(b) (i) Amounts deposited into such special fund shall be disbursed to pay the costs of projects described in paragraph (a) of this subsection. If any monies in such special fund are not used within four (4) years after the date the proceeds of the bonds authorized under this section are deposited into the special fund, then the institution of higher learning for which any unused monies are allocated under paragraph (a) of this subsection shall provide an accounting of such unused monies to the commission.
Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(ii) Monies in the special fund may be used to reimburse reasonable actual and necessary costs incurred by the Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, in administering or providing assistance directly related to a project described in paragraph (a) of this subsection. An accounting of actual costs incurred for which reimbursement is sought shall be maintained for each project by the Department of Finance and Administration, Bureau of Building, Grounds and Real Property Management. Reimbursement of reasonable actual and necessary costs for a project shall not exceed two percent (2%) of the proceeds of bonds issued for such project. Monies authorized for a particular project may not be used to reimburse administrative costs for unrelated projects.

(c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and
expend any local or other source funds in connection with the 
expenditure of funds provided for in this subsection. The 
expenditure of monies deposited into the special fund shall be 
under the direction of the Department of Finance and 
Administration, and such funds shall be paid by the State 
Treasurer upon warrants issued by such department, which warrants 
shall be issued upon requisitions signed by the Executive Director 
of the Department of Finance and Administration, or his designee.

(d) Any amounts allocated to an institution of higher 
learning that are in excess of that needed to complete the 
projects at such institution of higher learning that are described 
in paragraph (a) of this subsection may be used for general 
repairs and renovations at the institution of higher learning.

(3) (a) The commission, at one time, or from time to time, 
may declare by resolution the necessity for issuance of general 
obligation bonds of the State of Mississippi to provide funds for 
all costs incurred or to be incurred for the purposes described in 
subsection (2) of this section. Upon the adoption of a resolution 
by the Department of Finance and Administration declaring the 
necessity for the issuance of any part or all of the general 
obligation bonds authorized by this section, the Department of 
Finance and Administration shall deliver a certified copy of its 
resolution or resolutions to the commission. Upon receipt of such 
resolution, the commission, in its discretion, may act as issuing 
agent, prescribe the form of the bonds, determine the appropriate
method for sale of the bonds, advertise for and accept bids or
negotiate the sale of the bonds, issue and sell the bonds so
authorized to be sold, and do any and all other things necessary
and advisable in connection with the issuance and sale of such
bonds. The total amount of bonds issued under this section shall
not exceed Eighty-six Million Three Hundred Seventy-five Thousand
Dollars ($86,375,000.00). No bonds shall be issued under this
section after July 1, 2025.

(b) Any investment earnings on amounts deposited into
the special fund created in subsection (2) of this section shall
be used to pay debt service on bonds issued under this section, in
accordance with the proceedings authorizing issuance of such
bonds.

(4) The principal of and interest on the bonds authorized
under this section shall be payable in the manner provided in this
subsection. Such bonds shall bear such date or dates, be in such
denomination or denominations, bear interest at such rate or rates
(not to exceed the limits set forth in Section 75-17-101,
Mississippi Code of 1972), be payable at such place or places
within or without the State of Mississippi, shall mature
absolutely at such time or times not to exceed twenty-five (25)
years from date of issue, be redeemable before maturity at such
time or times and upon such terms, with or without premium, shall
bear such registration privileges, and shall be substantially in
such form, all as shall be determined by resolution of the
commission.

(5) The bonds authorized by this section shall be signed by
the chairman of the commission, or by his facsimile signature, and
the official seal of the commission shall be affixed thereto,
attested by the secretary of the commission. The interest
coupons, if any, to be attached to such bonds may be executed by
the facsimile signatures of such officers. Whenever any such
bonds shall have been signed by the officials designated to sign
the bonds who were in office at the time of such signing but who
may have ceased to be such officers before the sale and delivery
of such bonds, or who may not have been in office on the date such
bonds may bear, the signatures of such officers upon such bonds
and coupons shall nevertheless be valid and sufficient for all
purposes and have the same effect as if the person so officially
signing such bonds had remained in office until their delivery to
the purchaser, or had been in office on the date such bonds may
bear. However, notwithstanding anything herein to the contrary,
such bonds may be issued as provided in the Registered Bond Act of
the State of Mississippi.

(6) All bonds and interest coupons issued under the
provisions of this section have all the qualities and incidents of
negotiable instruments under the provisions of the Uniform
Commercial Code, and in exercising the powers granted by this
section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State
of Mississippi, may be called in for payment and redemption at the
call price named therein and accrued interest on such date or
dates named therein.

(8) The bonds issued under the provisions of this section
are general obligations of the State of Mississippi, and for the
payment thereof the full faith and credit of the State of
Mississippi is irrevocably pledged. If the funds appropriated by
the Legislature are insufficient to pay the principal of and the
interest on such bonds as they become due, then the deficiency
shall be paid by the State Treasurer from any funds in the State
Treasury not otherwise appropriated. All such bonds shall contain
recitals on their faces substantially covering the provisions of
this subsection.

(9) Upon the issuance and sale of bonds under the provisions
of this section, the commission shall transfer the proceeds of any
such sale or sales to the special funds created in subsection (2)
of this section. The proceeds of such bonds shall be disbursed
solely upon the order of the Department of Finance and
Administration under such restrictions, if any, as may be
contained in the resolution providing for the issuance of the
bonds.

(10) The bonds authorized under this section may be issued
without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the
provisions of this section shall become effective immediately upon
its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.

(11) The bonds authorized under the authority of this
section may be validated in the Chancery Court of the First
Judicial District of Hinds County, Mississippi, in the manner and
with the force and effect provided by Title 31, Chapter 13,
Mississippi Code of 1972, for the validation of county, municipal,
school district and other bonds. The notice to taxpayers required
by such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this
section or of any of the interest coupons pertaining thereto may,
either at law or in equity, by suit, action, mandamus or other
proceeding, protect and enforce any and all rights granted under
this section, or under such resolution, and may enforce and compel
performance of all duties required by this section to be
performed, in order to provide for the payment of bonds and
interest thereon.

(13) All bonds issued under the provisions of this section
shall be legal investments for trustees and other fiduciaries, and
for savings banks, trust companies and insurance companies
organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and
shall be received by all public officers and bodies of this state
and all municipalities and political subdivisions for the purpose
of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and
income therefrom shall be exempt from all taxation in the State of
Mississippi.

(15) The proceeds of the bonds issued under this section
shall be used solely for the purposes herein provided, including
the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further
process of law, to certify to the Department of Finance and
Administration the necessity for warrants, and the Department of
Finance and Administration is authorized and directed to issue
such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the
accreted value of, all bonds issued under this section; and the
State Treasurer shall forward the necessary amount to the
designated place or places of payment of such bonds in ample time
to discharge such bonds, or the interest thereon, on the due dates
thereof.

(17) This section shall be deemed to be full and complete
authority for the exercise of the powers herein granted, but this
section shall not be deemed to repeal or to be in derogation of
any existing law of this state.
SECTION 2. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

Monies in the fund may not be used or expended for any purpose except as authorized under this act.

Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(ii) Monies in the special fund may be used to reimburse reasonable actual and necessary costs incurred by the Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, in administering or providing assistance directly related to a project described in paragraph (a) of this subsection. An accounting of actual costs incurred for which reimbursement is sought shall be maintained for each project by the Department of Finance and Administration, Bureau of Building, Grounds and Real Property Management. Reimbursement of reasonable actual and necessary costs for a project shall not exceed two percent (2%) of the proceeds of bonds issued for such project. Monies authorized
for a particular project may not be used to reimburse administrative costs for unrelated projects.

(c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this subsection. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(d) Any amounts allocated to an agency that are in excess of that needed to complete the projects at such agency that are described in paragraph (a) of this subsection may be used for general repairs and renovations at the agency.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the Department of
Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Five Million Two Hundred Fifty Thousand Dollars ($5,250,000.00). No bonds shall be issued under this section after July 1, 2025.

(b) Any investment earnings on amounts deposited into the special funds created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25)

years from date of issue, be redeemable before maturity at such
time or times and upon such terms, with or without premium, shall
bear such registration privileges, and shall be substantially in
such form, all as shall be determined by resolution of the
commission.

(5) The bonds authorized by this section shall be signed by
the chairman of the commission, or by his facsimile signature, and
the official seal of the commission shall be affixed thereto,
attested by the secretary of the commission. The interest
coupons, if any, to be attached to such bonds may be executed by
the facsimile signatures of such officers. Whenever any such
bonds shall have been signed by the officials designated to sign
the bonds who were in office at the time of such signing but who
may have ceased to be such officers before the sale and delivery
of such bonds, or who may not have been in office on the date such
bonds may bear, the signatures of such officers upon such bonds
and coupons shall nevertheless be valid and sufficient for all
purposes and have the same effect as if the person so officially
signing such bonds had remained in office until their delivery to
the purchaser, or had been in office on the date such bonds may
bear. However, notwithstanding anything herein to the contrary,
such bonds may be issued as provided in the Registered Bond Act of
the State of Mississippi.

(6) All bonds and interest coupons issued under the
provisions of this section have all the qualities and incidents of
negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.
The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the
provisions of this section shall become effective immediately upon
its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.

(11) The bonds authorized under the authority of this
section may be validated in the Chancery Court of the First
Judicial District of Hinds County, Mississippi, in the manner and
with the force and effect provided by Title 31, Chapter 13,
Mississippi Code of 1972, for the validation of county, municipal,
school district and other bonds. The notice to taxpayers required
by such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this
section or of any of the interest coupons pertaining thereto may,
either at law or in equity, by suit, action, mandamus or other
proceeding, protect and enforce any and all rights granted under
this section, or under such resolution, and may enforce and compel
performance of all duties required by this section to be
performed, in order to provide for the payment of bonds and
interest thereon.

