fund in
13 the State Treasury to the credit of the Mississippi Public Service
14 Commission which is comprised of special source funds collected by

15 or otherwise available to the commission, for the purpose of
16 defraying the expenses of the commission for the fiscal year
17 beginning July 1, 2020, and ending June 30, 2021.....
18\$ 445,553.00.

19 **SECTION 3.** Of the funds appropriated under the provisions of
20 Section 1, the following positions are authorized:

21 AUTHORIZED POSITIONS:

22	Permanent:	Full Time.....	55
23		Part Time.....	4
24	Time-Limited:	Full Time.....	5
25		Part Time.....	0

26 With the funds herein appropriated, it shall be the agency's
27 responsibility to make certain that funds required to be
28 appropriated for "Personal Services" for Fiscal Year 2022 do not
29 exceed Fiscal Year 2021 funds appropriated for that purpose,
30 unless programs or positions are added to the agency's Fiscal Year
31 2021 budget by the Mississippi Legislature. Based on data
32 provided by the Legislative Budget Office, the State Personnel
33 Board shall determine and publish the projected annual cost to
34 fully fund all appropriated positions in compliance with the
35 provisions of this act. It shall be the responsibility of the
36 agency head to ensure that no single personnel action increases
37 this projected annual cost and/or the Fiscal Year 2021
38 appropriations for "Personal Services" when annualized, with the
39 exception of escalated funds and the award of benchmarks. If, at

40 the time the agency takes any action to change "Personal
41 Services," the State Personnel Board determines that the agency
42 has taken an action which would cause the agency to exceed this
43 projected annual cost or the Fiscal Year 2021 "Personal Services"
44 appropriated level, when annualized, then only those actions which
45 reduce the projected annual cost and/or the appropriation
46 requirement will be processed by the State Personnel Board until
47 such time as the requirements of this provision are met.

48 Any transfers or escalations shall be made in accordance with
49 the terms, conditions and procedures established by law or
50 allowable under the terms set forth within this act. The State
51 Personnel Board shall not escalate positions without written
52 approval from the Department of Finance and Administration. The
53 Department of Finance and Administration shall not provide written
54 approval to escalate any funds for salaries and/or positions
55 without proof of availability of new or additional funds above the
56 appropriated level.

57 No general funds authorized to be expended herein shall be
58 used to replace federal funds and/or other special funds which are
59 being used for salaries authorized under the provisions of this
60 act and which are withdrawn and no longer available.

61 None of the funds herein appropriated shall be used in
62 violation of Internal Revenue Service's Publication 15-A relating
63 to the reporting of income paid to contract employees, as
64 interpreted by the Office of the State Auditor.

65 **SECTION 4.** In compliance with the "Mississippi Performance
66 Budget and Strategic Planning Act of 1994," it is the intent of