(13) All bonds issued under the provisions of this section
shall be legal investments for trustees and other fiduciaries, and
for savings banks, trust companies and insurance companies
organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and
shall be received by all public officers and bodies of this state
and all municipalities and political subdivisions for the purpose
of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and
income therefrom shall be exempt from all taxation in the State of
Mississippi.

(15) The proceeds of the bonds issued under this section
shall be used solely for the purposes herein provided, including
the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further
process of law, to certify to the Department of Finance and
Administration the necessity for warrants, and the Department of
Finance and Administration is authorized and directed to issue
such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the
accreted value of, all bonds issued under this section; and the
State Treasurer shall forward the necessary amount to the
designated place or places of payment of such bonds in ample time
to discharge such bonds, or the interest thereon, on the due dates
thereof.

(17) This section shall be deemed to be full and complete
authority for the exercise of the powers herein granted, but this
section shall not be deemed to repeal or to be in derogation of any existing law of this state.

(b) (i) Amounts deposited into such special fund shall
be disbursed to pay the costs of projects described in paragraph
(a) of this subsection. If any monies in such special fund are
not used within four (4) years after the date the proceeds of the
bonds authorized under this section are deposited into the special
fund, then the institution of higher learning for which any unused
monies are allocated under paragraph (a) of this subsection shall
provide an accounting of such unused monies to the commission.

Promptly after the commission has certified, by resolution duly
adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(ii) Monies in the special fund may be used to reimburse reasonable actual and necessary costs incurred by the Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, in administering or providing assistance directly related to a project described in paragraph (a) of this subsection. under the direction of the Department of Finance and
Administration, and such funds shall be paid by the State
Treasurer upon warrants issued by such department, which warrants
shall be issued upon requisitions signed by the Executive Director
of the Department of Finance and Administration, or his designee.

(3) (a) The commission, at one time, or from time to time,
may declare by resolution the necessity for issuance of general
obligation bonds of the State of Mississippi to provide funds for
all costs incurred or to be incurred for the purposes described in
subsection (2) of this section. Upon the adoption of a resolution
by the Department of Finance and Administration declaring the
necessity for the issuance of any part or all of the general

authorized to be sold, and do any and all other things necessary
and advisable in connection with the issuance and sale of such
bonds. The total amount of bonds issued under this section shall

such sale or sales to the ACE Fund created in Section 57-1-16.
The proceeds of such bonds shall be disbursed solely upon the

performed, in order to provide for the payment of bonds and
interest thereon.

(12) All bonds issued under the provisions of this section
shall be legal investments for trustees and other fiduciaries, and
for savings banks, trust companies and insurance companies

Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(14) The proceeds of the bonds issued under this section shall be used solely for the purposes therein provided, including the costs incident to the issuance and sale of such bonds.

(15) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(16) This section shall be deemed to be full and complete authority for the exercise of the powers therein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 15. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:
(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 Lawrence County N.A. Sandifer Road Bridge Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the Board of Supervisors of Lawrence County, Mississippi, in paying costs associated with repairs and improvements to the N.A. Sandifer Road Bridge.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has
certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this subsection. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general
obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Three Hundred Thousand Dollars ($300,000.00). No bonds shall be issued under this section after July 1, 2025.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25)

the official seal of the commission shall be affixed thereto,
attested by the secretary of the commission. The interest
coupons, if any, to be attached to such bonds may be executed by
the facsimile signatures of such officers. Whenever any such
bonds shall have been signed by the officials designated to sign
the bonds who were in office at the time of such signing but who
may have ceased to be such officers before the sale and delivery
of such bonds, or who may not have been in office on the date such
bonds may bear, the signatures of such officers upon such bonds
and coupons shall nevertheless be valid and sufficient for all
purposes and have the same effect as if the person so officially
signing such bonds had remained in office until their delivery to
the purchaser, or had been in office on the date such bonds may
bear. However, notwithstanding anything herein to the contrary,
such bonds may be issued as provided in the Registered Bond Act of
the State of Mississippi.

(6) All bonds and interest coupons issued under the

The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale of any such bonds shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.
The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the
provisions of this section shall become effective immediately upon
its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.

(11) The bonds authorized under the authority of this
section may be validated in the Chancery Court of the First
Judicial District of Hinds County, Mississippi, in the manner and
with the force and effect provided by Title 31, Chapter 13,
Mississippi Code of 1972, for the validation of county, municipal,
school district and other bonds. The notice to taxpayers required
by such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this
section or of any of the interest coupons pertaining thereto may,
either at law or in equity, by suit, action, mandamus or other
proceeding, protect and enforce any and all rights granted under
this section, or under such resolution, and may enforce and compel
performance of all duties required by this section to be
performed, in order to provide for the payment of bonds and
interest thereon.

(13) All bonds issued under the provisions of this section
shall be legal investments for trustees and other fiduciaries, and
for savings banks, trust companies and insurance companies
organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and
shall be received by all public officers and bodies of this state
and all municipalities and political subdivisions for the purpose
of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and
income therefrom shall be exempt from all taxation in the State of
Mississippi.

(15) The proceeds of the bonds issued under this section
shall be used solely for the purposes herein provided, including
the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further
process of law, to certify to the Department of Finance and
Administration the necessity for warrants, and the Department of
Finance and Administration is authorized and directed to issue
such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the
accreted value of, all bonds issued under this section; and the
State Treasurer shall forward the necessary amount to the
designated place or places of payment of such bonds in ample time
to discharge such bonds, or the interest thereon, on the due dates
thereof.

(2) (a) (i) A special fund, to be designated the "2021 Commerce Park Connector Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist in paying the costs associated with the preconstruction, design, engineering, land acquisition, right-of-way acquisition, construction and development of the
Commerce Park Connector project from Lake Harbour Drive to Highland Colony Parkway in Madison County, Mississippi.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of
the bonds, issue and sell the bonds so authorized to be sold, and
do any and all other things necessary and advisable in connection
with the issuance and sale of such bonds. The total amount of
bonds issued under this section shall not exceed Two Million
Dollars ($2,000,000.00). No bonds shall be issued under this

be used to pay debt service on bonds issued under this section, in
accordance with the proceedings authorizing issuance of such
bonds.

(4) The principal of and interest on the bonds authorized
under this section shall be payable in the manner provided in this
subsection. Such bonds shall bear such date or dates, be in such
denomination or denominations, bear interest at such rate or rates
(not to exceed the limits set forth in Section 75-17-101,
Mississippi Code of 1972), be payable at such place or places
within or without the State of Mississippi, shall mature
absolutely at such time or times not to exceed twenty-five (25)
years from date of issue, be redeemable before maturity at such
time or times and upon such terms, with or without premium, shall
bear such registration privileges, and shall be substantially in
such form, all as shall be determined by resolution of the
commission.
(5) The bonds authorized by this section shall be signed by
the chairman of the commission, or by his facsimile signature, and
the official seal of the commission shall be affixed thereto,
attested by the secretary of the commission. The interest
coupons, if any, to be attached to such bonds may be executed by
the facsimile signatures of such officers. Whenever any such
bonds have been signed by the officials designated to sign the
bonds who were in office at the time of such signing, but who may
have ceased to be such officers before the sale and delivery of
such bonds, or who may not have been in office on the date such
bonds may bear, the signatures of such officers upon such bonds
and coupons shall nevertheless be valid and sufficient for all
purposes and have the same effect as if the person so officially
signing such bonds had remained in office until their delivery to
the purchaser, or had been in office on the date such bonds may
bear. However, notwithstanding anything herein to the contrary,
such bonds may be issued as provided in the Registered Bond Act of
the State of Mississippi.

(6) All bonds and interest coupons issued under the
provisions of this section have all the qualities and incidents of
negotiable instruments under the provisions of the Uniform
Commercial Code, and in exercising the powers granted by this
section, the commission shall not be required to and need not
comply with the provisions of the Uniform Commercial Code.

The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the
call price named therein and accrued interest on such date or
dates named therein.

(8) The bonds issued under the provisions of this section
are general obligations of the State of Mississippi, and for the
payment thereof the full faith and credit of the State of
Mississippi is irrevocably pledged. If the funds appropriated by
the Legislature are insufficient to pay the principal of and the
interest on such bonds as they become due, then the deficiency
shall be paid by the State Treasurer from any funds in the State
Treasury not otherwise appropriated. All such bonds shall contain
recitals on their faces substantially covering the provisions of
this subsection.

(9) Upon the issuance and sale of bonds under the provisions
of this section, the commission shall transfer the proceeds of any
such sale or sales to the special fund created in subsection (2)
of this section. The proceeds of such bonds shall be disbursed
solely upon the order of the Department of Finance and
Administration under such restrictions, if any, as may be
contained in the resolution providing for the issuance of the
bonds.

(10) The bonds authorized under this section may be issued
without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the
provisions of this section shall become effective immediately upon
its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.

(11) The bonds authorized under the authority of this
section may be validated in the Chancery Court of the First
Judicial District of Hinds County, Mississippi, in the manner and
with the force and effect provided by Title 31, Chapter 13,
Mississippi Code of 1972, for the validation of county, municipal,
school district and other bonds. The notice to taxpayers required
by such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this
section or of any of the interest coupons pertaining thereto may,
either at law or in equity, by suit, action, mandamus or other
proceeding, protect and enforce any and all rights granted under
this section, or under such resolution, and may enforce and compel
performance of all duties required by this section to be
performed, in order to provide for the payment of bonds and
interest thereon.

(13) All bonds issued under the provisions of this section
shall be legal investments for trustees and other fiduciaries, and
for savings banks, trust companies and insurance companies
organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and
shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants. The Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section. The State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

(c) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this subsection. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in

All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. (8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
tings which are specified or required by this section. Any
resolution providing for the issuance of bonds under the
provisions of this section shall become effective immediately upon
its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.

(11) The bonds authorized under the authority of this
section may be validated in the Chancery Court of the First
Judicial District of Hinds County, Mississippi, in the manner and
with the force and effect provided by Title 31, Chapter 13,
Mississippi Code of 1972, for the validation of county, municipal,
school district and other bonds. The notice to taxpayers required
by such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this
section or of any of the interest coupons pertaining thereto may,
either at law or in equity, by suit, action, mandamus or other
proceeding, protect and enforce any and all rights granted under
this section, or under such resolution, and may enforce and compel
performance of all duties required by this section to be
performed, in order to provide for the payment of bonds and
interest thereon.

(13) All bonds issued under the provisions of this section
shall be legal investments for trustees and other fiduciaries, and
for savings banks, trust companies and insurance companies
organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and
shall be received by all public officers and bodies of this state
and all municipalities and political subdivisions for the purpose
of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and
income therefrom shall be exempt from all taxation in the State of
Mississippi.

(15) The proceeds of the bonds issued under this section
shall be used solely for the purposes herein provided, including
the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further
process of law, to certify to the Department of Finance and
Administration the necessity for warrants. The Department of
Finance and Administration is authorized and directed to issue
such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the
accreted value of, all bonds issued under this section. The State
Treasurer shall forward the necessary amount to the designated
place or places of payment of such bonds in ample time to
discharge such bonds, or the interest thereon, on the due dates
thereof.

(17) This section shall be deemed to be full and complete
authority for the exercise of the powers herein granted, but this
section shall not be deemed to repeal or to be in derogation of any existing law of this state.

From and after January 1, 2022, for a taxpayer that is not operating as a corporation, a credit also is allowed against ad valorem taxes assessed and levied on real property for voluntary cash contributions made by the taxpayer during the taxable year to an eligible charitable organization. The amount of credit that may be utilized by a taxpayer in a taxable year shall be limited to (i) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for the taxes imposed by such sections of law and (ii) an amount not to exceed fifty percent (50%) of the total tax liability of the taxpayer for ad valorem taxes assessed and levied on real property. Any tax credit claimed under this section but not used in any taxable year may be carried forward for five (5) consecutive years from the close of the tax year in which the credits were earned.

Once the department has allocated credits to a taxpayer, if the contribution for which a credit is allocated has not been made as of the date of the allocation, then the contribution must be made not later than sixty (60) days from the date of the allocation. If the contribution is not made within such time period, the allocation shall be cancelled and returned to the department for reallocation. Upon final documentation of the contributions, if the actual dollar amount of the contributions is lower than the amount estimated, the department shall adjust the tax credit allowed under this section.

(b) A taxpayer who applied for a tax credit under this section during calendar year 2020, but who was unable to be awarded the credit due to the limit on the aggregate amount of credits authorized for calendar year 2020, shall be given priority for tax credits authorized to be allocated to taxpayers under this section by Section 27-7-22.39.

(c) For the purposes of using a tax credit against ad valorem taxes assessed and levied on real property, a taxpayer shall present to the appropriate tax collector the tax credit documentation provided to the taxpayer by the Department of Revenue, and the tax collector shall apply the tax credit against such ad valorem taxes. The tax collector shall forward the tax credit documentation to the Department of Revenue along with the
amount of the tax credit applied against ad valorem taxes, and the
department shall disburse funds to the tax collector for the

during a calendar year shall be allocated for contributions to
eligible charitable organizations described in subsection
(1)(b)(i) of this section and fifty percent (50%) of the tax
credits allocated during a calendar year shall be allocated for
contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section. For calendar year 2022, and for each calendar year thereafter, of the amount of tax credits that may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section, fifteen percent (15%) of the tax credits shall be available solely for allocation for contributions to eligible charitable organizations described in subsection (1)(b)(ii)2; however, any such tax credits not allocated before April 1 of a calendar year may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii)1 of this section. For calendar year 2021, and for each calendar year thereafter, for credits allocated during a calendar year for contributions to eligible charitable organizations described in subsection (1)(b)(i) of this section, no more than twenty-five percent (25%) of such credits may be allocated for contributions to a single eligible charitable organization. However, for calendar year 2022, of the additional amount of tax credits authorized under this section, as amended by Senate Bill
No. 2971, 2021 Regular Session, for allocation for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section, Two Million Dollars ($2,000,000.00) of the tax credits shall be available solely for allocation for contributions to Magnolia Speech School; however, any such tax credits not allocated before April 1, 2022, may be allocated for contributions to eligible charitable organizations described in subsection (1)(b)(ii) of this section.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated the "2021 LeFleur's Bluff State Park Improvements Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in
the fund at the end of a fiscal year shall not lapse into the
State General Fund, and any interest earned or investment earnings
on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be
disbursed, in the discretion of the Department of Finance and
Administration, to assist in paying costs associated with
construction and development of and upgrades and improvements to
property, roadways, infrastructure, facilities and structures at
LeFleur's Bluff State Park, in Jackson, Mississippi, for the
purpose of enhancing and developing the entrance to the
Mississippi Children's Museum and the Mississippi Museum of
Natural Science, and areas and amenities related to the museums.

(b) Amounts deposited into such special fund shall be
disbursed to pay the costs of the projects described in paragraph
(a) of this subsection. Promptly after the commission has
certified, by resolution duly adopted, that the projects described
in paragraph (a) of this subsection shall have been completed,
abandoned, or cannot be completed in a timely fashion, any amounts
remaining in such special fund shall be applied to pay debt
service on the bonds issued under this section, in accordance with
the proceedings authorizing the issuance of such bonds and as
directed by the commission.

(3) (a) The commission, at one time, or from time to time,
may declare by resolution the necessity for issuance of general
obligation bonds of the State of Mississippi to provide funds for
all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Two Million Five Hundred Thousand Dollars ($2,500,000.00). No bonds shall be issued under this section after July 1, 2025.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates
(not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary,
such bonds may be issued as provided in the Registered Bond Act of
the State of Mississippi.

(6) All bonds and interest coupons issued under the
provisions of this section have all the qualities and incidents of
negotiable instruments under the provisions of the Uniform
Commercial Code, and in exercising the powers granted by this
section, the commission shall not be required to and need not
comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds
authorized under this section, prescribe the form of the bonds,
determine the appropriate method for sale of the bonds, advertise
for and accept bids or negotiate the sale of the bonds, issue and
sell the bonds so authorized to be sold, pay all fees and costs
incurred in such issuance and sale, and do any and all other
things necessary and advisable in connection with the issuance and

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 City of Indianola Street Improvement Projects Fund," is created within the State Treasury. (b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. dates named therein.

(8) The bonds issued under the provisions of this section

Mississippi is irrevocably pledged. If the funds appropriated by
the Legislature are insufficient to pay the principal of and the
interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any
such sale or sales to the special fund created in subsection (2) of this section. (10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may,
either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the 
accreted value of, all bonds issued under this section; and the 
State Treasurer shall forward the necessary amount to the 
designated place or places of payment of such bonds in ample time 
to discharge such bonds, or the interest thereon, on the due dates 
thereof.

(17) This section shall be deemed to be full and complete 
authority for the exercise of the powers herein granted, but this 
section shall not be deemed to repeal or to be in derogation of 
any existing law of this state.

SECTION 43. (1) As used in this section, the following 
words shall have the meanings ascribed herein unless the context 
clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date 
of computation, an amount equal to the sum of (i) the stated 
initial value of such bond, plus (ii) the interest accrued thereon 
from the issue date to the date of computation at the rate, 
compounded semiannually, that is necessary to produce the 
approximate yield to maturity shown for bonds of the same 
maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 
Tougaloo Senior Center Fund," is created within the State 
Treasury. The fund shall be maintained by the State Treasurer as
a separate and special fund, separate and apart from the General
Fund of the state. Unexpended amounts remaining in the fund at
the end of a fiscal year shall not lapse into the State General
Fund, and any interest earned or investment earnings on amounts in
the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be
disbursed, in the discretion of the Department of Finance and
Administration, to assist in paying costs associated with repair,
renovation, furnishing and equipping of the Tougaloo Senior
Center.

(b) Amounts deposited into such special fund shall be
disbursed to pay the costs of the projects described in paragraph
(a) of this subsection. Promptly after the commission has
certified, by resolution duly adopted, that the projects described
in paragraph (a) of this subsection shall have been completed,
abandoned, or cannot be completed in a timely fashion, any amounts
remaining in such special fund shall be applied to pay debt
service on the bonds issued under this section, in accordance with
the proceedings authorizing the issuance of such bonds and as
directed by the commission.

(3) (a) The commission, at one time, or from time to time,
may declare by resolution the necessity for issuance of general
obligation bonds of the State of Mississippi to provide funds for
all costs incurred or to be incurred for the purposes described in
subsection (2) of this section. Upon the adoption of a resolution
by the Department of Finance and Administration, declaring the
necessity for the issuance of any part or all of the general
obligation bonds authorized by this subsection, the department
shall deliver a certified copy of its resolution or resolutions to
the commission. Upon receipt of such resolution, the commission,
in its discretion, may act as issuing agent, prescribe the form of
the bonds, determine the appropriate method for sale of the bonds,
advertise for and accept bids or negotiate the sale of the bonds,
issue and sell the bonds so authorized to be sold, and do any and
all other things necessary and advisable in connection with the
issuance and sale of such bonds. The total amount of bonds issued
under this section shall not exceed One Hundred Fifty Thousand
Dollars ($150,000.00). No bonds shall be issued under this
section after July 1, 2025.

accordance with the proceedings authorizing issuance of such
bonds.

(4) The principal of and interest on the bonds authorized

(not to exceed the limits set forth in Section 75-17-101,
Mississippi Code of 1972), be payable at such place or places
within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.
(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general
circulation in the City of Jackson, Mississippi, selected by the commission.

If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.
(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. (12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.
(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.
This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated the "2021 Forrest County Bridge Improvements Fund," is created within the State Treasury. (8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. contained in the resolution providing for the issuance of the
bonds.

(10) The bonds authorized under this section may be issued
without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the
provisions of this section shall become effective immediately upon
its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.

(11) The bonds authorized under the authority of this
section may be validated in the Chancery Court of the First
Judicial District of Hinds County, Mississippi, in the manner and
with the force and effect provided by Chapter 13, Title 31,
Mississippi Code of 1972, for the validation of county, municipal,
school district and other bonds. The notice to taxpayers required
by such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this
section or of any of the interest coupons pertaining thereto may,
either at law or in equity, by suit, action, mandamus or other
proceeding, protect and enforce any and all rights granted under
this section, or under such resolution, and may enforce and compel
performance of all duties required by this section to be
performed, in order to provide for the payment of bonds and
interest thereon.

(13) All bonds issued under the provisions of this section
shall be legal investments for trustees and other fiduciaries, and
for savings banks, trust companies and insurance companies
organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and
shall be received by all public officers and bodies of this state
and all municipalities and political subdivisions for the purpose
of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and
income therefrom shall be exempt from all taxation in the State of
Mississippi.

(15) The proceeds of the bonds issued under this section
shall be used solely for the purposes herein provided, including
the costs incident to the issuance and sale of such bonds.

process of law, to certify to the Department of Finance and
Administration the necessity for warrants, and the Department of
Finance and Administration is authorized and directed to issue
such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the
accreted value of, all bonds issued under this section; and the
State Treasurer shall forward the necessary amount to the
designated place or places of payment of such bonds in ample time
to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 53. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 City of Brookhaven - Brookway Boulevard Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the
State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the City of Brookhaven, Mississippi, in paying costs associated with reconstruction, repairs, resurfacing, upgrades and improvements to Brookway Boulevard in the City of Brookhaven.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general
obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed One Million Dollars ($1,000,000.00). No bonds shall be issued under this section after July 1, 2025.

time or times and upon such terms, with or without premium, shall
bear such registration privileges, and shall be substantially in
such form, all as shall be determined by resolution of the
commission.

(5) The bonds authorized by this section shall be signed by
the chairman of the commission, or by his facsimile signature, and
the official seal of the commission shall be affixed thereto,
attested by the secretary of the commission. The interest
coupons, if any, to be attached to such bonds may be executed by
the facsimile signatures of such officers. Whenever any such
bonds shall have been signed by the officials designated to sign
the bonds who were in office at the time of such signing but who
may have ceased to be such officers before the sale and delivery
of such bonds, or who may not have been in office on the date such
bonds may bear, the signatures of such officers upon such bonds
and coupons shall nevertheless be valid and sufficient for all
purposes and have the same effect as if the person so officially
signing such bonds had remained in office until their delivery to
the purchaser, or had been in office on the date such bonds may
bear. However, notwithstanding anything herein to the contrary,
such bonds may be issued as provided in the Registered Bond Act of
the State of Mississippi.

(6) All bonds and interest coupons issued under the
provisions of this section have all the qualities and incidents of
negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.
The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the
provisions of this section shall become effective immediately upon
its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.

(11) The bonds authorized under the authority of this
section may be validated in the Chancery Court of the First
Judicial District of Hinds County, Mississippi, in the manner and
with the force and effect provided by Chapter 13, Title 31,
Mississippi Code of 1972, for the validation of county, municipal,
school district and other bonds. The notice to taxpayers required
by such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this
section or of any of the interest coupons pertaining thereto may,
either at law or in equity, by suit, action, mandamus or other
proceeding, protect and enforce any and all rights granted under
this section, or under such resolution, and may enforce and compel
performance of all duties required by this section to be
performed, in order to provide for the payment of bonds and
interest thereon.

(13) All bonds issued under the provisions of this section
shall be legal investments for trustees and other fiduciaries, and

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this
section shall not be deemed to repeal or to be in derogation of any existing law of this state.

section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 56. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 City of Horn Lake Filtration System Fund," is created within the State Treasury. in paragraph (a) of this subsection shall have been completed,
abandoned, or cannot be completed in a timely fashion, any amounts
remaining in such special fund shall be applied to pay debt
service on the bonds issued under this section, in accordance with
the proceedings authorizing the issuance of such bonds and as

the commission. Upon receipt of such resolution, the commission,
in its discretion, may act as issuing agent, prescribe the form of
the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Two Hundred Fifty Thousand Dollars ($250,000.00). No bonds shall be issued under this section after July 1, 2025.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

shall be paid by the State Treasurer from any funds in the State
Treasury not otherwise appropriated. All such bonds shall contain
recitals on their faces substantially covering the provisions of
this subsection.

(9) Upon the issuance and sale of bonds under the provisions
of this section, the commission shall transfer the proceeds of any
such sale or sales to the special fund created in subsection (2)
of this section. The proceeds of such bonds shall be disbursed
solely upon the order of the Department of Finance and
Administration under such restrictions, if any, as may be

bonds.

without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and
shall be received by all public officers and bodies of this state
and all municipalities and political subdivisions for the purpose
of securing the deposit of public funds.

income therefrom shall be exempt from all taxation in the State of
Mississippi.

(15) The proceeds of the bonds issued under this section
shall be used solely for the purposes herein provided, including
the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further
process of law, to certify to the Department of Finance and
Administration the necessity for warrants, and the Department of
Finance and Administration is authorized and directed to issue
such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the
accreted value of, all bonds issued under this section; and the
State Treasurer shall forward the necessary amount to the
designated place or places of payment of such bonds in ample time
to discharge such bonds, or the interest thereon, on the due dates
thereof.

(17) This section shall be deemed to be full and complete
authority for the exercise of the powers herein granted, but this
section shall not be deemed to repeal or to be in derogation of
any existing law of this state.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. bonds.

(10) The bonds authorized under this section may be issued
without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any

its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.

section may be validated in the Chancery Court of the First
Judicial District of Hinds County, Mississippi, in the manner and
with the force and effect provided by Chapter 13, Title 31,
Mississippi Code of 1972, for the validation of county, municipal,
school district and other bonds. The notice to taxpayers required
by such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this
section or of any of the interest coupons pertaining thereto may,
either at law or in equity, by suit, action, mandamus or other
proceeding, protect and enforce any and all rights granted under
this section, or under such resolution, and may enforce and compel
performance of all duties required by this section to be
performed, in order to provide for the payment of bonds and
interest thereon.

(13) All bonds issued under the provisions of this section
shall be legal investments for trustees and other fiduciaries, and

shall be used solely for the purposes herein provided, including

process of law, to certify to the Department of Finance and
Administration the necessity for warrants, and the Department of
Finance and Administration is authorized and directed to issue
such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the
accreted value of, all bonds issued under this section; and the
State Treasurer shall forward the necessary amount to the
designated place or places of payment of such bonds in ample time
to discharge such bonds, or the interest thereon, on the due dates
thereof.

(17) This section shall be deemed to be full and complete
authority for the exercise of the powers herein granted, but this
section shall not be deemed to repeal or to be in derogation of
any existing law of this state.
SECTION 63.  (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 Town of Flora Water and Sewer Systems Improvements Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the Town of Flora, Mississippi, in paying costs associated with improvements to the town's water system and sewer system infrastructure.
(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the
issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Five Hundred Thousand Dollars ($500,000.00). No bonds shall be issued under this section after July 1, 2025.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto,
attested by the secretary of the commission. The interest
coupons, if any, to be attached to such bonds may be executed by
the facsimile signatures of such officers. Whenever any such
bonds shall have been signed by the officials designated to sign
the bonds who were in office at the time of such signing but who
may have ceased to be such officers before the sale and delivery
of such bonds, or who may not have been in office on the date such
bonds may bear, the signatures of such officers upon such bonds
and coupons shall nevertheless be valid and sufficient for all
purposes and have the same effect as if the person so officially
signing such bonds had remained in office until their delivery to
the purchaser, or had been in office on the date such bonds may
bear. However, notwithstanding anything herein to the contrary,
such bonds may be issued as provided in the Registered Bond Act of
the State of Mississippi.

(6) All bonds and interest coupons issued under the
provisions of this section have all the qualities and incidents of
negotiable instruments under the provisions of the Uniform
Commercial Code, and in exercising the powers granted by this
section, the commission shall not be required to and need not
comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds
authorized under this section, prescribe the form of the bonds,
determine the appropriate method for sale of the bonds, advertise
for and accept bids or negotiate the sale of the bonds, issue and
sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is pledged and appropriated therefor.
Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.
The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.
(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 64. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:
(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general

If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 City of Louisville Access Road Fund," is created within the State Treasury. performed, in order to provide for the payment of bonds and
interest thereon.

the bonds, determine the appropriate method for sale of the bonds,
advertise for and accept bids or negotiate the sale of the bonds,
issue and sell the bonds so authorized to be sold, and do any and

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general
circulation in the City of Jackson, Mississippi, selected by the commission.

All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. (12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

recitals on their faces substantially covering the provisions of

this subsection.

(9) Upon the issuance and sale of bonds under the provisions

of this section, the commission shall transfer the proceeds of any

Administration under such restrictions, if any, as may be

contained in the resolution providing for the issuance of the

bonds.

(10) The bonds authorized under this section may be issued

provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.
SECTION 80. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 Belwood Levee Construction Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist Adams County, Mississippi, in paying the costs related to the completion of the Belwood Levee in Adams County, Mississippi.
(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto,
attested by the secretary of the commission. The interest

coupons, if any, to be attached to such bonds may be executed by
the facsimile signatures of such officers. Whenever any such
bonds shall have been signed by the officials designated to sign
the bonds who were in office at the time of such signing but who
may have ceased to be such officers before the sale and delivery
of such bonds, or who may not have been in office on the date such
bonds may bear, the signatures of such officers upon such bonds
and coupons shall nevertheless be valid and sufficient for all
purposes and have the same effect as if the person so officially
signing such bonds had remained in office until their delivery to
the purchaser, or had been in office on the date such bonds may
bear. However, notwithstanding anything herein to the contrary,
such bonds may be issued as provided in the Registered Bond Act of
the State of Mississippi.

(6) All bonds and interest coupons issued under the
provisions of this section have all the qualities and incidents of
negotiable instruments under the provisions of the Uniform
Commercial Code, and in exercising the powers granted by this
section, the commission shall not be required to and need not
comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds
authorized under this section, prescribe the form of the bonds,
determine the appropriate method for sale of the bonds, advertise
for and accept bids or negotiate the sale of the bonds, issue and

The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

Mississippi is irrevocably pledged. If the funds appropriated by
the Legislature are insufficient to pay the principal of and the
interest on such bonds as they become due, then the deficiency
shall be paid by the State Treasurer from any funds in the State
Treasury not otherwise appropriated. All such bonds shall contain
recitals on their faces substantially covering the provisions of
this subsection.

(9) Upon the issuance and sale of bonds under the provisions
of this section, the commission shall transfer the proceeds of any
such sale or sales to the special fund created in subsection (2)
of this section. The proceeds of such bonds shall be disbursed
solely upon the order of the Department of Finance and
Administration under such restrictions, if any, as may be
contained in the resolution providing for the issuance of the
bonds.

(10) The bonds authorized under this section may be issued
without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the
provisions of this section shall become effective immediately upon
its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.
(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.
Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 81. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:
(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.
(2) (a) (i) A special fund, to be designated as the "2021 Marshall County Bridge Replacement Fund," is created within the State Treasury. State Treasurer shall forward the necessary amount to the
designated place or places of payment of such bonds in ample time
to discharge such bonds, or the interest thereon, on the due dates
thereof.

(17) This section shall be deemed to be full and complete

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds,
issue and sell the bonds so authorized to be sold, and do any and
all other things necessary and advisable in connection with the
issuance and sale of such bonds. The total amount of bonds issued
under this section shall not exceed One Hundred Fifty Thousand
Dollars ($150,000.00). No bonds shall be issued under this

(not to exceed the limits set forth in Section 75-17-101,
Mississippi Code of 1972), be payable at such place or places

The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the
call price named therein and accrued interest on such date or
dates named therein.

(8) The bonds issued under the provisions of this section
are general obligations of the State of Mississippi, and for the
payment thereof the full faith and credit of the State of
Mississippi is irrevocably pledged. If the funds appropriated by
the Legislature are insufficient to pay the principal of and the
interest on such bonds as they become due, then the deficiency
shall be paid by the State Treasurer from any funds in the State
Treasury not otherwise appropriated. All such bonds shall contain
recitals on their faces substantially covering the provisions of
this subsection.

of this section, the commission shall transfer the proceeds of any
such sale or sales to the special fund created in subsection (2)

solely upon the order of the Department of Finance and
Administration under such restrictions, if any, as may be
contained in the resolution providing for the issuance of the
bonds.

(10) The bonds authorized under this section may be issued

The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the
call price named therein and accrued interest on such date or
dates named therein.

(8) The bonds issued under the provisions of this section
are general obligations of the State of Mississippi, and for the
payment thereof the full faith and credit of the State of
Mississippi is irrevocably pledged. If the funds appropriated by
the Legislature are insufficient to pay the principal of and the
interest on such bonds as they become due, then the deficiency
shall be paid by the State Treasurer from any funds in the State
Treasury not otherwise appropriated. All such bonds shall contain
recitals on their faces substantially covering the provisions of
this subsection.

(9) Upon the issuance and sale of bonds under the provisions
of this section, the commission shall transfer the proceeds of any
such sale or sales to the special fund created in subsection (2)
of this section. The proceeds of such bonds shall be disbursed
solely upon the order of the Department of Finance and
Administration under such restrictions, if any, as may be
contained in the resolution providing for the issuance of the
bonds.

(10) The bonds authorized under this section may be issued
without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the
provisions of this section shall become effective immediately upon
its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.
(11) The bonds authorized under the authority of this
section may be validated in the Chancery Court of the First
Judicial District of Hinds County, Mississippi, in the manner and
with the force and effect provided by Chapter 13, Title 31,
Mississippi Code of 1972, for the validation of county, municipal,
school district and other bonds. The notice to taxpayers required
by such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.
(12) Any holder of bonds issued under the provisions of this
section or of any of the interest coupons pertaining thereto may,
either at law or in equity, by suit, action, mandamus or other
proceeding, protect and enforce any and all rights granted under
this section, or under such resolution, and may enforce and compel
performance of all duties required by this section to be
performed, in order to provide for the payment of bonds and
interest thereon.
(13) All bonds issued under the provisions of this section
shall be legal investments for trustees and other fiduciaries, and
for savings banks, trust companies and insurance companies
organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and
shall be received by all public officers and bodies of this state
and all municipalities and political subdivisions for the purpose
of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and
income therefrom shall be exempt from all taxation in the State of
Mississippi.

(15) The proceeds of the bonds issued under this section
shall be used solely for the purposes herein provided, including
the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further
process of law, to certify to the Department of Finance and
Administration the necessity for warrants, and the Department of
Finance and Administration is authorized and directed to issue
such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the
accreted value of, all bonds issued under this section; and the
State Treasurer shall forward the necessary amount to the
designated place or places of payment of such bonds in ample time
to discharge such bonds, or the interest thereon, on the due dates
thereof.

(17) This section shall be deemed to be full and complete
authority for the exercise of the powers herein granted, but this
section shall not be deemed to repeal or to be in derogation of
any existing law of this state.
SECTION 90. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 City of Columbia - Walter Payton Field Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist in paying costs associated with repair, renovation and replacement of Walter Payton Field and related facilities at Columbia High School in the City of Columbia.
(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the
issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Two Hundred Fifty Thousand Dollars ($250,000.00). No bonds shall be issued under this section after July 1, 2025.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto,
attested by the secretary of the commission. The interest
coupons, if any, to be attached to such bonds may be executed by
the facsimile signatures of such officers. Whenever any such
bonds shall have been signed by the officials designated to sign
the bonds who were in office at the time of such signing but who
may have ceased to be such officers before the sale and delivery
of such bonds, or who may not have been in office on the date such
bonds may bear, the signatures of such officers upon such bonds
and coupons shall nevertheless be valid and sufficient for all
purposes and have the same effect as if the person so officially
signing such bonds had remained in office until their delivery to
the purchaser, or had been in office on the date such bonds may
bear. However, notwithstanding anything herein to the contrary,
such bonds may be issued as provided in the Registered Bond Act of
the State of Mississippi.

(6) All bonds and interest coupons issued under the
provisions of this section have all the qualities and incidents of

authorized under this section, prescribe the form of the bonds,
determine the appropriate method for sale of the bonds, advertise
for and accept bids or negotiate the sale of the bonds, issue and

The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually. If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.
(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.
(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 91. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:
(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the
issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Four Hundred Fifty Thousand Dollars ($450,000.00). No bonds shall be issued under this section after July 1, 2025.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

bonds may bear, the signatures of such officers upon such bonds
and coupons shall nevertheless be valid and sufficient for all
purposes and have the same effect as if the person so officially
signing such bonds had remained in office until their delivery to
the purchaser, or had been in office on the date such bonds may
bear. However, notwithstanding anything herein to the contrary,
such bonds may be issued as provided in the Registered Bond Act of
the State of Mississippi.

(6) All bonds and interest coupons issued under the
provisions of this section have all the qualities and incidents of

derived from the sale of such bonds. The commission may sell such
bonds on sealed bids at public sale or may negotiate the sale of
the bonds for such price as it may determine to be for the best
interest of the State of Mississippi. All interest accruing on
such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice
of the sale shall be published at least one time, not less than
ten (10) days before the date of sale, and shall be so published
in one or more newspapers published or having a general
circulation in the City of Jackson, Mississippi, selected by the
commission.

The commission, when issuing any bonds under the authority of
this section, may provide that bonds, at the option of the State
of Mississippi, may be called in for payment and redemption at the
call price named therein and accrued interest on such date or
dates named therein.

(8) The bonds issued under the provisions of this section
are general obligations of the State of Mississippi, and for the
payment thereof the full faith and credit of the State of
Mississippi is irrevocably pledged. If the funds appropriated by
the Legislature are insufficient to pay the principal of and the
interest on such bonds as they become due, then the deficiency
shall be paid by the State Treasurer from any funds in the State
Treasury not otherwise appropriated. All such bonds shall contain
recitals on their faces substantially covering the provisions of
this subsection.

(9) Upon the issuance and sale of bonds under the provisions
of this section, the commission shall transfer the proceeds of any
such sale or sales to the special fund created in subsection (2)
of this section. The proceeds of such bonds shall be disbursed
solely upon the order of the Department of Finance and
Administration under such restrictions, if any, as may be
contained in the resolution providing for the issuance of the
bonds.

without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the
provisions of this section shall become effective immediately upon
its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.
The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.
Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.
If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed
solely upon the order of the Department of Finance and
Administration under such restrictions, if any, as may be
contained in the resolution providing for the issuance of the
bonds.

(10) The bonds authorized under this section may be issued
without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the
provisions of this section shall become effective immediately upon
its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.

(11) The bonds authorized under the authority of this
section may be validated in the Chancery Court of the First
Judicial District of Hinds County, Mississippi, in the manner and
with the force and effect provided by Chapter 13, Title 31,
Mississippi Code of 1972, for the validation of county, municipal,
school district and other bonds. The notice to taxpayers required
by such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this
section or of any of the interest coupons pertaining thereto may,
either at law or in equity, by suit, action, mandamus or other
proceeding, protect and enforce any and all rights granted under
this section, or under such resolution, and may enforce and compel
performance of all duties required by this section to be
performed, in order to provide for the payment of bonds and
interest thereon.

(13) All bonds issued under the provisions of this section
shall be legal investments for trustees and other fiduciaries, and
for savings banks, trust companies and insurance companies
organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and
shall be received by all public officers and bodies of this state
and all municipalities and political subdivisions for the purpose
of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and
income therefrom shall be exempt from all taxation in the State of
Mississippi.

(15) The proceeds of the bonds issued under this section
shall be used solely for the purposes herein provided, including
the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further
process of law, to certify to the Department of Finance and
Administration the necessity for warrants, and the Department of
Finance and Administration is authorized and directed to issue
such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the
accreted value of, all bonds issued under this section; and the
State Treasurer shall forward the necessary amount to the

designated place or places of payment of such bonds in ample time
to discharge such bonds, or the interest thereon, on the due dates
thereof.

(17) This section shall be deemed to be full and complete
authority for the exercise of the powers herein granted, but this
section shall not be deemed to repeal or to be in derogation of
any existing law of this state.

SECTION 100. (1) As used in this section, the following
words shall have the meanings ascribed herein unless the context
clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date
of computation, an amount equal to the sum of (i) the stated
initial value of such bond, plus (ii) the interest accrued thereon
from the issue date to the date of computation at the rate,
compounded semiannually, that is necessary to produce the
approximate yield to maturity shown for bonds of the same
maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021
City of Fulton Natural Gas System Fund," is created within the
State Treasury. The fund shall be maintained by the State
Treasurer as a separate and special fund, separate and apart from
the General Fund of the state. Unexpended amounts remaining in
the fund at the end of a fiscal year shall not lapse into the
State General Fund, and any interest earned or investment earnings
on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be
disbursed, in the discretion of the Department of Finance and
Administration, to assist the City of Fulton, Mississippi, in
paying costs associated with expansion of the city's natural gas
system and related infrastructure.

(b) Amounts deposited into such special fund shall be
disbursed to pay the costs of the projects described in paragraph
(a) of this subsection. Promptly after the commission has
certified, by resolution duly adopted, that the projects described
in paragraph (a) of this subsection shall have been completed,
abandoned, or cannot be completed in a timely fashion, any amounts
remaining in such special fund shall be applied to pay debt
service on the bonds issued under this section, in accordance with
the proceedings authorizing the issuance of such bonds and as
directed by the commission.

(3) (a) The commission, at one time, or from time to time,
may declare by resolution the necessity for issuance of general
obligation bonds of the State of Mississippi to provide funds for
all costs incurred or to be incurred for the purposes described in
subsection (2) of this section. Upon the adoption of a resolution
by the Department of Finance and Administration, declaring the
necessity for the issuance of any part or all of the general
obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed One Hundred Thousand Dollars ($100,000.00). No bonds shall be issued under this section after July 1, 2025.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25)
years from date of issue, be redeemable before maturity at such
time or times and upon such terms, with or without premium, shall
bear such registration privileges, and shall be substantially in
such form, all as shall be determined by resolution of the
commission.

(5) The bonds authorized by this section shall be signed by
the chairman of the commission, or by his facsimile signature, and
the official seal of the commission shall be affixed thereto,
attested by the secretary of the commission. The interest
coupons, if any, to be attached to such bonds may be executed by
the facsimile signatures of such officers. Whenever any such
bonds shall have been signed by the officials designated to sign
the bonds who were in office at the time of such signing but who
may have ceased to be such officers before the sale and delivery
of such bonds, or who may not have been in office on the date such
bonds may bear, the signatures of such officers upon such bonds
and coupons shall nevertheless be valid and sufficient for all
purposes and have the same effect as if the person so officially
signing such bonds had remained in office until their delivery to
the purchaser, or had been in office on the date such bonds may
bear. However, notwithstanding anything herein to the contrary,
such bonds may be issued as provided in the Registered Bond Act of
the State of Mississippi.

(6) All bonds and interest coupons issued under the
provisions of this section have all the qualities and incidents of
negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.
The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the
provisions of this section shall become effective immediately upon
its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.

(11) The bonds authorized under the authority of this
section may be validated in the Chancery Court of the First
Judicial District of Hinds County, Mississippi, in the manner and
with the force and effect provided by Chapter 13, Title 31,
Mississippi Code of 1972, for the validation of county, municipal,
school district and other bonds. The notice to taxpayers required
by such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this
section or of any of the interest coupons pertaining thereto may,
either at law or in equity, by suit, action, mandamus or other
proceeding, protect and enforce any and all rights granted under
this section, or under such resolution, and may enforce and compel
performance of all duties required by this section to be
performed, in order to provide for the payment of bonds and
interest thereon.

(13) All bonds issued under the provisions of this section
shall be legal investments for trustees and other fiduciaries, and
for savings banks, trust companies and insurance companies
organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and
shall be received by all public officers and bodies of this state
and all municipalities and political subdivisions for the purpose
of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and
income therefrom shall be exempt from all taxation in the State of
Mississippi.

(15) The proceeds of the bonds issued under this section
shall be used solely for the purposes herein provided, including
the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further
process of law, to certify to the Department of Finance and
Administration the necessity for warrants, and the Department of
Finance and Administration is authorized and directed to issue
such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the
accreted value of, all bonds issued under this section; and the
State Treasurer shall forward the necessary amount to the
designated place or places of payment of such bonds in ample time
to discharge such bonds, or the interest thereon, on the due dates
thereof.

(17) This section shall be deemed to be full and complete
authority for the exercise of the powers herein granted, but this
section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 101. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds,
issue and sell the bonds so authorized to be sold, and do any and

accordance with the proceedings authorizing issuance of such 
bonds.

(4) The principal of and interest on the bonds authorized

subsection. Such bonds shall bear such date or dates, be in such

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. performance of all duties required by this section to be
performed, in order to provide for the payment of bonds and
interest thereon.

(13) All bonds issued under the provisions of this section
shall be legal investments for trustees and other fiduciaries, and
for savings banks, trust companies and insurance companies
organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and

Finance and Administration is authorized and directed to issue
such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the
accreted value of, all bonds issued under this section; and the
State Treasurer shall forward the necessary amount to the
designated place or places of payment of such bonds in ample time
to discharge such bonds, or the interest thereon, on the due dates
thereof.

The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. shall be paid by the State Treasurer from any funds in the State
Treasury not otherwise appropriated. All such bonds shall contain
recitals on their faces substantially covering the provisions of
this subsection.

(9) Upon the issuance and sale of bonds under the provisions
of this section, the commission shall transfer the proceeds of any
such sale or sales to the special fund created in subsection (2)

Administration under such restrictions, if any, as may be
contained in the resolution providing for the issuance of the
bonds.

(10) The bonds authorized under this section may be issued
without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and

resolution providing for the issuance of bonds under the
provisions of this section shall become effective immediately upon
its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.

(11) The bonds authorized under the authority of this
section may be validated in the Chancery Court of the First
Judicial District of Hinds County, Mississippi, in the manner and
with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 110. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate,
compounded semiannually, that is necessary to produce the
approximate yield to maturity shown for bonds of the same
maturity.

(b) "State" means the State of Mississippi.

c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021
Greenwood Cemetery Fund," is created within the State Treasury.
The fund shall be maintained by the State Treasurer as a separate
and special fund, separate and apart from the General Fund of the
state. Unexpended amounts remaining in the fund at the end of a
fiscal year shall not lapse into the State General Fund, and any
interest earned or investment earnings on amounts in the fund
shall be deposited into such fund.

(ii) Monies deposited into the fund shall be
disbursed, in the discretion of the Department of Finance and
Administration, to assist the Greenwood Cemetery Association in
paying costs associated with repairs to Greenwood Cemetery in
Jackson, Mississippi.

(b) Amounts deposited into such special fund shall be
disbursed to pay the costs of the projects described in paragraph
(a) of this subsection. Promptly after the commission has
certified, by resolution duly adopted, that the projects described
in paragraph (a) of this subsection shall have been completed,
abandoned, or cannot be completed in a timely fashion, any amounts
remaining in such special fund shall be applied to pay debt
service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. (5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such
bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such
bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually. If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.
(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.
(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of
Finance and Administration is authorized and directed to issue
such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the
accreted value of, all bonds issued under this section; and the
State Treasurer shall forward the necessary amount to the
designated place or places of payment of such bonds in ample time
to discharge such bonds, or the interest thereon, on the due dates
thereof.

(17) This section shall be deemed to be full and complete
authority for the exercise of the powers herein granted, but this
section shall not be deemed to repeal or to be in derogation of
any existing law of this state.

SECTION 113.  (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 City of Philadelphia - Philadelphia Utilities Levee System Improvements Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the City of Philadelphia, Mississippi, in paying costs associated with maintenance, repairs, upgrades and
improvements to the levee system protecting the Philadelphia Utilities wastewater treatment plant and related facilities.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds,
issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

(8) The bonds issued under the provisions of this section
are general obligations of the State of Mississippi, and for the
payment thereof the full faith and credit of the State of
Mississippi is irrevocably pledged. If the funds appropriated by
the Legislature are insufficient to pay the principal of and the

this subsection.

of this section, the commission shall transfer the proceeds of any
such sale or sales to the special fund created in subsection (2)

solely upon the order of the Department of Finance and
Administration under such restrictions, if any, as may be

The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and
shall be received by all public officers and bodies of this state
and all municipalities and political subdivisions for the purpose

shall be used solely for the purposes herein provided, including
the costs incident to the issuance and sale of such bonds.

process of law, to certify to the Department of Finance and
Administration the necessity for warrants, and the Department of
Finance and Administration is authorized and directed to issue
such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the
accreted value of, all bonds issued under this section; and the
State Treasurer shall forward the necessary amount to the
designated place or places of payment of such bonds in ample time
to discharge such bonds, or the interest thereon, on the due dates
thereof.

(17) This section shall be deemed to be full and complete
authority for the exercise of the powers herein granted, but this
section shall not be deemed to repeal or to be in derogation of
any existing law of this state.

(2) (a) (i) A special fund, to be designated as the "2021 Montgomery County - Fisher Road Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist Montgomery County, Mississippi, in paying costs associated with the overlay of Fisher Road from U.S. Highway 51 to Willette Lane in Montgomery County.
(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the
issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed One Hundred Fifty Thousand Dollars ($150,000.00). No bonds shall be issued under this section after July 1, 2025.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto,
attested by the secretary of the commission. The interest
coupons, if any, to be attached to such bonds may be executed by
the facsimile signatures of such officers. Whenever any such
bonds shall have been signed by the officials designated to sign
the bonds who were in office at the time of such signing but who
may have ceased to be such officers before the sale and delivery
of such bonds, or who may not have been in office on the date such
bonds may bear, the signatures of such officers upon such bonds
and coupons shall nevertheless be valid and sufficient for all
purposes and have the same effect as if the person so officially
signing such bonds had remained in office until their delivery to
the purchaser, or had been in office on the date such bonds may
bear. However, notwithstanding anything herein to the contrary,
such bonds may be issued as provided in the Registered Bond Act of
the State of Mississippi.

(6) All bonds and interest coupons issued under the
provisions of this section have all the qualities and incidents of
negotiable instruments under the provisions of the Uniform
Commercial Code, and in exercising the powers granted by this
section, the commission shall not be required to and need not
comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds
authorized under this section, prescribe the form of the bonds,
determine the appropriate method for sale of the bonds, advertise
for and accept bids or negotiate the sale of the bonds, issue and
sell the bonds so authorized to be sold, pay all fees and costs
incurred in such issuance and sale, and do any and all other
things necessary and advisable in connection with the issuance and
sale of such bonds. The commission is authorized and empowered to
pay the costs that are incident to the sale, issuance and delivery
of the bonds authorized under this section from the proceeds
derived from the sale of such bonds. The commission may sell such
bonds on sealed bids at public sale or may negotiate the sale of
the bonds for such price as it may determine to be for the best
interest of the State of Mississippi. All interest accruing on
such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice
of the sale shall be published at least one time, not less than
ten (10) days before the date of sale, and shall be so published
in one or more newspapers published or having a general
circulation in the City of Jackson, Mississippi, selected by the
commission.

The commission, when issuing any bonds under the authority of
this section, may provide that bonds, at the option of the State
of Mississippi, may be called in for payment and redemption at the
call price named therein and accrued interest on such date or
dates named therein.

(8) The bonds issued under the provisions of this section
are general obligations of the State of Mississippi, and for the
payment thereof the full faith and credit of the State of
Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.
The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.
Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 117. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:
(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

22846 obligation bonds of the State of Mississippi to provide funds for
22847 all costs incurred or to be incurred for the purposes described in
22848 subsection (2) of this section. Upon the adoption of a resolution
22849 by the Department of Finance and Administration, declaring the
22850 necessity for the issuance of any part or all of the general

the bonds who were in office at the time of such signing but who

this subsection.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all
purposes and have the same effect as if the person so officially
signing such bonds had remained in office until their delivery to
the purchaser, or had been in office on the date such bonds may
bear. However, notwithstanding anything herein to the contrary,
such bonds may be issued as provided in the Registered Bond Act of
the State of Mississippi.

(6) All bonds and interest coupons issued under the
provisions of this section have all the qualities and incidents of
negotiable instruments under the provisions of the Uniform
Commercial Code, and in exercising the powers granted by this

sale of such bonds. The commission is authorized and empowered to
pay the costs that are incident to the sale, issuance and delivery
of the bonds authorized under this section from the proceeds
derived from the sale of such bonds. The commission may sell such
bonds on sealed bids at public sale or may negotiate the sale of
the bonds for such price as it may determine to be for the best
interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually. If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any
such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Title 31, Chapter 13, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may,
either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the 
accreted value of, all bonds issued under this section; and the 
State Treasurer shall forward the necessary amount to the 
designated place or places of payment of such bonds in ample time 
to discharge such bonds, or the interest thereon, on the due dates 
thereof.

(17) This section shall be deemed to be full and complete 
authority for the exercise of the powers herein granted, but this 
section shall not be deemed to repeal or to be in derogation of 
any existing law of this state.

The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be
contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. bonds.

(10) The bonds authorized under this section may be issued

provisions of this section shall become effective immediately upon
its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.

(11) The bonds authorized under the authority of this
section may be validated in the Chancery Court of the First
Judicial District of Hinds County, Mississippi, in the manner and
with the force and effect provided by Chapter 13, Title 31,
Mississippi Code of 1972, for the validation of county, municipal,

(12) Any holder of bonds issued under the provisions of this
section or of any of the interest coupons pertaining thereto may,
either at law or in equity, by suit, action, mandamus or other
proceeding, protect and enforce any and all rights granted under
this section, or under such resolution, and may enforce and compel
performance of all duties required by this section to be
performed, in order to provide for the payment of bonds and
interest thereon.

(13) All bonds issued under the provisions of this section
shall be legal investments for trustees and other fiduciaries, and

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.
SECTION 123. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 Town of Oakland Road Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the Town of Oakland, Mississippi, in paying costs associated with repairs, resurfacing, upgrades and improvements to streets and roads in the Town of Oakland.
(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the
issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed One Hundred Twenty-five Thousand Dollars ($125,000.00). No bonds shall be issued under this section after July 1, 2025.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto,
attested by the secretary of the commission. The interest
coupons, if any, to be attached to such bonds may be executed by
the facsimile signatures of such officers. Whenever any such
bonds shall have been signed by the officials designated to sign
the bonds who were in office at the time of such signing but who
may have ceased to be such officers before the sale and delivery
of such bonds, or who may not have been in office on the date such
bonds may bear, the signatures of such officers upon such bonds
and coupons shall nevertheless be valid and sufficient for all
purposes and have the same effect as if the person so officially
signing such bonds had remained in office until their delivery to
the purchaser, or had been in office on the date such bonds may
bear. However, notwithstanding anything herein to the contrary,
such bonds may be issued as provided in the Registered Bond Act of
the State of Mississippi.

authorized under this section, prescribe the form of the bonds,
determine the appropriate method for sale of the bonds, advertise
for and accept bids or negotiate the sale of the bonds, issue and

incurred in such issuance and sale, and do any and all other
things necessary and advisable in connection with the issuance and
sale of such bonds. The commission is authorized and empowered to
pay the costs that are incident to the sale, issuance and delivery
of the bonds authorized under this section from the proceeds
derived from the sale of such bonds. The commission may sell such
bonds on sealed bids at public sale or may negotiate the sale of
the bonds for such price as it may determine to be for the best
interest of the State of Mississippi. All interest accruing on
such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice
of the sale shall be published at least one time, not less than
ten (10) days before the date of sale, and shall be so published
in one or more newspapers published or having a general
circulation in the City of Jackson, Mississippi, selected by the
commission.

The commission, when issuing any bonds under the authority of
this section, may provide that bonds, at the option of the State
of Mississippi, may be called in for payment and redemption at the
call price named therein and accrued interest on such date or
dates named therein.

(8) The bonds issued under the provisions of this section
are general obligations of the State of Mississippi, and for the
payment thereof the full faith and credit of the State of
Mississippi is irrevocably pledged. If the funds appropriated by
the Legislature are insufficient to pay the principal of and the
interest on such bonds as they become due, then the deficiency
shall be paid by the State Treasurer from any funds in the State
Treasury not otherwise appropriated. All such bonds shall contain
recitals on their faces substantially covering the provisions of
this subsection.

(9) Upon the issuance and sale of bonds under the provisions
of this section, the commission shall transfer the proceeds of any
such sale or sales to the special fund created in subsection (2)

Administration under such restrictions, if any, as may be
contained in the resolution providing for the issuance of the
bonds.

(10) The bonds authorized under this section may be issued
without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the
provisions of this section shall become effective immediately upon
its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.
(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.
(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 124. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the City of Union, Mississippi, in paying costs associated with the acquisition of two (2) motor vehicles and equipment for such motor vehicles, tasers and other safety equipment for the City of Union Police Department.

the proceedings authorizing the issuance of such bonds and as

directed by the commission.

(3) (a) The commission, at one time, or from time to time,
may declare by resolution the necessity for issuance of general
obligation bonds of the State of Mississippi to provide funds for
all costs incurred or to be incurred for the purposes described in
subsection (2) of this section. Upon the adoption of a resolution
by the Department of Finance and Administration, declaring the
necessity for the issuance of any part or all of the general
obligation bonds authorized by this subsection, the department
shall deliver a certified copy of its resolution or resolutions to
the commission. Upon receipt of such resolution, the commission,
in its discretion, may act as issuing agent, prescribe the form of
the bonds, determine the appropriate method for sale of the bonds,
advertise for and accept bids or negotiate the sale of the bonds,
issue and sell the bonds so authorized to be sold, and do any and
all other things necessary and advisable in connection with the
issuance and sale of such bonds. The total amount of bonds issued

the bonds who were in office at the time of such signing but who
may have ceased to be such officers before the sale and delivery
of such bonds, or who may not have been in office on the date such
bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such
bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.
(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

24718 section or of any of the interest coupons pertaining thereto may,
24719 either at law or in equity, by suit, action, mandamus or other
24720 proceeding, protect and enforce any and all rights granted under
24721 this section, or under such resolution, and may enforce and compel
24722 performance of all duties required by this section to be
24723 performed, in order to provide for the payment of bonds and
24724 interest thereon.
24725 (13) All bonds issued under the provisions of this section
24726 shall be legal investments for trustees and other fiduciaries, and
24727 for savings banks, trust companies and insurance companies
24728 organized under the laws of the State of Mississippi, and such
24729 bonds shall be legal securities which may be deposited with and

24734 income therefrom shall be exempt from all taxation in the State of
24735 Mississippi.
24736 (15) The proceeds of the bonds issued under this section
24737 shall be used solely for the purposes herein provided, including
24738 the costs incident to the issuance and sale of such bonds.
24739 (16) The State Treasurer is authorized, without further
24740 process of law, to certify to the Department of Finance and
24741 Administration the necessity for warrants, and the Department of
Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

the commission. Upon receipt of such resolution, the commission,
in its discretion, may act as issuing agent, prescribe the form of
the bonds, determine the appropriate method for sale of the bonds,
advise for and accept bids or negotiate the sale of the bonds,
issue and sell the bonds so authorized to be sold, and do any and
all other things necessary and advisable in connection with the
issuance and sale of such bonds. The total amount of bonds issued
under this section shall not exceed Five Hundred Thousand Dollars
($500,000.00). No bonds shall be issued under this section after
July 1, 2025.

(b) Any investment earnings on amounts deposited into
the special fund created in subsection (2) of this section shall
be used to pay debt service on bonds issued under this section, in
accordance with the proceedings authorizing issuance of such
bonds.

(4) The principal of and interest on the bonds authorized
under this section shall be payable in the manner provided in this
subsection. Such bonds shall bear such date or dates, be in such
denomination or denominations, bear interest at such rate or rates
(not to exceed the limits set forth in Section 75-17-101,
Mississippi Code of 1972), be payable at such place or places
within or without the State of Mississippi, shall mature
absolutely at such time or times not to exceed twenty-five (25)
years from date of issue, be redeemable before maturity at such
time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform
Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.
The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the
provisions of this section shall become effective immediately upon
its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.

(11) The bonds authorized under the authority of this
section may be validated in the Chancery Court of the First
Judicial District of Hinds County, Mississippi, in the manner and
with the force and effect provided by Chapter 13, Title 31,
Mississippi Code of 1972, for the validation of county, municipal,
school district and other bonds. The notice to taxpayers required
by such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this
section or of any of the interest coupons pertaining thereto may,
either at law or in equity, by suit, action, mandamus or other
proceeding, protect and enforce any and all rights granted under
this section, or under such resolution, and may enforce and compel
performance of all duties required by this section to be
performed, in order to provide for the payment of bonds and
interest thereon.

(13) All bonds issued under the provisions of this section
shall be legal investments for trustees and other fiduciaries, and
for savings banks, trust companies and insurance companies
organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and
shall be received by all public officers and bodies of this state
and all municipalities and political subdivisions for the purpose
of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and
income therefrom shall be exempt from all taxation in the State of
Mississippi.

(15) The proceeds of the bonds issued under this section
shall be used solely for the purposes herein provided, including
the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further
process of law, to certify to the Department of Finance and
Administration the necessity for warrants, and the Department of
Finance and Administration is authorized and directed to issue
such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the
accreted value of, all bonds issued under this section; and the
State Treasurer shall forward the necessary amount to the
designated place or places of payment of such bonds in ample time
to discharge such bonds, or the interest thereon, on the due dates
thereof.

(17) This section shall be deemed to be full and complete
authority for the exercise of the powers herein granted, but this
section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 130. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2021 City of Ripley Fire Department Fund," is created within the State Treasury. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the City of Ripley, Mississippi, in
paying costs associated with the purchase of equipment for the city's fire department.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds,
issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. (4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.
(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the
call price named therein and accrued interest on such date or
dates named therein.

(8) The bonds issued under the provisions of this section
are general obligations of the State of Mississippi, and for the
payment thereof the full faith and credit of the State of

this subsection.

(9) Upon the issuance and sale of bonds under the provisions
of this section, the commission shall transfer the proceeds of any
such sale or sales to the special fund created in subsection (2)
of this section. The proceeds of such bonds shall be disbursed
solely upon the order of the Department of Finance and
Administration under such restrictions, if any, as may be
contained in the resolution providing for the issuance of the
bonds.

(10) The bonds authorized under this section may be issued
without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the
provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and
shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

remaining in such special fund shall be applied to pay debt
service on the bonds issued under this section, in accordance with

contained in the resolution providing for the issuance of the
bonds.

(10) The bonds authorized under this section may be issued
without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this section. Any
resolution providing for the issuance of bonds under the
provisions of this section shall become effective immediately upon
its adoption by the commission, and any such resolution may be
adopted at any regular or special meeting of the commission by a
majority of its members.

(16) The State Treasurer is authorized, without further
process of law, to certify to the Department of Finance and
Administration the necessity for warrants, and the Department of
Finance and Administration is authorized and directed to issue
such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the
accreted value of, all bonds issued under this section; and the
State Treasurer shall forward the necessary amount to the

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 136. Section 41, Chapter 492, Laws of 2020, is amended as follows:

Section 41. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the
approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated the "2020 Town of Wesson – Wesson Old School Visitor Center Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the Town of Wesson, Mississippi, in paying costs associated with parking lot repairs for the renovation, furnishing and equipping of the Wesson Old School Visitor Center.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt...
service on the bonds issued under this section, in accordance with
the proceedings authorizing the issuance of such bonds and as
directed by the commission.

(3) (a) The commission, at one time, or from time to time,
may declare by resolution the necessity for issuance of general
obligation bonds of the State of Mississippi to provide funds for
all costs incurred or to be incurred for the purposes described in
subsection (2) of this section. Upon the adoption of a resolution
by the Department of Finance and Administration, declaring the
necessity for the issuance of any part or all of the general
obligation bonds authorized by this subsection, the department
shall deliver a certified copy of its resolution or resolutions to
the commission. Upon receipt of such resolution, the commission,
in its discretion, may act as the issuing agent, prescribe the
form of the bonds, determine the appropriate method for sale of
the bonds, advertise for and accept bids or negotiate the sale of
the bonds, issue and sell the bonds so authorized to be sold and
do any and all other things necessary and advisable in connection
with the issuance and sale of such bonds. The total amount of
bonds issued under this section shall not exceed Three Hundred
Thousand Dollars ($300,000.00). No bonds shall be issued under
this section after July 1, 2024.

(b) Any investment earnings on amounts deposited into
the special fund created in subsection (2) of this section shall
be used to pay debt service on bonds issued under this section, in
accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such
bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such
bonds on sealed bids at public sale or may negotiate the sale of
the bonds for such price as it may determine to be for the best
interest of the State of Mississippi. All interest accruing on
such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice
of the sale shall be published at least one (1) time, not less
than ten (10) days before the date of sale, and shall be so
published in one or more newspapers published or having a general
circulation in the City of Jackson, Mississippi, selected by the
commission.

The commission, when issuing any bonds under the authority of
this section, may provide that bonds, at the option of the State
of Mississippi, may be called in for payment and redemption at the
call price named therein and accrued interest on such date or
dates named therein.

(8) The bonds issued under the provisions of this section
are general obligations of the State of Mississippi, and for the
payment thereof the full faith and credit of the State of
Mississippi is irrevocably pledged. If the funds appropriated by
the Legislature are insufficient to pay the principal of and the
interest on such bonds as they become due, then the deficiency
shall be paid by the State Treasurer from any funds in the State
Treasury not otherwise appropriated. All such bonds shall contain
recitals on their faces substantially covering the provisions of
this subsection.
(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.
(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of
Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.
